Tips for visiting a farm or market

1

Call to make sure that the farm or market is open and to verify directions.

2

Ask if the product you are seeking is available.

Also ask about quality & quantity. Different stages of the season affect crop quantity, quality and sometimes price.

3

Get there early for the best selection.

4

If you are visiting a farmers' market, bring along a large bag with handles, stroller, or wagon for hauling purchases. Carry change or small bills.

5

If you plan to bring children or pets, make sure they are welcome. (Not all farms allow children or pets.)

6

If you are picking your own produce, ask if containers are supplied. Wear comfortable clothes and bring along sunglasses, sunscreen, a wide brimmed hat, and perhaps a picnic.

Have fun!
