## General

The State of Minnesota, as a recipient of federal funds, is responsible for assuring that its subrecipients of federal funds have audits in accordance with the Single Audit Act of 1984 and the Office of Management and Budget's Circulars A-128 and A-133.

This report on "Federally Assisted Programs of Subrecipients of the State of Minnesota" for the fiscal year ended June 30, 1990, is prepared to demonstrate the State of Minnesota's compliance with the requirement for audit of federal funds granted to its subrecipients.

This report represents a compilation of financial and compliance information pertaining to federal grants. The data has been obtained from audited financial statements of subrecipients that were submitted to the Minnesota Office of the State Auditor. Subrecipients covered in the report include cities, counties, housing and redevelopment authorities, Indian Tribes, libraries, nonprofit agencies, regional development commissions, school districts, and other local units of government in Minnesota.

Although audits of nonprofit organizations are not covered by the Single Audit Act of 1984 and the Office of Management and Budget's (OMB) Circular A-128, some nonprofit agencies have agreed to a single audit, and the results of such audits are included in this report.

In addition to OMB Circular A-128, nonprofit agencies are subject to the audit requirements of OMB Circular 110, "Grants and Agreements with Institutions of Higher Education, Hospitals and Other Nonprofit Organizations." Nonprofit agencies will be subject to the requirements of OMB Circular A-133, "Audits of Institutions of Higher Education and Other Nonprofit Institutions," for fiscal years beginning on or after January 1, 1990. Early implementation is permissible.

This report includes agencies that receive federal revenues from the State of Minnesota and incurred expenditures of \$25,000 or more in federal funds. Generally, local units that receive less than \$25,000 in federal revenues are excluded from the report because single audits are not required for these agencies.

Also, this report has been prepared to provide federal, state, local units of government and other agencies with information to determine if follow-up action is required on subrecipients receiving federal funds. The exhibits contain information that was included in audited financial statements of subrecipients having fiscal year-ends between July 1, 1989 and June 30, 1990. The resolution of questioned costs, noncompliance, and crosscutting findings are the responsibility of the agency that issued the grants.

## Memorandum of Understanding

In April 1983, a Memorandum of Understanding (Memorandum) was signed that documented the arrangement for conducting a single audit of federal funds awarded directly to the State of Minnesota and expended either by the State or an authorized subrecipient. This Memorandum remains in effect for the current-year single audit report of the State.

Memorandum of Understanding (Continued)

The Memorandum outlines the broad issues agreed to, as well as the specific responsibilities of each party. The parties participating in the Memorandum and their duties are:

- The Minnesota Department of Finance serves as the lead state agency, representing all Minnesota state agencies receiving federal funds, and coordinates single audit requirements;
- The Minnesota Office of the Legislative Auditor performs the statewide single audit and prepares the audit report at the state agency level;
- The Minnesota Office of the State Auditor established reporting guidelines and procedures for subrecipients of the state and reviews resulting audit reports; and
- The U.S. Department of Agriculture, Office of the Inspector General serves as the lead cognizant audit agency, representing all federal agencies awarding funds to the State of Minnesota, and serves as liaison with the other parties participating in the Memorandum and federal agencies.

Review of Subrecipient Audit Reports

For the fiscal year ended June 30, 1990, it was determined that 1018 entities received federal funds from the State of Minnesota and were required to submit audited financial statements. Not all of the subrecipients submitted audited financial statements in time to be included in this report. In some instances, reports received did not include schedules and reports on federal programs. The status of the audits, by type, are:

## Review of Subrecipients Audit Reports (Continued)

Of the 838 audit reports received, 76 were tentatively classified as unacceptable. The auditors were advised of the reasons the reports were unacceptable and allowed 15 days to revise the report. In the event the report was not revised, the grantor agency and grantee would be advised of the deficiencies. In the 76 instances cited above, 74 acceptable revisions were filed and two reports remain unacceptable.

In addition to the above, an additional six letters were sent to audit firms advising them of deficiencies in their single audit reports. These deficiencies were of a minor nature, such as incorrect Catalog of Federal Domestic Assistance numbers and administering agency or immaterial reporting deficiencies.

In those instances where audited financial statements failed to include schedules on federal programs or where the audit reports have not been received, it is the grantor state agencies' responsibility to ensure that acceptable audit reports are obtained. Grantor state agencies have been advised of their subrecipients' deficiencies.

### Contents of This Report

This report contains six exhibits. Information contained in these exhibits was taken from single audit reports filed with the Office of the State Auditor by subrecipients of the State of Minnesota. The exhibits are:

- Exhibit 1 Questioned Costs
- Exhibit 2 Summary of Grant Revenue by Catalog of Federal Domestic Assistance Number (CFDA)
- Exhibit 3 Summary of Grant Revenue by Entity
- Exhibit 4 Summary of Grant Revenue by Administering Agency
- Exhibit 5 Summary of Nonfederal Crosscutting Findings by Agency Type
- Exhibit 6 Summary of Federal Crosscutting Findings by Agency Type

Information contained in each of the Exhibits is:

- Exhibit 1 A summary of questioned costs by administrative agency (grantor), entity (grantee), CFDA number, reason and the amount of the questioned costs.
- Exhibit 2 Summarized federal grant revenue by CFDA number and by the administering grantor agency type--federal, state or other agency.
- Exhibit 3 A summary of federal grant revenue by entity, and the administrative agency type--federal, state or other agency. The exhibit also shows those agencies which were to file a single audit report, but it was not received timely or did not include the reports on federal programs.

## Contents of This Report (Continued)

- Exhibit 4 Summarizes federal grant revenue by the administrative agency, CFDA number, audited grant revenue. The exhibit also indicates if there are federal or nonfederal crosscutting findings, grant noncompliance and if the report is acceptable with the single audit reporting requirements.
- Exhibit 5 A listing of the nonfederal crosscutting findings by subrecipient. This exhibit is a complement to Exhibit 4 as it indicates the types of nonfederal crosscutting findings.
- Exhibit 6 A listing of the federal crosscutting findings by subrecipient. This exhibit is a complement to Exhibit 4 as it indicates the types of federal crosscutting findings.

In several instances, the subrecipients' Schedule of Federal Financial Assistance did not include a CFDA number. These programs were included in this report and assigned a number which identified the federal agency and three zeros (i.e., CFDA No. 84.000).

For any detail regarding information in these exhibits, the audit report should be reviewed or the subrecipient should be contacted.

### Report Distribution

This report will be distributed to:

- U.S. Department of Agriculture, the cognizant agency for the State of Minnesota,
- Grantor agencies of the federal government,
- State of Minnesota agencies which subgranted federal funds on a pass-through basis,
- Selected local agencies which subgranted federal funds on a pass-through basis, and
- Other interested organizations.
