PREAMBLE

This Agreement is made and entered into this 21st day of December, 2001 by and between the State of Minnesota, hereinafter referred to as the Employer, and the Minnesota Association of Professional Employees (MAPE), hereinafter referred to as the Association.

The Employer and the Association affirm that this Agreement has as its purpose the establishment of rates of pay, hours of work, and other conditions of employment; the establishment of an equitable and peaceful procedure for the resolution of differences without interference or disruption of efficient operations of any department; to interact with each other with mutual dignity and respect; and to express the full and complete understanding of the parties relative to all terms and conditions of employment covered by this Agreement.

If the parties mutually agree during the term of this Agreement, the Agreement may be modified by additional provisions relating to specific conditions covering the terms of employment stated herein. Any Agreement which is to be included as a part of this Agreement must so indicate, must be reduced to writing, and must be signed by the parties to this Agreement.

This preamble is intended as a policy statement and is not grievable under Article 9 of this Agreement.

ARTICLE 1 ASSOCIATION RECOGNITION

Section 1. Recognition. The Employer recognizes the Association as the exclusive representative for all employees in the classifications included in the General Professional Unit No. 14 by the Legislative Commission on Employee Relations on March 24, 1980, as amended. This includes employment service that exceeds: 1) the lesser of fourteen (14) hours per week or 35% of the normal full-time work week; and 2) more than sixty-seven (67) work days per year. Supervisory employees, confidential employees, and other employees excluded by the Public Employment Labor Relations Act, Minn. Stat. 179A.01 through 179A.25, are not covered by this Agreement.

Section 2. Disputes. Any disputes regarding the assignment of professional employees or professional classes to the appropriate bargaining unit shall be accomplished in accordance with Minn. Stat. 179A.10, Subd. 4.

Section 3. Aid to Other Organizations. The Employer will not, during the life of this Agreement, meet and confer or meet and negotiate with any individual employee or group of employees or with any other employee organization with respect to the terms and conditions of employment of the employees covered by this Agreement, except through the Association or its authorized Association Stewards. The Employer will not

assist or otherwise encourage any other employee organization which seeks to bargain for employees covered by this Agreement; including providing payroll deductions to other employee organizations.

ARTICLE 2 STRIKES AND LOCKOUTS

Section 1. No Unlawful Strikes. The Association agrees that it will not promote or support any unlawful strike under Minnesota Public Employment Labor Relations Act. A strike is lawful if conducted as provided under the provisions of Minn. Stat. 179A.18, Subd. 1. A strike is defined under the Minnesota Public Employment Labor Relations Act as "concerted action in failing to report for duty, the willful absence from one's position, the stoppage of work, slowdown or the abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment, for the purpose of inducing, influencing or coercing a change in the conditions or compensation or the rights, privileges, or obligations of employment." (Minn. Stat. 179A.03, Subd. 16.)

Any employee who knowingly violates the provisions of this Section may be discharged or otherwise disciplined. Any employee so disciplined may elect to grieve the discipline under Article 9, Grievance Procedure, of this Agreement.

Section 2. No Lockouts. No lockouts, or refusal to allow employees to perform available work, shall be instituted by the Employer and/or its Appointing Authorities during the life of this Agreement.

ARTICLE 3 DUES DEDUCTION

Section 1. Payroll Deduction. The Employer agrees to deduct the regular biweekly Association dues for those employees in a unit who are members of the Association and who request in writing to have their regular biweekly Association dues deducted from payroll. Authorizations for deductions shall be continuously effective until canceled by the employee in writing.

Section 2. Fair Share Deduction. In accordance with Minn. Stat. 179A.06, Subdivision 3, at the request of the Association, the Employer shall deduct a fair share fee for each employee assigned to the bargaining unit who is not a member of the Association.

Section 3. Hold Harmless. The Association agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.

Section 4. Dues Remission. The aggregate deductions of all employees shall be remitted together with an itemized statement to the Association within ten (10) days after such deductions are taken.

Section 5. Employee Lists. The Employer shall notify the Association President of all employees added to or removed from the bargaining unit on a biweekly payroll basis. The notification shall be transmitted no later than one (1) week following the end of each payroll period.

ARTICLE 4 NON-DISCRIMINATION

Section 1. Pledge Against Discrimination. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to sex, marital status, sexual preference/orientation, race, color, creed, religion, disability, national origin, veterans status for all eligible veterans, current or former public assistance recipient status, political affiliation, age or as defined by statute. The Association shall share equally with the Appointing Authority the responsibility for applying this provision of the Agreement.

Section 2. Association Responsibility. The Association recognizes its responsibility as exclusive representative and agrees to represent all employees in the bargaining unit without discrimination.

Section 3. Association Membership. In accordance with applicable laws, the Employer/Appointing Authority shall not discriminate against, interfere with, restrain or coerce an employee from exercising his/her right to join or not to join the Association, or participate in an official capacity on behalf of the Association, which is in accordance with the provisions of this Agreement. The Association shall not discriminate against, interfere with, restrain or coerce an employee from exercising the right to join or not to join the Association, and will not discriminate against any employee in the administration of this Agreement because of non-membership in the Association.

Section 4. General Policy. In order to provide and maintain a productive work environment, it shall be the policy of the Employer and the Association to encourage bargaining unit employees, Association Stewards, supervisors, and managers to interact with each other with mutual respect and dignity, recognizing that legitimate differences will arise.

Section 5. Prohibition of Sexual Harassment. See Appendix H entitled "Prohibition of Sexual Harassment."

ARTICLE 5 EMPLOYER RIGHTS

It is recognized that except as specifically modified by this Agreement, the Employer retains all inherent managerial rights and any rights and authority necessary to operate and direct the affairs of the Employer and its agencies in all its various aspects. These rights include, but are not limited to: determine its policies, functions and programs; determine and establish budgets; utilize technology; select, assign, direct, evaluate and promote employees; to plan, direct, and control all the operations and services of the Employer; to schedule working hours; to determine whether goods or services shall be made or purchased; to make and enforce reasonable rules and regulations affecting terms and conditions of employment.

Any term or condition of employment not specifically established by this Agreement shall remain solely within the discretion of the Employer to modify, establish or eliminate.

ARTICLE 6 EMPLOYEE RIGHTS

Section 1. Job Classification Specifications. Class specifications, as prepared by the Department of Employee Relations, shall be made available to an employee upon request. If a current position description for an employee exists, it too shall be made available to the employee. When new classifications/class options are established in State service and in the bargaining unit, employees within the new classification and within the bargaining unit shall be provided with a position description by the Appointing Authority within twenty (20) calendar days after appointment to the classification.

If new classifications and/or class options are created during the life of this Agreement, the Association shall be advised in advance of the final establishment of the classification and/or class option, and upon request, may discuss the new classification and/or class option.

Matters relating to classification of individual positions are covered in Article 16, Section 5.

Section 2. Position Descriptions. Upon request, an employee shall be provided with a copy of their position description which accurately describes the duties, responsibilities, goals, and performance indicators for the position at the time of signature. Such position descriptions shall not be grievable under any provision of this Agreement.

Each Appointing Authority shall have an internal departmental appeal procedure to review disputes regarding the accuracy of position descriptions. Each Appointing Authority shall meet and confer with the Association prior to implementing or changing its procedure.

Section 3. Performance Appraisal. Performance appraisal shall include as a minimum, one (1) annual performance appraisal between the employee and the person(s) designated by the Appointing Authority to review the performance.

Each performance appraisal shall indicate the employee's overall level of performance. All performance appraisals shall be signed by the rater, who shall not be a member of the bargaining unit. Employees shall be given the opportunity to sign the performance appraisal but such signing does not indicate acceptance or rejection of the appraisal. The employee shall receive a copy of the appraisal at the time he/she signs it. If the Appointing Authority adds comments to the performance appraisal after the appraisal has been signed by the employee, the Appointing Authority shall notify the employee of the change. The employee shall have thirty (30) calendar days from the date of the receipt of the finalized appraisal to file a written response in the employee's personnel file.

The substantive judgment of the supervisor regarding the employee's performance is not grievable/arbitrable under Article 9. Pursuant to the Department of Employee Relations Administrative Procedure 20, an employee may appeal his/her performance rating to the Appointing Authority within thirty (30) days of the official date of rating. The decision of the Appointing Authority is final. At the employee's request, an Association Representative may be present during the appeal meeting(s).

There shall be no mention of referrals to the Employee Assistance program made on the performance appraisal form.

Section 4. Appointing Authority Initiated Education. It is recognized that Appointing Authority initiated education and training may become necessary in order to meet the goals of the state's agencies. Consequently, employees who may be required to participate in Appointing Authority initiated programs and who are released from their work assignments to attend special training courses shall lose no basic straight time pay for such normal work hours and shall be allowed compensatory time off for actual attendance at such sessions or programs that exceed the length of the normal work day, if approved in advance by the Appointing Authority. Expenses incurred by the employee shall be reimbursed in accordance with Article 18, Expense Allowances.

For informational purposes only, pertinent excerpts of Administrative Procedure 21 (Employee Training and Development) are listed in Section 6 below. These excerpts are included to emphasize the parties mutual concern for and interest in the continuing development of professional employees.

Section 5. Employee Initiated Training. If, in the judgment of the Appointing Authority, the taking of a college course, a professional workshop, seminar or an in-service training program will better prepare an employee to perform his/her current or projected responsibilities and funds are available for this purpose and staffing needs can be met, the employee shall, upon his/her request, be allowed forty (40) hours per year of employee initiated training for professional development. In accordance with Administrative Procedure 21 (Employee Training and Development) this may be

accomplished by releasing the employee without loss of pay or expenses, reimbursement for up to one hundred percent (100%) of the tuition or workshop/seminar registration fee or a combination of both release time and reimbursement. At the discretion of the Appointing Authority, more than the forty (40) hours per year may be granted. It is understood that employees must successfully complete the college course, workshop or seminar to be reimbursed. At the discretion of the Appointing Authority, employees may also be reimbursed for expenses pursuant to Article 18. When practicable, the Appointing Authority will attempt to adjust the employee's hours if the approved training is scheduled during the employee's normal work hours.

For informational purposes only, pertinent excerpts of Administrative Procedure 21 (Employee Training and Development) are listed in Section 6 below. These excerpts are included to emphasize the parties mutual concern for and interest in the continuing development of professional employees.

Section 6. Responsibilities for Training and Development (excerpts from Administrative Procedure 21).

- A. Agency Responsibilities. State agencies have the responsibility to create and maintain a climate that encourages training and development as an ongoing part of the performance management process that supports the accomplishment of the agency's mission, including but not limited to:
- developing a plan and budget for training based upon needs analysis, promoting access to training for all employees,
 - ensuring that training and development plans are prepared, updated and discussed by management, supervisor, and employee as part of the employee performance communication process at three (3) organizational levels: 1) agency, 2) work unit, and 3) individual employee development, and
 - ensuring that the individual employee development plan is developed jointly by the individual employee and the supervisor, is based upon needs analysis, and is consistent with the mission and needs of the agency.
- B. Management and Supervisory Responsibilities. Managers and supervisors have the primary responsibility for initiating communication about work unit training and individual development including but not limited to:
- working in partnership with individual employees to assess training needs and coordinate agency, work unit, and individual employee development plans,
 - ensuring implementation of employee development plans.

- incorporating training and development into the performance management process, and
- seeking to improve management/supervisory skills in employee development.

C. Employees' Responsibilities. State employees have responsibility for initiating discussion to identify and assess their own specific training needs, including but not limited to:

- working in partnership with supervisors and managers to meet the agency, work unit, and their own training and development needs, and
- actively searching for training opportunities within State service and elsewhere.

Section 7. Joint Labor-Management Meetings on Training and Development. Upon request of the Association, an Appointing Authority shall meet and confer with the Association members regarding training and development issues in accordance with Article 7 (Association Rights), Section 1 (Association/Appointing Authority Meetings).

Section 8. Membership in Professional Organizations. In each fiscal year, the Appointing Authority may reimburse each employee in the bargaining unit for membership dues paid to professional organization(s) related to the employee's job, up to a maximum of two hundred fifty dollars (\$250.00), provided the Appointing Authority determines that such funds are available. Employees shall request the reimbursement in writing, and the Appointing Authority shall respond in writing within a reasonable period of time. However, the Appointing Authority will not reimburse membership dues to an employee for payment to an organization, one of whose purposes is to negotiate terms and conditions of employment of employees with the Employer.

Section 9. Certification and Licensure. The Appointing Authority shall, upon request of the Association, meet and confer regarding implementation of any new certification and/or licensure requirements for existing employees. If the Appointing Authority/Employer adds new requirements for licensure or certification of current employees, the parties agree to meet and negotiate on the subject of the reimbursement of necessary expenses incurred by those employees in order to obtain such licensure or certification.

ARTICLE 7 ASSOCIATION RIGHTS

Section 1. Association/Appointing Authority Meetings. It is agreed that representatives of the Association and the Appointing Authority shall meet quarterly upon request for the

purpose of reviewing and discussing their common interests. By mutual agreement, other meetings may be held as the need arises at mutually agreed upon times.

Section 2. Bulletin Boards. The Appointing Authority shall furnish reasonable space on official bulletin boards for the exclusive use of the Association.

Section 3. Employee Lists. The Employer shall furnish the Association with a list of names, classifications, work addresses, home addresses, work phone, home phone, department, and county codes (if available) of employees covered by this Agreement on a quarterly basis upon request. The Association agrees to reimburse the Employer for the cost involved in generating each list. All such data shall be provided in a mutually agreeable format.

Section 4. Use of State Facilities. The Appointing Authority may grant the Association access to State facilities, if appropriate facilities are available, for the purpose of meeting with bargaining unit employees. The costs of using State facilities shall be reimbursed to the Appointing Authority by the Association if other groups using State facilities are similarly charged.

Section 5. Distribution of the Agreement. The Appointing Authority agrees to provide all newly hired or re-hired employees in the units, divisions, or departments covered by this Agreement with a copy of this Agreement if furnished by the Association.

Section 6. Availability of Information. The Employer agrees to provide to the Association, upon written request, public information including, but not limited to, information pertaining to the Employer's budget, revenues, and other public financing information. The Association agrees to reimburse the Employer for the costs incurred.

Section 7. Association Security.

- A. Association Stewards. The Association may designate bargaining unit employees in regions to function as Association Stewards in all departments located within the boundaries of their regions. Every six (6) months the Association President shall notify the Employer in writing of the names and departments of origin of the Association Stewards selected as provided in this Article and designate the region which each one will represent. The Association President shall notify the Employer of any subsequent changes in such Stewards.
- B. Association Stewards' Activities. The Employer agrees that during working hours, on the Appointing Authority's premises, within the region and designated department(s) and without loss of pay, Association Stewards will be allowed reasonable time to post official Association notices on bulletin boards, distribute the Association newsletters, and to transmit communications authorized by the Association to the Appointing Authority as are required for the administration of this Agreement, providing however, this activity does not interfere with normal work duties, nor conflict with the security, rehabilitation and confidentiality needs of the Employer.

However, reasonable time off without loss of pay to perform these functions shall not include travel time if the total travel time to and from exceeds thirty (30) minutes. The Association Steward shall first inform his/her supervisor of his/her impending departure and shall first receive approval to leave the work location. Such approval shall not be unreasonably denied.

When more than one (1) Appointing Authority has offices within the same building, the Association may designate one Association Steward to perform the activities of this Article for the entire building regardless of the number of Appointing Authorities in the building.

- C. Association Staff. Association staff shall have the right to enter the facilities of the Appointing Authority consistent with the confidentiality, rehabilitation, and security needs of the Appointing Authority. This right may be restricted during emergency situations as determined by the Appointing Authority, but the Appointing Authority shall give a reason for the restriction. The Association staff shall not interfere with the job duties or responsibilities of an employee.
- D. Orientation. A representative of the Association shall be provided a reasonable amount of time at a formal group orientation program to summarize the role of the Association, distribute the contract and provide a list of Association Stewards to new employees.

ARTICLE 8 DISCIPLINE AND DISCHARGE

Section 1. Purpose. Disciplinary action may be imposed on employees only for just cause and shall be corrective where appropriate.

Section 2. Association Representation. The Appointing Authority shall not meet with an employee for the purpose of questioning the employee during an investigation that may lead to discipline of that employee without first advising the employee of the nature of the investigation and offering the employee an opportunity for Association representation. Any employee waiving the right to such representation must do so in writing prior to the questioning. However, if any employee is being questioned during an investigation of resident/patient abuse, the employee, upon request, shall have the right to Association representation.

Section 3. Disciplinary Action. Discipline includes only the following, but not necessarily in this order:

1. Oral reprimand (not arbitrable)
2. Written reprimand

3. Suspension, paid or unpaid: The Appointing Authority may, at its discretion, require the employee to utilize vacation hours from the employee's accumulated vacation balance in an amount equal to the length of the suspension. All suspensions must be served away from the worksite.

4. Demotion

5. Discharge

If the Appointing Authority has reason to reprimand an employee, it shall be done in such a manner that will not embarrass the employee before other employees, supervisors, or the public. Oral reprimands shall be identified as such to the employee.

When any disciplinary action more severe than an oral reprimand is intended, the Appointing Authority shall, before or at the time such action is taken, notify the employee and the Association in writing of the specific reason(s) for such action.

Section 4. Investigatory Leave. The Appointing Authority/designee may place an employee who is the subject of a disciplinary investigation on an investigatory leave with pay provided a reasonable basis exists to warrant such leave. The Appointing Authority shall, as soon as practicable upon placing an employee on investigatory leave, notify the employee in writing of the reason(s) for such action. If the investigatory leave extends past thirty (30) days, the employee shall be notified of the reason(s) for the continuance of the leave.

Section 5. Discharge of Employees. The Appointing Authority shall not discharge any employee without just cause. If the Appointing Authority believes there is just cause for discharge, the employee and the Association will be notified, in writing, that an employee is to be discharged and shall be furnished with the reason(s) therefore, and the effective date of the discharge. The Appointing Authority shall notify the employee that he/she may request an opportunity to hear an explanation of the evidence against him/her and to present his/her side of the story and is entitled to Association representation at such meeting. The right to such meeting shall expire at the end of the next scheduled workday of the employee after the notice of discharge is delivered to the employee, unless the employee and the Appointing Authority agree otherwise. The discharge shall not become effective during the period when the meeting may occur. The employee shall remain in his/her normal pay status during the time between the notice of discharge and the expiration of the meeting. However, if the employee for any reason was not in pay status at the time of the notice of discharge, this shall not apply. All employees, no matter if they are in or out of pay status at the time they received notice of discharge, shall be in pay status for the actual time they spend in the above-mentioned meeting.

The Association shall have the right to take up a discharge at the second step of the Grievance Procedure and the matter shall be handled in accordance with this procedure, if so requested by the Association.

An employee found to be unjustly discharged shall be reinstated in accordance with the conditions agreed to between the parties if appropriate or the decision of the Arbitrator.

Section 6. Unclassified Employees. The termination of unclassified employees is not subject to the arbitration provisions of this Agreement, unless otherwise specified in this Agreement.

Section 7. Personnel File. Initial minor infractions, irregularities, or deficiencies shall first be privately brought to the attention of the employee and, if corrected, shall not be entered into the employee's personnel file.

An oral reprimand shall not become a part of an employee's personnel file. Investigations which do not result in disciplinary actions shall not be entered into the employee's personnel file.

Each employee shall be furnished with a copy of all evaluative and disciplinary entries into his/her personnel file and shall be entitled to have his/her written response included therein. All disciplinary entries, except discharge, in the employee's personnel file shall state the corrective action expected of the employee.

Upon request of the employee, a written reprimand shall be removed from the employee's personnel file provided that no further disciplinary action has been taken against the employee for a period of one (1) year following the date of the written reprimand. Upon request of the employee, a written record of a suspension of ten (10) days or less shall be removed from the employee's personnel file provided that no further disciplinary action has been taken against the employee for a period of three (3) years following the beginning date of the written suspension. Discipline that becomes eligible for removal, based on this provision, shall not be used as a basis for any subsequent discipline of the employee.

The contents of an employee's personnel file shall be disclosed to him/her upon request and to the employee's Association Steward upon the written request of the employee. The written request authorizing the Association Steward access to the file shall not be placed in the employee's personnel file. In the event a grievance is initiated under Article 9, the Appointing Authority shall provide a copy of any items from the employee's personnel file upon the request of the employee or the Association, with any copying costs paid in advance by the employee or the Association. However, up to ten (10) copies of such material shall be without cost to the employee or Association.

Only the employee's personnel file may be used as evidence in any disciplinary action or hearing. This does not limit, restrict, or prohibit the Appointing Authority from submitting supportive documentation or testimony, either oral or written, in any disciplinary hearing, nor does it so limit the Association.

Documentation regarding wage garnishment action against an employee shall not be placed in the employee's personnel file.

ARTICLE 9 GRIEVANCE PROCEDURE

Section 1. Intent. The purpose of this procedure is to secure, in the easiest and most efficient manner, resolution of grievances. For the purpose of this Agreement, a grievance shall be defined as a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement.

Section 2. Operating Terms, Time Limits, and General Principles.

A. Operating Terms:

1. The term "days" shall mean calendar days, unless otherwise specified.
2. The term "employee" shall mean an individual or group of employees, or the Association, as long as the individual or group of employees are members of the bargaining unit.
3. The term "Association Steward" shall mean those individuals designated by the Association in accordance with Section 2C of this Article and in Article 7, Association Rights, Sections 7A and 7C.

B. Time Limits:

1. If a grievance is not presented on behalf of the employee within a time limit set forth in this Article, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit, or agreed extension thereof, it shall be considered as settled on the basis of the Appointing Authority or designee's last answer.
2. It is expected that the Appointing Authority shall respond to the grievance in a timely manner. However, if no response is received, then the Association may move the grievance to the next level.
3. The time limits in each step may be extended by mutual written agreement of the Appointing Authority or designee and the Association at each step.
4. By the mutual agreement of the Association and the Authority, the parties may waive Steps 1, and/or 2.

C. General Principles:

1. Grievance Files. Grievance files shall be maintained separately from official personnel files.

2. Non-Precedence. Upon mutual written agreement, a grievance may be withdrawn at any step without establishing a precedent.
3. Disclosure. Upon request, both the Association and the Appointing Authority agree to disclose all documents and information which a party intends to introduce at the hearing, including a listing of possible witnesses, to each other, prior to arbitration. Any costs involved in reproducing documents shall be borne by the party requesting disclosure.
4. Meetings. Meetings at all grievance steps will be established by mutual agreement between the Association and the Appointing Authority.
5. Release Time. The Association Steward(s) and the grieving employee(s) as specified in 6 below shall be allowed a reasonable amount of time without loss of pay during working hours to investigate and present the employee's grievance(s) to the Appointing Authority. However, reasonable time off without loss of pay shall not include travel time if the travel time to and from exceeds thirty (30) minutes. Notwithstanding the foregoing, the Chief Association Steward and the Chief designee in each greater Minnesota Region shall be allowed up to one hour travel time for the purposes described herein. The Association Steward(s) involved and the grieving employee shall not leave work or disrupt departmental routine to investigate and present grievances without first requesting permission from their immediate supervisor(s), which shall not be unreasonably withheld.
6. Association Stewards. The Association may designate bargaining unit employees to function as Association Stewards for departments represented within each region. Association Steward(s) shall have the authority to carry grievances within the region, provided such representation is consistent with the security, rehabilitation and confidentiality needs of the Appointing Authority.

The following individuals may participate in Steps 1 and 2:

Step 1: Up to two (2) Association Stewards with or without the grieving employee.

Step 2: Up to three (3) Association Stewards with or without the grieving employee.

An Association staff person or officer shall be authorized to carry grievances in concert with or as substitute for the Association Steward.

7. Fees and Expenses. The fees and expenses for the Arbitrator's services and proceedings shall be borne by the losing party. In the event of a split decision, the charges to the parties shall be determined by the Arbitrator.

However, each party shall be responsible for its own witnesses' and representatives' compensation, expenses and fees. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, provided it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

8. Implementation. Within a reasonable period of time after the grievance settlement or arbitration award, the settlement or award shall be implemented.
9. Grievances arising under Article 16 (Vacancies, Filling of Positions) shall be filed with the Appointing Authority in which the vacancy occurred.

Section 3. Procedure.

Informal. An employee who has a grievance may bring it to his/her supervisor's attention orally, indicating that it is a grievance. The employee may discuss the grievance with his/her supervisor in an attempt to reach a satisfactory resolution.

STEP 1. If the Association wishes to initiate a formal grievance, it shall be reduced to writing, setting forth the nature of the grievance, the facts upon which it is based, the section(s) of the Agreement allegedly violated, and the relief requested, and filed with the immediate supervisor. No grievance shall be accepted which has been filed more than twenty-one (21) calendar days after the occurrence of the event giving rise to the grievance or within twenty-one (21) calendar days after the grievant, through the use of reasonable diligence, should have had knowledge of the event. Within ten (10) calendar days after receiving the written grievance, the grievant's immediate supervisor and the Association Steward(s) shall arrange a meeting with or without the grievant, and attempt to resolve the grievance. The immediate supervisor shall give his/her written answer to the designated Association Steward within ten (10) calendar days of the meeting. The Association may appeal the grievance in writing to Step 2 within ten (10) calendar days after the immediate supervisor's written answer is given or due.

STEP 2. Within ten (10) calendar days following the receipt of a grievance appealed in writing from Step 1, the Appointing Authority or designee shall arrange a meeting with the Association's Steward(s) in an attempt to resolve the grievance. Within ten (10) calendar days following this meeting, the Appointing Authority or designee shall respond in writing to the designated Association Steward stating the Appointing Authority or designee's answer concerning the grievance. If, as a result of the written response, the grievance remains unresolved, the Association may appeal the grievance in writing and within thirty (30) calendar days after the Appointing Authority or designee's written answer is given or due to arbitration by written notice to the Deputy Commissioner of the Department of Employee Relations (State Labor Negotiator). Any grievance not referred in writing by the Association to arbitration within thirty (30) calendar days after the Appointing Authority or designee's written answer is given or due shall be waived. The Arbitrator shall hear the grievance at a scheduled meeting subject to the availability of the Employer and the Association Steward.

Arbitration Panel. The arbitration proceeding shall be conducted by an Arbitrator to be selected by lot from a permanent panel of six (6) Arbitrators. Prior to October 1, 2002, the State Negotiator and the Association may, by mutual agreement, select the members to serve on the permanent panel. If the parties fail to agree, they shall prepare a list of fifteen (15) Arbitrators selected from a list of available Arbitrators supplied by the Bureau of Mediation Services. The members of the permanent panel shall be selected from the list by the following method: the Association and the State Negotiator shall each strike a name from the list. The parties shall continue to strike names until the six (6) members of the permanent panel have been selected. If a vacancy on the permanent panel occurs during the life of this Agreement, the vacancy shall be filled by mutual agreement of the State Negotiator and the Association. If the parties fail to agree, the vacancy shall be filled from among the remaining names on the original list by the same method of selection detailed above.

Section 4. Arbitrator's Authority. The Arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of the Agreement. The Arbitrator shall consider and decide only the specific issue submitted in writing by the Employer and the Association and shall have no authority to make a decision on any other issue not so submitted to him/her.

The Arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. Except as indicated in Section 5 below, the Arbitrator shall submit his/her decision in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension. The decision shall be based solely on the Arbitrator's interpretation or application of the expressed terms of this Agreement and the facts of the grievance presented. The decision of the Arbitrator shall be final and binding on the Employer, the Association and the employee(s).

Section 5. Expedited Arbitration for Written Reprimands and Suspensions of One (1) to Five (5) Days.

- A. Grievances Eligible. Upon the establishment of the Expedited Arbitration Panel:
1. All written reprimands properly appealed to arbitration shall be subject to the expedited procedure of this section.
 2. Suspensions ranging from one (1) to five (5) days and properly appealed to arbitration may be submitted to the expedited procedure of this section upon mutual agreement of the parties.
- B. Expedited Arbitration Panel. The parties shall mutually agree to a process for the selection of a panel of up to five (5) expedited arbitrators. Once the panel of arbitrators is selected each arbitrator shall be assigned a minimum of one day per contract year to hear grievances eligible for this procedure. The parties shall then assign grievances in a manner so that no arbitrator shall hear a disproportionate number or particular type of grievances. Notwithstanding the

above, the panel of arbitrators may hear grievances in addition to the dates set above.

A. Miscellaneous.

1. All decisions must be final and binding on the parties, but shall not be considered as precedential in any other proceeding or matter.
2. Fees and expenses of the arbitrator shall be borne by the losing party.
3. The expenses for witnesses for either side shall be borne by the party producing such witnesses.

Section 6. Arbitration Not Available. If an employee/former employee pursues an appeal procedure under Minn. Stat. 197.46 (or other applicable Veterans Preference Law), the employee/former employee shall be precluded from making an appeal under the arbitration provisions of this agreement.

ARTICLE 10
VACATION LEAVE

Section 1. General Conditions.

- A. Eligibility. All employees except intermittent employees, emergency employees, and temporary employees shall be eligible employees for the purpose of this Article. However, intermittent employees shall become eligible employees for the purposes of this Article after completion of sixty-seven (67) working days in any twelve (12) month period. Temporary unclassified employees appointed for periods longer than six (6) months shall be considered eligible for purposes of this Article. Eligible employees appointed to emergency or temporary status from a layoff status shall continue to be eligible to accrue vacation leave.
- B. Use. An employee may not use vacation until completing six (6) months of service in a vacation eligible status as defined in Section 1 A. above. However, an employee who is rehired within four (4) years to a vacation eligible position may use vacation in the first six (6) months of the appointment provided they completed six (6) months of continuous service in a vacation eligible status, with the State of Minnesota, prior to the reinstatement or reappointment.
- C. Crediting Accruals. Once an employee has completed six months of service in a vacation eligible status, vacation accruals shall then be credited back to the original date of eligibility as defined in Section 1 A. above.

Section 2. Accruals. All eligible employees shall accrue vacation in accordance with the following rates:

<u>Length of Service Requirement</u>	<u>Rate Per Full Payroll Period</u>
0-5 years	4 working hours
After 5-8 years	5 working hours
After 8-12 years	7 working hours
After 12-18 years	7 ½ working hours
After 18-25 years	8 working hours
After 25-30 years	8 ½ working hours
After 30 years	9 working hours

Eligible employees being paid for less than a full eighty (80) hour payroll period shall have their vacation accrual pro-rated in accordance with the schedule set forth in Appendix A.

Length of service is defined as the length of employment with the State of Minnesota since the last date of hire in a vacation eligible status. Length of service shall be interrupted only by separation because of resignation, termination, discharge for just cause, failure to return upon expiration of a leave of absence, failure to respond to a recall from layoff or retirement.

Effective July 9, 1975, for purposes of determining an employee's accrual rate, periods of suspension or unpaid non-medical leaves of absence of more than one (1) pay period shall be deducted for purposes of determining an employee's accrual rate; however, periods of paid or unpaid military leave shall not be deducted. This method will be effective only after this date and shall not be used to change any length of service requirements determined prior to that date.

Effective February 17, 1994, leave time for service to the Association in any capacity shall not be deducted for purposes of determining an employee's vacation accrual rate.

An eligible employee reinstated or reappointed to State service after June 30, 1983, and within four (4) years of the date of resignation in good standing or retirement, shall accrue vacation leave with the same credit for length of service that existed at the time of such separation. This method shall not be used to change any length of service requirements determined prior to July 1, 1983.

Employees of the Legislative branch, Judicial branch, the University of Minnesota, the Minnesota Historical Society, the Metropolitan Council, and former members of the Minnesota Legislature who transfer or who are appointed to State service within four (4) years of the date of resignation in good standing, ending of his/her Legislative term, or retirement, shall accrue vacation leave with the same credit for length of service that existed at the time of such transfer or separation. Such employees shall begin accruing vacation leave based on this method effective at the beginning of the first payroll period following the date the employee applies.

Judicial and Legislative branch employees who are appointed without a break in service may be allowed to bring any accumulated but unused vacation leave with them, provided that the total does not exceed two hundred and seventy-five (275) hours.

At the discretion of the Appointing Authority, former public sector employees who are hired following the approval of this agreement by the Legislative Coordinating Commission into State service from another public sector employer, including the United States Armed Forces and who were in a vacation eligible position with that employer may be granted length of service credit in an amount up to the length of time employed by the previous public sector employer.

Length of service credit shall be subject to the following conditions:

1. There must be evidence to establish that the employee was employed by another public sector employer at the time the State hired the employee;
2. The employee must have been in a vacation eligible position with the previous public sector employer;
3. The employee must provide the necessary documentation demonstrating his/her previous vacation eligibility status;
4. The amount of the length of service credit granted is at the discretion of the Appointing Authority.

Current bargaining unit employees may request consideration for previous public sector employment as described in this paragraph sixty (60) calendar days after the ratification of the 2001 – 2003 Collective Bargaining Agreement by the Legislative Coordinating Commission.

Changes in accrual rates shall be made effective at the beginning of the next payroll period following completion of the specified length of service requirement.

Employees may accumulate unused vacation leave to any amount provided that once during each fiscal year the employee's accumulation must be reduced to two hundred seventy-five (275) hours or less. If this is not accomplished on or before the last day of the fiscal year, the amount of vacation shall be automatically reduced to two hundred seventy-five (275) hours at the end of the fiscal year.

Employees on a military leave under Article 14 shall earn vacation leave as though actually employed without regard to the maximum accumulation set forth above. Vacation earned in excess of the maximum accumulation shall be taken within two (2) years of the date the employee returns from the military leave.

Vacation leave hours shall not be used during the payroll period in which the hours are accrued.

Section 3. Vacation Period. Every reasonable effort shall be made by the Appointing Authority to schedule employee vacations at a time agreeable to the employee insofar as work unit staffing permits. If it is necessary to limit the number of employees within or among classifications on vacation at the same time and in the event of any conflict

over vacation periods, the vacation schedules shall be established on the basis of bargaining unit seniority within the employee's work location. Bargaining unit seniority is defined as an employee's continuous length of service in Association represented positions with the State of Minnesota. Whenever practicable, employees shall submit written requests for vacation at least two (2) weeks in advance of their vacation to their supervisor on forms furnished by the Appointing Authority. When advance written requests are impracticable, employees shall secure the approval of their supervisor by telephone or other means at the earliest opportunity. Supervisors shall respond to all vacation requests promptly and shall answer all written requests in writing.

No vacation requests shall be denied solely because of the season of the year, but shall be dependent upon meeting the staffing needs of the agency.

When an employee transfers to a new seniority unit or to a work area, or is awarded an interest bid or promotion, previously approved vacation leave must be mutually agreed upon between the employee and the new supervisor.

Section 4. Vacation Charges. Employees who utilize vacation shall be charged only for the number of hours that they would have been scheduled to work during the period of absence. In no instance, however, shall vacation leave be granted in increments of less than one-half hour except to permit utilization of lesser fractions that have been accrued. Holidays that occur during vacation periods will be paid as a holiday and not charged as a vacation day.

Employee vacation accruals earned while on paid leave may be utilized by the employee with the approval of the supervisor without first returning to work.

Should an employee become ill or disabled while on vacation, vacation leave shall be changed to sick leave, effective the date of the illness or disability, upon notice to the employee's supervisor. Upon request of the Appointing Authority, such notice shall be accompanied by a medical statement from a medical practitioner and shall be given to the supervisor as soon as possible after the illness or disability occurs.

Section 5. Work During Vacation Period. Except during an emergency, no employee will be required to work during his/her vacation once the vacation request has been approved. The Appointing Authority shall notify the Association of any emergency declaration and of any vacation canceled pursuant to this Section.

Section 6. Vacation Transfer and Liquidation. An employee who transfers from one Appointing Authority to another shall have accumulated vacation leave transferred and such leave shall not be liquidated by cash payment in whole or in part; however, if an employee moves to a vacation ineligible position that is not covered by this agreement, the accumulated vacation leave shall be liquidated by cash payment. Except for employees who are separated from state service prior to completion of six (6) months of continuous service, any employee separated from State service shall be compensated in cash at his/her then current rate of pay for all vacation leave to his/her credit at the time of separation. However, payment shall not exceed two hundred sixty (260) hours except in case of death. Employees who are laid off and are unable to reduce their

accumulated vacation below two hundred sixty (260) hours prior to their layoff date shall have hours in excess of two hundred sixty (260) restored to their credit upon reinstatement, recall or reemployment. Upon the mutual agreement of the employee and the supervisor, seasonal employees shall be allowed to liquidate all, none, or a portion of their accumulated vacation balances prior to their seasonal or temporary layoff.

ARTICLE 11 HOLIDAYS

Section 1. Eligibility. All employees in the bargaining unit covered by this Agreement except intermittent, emergency, and temporary shall be eligible for purposes of this Article. Temporary unclassified employees appointed for periods longer than six (6) months shall be considered eligible for purposes of this Article. Eligible employees appointed to emergency or temporary status from-layoff status shall continue to be eligible for purposes of this Article.

Section 2. Observed Holidays. The following days shall be observed as paid holidays for all eligible employees:

New Year's Day	Labor Day
Martin Luther King Jr. Day	Veteran's Day
President's Birthday	Thanksgiving Day
Day After Thanksgiving	Memorial Day
Christmas Day	Independence Day
Floating Holiday	

All eligible employees shall receive one (1) floating holiday each fiscal year of the Agreement. The employee must request the floating holiday at least fourteen (14) calendar days in advance. The supervisor may waive the fourteen (14) day advance notice if staffing needs permit. The Appointing Authority may limit the number of employees that may be absent on any given day subject to the operational needs of the Appointing Authority. Floating holidays may not be accumulated or paid off.

A. **Continuous Operations.** Except for employees working where seven (7) day a week schedules are in effect, when any of the above holidays fall on a Saturday, the preceding Friday shall be observed as the holiday; and when any of the above holidays fall on a Sunday, the following Monday shall be observed as the holiday.

Where seven (7) day a week schedules are in effect, the actual holiday shall be observed as a holiday for employees working within such schedule.

B. **Holidays on Days Off.** When any of the above holidays fall on an employee's regularly scheduled day off, and the Appointing Authority does not choose to pay

the holiday in cash, the employee may choose to receive the holiday as vacation or compensatory time. The employee must be eligible to accrue and use vacation under the provisions of Article 10 in order to choose to receive payment in the form of vacation.

- C. Substitute Holidays. The Appointing Authority may, after consultation with the Association, designate alternate days for the observance of Veterans Day and Presidents' Day.

Section 3. Holiday Pay Entitlement. To be entitled to receive a paid holiday, an eligible employee must be in payroll status on the normal work day immediately preceding and the normal work day immediately following the holiday(s). Payroll status shall be defined as follows: actually working, on paid vacation, paid sick leave, compensatory time off, or on a paid leave of absence.

Any eligible employee who dies or is mandatorily retired on a holiday or holiday weekend shall be entitled to be paid for the holiday(s).

Temporary and temporary unclassified employees as defined in Section 1, shall receive a holiday if they work the day before and the day after the holiday. If they work on a holiday, employees shall be reimbursed for the holiday in addition to pay for the time worked. Holiday pay shall be in accord with the schedule set forth in Appendix B.

Section 4. Holiday Pay. Holiday pay shall be computed at the employee's normal day's pay (an employee's regular hourly rate of pay multiplied by the number of hours in his/her normal workday) and shall be paid in cash. Eligible employees who normally work less than full-time shall have their holiday pay pro-rated in accordance with the schedule set forth in Appendix B.

With the approval of his/her supervisors, part-time employees may be allowed to arrange their work schedules in payroll periods that include a holiday, to avoid any reduction in salary due to a loss of hours because of the pro-ration of holiday hours.

Section 5. Work on a Holiday. At the Appointing Authority's discretion, any employee who works on a holiday shall be paid in cash at the employee's appropriate rate for all hours worked in addition to the holiday pay provided for in Section 4 above.

If the Appointing Authority does not choose to pay the holiday in cash, the employee may choose to receive the holiday as vacation or compensatory time. The employee must be eligible to accrue and use vacation under the provisions of Article 10 in order to receive payment in the form of vacation.

Section 6. Religious Holidays. In accordance with Minn. Stat. 15A.22, any employee who observes a religious holiday on a day that does not fall on a Sunday, a legal holiday, or a holiday listed in Section 2 above shall be entitled to that day off to observe the religious holiday. Time to observe religious holidays shall be taken without pay except where the employee has sufficient accumulated vacation leave, floating holiday leave, alternate holiday leave, accumulated compensatory time, or, by mutual consent,

is able to make up the time. Employees shall notify the Appointing Authority at least five (5) working days prior to the leave.

ARTICLE 12 SICK LEAVE

Section 1. Sick Leave Accumulation. Employees, except for emergency, temporary, and intermittent employees shall accrue sick leave at the rate of four (4) hours per pay period of continuous employment beginning with their date of eligibility. Intermittent employees shall become eligible for sick leave after completion of sixty-seven (67) working days in any twelve (12) month period. Temporary unclassified employees appointed for periods longer than six (6) months shall be considered eligible for purposes of this Article. Eligible employees appointed to emergency or temporary status from a layoff status shall continue to be eligible to accrue and use sick leave.

Employees on a military leave under Article 14 shall earn and accrue sick leave as though actually employed, pursuant to Minn. Stat. 196.26.

An employee who transfers or is transferred to another Appointing Authority without an interruption of service shall carry forward accrued and unused sick leave.

Employees being paid for less than a full eighty (80) hour pay period shall have sick leave accruals pro-rated in accord with Appendix C.

Section 2. Sick Leave. The employee shall notify the Appointing Authority of any illness at or before his/her normally scheduled starting time. Employees utilizing leave under this Section shall furnish a statement from a medical practitioner upon the request of the Appointing Authority when the Appointing Authority has reasonable cause to believe that an employee has abused or is abusing sick leave. The abuse of sick leave may constitute just cause for disciplinary action. The Appointing Authority may also request a statement from a medical practitioner if the Appointing Authority has reason to believe the employee is not fit to work or has been exposed to a contagious disease which endangers the health of other employees, clients or the public. Employees returning from extended sick leave shall notify the Appointing Authority within a reasonable amount of time prior to returning to work.

Section 3. Sick Leave Utilization. An employee shall be granted sick leave with pay to the extent of his/her accumulation for absences necessitated by reason of illness or disability; by necessity of medical, chiropractic or dental care; or by exposure to contagious disease so that his/her attendance on duty may endanger the health of fellow employees or the public. Sick leave shall also be granted with pay to the extent of an employee's accumulation for absence necessitated by illness of the following persons living in the employee's household: his/her spouse, same-sex domestic partner, dependent children, step-children, foster children, parents or step-parents for such periods as his/her attendance may be necessary. It shall also be granted for the

illness of a minor child, whether or not the child lives in the household, for such periods as his/her attendance may be necessary. Sick leave to arrange for necessary nursing care for members of the family or birth or adoption of a child shall be limited to not more than five (5) days. Upon the request of the employee, a birth mother shall be allowed to use six (6) weeks or more, if certified as necessary by a medical provider, of accumulated sick leave for the birth of a child. The use of a reasonable amount of sick leave shall be granted in cases of death of the spouse, same-sex domestic partner, parents and grandparents of the spouse or same-sex domestic partner, or parents, grandparents, guardian, children, grandchildren, brothers, sisters, or wards of the employee. In addition, sick leave, limited to eight (8) hours, shall be granted in the case of the death of a parent of the employee's minor child. The supervisor shall make a reasonable effort to adjust the hours of an employee in order to permit his/her attendance at the funeral of a co-worker.

With fourteen (14) calendar days notice, an employee may use sick leave to accompany a parent to a medical and/or dental appointment not to exceed twenty-four (24) hours in a calendar year.

In no event shall sick leave with pay be granted beyond the extent of an employee's accumulation.

Employee sick leave accruals earned while on paid leave may be utilized by the employee with the approval of the supervisor without returning to work prior to utilization of such accrued sick leave.

Section 4. Sick Leave Charges. An employee utilizing sick leave shall be charged for only the number of hours he/she was scheduled to work during the period of his/her sick leave. Holidays that occur during sick leave periods will be paid as a holiday and not charged as a sick leave day. Employees who, because of the nature of their job, schedule their own time shall be limited to a maximum of eight (8) hours of sick leave for each work day.

An employee incurring an on the job injury shall be paid the employee's regular rate of pay for the remainder of the work shift. Any necessary sick leave charges shall not commence until the employee's first scheduled work day following the injury.

Section 5. Reinstatement of Sick Leave. An eligible employee who is reinstated or reappointed to State service within four (4) years of the date of resignation in good standing, or retirement shall have his/her accumulated but unused sick leave balance restored and posted to his/her credit in the records of the employing department provided such sick leave was accrued in accordance with the personnel rules or the provisions of this Agreement.

An employee who received severance pay prior to January 7, 1998, but returns to State service on or after January 7, 1998, and within four (4) years of the date of resignation in good standing or retirement, shall have his/her sick leave balance restored at sixty percent (60%) of the employee's first nine-hundred (900) hours of accumulated but

unused sick leave, plus one hundred and fifty percent (150%) of the employee's accumulated but unused sick leave in excess of nine-hundred (900) hours.

An employee who receives severance pay on or after January 7, 1998 and returns to State service within four (4) years of the date of resignation in good standing or retirement, shall have his/her sick leave balance restored at sixty percent (60%) of the employee's first nine-hundred (900) hours of accumulated but unused sick leave, plus eighty-seven and one-half percent (87½%) of the employee's accumulated but unused sick leave in excess of nine-hundred (900) hours.

Upon request, effective September 6, 1989, employees of the legislative branch who transfer or who are appointed to State service within four (4) years of the date of resignation in good standing or retirement, shall have accumulated unused sick leave posted to the employee's credit provided such sick leave was accrued in accordance with the personnel rules or the provisions of this Agreement.

Section 6. Post-Retirement Health Care Savings Plan. If during the life of this Agreement, the Minnesota State Retirement System (MSRS) makes a post-retirement health care savings plan available for State employees, the Employer agrees to meet and negotiate on employee participation, including the conversion of severance pay to the savings plan.

ARTICLE 13 SEVERANCE PAY

Section 1. Eligibility. All employees who have accrued twenty (20) years or more continuous State service shall receive severance pay upon any separation except for discharge for cause from State service. Employees with less than twenty (20) years continuous State service shall receive severance pay upon mandatory retirement or retirement at or after age 65, death, or layoff, except for seasonal layoff. Employees who retire from State service after ten (10) years of continuous State service and who are immediately entitled at the time of retirement to receive an annuity under a State retirement program shall, notwithstanding an election to defer payment of the annuity, also receive severance pay. Severance pay shall be equal to forty percent (40%) of the employee's first nine hundred (900) hours accumulated but unused sick leave and twelve and one-half percent (12½%) of the employee's accumulated but unused sick leave in excess of nine hundred (900) hours times the employee's regular rate of pay at the time of separation.

Should any employee who has received severance pay be subsequently reappointed to State Service, eligibility for future severance pay shall be computed upon the difference between the amount of accumulated but unused sick leave restored to the employee's credit at the time the employee was re-appointed and the amount of accumulated but unused sick leave at the time of the employee's subsequent eligibility for severance pay.

ARTICLE 14 LEAVES OF ABSENCE

Section 1. General Conditions. Except as otherwise provided in this Agreement, request for leave shall be made by employees prior to the beginning of the period(s) of absence. Upon request of the employee, authorization for or denial of a leave of absence shall be furnished to the employee in writing by his/her supervisor. All requests for a leave of absence shall be answered by the supervisor promptly and shall include, upon request by the employee, a statement of the Appointing Authority's intent regarding whether or not the employee's position will be filled permanently. No leave of absence request shall be unreasonably denied, and the reasons for a denial shall be given to the employee upon request. No employee shall be required to exhaust his/her accumulated vacation leave prior to an extended leave of absence.

Some leaves provided for in this Agreement may also qualify for Federal Family and Medical Leave Act (FMLA) status.

An employee on an approved leave of absence is required to contact the Appointing Authority if an extension is being requested. Failure to contact the Appointing Authority about an extension prior to the end of the approved leave period shall be deemed to be a voluntary resignation, and the employee shall be severed from state service.

Accrual of vacation and sick leave benefits shall continue during the period of a leave of absence with pay. If an employee is granted leave without pay, he/she will not be credited with vacation or sick leave accruals for the period of leave without pay unless otherwise indicated. When the Appointing Authority approves an unpaid leave of absence for an employee, the Appointing Authority shall advise the employee in writing of the steps the employee must take to continue insurance coverage.

Section 2. Leaves With Pay. Paid leaves of absence granted under this Article shall not exceed the employee's work schedule.

- A. **Military Reserve Training.** In accordance with Minn. Stat. 192.26, up to fifteen (15) working days leave per calendar year shall be granted to members of the National Guard or military or naval reserves of the United States or of the State of Minnesota who are ordered or authorized by the appropriate authorities to engage in training or active service. The employee shall make every reasonable effort to promptly inform the Appointing Authority of the dates of duty upon receiving any notification of duty. Such notice must occur within three (3) calendar days of the employee's knowledge of the need for the leave.
- B. **Jury Duty.** Leave shall be granted for selection of and service upon a jury. Employees whose scheduled shift is other than a day shift shall be reassigned to a day shift during the period of service upon a jury. When not impaneled for actual service and only on call, the employee shall report to work. Whenever

practicable, the employee shall notify the Appointing Authority at least fourteen (14) days prior to his/her scheduled jury duty.

- C. Court Appearance. Leave shall be granted for appearance before a court, legislative committee, or other judicial or quasi-judicial body in response to a subpoena or other direction of proper authority for job related purposes other than those instituted by the employee or the Association. Leave shall also be granted for attendance in court in connection with an employee's official duty, which shall include any necessary travel time. Such employee shall be paid the employee's regular rate of pay but shall remit to his/her Appointing Authority the amount received, exclusive of court-paid expenses, for serving as a witness as required by the court.
- D. Voting Time. Any employee who is entitled to vote in any statewide primary, Presidential primary, general election, or in an election to fill a vacancy in the office of a representative in Congress may absent himself/herself from work for the purpose of voting during the forenoon of such election day, provided the employee has made prior arrangements for such absence with his/her immediate supervisor.
- E. Educational Leave. Leave shall be granted for educational purposes if such education is required by the Appointing Authority.
- F. Emergency Leave. The Commissioner of Employee Relations, after consultation with the Commissioner of Public Safety, may excuse employees from duty with full pay in the event of a natural or man-made emergency if continued operation would involve a threat to the health or safety of the individuals.
- G. Leave to Serve as an Election Judge. Any employee serving as an Election Judge in any statewide primary general election or in an election to fill a vacancy in the office of a representative in Congress shall be eligible for paid leave for all normal work hours the employee serves as an Election Judge. Employees shall provide notice to their Appointing Authority at least twenty (20) days prior to their scheduled service as an Election Judge.
- H. Transition Leave. At the Appointing Authority's discretion, an employee under notice of permanent layoff may continue in payroll status for up to eighty (80) hours of paid leave prior to his/her date of layoff. Such leave shall not be subject to the provisions of Section 5, Reinstatement After Leave, of this Article.
- I. Investigatory Leave. See Article 8, Section 4.
- J. Paid Administrative Leave. At the Appointing Authority's discretion, an employee may be placed on paid administrative leave for up to thirty (30) calendar days when the employee has been involved in a critical incident or when his/her continued presence in the work place poses a risk to the employee or the organization. The Association will be provided with notification at the time the employee is placed on the leave. The Commissioner of Employee Relations may

authorize the leave to be extended for a period not greater than another thirty (30) calendar days with notification to the Association. Any extension(s) of longer duration must be mutually agreed to between the Appointing Authority and the Association. At the request of the Association, the Appointing Authority will provide information to the Association regarding the status of the employee on the leave. It is the Appointing Authority's policy to return an employee to active duty status as soon as it is practical and prudent.

K. Leave to Participate in Labor-Management Committees. See Article 32, Section 2.

L. Blood Donation Leave. Leave shall be granted to an employee who participates in an Appointing Authority-sponsored blood drive.

Section 3. Unpaid Leaves of Absence.

A. Unclassified Service. Leave may be granted to any classified employee to accept a position in the unclassified service of the State of Minnesota.

B. Educational Leave. Leave may be granted to an employee for educational purposes.

C. Military Leave. In accordance with Minn. Stat. 192.261, Subd. 1, and federal law, leave shall be granted to an employee who voluntarily or involuntarily enters into active military service, active duty for training, initial active duty for training, inactive duty training, or full-time National Guard duty in the armed forces of the United States for the period of military service, not to exceed five (5) years, plus such additional time as the employee may be required to serve pursuant to law. Leave time for service in the military shall be considered as paid leave for purposes of vacation leave and sick leave accrual.

Employee's requesting such leave shall notify their immediate supervisor as soon as possible of the need for such leave. Such notice must occur within three (3) calendar days of the employee's knowledge of the need for such leave.

At an employee's request, an employee on unpaid military leave shall be allowed to supplement such leave with vacation leave in accordance with law. Any vacation leave used must have been accumulated prior to the start of the military leave.

D. Association Leave. Upon advanced written request of the Association, leave shall be granted to employees who are elected or appointed by the Association to serve on the Association's Master Negotiating Team. An employee may use vacation time, compensatory time, or a holiday for this purpose, at the employee's discretion. Leave time for service on the Association's Master

Negotiation Team shall be considered as paid leave for purposes of vacation and sick leave accrual, and holiday pay entitlement.

Association Representatives or other employees who may be elected or appointed by the Association to perform duties for the Association shall be granted time off, provided the granting of such time off does not adversely affect the operations of the employee's department or agency. Such leave shall not be unreasonably withheld. Upon the written request of the Association, leave shall be granted to employees who are elected officers or appointed full-time representatives of the Association. Annually, the Appointing Authority may request the Association to confirm the employee's continuation on Association leave. Leave time for service to the Association shall not be deducted for purposes of determining the employee's vacation accrual rate.

Association board members who are currently State employees and not on full-time leave shall have time spent performing board duties considered as paid leave for purposes of vacation, sick leave and holiday pay eligibility when they are on Association leave.

- E. Parenthood. Parenthood leaves of absence shall be granted to a birth parent(s) or adoptive parent(s) who is a permanent employee and who requests such leave in conjunction with the birth or adoption of a child. Requests for parenthood leave shall be submitted at least six (6) weeks in advance of the anticipated due date or adoption date, if possible. However, such leave shall be requested within the first three (3) months following the birth or adoption of a child. Parenthood leave shall commence on the date requested by the employee, and shall continue up to six (6) months. If both parents elect to take Parenthood leave, such leave may be taken either concurrently or consecutively. Such leave must be completed within one (1) year following the birth or adoption of a child. Sick leave or vacation used following the birth or adoption of a child will run concurrently with the six (6) months of Parenthood leave.

Such leave may be extended up to a maximum of one (1) year by mutual consent between the employee and the Appointing Authority from the date of the event giving rise to the leave request.

- F. Medical. Upon the request of a permanent employee who has exhausted all accrued sick leave, a leave of absence without pay shall be granted by the Appointing Authority for up to one (1) year because of sickness or injury to the employee. At the request of the employee, this leave may be extended at the discretion of the Appointing Authority. An employee requesting a medical leave of absence shall be required to furnish evidence of disability to the Appointing Authority. When the Appointing Authority has evidence that an employee's absence from duty is unnecessary or if the employee fails to undergo an evaluation or furnish such reports as are required by the Appointing Authority, the Appointing Authority shall have the right to require the employee to return to work on a specified date.

- G. Personal Leave. Leave may be granted upon request of an employee for personal reasons. No such leave shall be granted for the purpose of securing other employment, except as provided in this Article.
- H. Political Caucus/Convention. Upon ten (10) days advance request, leave shall be granted to any employee for the purpose of attending a political caucus/convention. An employee may use vacation leave, compensatory time, or a holiday for this purpose, at the employee's discretion.
- I. Related Work. Leave not to exceed one (1) year may be granted to an employee to accept a position of fixed duration outside of State service which is funded by a government or private foundation grant and which is related to the employee's current work.
- J. Unpaid Administrative Leave. At the Appointing Authority's discretion, an employee may be placed on unpaid administrative leave when the employee is unable to work because of the temporary absence of a license, completed background check, or other credentials required for his/her position. After verification of reinstatement of license, successful background check or credentials required for the position, the employee shall be reinstated subject to the reinstatement provisions of Section 5, Reinstatement After Leave. For informational purposes, the Association shall be notified when an employee is placed on Unpaid Administration Leave.
- K. Leave to Vote in Tribal Elections. An employee who is eligible to vote in a tribal election shall be entitled to the time needed to vote, not to exceed one day, provided that mail ballots are not being used and the election is not being conducted on the employee's regularly scheduled day off.

The day off shall be taken without pay unless the employee elects to use accumulated vacation leave, a floating holiday or accumulated compensatory time, or by mutual consent, is able to make up the time. Alternately, the Appointing Authority and employee may mutually agree to have the employee make up the time.

The employee shall notify the Appointing Authority at least twenty-one (21) calendar days prior to the leave.

Section 4. Cancellation of Discretionary Leaves. Discretionary leaves of absence or extensions of such leaves may be canceled by an Appointing Authority for reasonable cause upon written notice to the employee unless the Appointing Authority agrees in writing at the time the leave is granted that the leave will not be canceled.

Section 5. Reinstatement After Leave. Any employee returning from an approved leave of absence as covered by this Article shall be entitled to return to employment in his/her former position or another position in his/her former classification/class option or a position of comparable duties and pay, providing such return is in his/her former seniority unit. Any employee returning from an approved leave of absence of six (6)

months or less shall also be entitled to return within thirty-five (35) miles of the employee's old work location. Notwithstanding the above, if a layoff occurs during the period that the employee is on an approved leave of absence, such an employee is subject to layoff with full rights and options consistent with the terms of Article 17 of this Agreement. Should an employee on an approved leave of absence be laid off while on leave, that employee's return rights shall be determined by the employee's new work location (if any), chosen as an option under Article 17. Employees returning from extended leaves of absence of one (1) month or more shall notify their Appointing Authority at least two (2) weeks prior to their return from leave. An employee returning from an unpaid leave of absence shall be returned at the same rate of pay the employee had been receiving at the time the leave of absence commenced plus any automatic adjustments that would have been made had the employee been continuously employed during the period of absence. At the discretion of the Appointing Authority, an employee may terminate his/her leave of absence prior to the previously agreed upon date of expiration of that leave of absence.

ARTICLE 15 SENIORITY

Section 1. Definitions.

- A. State Seniority. "State Seniority" is defined as the length of employment with the State of Minnesota since the last date of hire.
- B. Classification Seniority. "Classification Seniority" is defined as an employee's length of service in a specific job classification with the State of Minnesota, beginning with the date an employee begins to serve a probationary appointment
 - 1. Bumping, Demotions, Transfers. When an employee bumps, demotes or transfers, Classification Seniority in the class to which the employee is bumping, demoting, or transferring, shall include Classification Seniority in all related classes in the same or higher salary range in which the employee has served with the State of Minnesota. For purposes of this section, classes are considered to be in the same salary range if the first two (2) digits of the compensation codes (as listed in Appendix F) are the same, and movement between the classes is a transfer or a demotion.
 - 2. Class Options. "Class Option" is defined as an area of specialization which may require special licensure, certification, or registration and for which a separate examination is used in making appointments to a classification.
 - 3. Related Classes. "Related Class" is defined as the class or classes which are similar in the nature and character of the work performed and which require similar qualifications.

4. Reallocations. Class seniority for employees whose positions are reallocated to an equal or lower class after July 1, 1981, shall include service in the class from which they were reallocated, regardless of whether or not the class is a related class in accord with this section.

5. Trial Period. An employee who returns to his/her former classification under the conditions of Article 16, Section 7, shall accrue all seniority in the former classification as if continually employed in the former classification.

C. Interruptions. Classification Seniority shall be interrupted only by separation because of resignation, discharge for just cause, non-certification for the initial probationary period, failure to return upon expiration of a leave of absence, failure to respond to a recall from layoff, or retirement.

Classification Seniority shall not include service in a position in a bargaining unit not represented by the Association. However, Classification Seniority shall include service in a confidential position in accordance with Section 1(B). Classification seniority shall also include permanent or probationary classified service in the position in bargaining Unit 216 from which the employee was reallocated as a result of a unit determination order from the Bureau of Mediation Services. Time on a seniority unit layoff list and/or approved leave of absence shall not constitute an interruption.

D. Seniority Units. "Seniority Units" are defined as set forth in Appendix D.

Section 2. Seniority Earned Under Previous Collective Bargaining Agreements. Employees shall continue to have their seniority calculated as provided under the 1981-1983 collective bargaining agreement or memoranda of understanding except as specifically provided elsewhere in this Agreement.

Section 3. Seniority Rosters. No later than November 30 and May 31 of each year, the Appointing Authority shall prepare and post seniority rosters on official bulletin boards for each of its seniority units and two (2) copies shall be furnished to the Association Executive Director. Such rosters shall be based on transactions occurring up to and through the pay period closest to October 31 and April 30 respectively of each year. The rosters shall list each employee in the order of Classification Seniority; and reflect each employee's date of Classification Seniority, date of State Seniority, and class title and date for all classes in which the employee previously served. The rosters shall also identify the type of appointment if other than full-time unlimited, and shall include the class option, if any.

When two (2) or more employees have the same Classification Seniority dates, seniority positions shall be determined by State Seniority. Should a tie still exist, seniority positions shall be determined by lot.

Section 4. Appeals. Employees shall have sixty (60) calendar days from the date of the initial posting to notify the Appointing Authority of any disagreements over the seniority roster. Thereafter, appeals must be filed with the Appointing Authority within thirty (30) days of the date of posting and are limited to changes since the previous posting. However, errors of fact on the seniority roster may be raised by either party at any time.

ARTICLE 16 VACANCIES, FILLING OF POSITIONS

Section 1. Definition of Vacancy. A vacancy is defined as a non-temporary (more than 12 months) opening in the classified service which the Appointing Authority determines to fill. A vacancy is not created by reassignment within thirty-five (35) miles to the same classification.

Section 2. Permanent Reassignment. Whenever the Appointing Authority determines to make a permanent reassignment within thirty-five (35) miles, the Appointing Authority shall, before the reassignment is effected, consider (but not be limited to) the following:

- A. The employee's ability to perform the job;
- B. The employee's qualifications to perform the job;
- C. The employee's interest in the job;
- D. The employee's current workload;
- E. The employee's Classification/Class Option Seniority.

Section 3. Job Posting and Interest Bidding. Whenever a vacancy occurs which the Appointing Authority determines to fill, the Appointing Authority shall post the vacancy on bulletin boards in the seniority unit for a minimum of ten (10) calendar days or through such procedures as are otherwise agreed to between the Association and the Appointing Authority. Such other procedures may include a method for electronic posting, where available. The job posting shall include: the division, section, classification/class option, employment condition, and location of the vacancy. A copy of the posting shall be furnished to the Association. Permanent non-probationary classified employees in the seniority unit in the same classification/class option may interest bid on the filling of such vacancy by submitting a written application to the Appointing Authority on or before the expiration date of the posting. An employee who is selected for a position through interest bidding shall not be eligible for interest bidding for six (6) months from the date the employee reports to the new position.

For informational purposes only: if a vacancy is canceled during or after its posting period, the Appointing Authority shall post the cancellation.

The posting of a vacancy shall not be required if the Appointing Authority offers the vacancy to a seniority unit employee who has received notice of permanent layoff from the same or a transferable or higher classification.

Vacancies in Junior/Senior Plans shall be posted at both levels of the plan. Interest bids shall be accepted from employees in both classes. Interest bids shall be considered first from employees in the higher class and if there are no interest bids, shall then be considered from employees in the lower class.

An employee who is away from his/her work location on assignment or approved vacation in excess of seven (7) calendar days, may submit an advance interest bid for individual vacancies posted during his/her absence. The advance interest bid shall indicate the division, section, classification/class option, employment condition and location of the individual position. Such advance interest bid shall be submitted to the Appointing Authority or designee and shall be valid for the period of the absence or four (4) weeks, whichever is less.

At the Appointing Authority's discretion and when adequate time permits, positions in the unclassified service may be posted for ten (10) calendar days for informational purposes. No interest bidding is permitted on these unclassified positions. Employees may notify the Appointing Authority that they wish to be considered for the positions, however, non-selection shall not be grievable under Article 9 of this agreement.

Section 4. Filling of Positions. All eligible employees under Section 3 who have made a timely interest bid, shall be given consideration and may be appointed to the opening prior to the consideration of other non-interest bidding applicants and prior to filling the vacancy through other means. The Appointing Authority shall not be arbitrary, capricious, or discriminatory and must have a legitimate business reason to reject all of the interest bidders. Seniority of the interest bidders shall not be a factor in appointing employees from among the interest bidders. All interest bidders shall be notified orally or in writing as to the acceptance or rejection of their interest bid in a timely manner prior to the Appointing Authority using any other means of selection.

If the vacancy is not filled by an employee under this Section, then it shall be filled in the following order:

- A. Seniority Unit Layoff List. Selection shall be made from employees on the Seniority Unit Layoff list, if such a list exists, in order of Classification Seniority pursuant to Article 17, Layoff and Recall. No new appointments shall be made in a seniority unit in a class (or option) and employment condition for which a Seniority Unit Layoff List exists until all employees on such list have been offered the opportunity to accept the position, except that the Appointing Authority may offer the vacancy to a seniority unit employee who has received notice of permanent layoff from the same or a transferable or higher classification.
- B. Claiming. If the vacancy is not filled as provided in A above, the Appointing Authority shall consider claims of eligible Bargaining Unit employees facing layoff who request a transfer or demotion to a class (or class option) in which the employee served or for which the employee is determined to be qualified by the Employer.

Instead of accepting a claim, the Appointing Authority may choose to fill the vacancy by promoting a seniority unit employee whose name was on an eligible list for the classification of the claimed position at the time the vacancy was first claimed, or by accepting the voluntary transfer or demotion of a current seniority unit employee on notice of permanent layoff. If the Appointing Authority determines to fill the resulting vacancy, and it is not filled by an interest bidder or a recall from the seniority unit layoff list or the transfer or demotion of a seniority unit employee who has received notice of permanent layoff, the Appointing Authority must consider interested and eligible claimers who were not selected for the original vacancy due to the promotion, transfer or voluntary demotion of a current seniority unit employee, prior to using any other vacancy filling method in 4(C) and prior to the consideration of any additional claimers for the resulting vacancy.

The receiving Appointing Authority shall determine if the employee is qualified for the position, and if so, shall not unreasonably deny the request (see the provisions of Article 17, Section 3(A)(5), regarding employee requests to claim positions in other seniority units to avoid layoff or bumping).

C. Other Means of Filling the Vacancy. If the position is not filled as provided in Section 3, 4.A. or 4.B. above, the Appointing Authority shall have the option of filling the vacancy by using any of the following methods:

1. Eligible List. If an eligible list is used, selection from among certified eligibles shall be made on the basis of skill, ability, experience, efficiency, job knowledge and/or fitness to perform the duties of the position.

However, if appointment is to be made from among two or more certified eligibles who are equal in terms of the above factors and one or more of these eligibles is in the bargaining unit, a bargaining unit employee in a class/class option other than the same class/class option as the vacancy shall be selected. If a bargaining unit employee is selected, nothing in this section shall be construed to set a standard for the non-selection of other bargaining unit employees who are certified eligibles; or

2. Department Layoff List. If a Department Layoff List is to be used, selection shall be made from among qualified employees whose names appear on the list in the order of Classification Seniority; or
3. Voluntary Demotion. If a voluntary demotion is to be used, selection shall be made by accepting the application of an employee who is willing to accept a voluntary demotion; or
4. Bargaining Unit Layoff List/Same Classification. If a Bargaining Unit Layoff List/Same Classification is to be used, selection shall be made from among qualified employees whose names appear on the list; or

5. Voluntary Transfer. If a voluntary transfer within or between seniority units and/or classes is to be used, selection shall be made by accepting the application of an employee who is willing to accept a voluntary transfer. If an employee within the seniority unit submits a request to transfer during the posting period under Section 3 accompanied by a request to interview and substantial evidence of qualification for the position, the Appointing Authority shall grant an interview. Nothing in this section shall be construed to require a standard for the non-selection of the interviewed employee.

An interview must only be granted if the position is not filled through interest bidding, recall from the seniority unit layoff list, or claiming. Employees who fill vacancies through this method shall have a twenty-one (21) calendar day trial period during which time they may elect to return to their previous position; or

6. Bargaining Unit Layoff List/Other Job Classification. If a Bargaining Unit Layoff List/Other Classification is to be used, selection shall be made from among qualified employees whose names appear on the list; or
7. Reinstatement. If reinstatement is to be used, selection shall be made by reinstating a former employee; or
8. Other. The Appointing Authority may also use any other appointment procedure pursuant to statute.

Notwithstanding any of the above, no new appointments of persons other than current civil service employees shall be made in a seniority unit in that class (or option) and employment condition for which a Layoff List exists.

Upon request, the Appointing Authority shall provide to the Association President the name of the applicant selected, the method used to select the applicant and any lists of certified eligibles used in the selection procedure.

Section 5. Reclassification. Employees may submit requests for job audits directly to the Department of Employee Relations, or their own Appointing Authority if it has delegated classification authority, pursuant to Minn. Stat. 43A.07, Subd. 2 and the Department of Employee Relations Administrative Procedure 7. The Department of Employee Relations, or an Appointing Authority with delegated classification authority, shall acknowledge, in writing, receipt of an employee initiated request for an audit of his/her position within thirty (30) calendar days of receipt of the request.

An employee shall be notified, in writing, of a downward reclassification of his/her position before such action occurs.

An employee who desires to protest a reclassification decision regarding his/her position may do so by following the provisions of Minn. Stat. 43A.07, Subd. 3; but the decision of the Commissioner of Employee Relations or the agency with delegated

authority pursuant to this Section shall not be subject to the grievance and arbitration provisions of this Agreement.

The Department of Employee Relations, or an Appointing Authority with delegated classification authority, shall notify the Association President regarding any class studies they plan to undertake. Prior to the actual implementation of any class study results, the Association shall be offered the opportunity to meet and confer with the appropriate authority regarding the results and the implementation plans.

- A. Effect of Change in Position Allocation on the Filling of Positions. When the allocation of a position has been changed as the result of changes in the organizational structure of an agency or abrupt changes in the duties and responsibilities of this position, such positions shall be considered vacant under the provisions of this Article and filled in accordance with Sections 1-4.
- B. Effects of Reallocation on the Filling of Positions. When the allocation of a position has been changed as the result of changes over a period of time in the kind, responsibility, or difficulty of the work performed in a position, such situation shall be deemed a reallocation and not considered a vacancy under the provisions of this Article.

The incumbent employee shall be appointed to the reallocated position provided the employee has performed satisfactorily in the position and possesses any licensure, certification, or registration which may be required. In any case where the incumbent of a position which has been reallocated is ineligible to continue in that position in the new class/class option, the employee shall be removed from the position within thirty (30) calendar days from the date of notification to the Appointing Authority of the employee's ineligibility. The position shall then be considered vacant under the provisions of this Article and filled in accordance thereof. Where the incumbent is ineligible to continue in the position and is not transferred, promoted, or demoted, the layoff provisions of Article 17 shall apply.

Except for reallocations resulting from a study of an agency or division thereof initiated by the Department of Employee Relations or an Appointing Authority, if the incumbent of a position which is reallocated upward receives a probationary appointment to a reallocated position, pay for the reallocated position shall commence fifteen (15) calendar days after the receipt in the Department of Employee Relations or an agency with delegated authority of a reallocation request determined to be properly documented, and it shall continue from that date until the effective date of the probationary appointment.

The Employer shall provide the Association notice of any reallocations that occur within the bargaining unit. Such notice shall include, but not be limited to: 1) name of the employee; 2) department or agency name; 3) original classification of the employee; 4) reallocated classification of the employee; and 5) date of the reallocation.

An employee who is demoted as a result of a reallocation shall have his/her name placed on the Seniority Unit and Bargaining Unit Layoff Lists for the class from which he/she was reallocated downward.

Section 6. Probationary Periods. All unlimited appointments to positions in the classified service except appointments from the Seniority Unit Layoff List shall be for a probationary period of six (6) months; and the Appointing Authority may require a probationary period of six (6) months for transfers, re-employments, reinstatements, voluntary demotions and appointments from layoff lists other than the Seniority Unit Layoff List. The probationary period shall exclude any time served in emergency, provisional, temporary, and unclassified employment, or any unpaid leave of absence in excess of ten (10) consecutive working days. Wherever practicable, an employee serving a probationary period shall receive at least one (1) performance counseling review of his/her work performance at the approximate midpoint of the probationary period.

Employees recalled from the Seniority Unit Layoff List who were placed on layoff prior to completion of their probationary period shall be required to complete the probationary period upon return from the layoff.

If the Appointing Authority decides that an employee cannot successfully complete the probationary period as provided above, such employee shall not be certified. However, if the Appointing Authority feels that an extension of the probationary period could result in successful completion of the probationary period, the Appointing Authority and the Association may mutually agree to a limited extension not to exceed three (3) months.

Notwithstanding the above, an incumbent appointed to a reallocated position shall serve a three (3) month probationary period. The Appointing Authority and the Association may extend the probationary period, not to exceed three (3) months.

An employee who is serving a probationary period, except an initial probationary period, and who is not certified by the Appointing Authority shall have the right to be restored to a position in his/her former class/class option and seniority unit.

Employees transferring from one Appointing Authority to another shall be required to serve a new probationary period unless the employee receives prior written notice that the Appointing Authority has waived the probationary period, the duration of which shall not exceed the above stated schedule.

Employees who transfer or promote to a different seniority unit prior to the completion of their probationary period shall complete their probationary period in the previous class on the same date that they successfully complete their probation in the new class. If the employee does not successfully complete probation in the new seniority unit, the employee shall return to the former class and seniority unit and resume the probationary period at the point it was interrupted.

Section 7. Trial Period. Employees who are required to serve a new probationary period after either being appointed to a different class or transferred to a different

seniority unit shall have a trial period of twenty-one (21) calendar days for the purpose of evaluation. During this trial period, the employee may elect to return to his/her former position. In the event an employee does not successfully complete the remaining probationary period, after the twenty-one (21) calendar day trial period, the employee shall be returned to the former classification within the seniority unit from which the employee came and, if a vacancy exists, to the same geographic area.

Section 8. Non-Certification. When the Appointing Authority does not certify a probationary employee, the employee shall have the right to a meeting with the Appointing Authority or designee to discuss the non-certification decision. Upon request, the employee shall have the right to Association representation during the meeting. Non-certification decisions are not subject to the grievance procedure.

Section 9. Promotional Ratings. Promotional ratings required in conjunction with an examination shall be prepared for each employee who is a candidate for that examination in an objective manner by his/her immediate supervisor unless the immediate supervisor is also an applicant for the same examination. In that event, the next higher level supervisor shall complete the rating. The rating, along with the reasons therefore shall be discussed with the employee by the rater. The employee is to receive a copy of the rating form, signed by the rater, prior to its being submitted to the Department of Employee Relations.

Promotional ratings shall not be prepared or completed by members of this bargaining unit for other employees within the bargaining unit, unless prepared or completed by an employee whose unit status is in question.

ARTICLE 17 LAYOFF AND RECALL

Section 1. Definition of Layoff. An Appointing Authority may layoff an employee by reason of abolition of the position, shortage of work or funds, or other reasons outside the employee's control, not reflecting discredit on the service of the employee. For a full-time employee, a layoff occurs when his/her hours of work are reduced for a period of longer than ten (10) consecutive working days. However, full-time classified employees who have requested and have been authorized to work less than full-time shall not be deemed to have been laid off.

Section 2. Labor-Management Cooperation. Whenever an Appointing Authority initiates a planning process or management study which is anticipated to result in layoff, the Appointing Authority will meet and confer with the Association during the decision planning phase and again during the implementation planning phase. The Appointing Authority and the Association shall enter into negotiations regarding a Memorandum of Understanding (MOU) upon the request of either party to modify this Agreement regarding the implementation phase which shall include, but are not limited to, the following:

- length of layoff notice
- job and retraining opportunities
- alternative placement methods
- early retirement options under Minn. Stat. 43A.24, Subd. 2(i)
- voluntary layoff provisions of Section 3(A)(4) of this Article
- voluntary reduction in hour provisions of Article 29 of this Agreement
- other methods of mitigating layoffs or their effects on employees.

Section 3. Permanent Layoff.

A. Layoff Procedures.

1. Determination of Position(s). The Appointing Authority shall determine the position(s) in the class, or class option, if one exists, and employment condition and work location which is to be eliminated.

Provisional and emergency employees shall be terminated before any layoff of probationary or permanent employees in the same class/class option, employment condition and geographic location/principal place of employment. Provisional employees shall be separated in inverse order of the date of their provisional appointments.

2. Advance Notice. In the event a layoff in the classified service of seniority unit employees becomes necessary, the Appointing Authority shall notify the Association Executive Director of the classification(s), number of positions, and the employment condition(s) to be eliminated thirty (30) calendar days whenever practicable, but at least twenty-one (21) calendar days prior to the effective date of the anticipated layoff. At least twenty-one (21) calendar days prior to the effective date of the layoff, the Appointing Authority shall give written notice of the layoff, including the reason(s) therefore, estimated length of the layoff period and layoff options available to all employee(s) scheduled to be laid off. Copies of all layoff notices shall be concurrently mailed to the Association Executive Director.

The Appointing Authority may establish a date, up to seven (7) days prior to the effective date of the layoff, by which employees must choose the layoff option they will exercise. This date shall be indicated in the written notice of layoff.

3. Layoff Notification. Layoffs which are necessary shall be on the basis of inverse classification seniority within the class/class option, employment condition (full-time unlimited, part-time unlimited, seasonal full-time, seasonal part-time, or intermittent), and geographic area (within thirty-five [35] miles of the work location) of the position to be eliminated. The Appointing Authority shall send a layoff notice to the employee within the position to be eliminated.

At the Appointing Authority's discretion, an employee under notice of permanent layoff may continue in payroll status for up to two (2) calendar weeks of paid leave. Such leave shall not extend beyond the date of layoff and shall not be subject to the Application and Reinstatement Sections of Article 14, Leaves of Absence.

Prior to the implementation of a layoff, the Employer and the Association may mutually agree to a Memorandum of Understanding (MOU) providing for the voluntary layoff of employees with more classification seniority in lieu of those less senior employees who would otherwise be laid off. A more senior employee requesting layoff under this provision shall not be unreasonably denied consideration to be laid off by the Appointing Authority.

4. Layoff Options.

- a. The employee(s) receiving notice of layoff shall be placed in a vacancy in the same seniority unit, same class (or class option or another option within that class for which the employee is determined by the Employer to be qualified) and same employment condition within thirty-five (35) miles of the employee's current work location. If there is no such vacancy, the employee shall either:
 - (1) Bump the least senior employee in the same seniority unit, same class (or class option or another option within that class for which the employee is determined by the Employer to be qualified) and same employment condition within thirty-five (35) miles of the employee's current work location; or
 - (2) Accept a vacancy in the same seniority unit in an equal class in which the employee previously served or for which the employee is determined by the Employer to be qualified and in the same employment condition within thirty-five (35) miles of the employee's current work location.

Employees who have elected not to bump under "1" above and who have not been offered "2" shall be laid off.

- b. If neither of the preceding is available the employee may choose to be laid off, or the employee may choose one of the following options:

OPTIONS WITHIN THIRTY-FIVE (35) MILES OF THE EMPLOYEE'S CURRENT WORK LOCATION:

- (1) Bump the least senior employee in an equal or lower class or class option in which the employee previously served.

- (2) Accept a vacancy in a lower class or class option in which the employee previously served or for which the employee is determined to be qualified by the Employer.
- (3) Bump any employee on a temporary appointment in the same class who has more than thirty (30) calendar days remaining on such temporary appointment. The temporary employee so bumped shall be separated.
- (4) For unlimited full-time employees, bump the least senior employee or accept a vacancy in the same class in the unlimited part-time employment condition.
- (5) For unlimited part-time employees, bump the least senior employee or accept a vacancy in the same class in the unlimited full-time employment condition.

OPTIONS MORE THAN THIRTY-FIVE (35) MILES FROM THE
EMPLOYEE'S CURRENT WORK LOCATION:

- (6) Accept a vacancy in the same or an equal or lower class or class option in which the employee previously served or for which the employee is determined to be qualified by the Employer.
- (7) Bump the least senior employee in the same or an equal or lower class or class option in which the employee previously served.

If none of these options are available, the employee shall be laid off.

When two (2) or more employees in the same class/class option, seniority unit and employment condition are being simultaneously laid off, the Association and the Appointing Authority may mutually agree to selection of layoff options among the affected employees.

An employee who has the option to fill a vacancy may exercise that option only if there are no interest bidders for the position or if the Appointing Authority rejects the interest bidders pursuant to Article 16, Section 4. If an interest bidder is selected for the vacancy, the Appointing Authority may determine to fill the resulting vacancy by layoff option without posting the vacancy as required under Article 16 of this Agreement.

5. Claiming. If the options in Section 3(A)(4)(a) are not available, an employee may request to transfer or demote to a non-temporary classified vacancy within another seniority unit in the same, transferable or lower class (or class option) in which the employee previously served or for which the employee is determined to be qualified by the Employer. The receiving Appointing Authority shall determine if the employee is qualified for the position and, if so, shall not unreasonably deny the request.

Eligibility for claiming under this provision begins on the date of the written layoff notice and continues until the actual date of layoff or forty-five (45) days, whichever is greater. If the claiming period extends beyond the date of layoff, no severance or vacation liquidation shall be paid to the employee until the end of the claiming period. In addition, the employee's name shall not be placed on any layoff or reemployment lists until the end of the claiming period. If the claiming period extends beyond the layoff date, the employee may waive their post-layoff claiming rights and the Appointing Authority shall authorize payment of any severance or vacation liquidation and the employee will be eligible for placement on appropriate layoff and reemployment lists.

Employees may not request a transfer or demotion to another Appointing Authority if such a vacancy is available to the employee at a pay level equal to the requested vacancy within thirty-five (35) miles of the employee's current work location which the current Appointing Authority determines to fill. If an employee fails to accept an offer of a position in the same or a transferable class following their claim within thirty-five (35) miles of their current work location, the employee is no longer eligible to claim.

Employees who claim and fill vacancies under this provision may return to their previous status at any time during the twenty-one (21) calendar days following the appointment to the claimed position. If an employee returns to a layoff status during the trial period, time spent in the trial period shall be deducted from any remaining claiming status days the employee had at the time of the appointment to the claimed position.

If the employee successfully claims but cannot be appointed until after the scheduled layoff date, the current Appointing Authority may place the employee on unpaid leave or, upon mutual agreement, vacation leave until the new appointment begins. Such leave shall not exceed fourteen (14) days following the end of the employee's claiming period or layoff date, whichever is later. Vacation leave for this purpose shall not be subject to Article 10, Section 3 (Vacation Period).

Employees who transfer to another seniority unit under this provision and who do not successfully complete the probationary period shall be placed on layoff from their original seniority unit, class/class option, employment condition and location. Such employees are not subject to Section 3, A-D, but shall become eligible to be placed on layoff lists in accordance with Section 3E on the effective date of their non-certification.

- B. Conditions for Bumping or Accepting Vacancies. The following shall govern bumping and accepting vacancies pursuant to Section 3(A)(4):

1. In all cases, the employee exercising an option is restricted to those positions within the same seniority unit and, except in options 4b, (3), (4) and (5), the same employment condition.
2. In all cases of bumping, the employee exercising bumping rights must have greater Classification Seniority in the class/class option into which the employee is bumping than the employee who is to be bumped and in the case of a class option, must have either served in the class option or have been determined to be qualified for the class option by the Employer.
3. An employee who does not have sufficient Classification Seniority to bump into a previously held class shall not forfeit the right to exercise Classification Seniority to bump into the next previously held class/class option in the same seniority unit.
4. When a vacancy exists in a class/class option into which the employee has a right to bump, the employee must accept the vacancy prior to exercising the option to bump except that if the option to bump is to a lower class/class option within thirty-five (35) miles and the vacancy in that class is more than thirty-five (35) miles, then the employee is not required to accept the vacancy.
5. If more than one employee opts to fill a vacancy or bump another employee, the employee with the greater Classification Seniority shall have priority in exercising that layoff option.

C. Junior/Senior Plans. When layoffs take place in the senior class of a Junior/Senior Plan and the employee demotes or bumps to the junior class as provided in the layoff procedure, the junior position shall simultaneously be reallocated to the senior class, provided that the employee is qualified for the reallocation under the terms of the Junior/Senior Plan.

D. Return to the Bargaining Unit through Outside Layoff. Employees who have accepted an equally or higher paid position excluded from this bargaining unit shall be permitted to return to the bargaining unit upon layoff under the following conditions:

1. The employee must exhaust all of the layoff options available under any existing layoff procedure which covers him/her for purposes of layoff.
2. If no such options exist, the employee returning to the bargaining unit may exercise the options listed in Section 3(A)(4) above under the conditions described in Section 3(B).
3. Before an employee shall be permitted to exercise a bumping option into a previously held class, that employee must first accept a vacancy for which the Employer has determined the employee to be qualified, within the same geographic restriction (within thirty-five [35] miles or over thirty-five

[35] miles respectively), seniority unit, and pay range as the position to which the employee desires to bump.

E. Layoff List.

1. Seniority Unit Layoff List. The names of employees who have been laid off or who have demoted in lieu of layoff or as a result of reallocation shall be automatically placed on a seniority unit layoff list for the seniority unit, class/class option, geographic location and employment condition from which they were laid off or demoted in the order of their classification seniority. Employees may also indicate in writing, on a document provided by the Appointing Authority, other geographic locations for which they are available. Employees may change their availability by notifying the Department of Employee Relations in writing. Names shall be retained on the seniority unit layoff list for a minimum of one (1) year or a period of time equal to the employee's state seniority, to a maximum of four (4) years.

Employees who are laid off or demoted in lieu of layoff may designate, in writing, other bargaining unit classes/class options in which they previously served which are equal to or lower than the class from which they were laid off or demoted. Employees shall then be placed on the seniority unit layoff list in order of classification seniority in each class.

2. Department Layoff List. (For the Department of Corrections, Department of Human Services, and MNSCU). Upon request, the names of such employees shall also be placed on a department layoff list (if applicable) for the department, classification/class option and employment condition from which they were laid off or demoted in lieu of layoff in the order of classification seniority. Names shall be retained on the department layoff list for a minimum of one (1) year or a period of time equal to the employee's State seniority to a maximum of four (4) years.

When an employee's name is placed on the department layoff list, the employee shall indicate in writing the seniority unit(s) within the department for which he/she would accept recall. The employee may change his/her availability by notifying the Department of Employee Relations in writing.

3. Bargaining Unit Layoff List/Same Classification. Upon request, the names of such employees shall also be placed on a bargaining unit layoff list/same classification for the bargaining unit, classification/class option and employment condition from which they were laid off or demoted in lieu of layoff or as a result of reallocation in the order of Classification Seniority. Names shall be retained on the bargaining unit layoff list for a minimum of one (1) year or for a period of time equal to the employee's state seniority to a maximum of four (4) years.

When an employee's name is placed on the bargaining unit layoff list/same classification, the employee shall indicate in writing the seniority unit(s) and the geographic location(s) for which he/she would accept recall. The employee may change his/her availability by notifying the Department of Employee Relations in writing.

4. Bargaining Unit Layoff List/Other Job Classifications. An employee who is laid off or demoted in lieu of layoff may also designate in writing other transferable or lower bargaining unit classification(s)/class option(s) in which he/she previously served and shall then be placed on the bargaining unit layoff list/other job classifications in order of classification seniority in each classification. The names shall remain on the list for a minimum of one (1) year or for a period of time equal to the employee's State Seniority to a maximum of four (4) years.

When an employee's name is placed on the bargaining unit layoff list/other classifications, the employee shall indicate in writing the seniority unit(s) and the geographic location(s) for which he/she would accept recall. The employee may change his/her availability by notifying the Department of Employee Relations in writing.

- F. Recall. Employees shall be recalled from layoff in the order in which their names appear on the layoff list(s) as provided in Section 3 (E) of this Article and provided that the employee being recalled is capable of performing the duties of the position.

An employee shall be notified of recall by personal notice or certified mail (return receipt required) sent to the employee's last known address at least fifteen (15) calendar days prior to the reporting date. The employee shall notify the Appointing Authority by certified mail (return receipt required) within five (5) calendar days of receipt of notification of intent to return to work and shall report to work on the reporting date unless other arrangements are made. It shall be the employee's responsibility to keep the Appointing Authority informed of his/her current address.

- G. Removal from Layoff Lists. Employees shall be removed from all layoff lists for any of the following reasons:

1. Recall to a permanent position from the seniority unit, department or bargaining unit/same class layoff list. An employee who is recalled to a seniority unit other than the one from which he/she was laid off, who does not successfully complete the probationary period, shall be restored to the seniority unit layoff list for the remainder of the time period originally provided in Section 3 (E).
2. Failure to accept recall to a position which meets the availabilities specified by the employee.

3. Appointment to a permanent position in a class which is equal to or higher than the one for which the employee is on the layoff list(s).
4. Resignation, retirement, or termination.

Section 4. Seasonal Layoff.

A. Layoff Procedure.

1. Determination of Position(s). The Appointing Authority shall determine the position(s) in the class or class option, if one exists, employment condition, and principal place of employment which is affected.
2. Advance Notice. The Appointing Authority shall notify the Association President of the classification(s), number of positions, and the employment condition(s) to be seasonally laid off twenty-one (21) calendar days whenever practicable but at least fourteen (14) calendar days prior to the effective date of the anticipated layoff. At least fourteen (14) calendar days prior to the effective date of the layoff, the Appointing Authority shall give written notice of the layoff, including the estimated length of the layoff period, to all employees about to be laid off.
3. Layoff Order. Seasonal employees shall be laid off in inverse order of classification seniority within the principal place of employment of the position(s) to be eliminated unless waived by mutual agreement between the employee and the Appointing Authority.
4. Record of Employees on Seasonal Layoff. Each Appointing Authority shall maintain its own record of employees on seasonal layoff for recall purposes.

- B. Recall from Seasonal Layoff. Seasonal employees shall be recalled in the order of classification seniority to the seniority unit, employment condition, and principal place of employment from which they were laid off.

An employee on seasonal layoff shall be notified of recall by personal notification or certified mail (return receipt required), sent to the employee's last known address, at least fifteen (15) calendar days prior to the reporting date. The employee shall notify the Appointing Authority by certified mail (return receipt required) within five (5) calendar days of receipt of notification of intent to return to work and shall report for work on the reporting date unless other arrangements are made. It shall be the employee's responsibility to keep the Appointing Authority informed of the employee's current address.

- C. Removal from the Seasonal Layoff Record. Seasonal employees shall be removed from the seasonal layoff record for any of the following reasons:

1. failure to accept recall to a seasonal position;
2. resignation, retirement, or termination from State service;
3. acceptance of a full-time or part-time unlimited position in the same or equal class.

Section 5. Exclusions. The provisions of this Article shall not apply to unclassified employees.

Section 6. Limited Interruptions of Employment. Any interruption in employment not in excess of ten (10) consecutive working days because of adverse weather conditions, shortage of material or equipment, or for other unexpected or unusual reasons shall not be considered layoff. In the event limited interruptions of employment occur, full-time employees shall, upon request, be entitled to an advance of hours in order to provide the employees with up to eighty (80) hours of earnings for a pay period. An advance of hours shall be allowed up to the maximum number of hours of an employee's accumulated and unused vacation leave. If an employee elects to draw such advances, the employee shall not be permitted to reduce his/her vacation accumulation below the total hours advanced. However, no employee after the first six (6) months of continuous service shall be denied the right to use vacation time during a limited interruption of employment as long as vacation hours accrued exceed the hours that the employee has been advanced under this Section. With the approval of the employee's supervisor, the employee shall have the right to make up the hours.

On the payroll period ending closest to November 1 of each year, all employees who have received such advances and have not worked sufficient overtime hours to reduce the advances to zero (0) will have their advance reduced to zero (0) by reduction of the employee's accumulated and unused vacation leave.

Section 7. Subcontracting. In the event the Appointing Authority finds it necessary to subcontract out work now being performed by employees that results in a layoff of employees, the Association shall be notified no less than thirty (30) calendar days in advance. During this thirty (30) day period, the Appointing Authority shall upon request meet with the Association and discuss ways and means of minimizing any impact the subcontracting may have on the employees.

ARTICLE 18 EXPENSE ALLOWANCES

Section 1. General. The Appointing Authority may authorize travel at State expense for the effective conduct of the State's business. Such authorization must be granted prior to the incurrence of the actual expenses. Employees affected under this Article shall be

reimbursed for such expenses that had been authorized by the Appointing Authority in accord with the terms of this Article.

Section 2. Vehicle Expense. When a State-owned vehicle is not available and an employee is required to use his/her personal automobile to conduct authorized State business, the Appointing Authority shall reimburse the employee at the then current Federal IRS mileage reimbursement rate on the most direct route according to Transportation Department records.

When a State-owned vehicle is offered and declined by the employee, mileage may be paid at the rate of seven (7) cents per mile less than the current Federal IRS mileage reimbursement rate on the most direct route. However, if a State owned vehicle is available, the Appointing Authority may require an employee to use the State car to conduct authorized State business.

Deviations from the most direct route, such as vicinity driving or departure from the employee's residence, shall be shown separately on the employee's daily expense record and reimbursed under the foregoing rates. Actual payment of toll charges and parking fees shall be reimbursed. An employee shall not be required by the Appointing Authority to carry vehicle insurance coverage beyond that required by law.

Employees shall not receive vehicle mileage reimbursement for commuting between a permanent work location and their home. Effective August 18, 1999 when a vacancy occurs the posting shall indicate no more than two (2) permanent work locations per appointment. The two (2) permanent work locations shall be within thirty-five (35) miles of each other. The Appointing Authority shall meet and confer with the Association prior to any changes in multiple work locations which would result in an increase in the commuting distance to the employee's work locations. For the purposes of expense reimbursement for trips to temporary work locations, the appointing authority shall designate one (1) primary work location.

When an employee does not report to his/her permanent work location during the day or makes business calls before or after reporting to his/her permanent work location, the allowable mileage shall be:

- 1) the lesser of the mileage from the employee's residence to the first stop or from his/her permanent work location to the first stop;
- 2) all mileage between points visited on State business during the day;
- 3) the lesser of the mileage from the last stop to the employee's residence or from the last stop to his/her permanent work location.

Employees who use a specially equipped personal van or van-type vehicle on Official State business shall be reimbursed for mileage at a rate of fifty (\$.50) cents per mile on the most direct route. In order to qualify for this reimbursement rate, the vehicle must be equipped with a ramp, lift, or other level-exchanging device designed to provide access for a wheelchair.

Reimbursement for use of a motorcycle on official State business shall be at fifteen (15) cents per mile on the most direct route.

The Appointing Authority may authorize travel in personal aircraft when it is deemed in the best interest of the State. Mileage reimbursement in such cases shall be at a rate of forty-five (45) cents per mile and shall be based on the shortest route based on direct air mileage between the point of departure and the destination.

Section 3. Commercial Transportation. When an employee is required to use commercial transportation (air, taxi, rental car, etc.) in connection with authorized business of an Appointing Authority, the employee shall be reimbursed for the actual expenses of the mode and class of transportation so authorized. Reasonable gratuities may be included in commercial travel costs.

Section 4. Overnight Travel. Employees who incur expenses for lodging shall be allowed actual reasonable costs of lodging, in addition to the actual cost of meals while away from their home station, up to the maximums stated in Section 5 of this Article. Employees may request single-occupancy lodging when in travel status. The decision whether or not to grant the request is at the discretion of the Appointing Authority. Employees in travel status in excess of one (1) week without returning home shall be allowed actual cost not to exceed sixteen dollars (\$16.00) per week for laundry and dry cleaning for each week after the first week. An employee shall be reimbursed for baggage handling. Personal telephone call charges shall be reimbursed in the following manner: the maximum reimbursement for each trip shall be the result of multiplying the number of nights away from home by three dollars (\$3.00).

Section 5. Meal Allowances. Employees assigned to be in travel status between the employee's temporary or permanent work station and a field assignment shall be reimbursed for the actual cost of meals including a reasonable gratuity under the following conditions:

A. Breakfast.

Breakfast reimbursements may be claimed only if the employee is on assignment away from his/her home station in a travel status overnight or departs from home in an assigned travel status before 6:00 A.M.

B. Noon Meal.

Eligibility for noon meal reimbursement shall be based upon the employee being on assignment over thirty-five (35) miles from his/her temporary or permanent work station, with the work assignment extending over the normal meal period.

However, any employee may claim lunch reimbursement when authorized by the Appointing Authority as a special expense prior to incurring such expense.

C. Dinner.

Dinner reimbursement may be claimed only if the employee is away from his/her home station in a travel status overnight or is required to remain in a travel status until after 7:00 P.M.

D. Reimbursement Amount.

Except for the metropolitan areas listed below, the maximum reimbursement for meals including tax and gratuity, shall be:

Breakfast	-	\$7.00
Lunch	-	\$9.00
Dinner	-	\$15.00

For the following metropolitan areas the maximum reimbursement shall be:

Breakfast	-	\$8.00
Lunch	-	\$10.00
Dinner	-	\$17.00

The metropolitan areas are:

See Appendix K for details related to the boundaries of the above-mentioned metropolitan areas.

The metropolitan areas also include any location outside the forty-eight (48) contiguous United States.

Employees who meet the eligibility requirements for two (2) or more consecutive meals shall be reimbursed for the actual costs of the meals up to the combined maximum reimbursement amount for the eligible meals.

Section 6. Special Expenses. When prior approval has been granted by an Appointing Authority, special expenses, such as registration or conference fees, banquet tickets or meals, incurred as a result of State business, shall also be reimbursed.

Section 7. Payment of Expenses. The Appointing Authority shall advance the estimated cost of travel expenses where the anticipated expenses total at least fifty dollars (\$50.00), provided the employee makes such a request a reasonable period of time in advance of the travel date. Employees may request a State-issued credit card. If the employee receives such a card, the Appointing Authority and the employee may mutually agree to use the card in place of the advance. Reimbursements shall be made within the payroll period following the payroll period in which the employee submits their expenses.

Section 8. Parking. Any parking increase to the employee in a state-owned lot shall be limited to the actual cost increase. The Employer and the Association agree to continue a meet and confer process regarding parking and transportation costs.

At the sole discretion of the Appointing Authority, employees who normally are not required to travel on state business may be reimbursed for parking at their work location on an incidental basis when they are required to use their personal or a state vehicle for state business, and no free parking space is provided.

ARTICLE 19 RELOCATION ALLOWANCES

Section 1. Authorization.

- A. **Eligibility.** Eligibility for reimbursement of relocation expenses shall be limited to those moves where the new work location is at least thirty-five (35) miles or more from the employee's current work location or changes in residence required by an Appointing Authority as a condition of employment. The provisions of this Article shall not apply to employees who currently commute thirty-five (35) miles or more to their work location unless the employee is transferred or reassigned to a new work location that is thirty-five (35) miles or more from the employee's current work station.

Employees who return to a former position during the trial period, as provided for in Article 16, Section 7, are not eligible for reimbursement of any relocation expenses.

No reimbursement for relocation expenses shall be allowed unless the employee makes a good faith effort to complete the change of residence within six (6) months. When the employee has not been able to complete the move, despite a good faith effort, the Appointing Authority shall grant the employee a six (6) month extension. The Appointing Authority and the employee may mutually agree to a further time extension.

B. Required Reimbursement. The Appointing Authority shall reimburse relocation expenses, consistent with Section 2, to eligible employees who:

1. are required by an Appointing Authority to change residence as a condition of employment.
2. must accept a layoff option beyond thirty-five (35) miles because no vacancy or bumping option is available within thirty-five (35) miles.
3. accept a promotion.

C. Partial Reimbursement Required. The Appointing Authority shall reimburse relocation expenses, except realtor's fees, to eligible employees who have a layoff option within thirty-five (35) miles of their work location but choose an option beyond thirty-five (35) miles to either maintain or take the least reduction in the hourly rate of pay.

The Appointing Authority shall reimburse moving expenses and miscellaneous expenses, as provided in Section 2(C) and (D), to eligible employees who demote during the probationary period but after the trial period. Such employees are not eligible for reimbursement under Section 2(A) and (B).

D. Discretionary Reimbursement. The sending or receiving Appointing Authority may, at its sole discretion, reimburse relocation expenses and may limit the type and/or amount of reimbursement not to exceed the provisions of Section 2, to eligible employees who:

1. claim a vacant position in another Seniority Unit, as provided in Article 16, Section 4 (B).
2. are recalled to a new work location from a Seniority Unit or Bargaining Unit Layoff List.
3. request a voluntary transfer, demotion or reassignment.
4. move to a new position as a result of a bid/expression of interest, as provided in Article 15, Section 3.

Section 2. Covered Expenses. Employees must have received prior authorization from their Appointing Authority before incurring any expenses authorized by this Article.

A. Travel Status. Employees eligible for relocation expenses pursuant to Section 1 shall be considered to be in travel status up to a maximum of ninety (90) calendar days and shall be allowed standard travel expenses to return to their original work station once a week while being lodged at their new station, or by mutual agreement between the employee and the Appointing Authority the

employee may travel between his/her original work station and his/her new work station on a daily basis. If the first option is used, standard travel expenses for the employee's spouse shall be borne by the Appointing Authority for a maximum of two (2) trips not to exceed a total of seven (7) calendar days during the ninety (90) calendar day period.

- B. Realtor's Fees. Realtor's fees for the sale of the employee's domicile, not to exceed ten-thousand dollars (\$10,000) shall be paid by the Appointing Authority.
- C. Moving Expenses. The Appointing Authority shall pay the cost of moving and packing the employee's household goods. The employee shall obtain no less than two (2) bids for packing and/or moving household goods and approval must be obtained from the Appointing Authority prior to any commitment to a mover to either pack or ship the employee's household goods.

The Appointing Authority shall pay for the moving of mobile homes if the trailer is the employee's domicile; and such reimbursement shall include the cost of transporting support blocks, skirts, and/or other attached fixtures.

- D. Miscellaneous Expenses. The employee shall be reimbursed up to a maximum of one thousand dollars (\$1,000.00) for the necessary miscellaneous expenses directly related to the move. At their sole discretion, Appointing Authorities may authorize payment of additional relocation expenses up to the amount of seven hundred eighty-five dollars (\$785.00). These expenses may include, but are not limited to, fees involved in the purchase of housing in the new location, disconnecting and connecting appliances and/or utilities, the cost of insurance for property damage during the move, the reasonable transportation costs of the employee's family to the new work location at the time the move is made including meals and lodging (such expenses shall be consistent with the provisions of Article 18, Expense Allowances), or other direct costs associated with rental or purchase of another residence. No reimbursement will be made for the cost of improvements to the new residence or reimbursable deposits required in connection with the purchase or rental of the residence.

Neither the State of Minnesota nor any of its agencies shall be responsible for any loss or damage to any of the employee's household goods or personal effects as a result of such a transfer.

ARTICLE 20 INSURANCE

Section 1. State Employee Group Insurance Program. During the life of this Agreement, the Employer agrees to offer a Group Insurance Program that includes health, dental, life, and disability coverages equivalent to existing coverages, subject to the provisions of this Article.

All insurance eligible employees will be provided with a Summary Plan Description (SPD) called "Your Employee Benefits". Such SPD shall be provided no less than biennially and prior to the beginning of the insurance year. New insurance eligible employees shall receive a SPD within thirty (30) days of their date of eligibility.

Section 2. Eligibility for Group Participation. This section describes eligibility to participate in the Group Insurance Program.

- A. Employees - Basic Eligibility. Employees may participate in the Group Insurance Program if they are scheduled to work at least 1044 hours in any twelve consecutive months, except for: (1) emergency, and temporary, and intermittent employees; (2) student workers hired after July 1, 1979; and (3) interns.
- B. Employees - Special Eligibility. The following employees are also eligible to participate in the Group Insurance Program:
1. DNR Employees. An employee of the Department of Natural Resources may meet the basic eligibility requirement for participation in the Group Insurance Program based on a combination of seasonal and temporary project employment. Eligibility commences after completion of three (3) years of continuous service in which the basic eligibility requirements are met; continues until the employee completes a year in which the basic eligibility requirements are not met; and commences again after the employee meets or is anticipated to meet the basic eligibility requirements in one (1) year.
 2. Seasonal Employees, Pre-7/1/77. A seasonal employee who was receiving an Employer Contribution prior to July 1, 1977, may continue to participate in the Group Insurance Program, provided he/she remains employed on the same basis as he/she was prior to July 1, 1977.
 3. Part-time and Seasonal Employees, Pre-4/1/67. A part-time or seasonal employee in the classified service who was receiving an Employer Contribution for health coverage and basic life coverage prior to April 1, 1967, may continue to participate in the Group Insurance Program.
 4. Employees with a Work-related Injury/Disability. An employee who was off the State payroll due to a work-related injury or a work-related disability may continue to participate in the Group Insurance Program as long as such an employee receives workers' compensation payments or while the workers' compensation claim is pending.
 5. Totally Disabled Employees. Consistent with Minn. Stat. 62A.148, certain totally disabled employees may continue to participate in the Group Insurance Program.
 6. Retired Employees. An employee who retires from State service, is not eligible for regular (non-disability) Medicare coverage, has five (5) or more years of allowable pension service, and is entitled at the time of retirement to immediately

receive an annuity under a State retirement program, may continue to participate in the health and dental coverages offered through the Group Insurance Program.

Consistent with Minn. Stat. 43A.27, Subdivision 3, a retired employee of the State who receives an annuity under a State retirement program may continue to participate in the health and dental coverages offered through the Group Insurance Program. Retiree coverage must be coordinated with Medicare.

C. Dependents. Eligible dependents for the purposes of this Article are as follows:

1. Spouse and Same Sex Domestic Partner. The spouse or same sex domestic partner of an eligible employee (if not legally separated). For the purposes of health insurance coverage, if that spouse or same sex domestic partner works full-time for an organization employing more than one hundred (100) people and elects to receive either credits or cash (1) in place of health insurance or health coverage or (2) in addition to a health plan with a seven hundred and fifty dollar (\$750.00) greater deductible through his/her employing organization, he/she is not eligible to be a covered dependent for the purposes of this Article. If both spouses or same sex domestic partners work for the State or another organization participating in the State's Group Insurance Program, neither spouse or same sex domestic partner may be covered as a dependent by the other, unless one spouse or same sex domestic partner is not eligible for a full Employer Contribution as defined in Section 3A. Same sex domestic partnership is defined in Appendix M.
2. Children and Grandchildren. An eligible employee's unmarried dependent children and unmarried dependent grandchildren: (1) through age eighteen (18); or (2) through age twenty-four (24) if the child or grandchild is a full-time student at an accredited educational institution; or (3) a disabled child or grandchild, regardless of age or marital status who is incapable of self-sustaining employment by reason of mental retardation, mental illness or physical disability and is chiefly dependent on the employee for support. The disabled dependent shall be eligible to continue coverage as long as s/he continues to be handicapped and dependent, unless coverage terminates under the contract. Children or grandchildren who become disabled after they are no longer eligible dependents under (1) and (2) above may not be considered eligible dependents unless they are continuing coverage as a dependent through the employee's prior Employer.

"Dependent Child" includes an employee's: (1) biological child, (2) child legally adopted by or placed for adoption with the employee, (3) foster child, and (4) step-child. To be considered a dependent child, a foster child must be dependent on the employee for his/her principal support and maintenance and be placed by the court in the custody of the employee. To be considered a dependent child, a step child must maintain residence with the employee and be dependent upon the employee for his/her principal support and maintenance.

"Dependent Grandchild" includes an employee's: (1) grandchild placed in the legal custody of the employee, (2) grandchild legally adopted by the employee or placed for adoption with the employee, or (3) grandchild who is the dependent child of the employee's unmarried dependent child. Under (1) and (3) above, the grandchild must be dependent upon the employee for principal support and maintenance and live with the employee.

If both spouses or same sex domestic partners work for the State or another organization participating in the State's Group Insurance Program, either spouse or same sex domestic partner, but not both, may cover their eligible dependent children or grandchildren. This restriction also applies to two divorced, legally separated, or unmarried employees who share legal responsibility for their eligible dependent children or grandchildren.

D. Continuation Coverage. Consistent with state and federal laws, certain employees, former employees, dependents, and former dependents may continue group health, dental, and/or life coverage at their own expense for a fixed length of time. As of the date of this Agreement, state and federal laws allow certain group coverages to be continued if they would otherwise terminate due to:

- a. termination of employment (except for gross misconduct);
- b. layoff;
- c. reduction of hours to an ineligible status;
- d. dependent child becoming ineligible due to change in age, student status, marital status, or financial support (in the case of a foster child or stepchild);
- e. death of employee;
- f. divorce, legal separation or termination of a same sex domestic partnership;
or
- g. a covered employee's entitlement to or enrollment in Medicare.

Section 3. Eligibility for Employer Contribution. This section describes eligibility for an Employer Contribution toward the cost of coverage.

A. Full Employer Contribution - Basic Eligibility. The following employees covered by this Agreement receive the full Employer Contribution:

1. Employees who are scheduled to work at least forty (40) hours weekly for a period of nine (9) months or more in any twelve (12) consecutive months.
2. Employees who are scheduled to work at least sixty (60) hours per pay period for twelve (12) consecutive months, but excluding part-time or seasonal employees serving on less than a seventy-five (75%) percent basis.

B. Partial Employer Contribution - Basic Eligibility. The following employees covered by this Agreement receive the full Employer Contribution for basic life coverage, and at the employee's option, a partial Employer Contribution for health and dental coverages. The partial Employer Contribution for health and dental coverages is fifty (50%) percent of the full Employer Contribution.

1. Part-time Employees. Employees who hold part-time, unlimited appointments and who work at least fifty (50%) percent of the time but less than seventy-five (75%) percent of the time.
2. Seasonal Employees. Seasonal employees who are scheduled to work at least 1044 hours over a period of any twelve (12) consecutive months.

C. Special Eligibility. The following employees also receive an Employer Contribution:

1. DNR Employees. An employee of the Department of Natural Resources may meet the basic requirements for a full or partial Employer Contribution based on a combination of seasonal and temporary project employment, as described in Section 2B1.
2. Seasonal Employees, Pre-7/1/77. A seasonal employee who was receiving an Employer Contribution prior to July 1, 1977 remains eligible for that contribution, provided he/she remains employed on the same basis as he/she was prior to July 1, 1977.
3. Part-time and Seasonal Employees, Pre-4/1/67. A part-time or seasonal employee in the classified service who was receiving an Employer Contribution for health coverage and basic life coverage prior to April 1, 1967, remains eligible for that contribution. This exception does not affect eligibility for an Employer Contribution for dental coverage.
4. Employees on Layoff. A classified employee who receives an Employer Contribution, who has three (3) or more years of continuous service, and who has been laid off, remains eligible for an Employer Contribution and all other benefits provided under this Article for an extended benefit eligibility period of six (6) months from the date of layoff. Rehire to a non-certified or temporary position will not extend this period.
5. Work-related Injury/Disability. An employee who receives an Employer Contribution and who is off the State payroll due to a work-related injury or a work-related disability remains eligible for an Employer Contribution as long as such an employee receives workers' compensation payments. If such employee ceases to receive workers' compensation payments for the injury or disability and is granted a medical leave under Article 10, he/she shall be eligible for an Employer contribution during that leave.
6. Corrections Early Retirement Incentive. Any employee who attains the age of fifty-five (55) after the effective date and before the expiration date of the contract and who, in the preceding three (3) years from their fifty-fifth (55th) birthday, was in a classification covered by the Correctional Early Retirement Plan may opt during the pay period in which his/her fifty-fifth (55th) birthday occurs to take advantage of the early retirement incentive.

This benefit shall apply to employees who became eligible for the Correctional Early Retirement Plan on January 7, 1997, and retired or will retire prior to December 23, 1997. To be eligible, however, the employee had to have enrolled at the time of retirement in one of the State health and dental plans.

Employees exercising this option must be eligible for insurance coverage under the provision of this Article and shall be provided with health and dental insurance coverage which the employee was entitled to at the time of retirement, subject to any changes in coverage in accordance with this or any subsequent agreement. These employees shall receive the Employer-paid portion of medical and dental insurance premiums paid by the Employer in the pay period of their fifty-fifth (55th) birthday for themselves and their enrolled dependents until the employee attains the age of sixty-five (65). The monthly Employer-paid portion of the premium shall not increase by more than fifty dollars (\$50.00) above the monthly amount paid by the Employer in the pay period of their fifty-fifth (55th) birthday over the period the employee is receiving the Corrections Early Retirement Incentive. An employee who retires with no Employer Contribution for dependent coverage or who terminates dependent coverage following retirement shall not subsequently be eligible for a contribution for dependent coverage.

Receipt of early retirement incentive insurance benefits is contingent upon completion of all the required forms and continued payment of the required premium.

Any employee who attains the age of fifty (50) after the effective date and before the expiration date of the contract and who is covered by the Correctional Pre-Fifty-five Early Retirement Plan may opt to take advantage of the pre-fifty-five early retirement incentive.

Employees exercising this option must be eligible for insurance coverage under the provisions of this Article and shall be provided with health and dental insurance which the employee was entitled to at the time of retirement, subject to any changes in coverage in accordance with this or any subsequent Agreement. Employees eligible to receive an Employer Contribution for health and dental coverage immediately prior to taking advantage of the early retirement incentive shall continue to receive an Employer Contribution as set forth below for themselves and their enrolled dependents until the employee attains the age of sixty-five (65). An employee who retires with no Employer Contribution for dependent coverage or who terminates dependent coverage following retirement shall not subsequently be eligible for a contribution for dependent coverage. Receipt of pre-fifty-five (55) early retirement insurance benefits is contingent upon completion of all the required forms and continued payment of the required premium.

Notwithstanding any changes in coverage in accordance with this or any subsequent agreement, the Employer contribution for the pre-fifty-five early retirement incentive shall be equal to one hundred and twenty (120) times the

amount of the monthly Employer contribution applicable to that employee at the time of his/her retirement, divided by the number of months from the date of retirement until the employee attains the age of sixty-five (65).

D. Maintaining Eligibility for Employer Contribution.

1. **General.** An employee who receives a full or partial Employer Contribution maintains that eligibility as long as the employee meets the Employer Contribution eligibility requirements, and appears on a State payroll for at least one (1) full working day during each payroll period. This requirement does not apply to employees who receive an Employer Contribution while on layoff as described in Section 3C4, or while eligible for workers' compensation payments as described in Section 3C5.
2. **Unpaid Leave of Absence.** If an employee is on an unpaid leave of absence, then vacation leave, compensatory time, or sick leave cannot be used for the purpose of maintaining eligibility for an Employer Contribution by keeping the employee on a State payroll for one (1) working day per pay period.
3. **School Year Employment.** If an employee is employed on the basis of a school year and such employment contemplates absences from the State payroll during the summer months or vacation periods scheduled by the Appointing Authority which occur during the regular school year, the employee shall nonetheless remain eligible for an Employer Contribution, provided that the employee appears on the regular payroll for at least one (1) working day in the payroll period immediately preceding such absences.
4. An employee who is on an approved FMLA leave or on a Voluntary Reduction in Hours as provided elsewhere in this Agreement maintains eligibility for an Employer Contribution.

Section 4. Amount of Employer Contribution. For employees eligible for an Employer Contribution as described in Section 3, the amount of the Employer Contribution will be determined as follows beginning on January 2, 2002. The Employer Contribution amounts and rules in effect on June 30, 2001 will continue through January 1, 2002.

A. Contribution Formula - Health Coverage.

1. **Employee Coverage.** For employee health coverage, the Employer contributes an amount equal to one hundred (100%) percent of the employee-only premium of the Minnesota Advantage Health Plan (Advantage).
2. **Dependent Coverage.** For dependent health coverage, the Employer contributes an amount equal to ninety (90%) percent of the dependent premium of Advantage.

B. Contribution Formula - Dental Coverage.

1. Employee Coverage. For employee dental coverage, the Employer contributes an amount equal to the lesser of one hundred (100%) percent of the employee premium of the State Dental Plan, or the actual employee premium of the dental plan chosen by the employee.
2. Dependent Coverage. For dependent dental coverage, the Employer contributes an amount equal to the lesser of fifty (50%) percent of the dependent premium of the State Dental Plan, or the actual dependent premium of the dental plan chosen by the employee.
- C. Contribution Formula - Basic Life Coverage. For employee basic life coverage and accidental death and dismemberment coverage, the Employer contributes one-hundred (100%) percent of the cost.

Section 5. Coverage Changes and Effective Dates.

- A. When Coverage May Be Chosen. All employees must make their choice of employee health and dental plans and choice of dependent coverage (if applicable) within sixty (60) calendar days of the date of initial appointment to an insurance eligible position. When health and dental coverage are elected, the employee will automatically be enrolled in basic life coverage. Employees eligible for a partial employer contribution may elect health and dental coverage within sixty (60) calendar days of initial employment or during an open enrollment period. Employees who become eligible for a full employer contribution must make their choice of employee health and dental plans and dependent coverage within sixty (60) calendar days of becoming eligible. If employees do not choose a health plan administrator and a primary care clinic within this sixty (60) day timeframe, they will be enrolled in a Benefit Level One clinic that meets established access standards in the health plan with the largest number of Benefit Level One clinics in the county of the employee's residence at the beginning of the insurance year. If employees do not choose a dental plan within this sixty (60) day timeframe, they will be enrolled in the State Dental Plan.

An employee may change his/her health or dental plan if the employee changes to a new permanent work or residence location and the employee's current plan is no longer available. If the employee has family coverage and if the new residence location is outside of the current plan's service area, the employee shall be permitted to switch to a new plan administrator and new Benefit Level within thirty (30) days of the residence location change. The election change must be due to and correspond with the change in status. An employee who receives notification of a work location change between the end of an open enrollment period and the beginning of the next insurance year, may change his/her health or dental plan within thirty (30) days of the date of the relocation under the same provisions accorded during the last open enrollment period. An employee or retiree may also change health or dental plans in any other situation in which the Employer is required by the applicable federal or state law to allow a plan change.

- B. When Coverage May be Changed or Cancelled.

1. Changes Due to a Life Event. After the initial enrollment period and outside of any open enrollment period, an employee may elect to change health or dental coverage (including adding or canceling coverage) and any applicable employee contributions in the following situations (as long as allowed under the applicable provisions, regulations, and rules of the federal and state law in effect at the beginning of the plan year).

The request to change coverage must be consistent with a change in status that qualifies as a life event, and does not include changing health or dental plans, which may only be done under the terms of Section 5A above. Any election to add coverage must be made within thirty (30) days following the event, and any election to cancel coverage must be made within sixty (60) days following the event. (An employee and a retired employee may add dependent health or dental coverage following the birth of a child or dependent grandchild, or following the adoption of a child, without regard to the thirty (30) day limit.) These life events (for both employees and retirees) are:

- a. A change in legal marital status, including marriage, death of a spouse, divorce, legal separation and annulment; a change in same sex domestic partnership status as defined in Appendix M, including beginning or terminating a same sex domestic partnership, or the death of a same sex domestic partner.
- b. A change in number of dependents, including birth, death, adoption, and placement for adoption.
- c. A change in employment status of the employee, or the employee's or retiree's spouse, same sex domestic partner, or dependent, including termination or commencement of employment, a strike or lockout, a commencement of or return from an unpaid leave of absence, a change in worksite, and a change in working conditions of the employee, the employee's or retiree's spouse, same sex domestic partner, or dependent which results in a change in the benefits they receive under a cafeteria plan or a health or dental plan.
- d. A dependent ceasing to satisfy eligibility requirements for coverage due to attainment of age, student status, or other similar circumstances.
- e. A change in the place of residence of the employee, retiree or their spouse, same sex domestic partner, or dependent.
- f. Significant cost or coverage changes (including coverage curtailment and the addition of a benefit package).

- g. A change in coverage of a spouse, same sex domestic partner, or dependent under another Employer's plan.
- h. Entitlement to Medicare or Medicaid.
- i. Any other situations in which the group health or dental plan is required by the applicable federal or state law to allow a change in coverage.

2. Canceling Dependent Coverage During Open Enrollment. In addition to the above situations, dependent health or dependent dental coverage may also be cancelled for any reason during the open enrollment period that applies to each type of plan (as long as allowed under the applicable provisions, regulations and rules of the federal and state law in effect at the beginning of the plan year).

3. Canceling Employee Coverage. A part-time employee may also cancel employee coverage within sixty (60) days of when one of the life events set forth above occurs.

4. Effective Date of Benefit Termination. Medical coverage termination will take effect on the first of the month following the end of the pay period coinciding with or next following the date of the application to cancel coverage, or the loss of eligible employee or dependent status. All other benefit coverage terminations will take effect on the first day of the pay period coinciding with or next following the date of the application to cancel coverage, or the loss of eligible employee or dependent status.

C. Effective Date of Coverage.

1. Initial Effective Date. The initial effective date of coverage under the Group Insurance Program is the first day of the first payroll period beginning on or after the 28th calendar day following the employee's first day of employment, re-employment, re-hire, or reinstatement with the State. An employee must be actively at work on the initial effective date of coverage, except that an employee who is on paid leave on the date State-paid life insurance benefits increase is also entitled to the increased life insurance coverage. In no event shall an employee's dependent's coverage become effective before the employee's coverage.

If an employee is not actively at work due to employee or dependent health status or medical disability, medical and dental coverage will still take effect. (Life and disability coverage will be delayed until the employee returns to work.)

2. Delay in Coverage Effective Date.

a. Basic Life. If an employee is not actively at work on the initial effective date of coverage, coverage will be delayed until the first day of the pay period coinciding with or next following the employee's return to work. The effective

date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, an employee is on an unpaid leave of absence or layoff.

- b. Medical and Dental. If an employee is not actively at work on the initial effective date of coverage due to a reason other than hospitalization or medical disability of the employee or dependent, medical and dental coverage will be delayed until the first day of the pay period coinciding with or next following the employee's return to work.

The effective date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, an employee is on an unpaid leave of absence or layoff.

- c. Optional Life and Disability Coverages. In order for coverage to become effective, the employee must be in active payroll status and not using sick leave on the first day of the pay period coinciding with or next following approval by the insurance company. If it is an open enrollment period, coverage may be applied for but will not become effective until the first day of the pay period coinciding with or next following the employee's return to work.

D. Open Enrollment.

1. Frequency and Duration. There shall be an open enrollment period for health coverage in each year of this Agreement, and for dental coverage in the first year of this Agreement. Open enrollment periods shall last a minimum of fourteen (14) calendar days in the first year of the Agreement and thirty (30) calendar days in the second year of the Agreement. Open enrollment changes become effective on January 2, 2002 in the first year of this Agreement, and on January 1, 2003 in the second year of this Agreement.
2. Eligibility to Participate. An employee eligible to participate in the State Employee Group Insurance Program, as described in Sections 2A and 2B, may participate in open enrollment. In addition, a person in the following categories may, as allowed in section 5D1 above, make certain changes: (1) a former employee or dependent on continuation coverage, as described in Section 2D, may change plans or add coverage for health and/or dental plans on the same basis as active employees; and (2) an early retiree, prior to becoming eligible for Medicare, may change health and/or dental plans as agreed to for active employees, but may not add dependent coverage.
3. Materials for Employee Choice. Each year prior to open enrollment, the Appointing Authority will give eligible employees the information necessary to make open enrollment selections. Employees will be provided a statement of their current coverage each year of the contract.

- E. Coverage Selection Prior to Retirement. An employee who retires and is eligible to continue insurance coverage as a retiree may change his/her health or dental plan

during the sixty (60) calendar day period immediately preceding the date of retirement. The employee may not add dependent coverage during this period. The change takes effect on the first day of the first pay period beginning after the date of retirement.

Section 6. Basic Coverages.

A. Employee and Family Health Coverage.

1. Minnesota Advantage Health Plan (Advantage). The health coverage portion of the State Employee Group Insurance Program is provided through the Minnesota Advantage Health Plan (Advantage), a self-insured health plan offering three (3) Benefit Level options. Provider networks and claim administration are provided by multiple plan administrators. Coverage offered through Advantage is determined by Section 6A2.
2. Coverage Under Minnesota Advantage Health Plan (Advantage). From July 1, 2001 through January 1, 2002, health coverage under the SEGIP will continue at the level in effect on June 30, 2001. Effective January 2, 2002, Advantage will cover eligible services subject to the copayments, deductibles and coinsurance coverage limits stated. Services provided through Advantage are subject to the managed care procedures and principles, including standards of medical necessity and appropriate practice, of the plan administrators. Coverage details are provided in the Advantage Summary of Benefits.
 - a. Benefit Options. Employees must elect a plan administrator and primary care clinic. Those elections will determine the Benefit Level through Advantage. Enrolled dependents must elect a primary care clinic that is available through the plan administrator chosen by the employee.
 - 1) Plan Administrator. Employees must elect a plan administrator during their initial enrollment in Advantage and may change their plan administrator election only during the annual open enrollment and when permitted under Section 5. Dependents must be enrolled through the same plan administrator as the employee.
 - 2) Benefit Level. The primary care clinics available through each plan administrator are assigned a Benefit Level. The Benefit Levels are outlined in the benefit chart below. Primary care clinics may be in different Benefit Levels for different plan administrators. Family members may be enrolled in clinics that are in different Benefits Levels. Employees and their dependents may change to clinics in different Benefit Levels during the annual open enrollment. Employees and their dependents may also elect to move to a clinic in a different Benefit Level within the same plan administrator up to two (2) additional times during the plan year. Unless the individual has a referral from his/her primary care clinic, there are no benefits for services received from providers in Benefit Levels that are

different from that of the primary care clinic in which the individual has enrolled.

- 3) Primary Care Clinic. Employees and each of their covered dependents must individually elect a primary care clinic within the network of providers offered by the plan administrator chosen by the employee. Employees and their dependents may elect to change clinics within their clinic's Benefit Level as often as the plan administrator permits and as outlined above.

- b. Services received from, or authorized by, a primary care physician within the primary care clinic. Under Advantage, the health care services outlined in the benefits charts above shall be received from, or authorized by a primary care physician within the primary care clinic. Preventive care, as outlined in the Summary of Benefits, is covered at one hundred (100%) percent for services received from or authorized by the primary care clinic. The primary care clinic shall be selected from approved clinics in accordance with the Advantage administrative procedures. Unless otherwise specified in 6A2, services not received from, or authorized by, a primary care physician within the primary care clinic may not be covered. Unless the individual has a referral from his/her primary care clinic, there are no benefits for services received from providers in Benefit Levels that are different from that of the primary care clinic in which the individual has enrolled.
- c. Services not requiring authorization by a primary care physician within the primary care clinic.

- 1) Eye Exams. Limited to one (1) routine examination per year for which no copay applies.
- 2) Outpatient emergency and urgent center services within the service area. The emergency room copay applies to all outpatient emergency visits that do not result in hospital admission within twenty-four (24) hours. The urgent center copay is the same as the primary care clinic office visit copay.
- 3) Emergency and urgently needed care outside the service area. If an Appointing Authority fails to give the employee written notice, prior to the employee's anniversary date, that a step increase is to be withheld because of less than satisfactory performance, the increase shall be granted. The substantive judgment of the employee's supervisor regarding his/her performance is not grievable/arbitrable; however, the withholding of a step increase is grievable/arbitrable.

At the Appointing Authority's discretion, an employee who has demonstrated outstanding performance may receive one (1) achievement award per fiscal year in a lump sum amount not to exceed one thousand dollars (\$1,000.00) or a one (1) step in range adjustment. The receipt of an achievement award as a step increase shall not affect the timing of future progression increases. In no instance during a fiscal year shall achievement awards be granted to more than thirty-five (35%) percent of the number of employees authorized at the beginning of the fiscal year.

The Appointing Authority may modify the distribution of achievement awards provided that the modifications do not increase the aggregate amount of money spent on achievement awards in a fiscal year. Achievement awards granted under this paragraph

shall be in the form of lump sum payments only. Modifications may include but are not limited to the following:

- dollar amount of awards,
- percentage of employees eligible for awards and
- "team awards".

Employees may receive both an individual and a team achievement award in one (1) year.

Section 7. Salary Upon Class Change.

- A. Promotion. Employees who are promoted during the life of this Agreement shall be granted a salary increase of at least one (1) step or shall be paid at the minimum of the higher range, whichever is greater.
- B. Voluntary Transfer. An employee who transfers within the same class shall receive no salary adjustment. An employee who transfers between classes shall receive the minimum adjustment necessary to bring his/her salary to the minimum of the range of the new class. However, an employee receiving a rate of pay in excess of the range maximum shall continue to receive that rate of pay.
- C. Voluntary Demotion. An employee who takes a voluntary demotion shall retain his/her present salary unless that salary exceeds the maximum rate of pay for the new position in which case the employee's salary shall be adjusted to the new maximum, or upon agreement between the employee and the Appointing Authority shall receive a salary within the range for the class to which he/she is demoted. However, an employee may continue to receive a rate of pay in excess of that maximum upon the recommendation of the Appointing Authority and approval of the Commissioner of Employee Relations.
- D. Demotion in Lieu of Layoff. An employee who demotes as part of the layoff procedure in Article 17 of this Agreement shall retain his/her current rate of pay or the rate of pay at the top of the pay range of the class to which he/she demotes, whichever is less.
- E. Demotion for Cause. An employee who is demoted for cause shall receive a salary rate within the range for the class to which he/she is demoted.
- F. Return During Probationary Period. An employee who is not certified to permanent status and returns to his/her former class, shall have his/her salary restored to the same rate of pay the employee would have received had he/she remained in the former class.
- G. Reallocation Downward. If a position is reallocated to a class in a lower salary range and the salary of the employee exceeds the maximum of the new range, the employee shall be placed in the new class and shall retain his/her current salary until his/her rate of pay is within the range of the new class. In addition,

the employee shall receive all across-the-board increase adjustments provided by this Agreement.

Section 8. Work Out of Class. When an employee is expressly assigned to perform substantially all of the duties of a position allocated to a different classification that is temporarily unoccupied, and the work out of class assignment exceeds ten (10) consecutive work days in duration, the employee shall be paid for all such hours at the employee's current salary when assigned to work in a lower class or equal class or at a rate within a higher range which is equal to the minimum rate for the higher class or at least one-step higher than the employee's current salary, whichever is greater. When an employee is on a layoff list, the employee shall be paid as provided above or the maximum step previously achieved by the employee, whichever is greater. No work out of class assignment shall extend beyond twelve (12) months.

Section 9. Shift Differential. Effective October 24, 2001 shift differential for employees working on assigned shifts which begin before 6:00 A.M. or which end at or after 7:00 P.M. shall be sixty cents (\$0.60) per hour for all hours worked on that shift. Such shift differential shall be in addition to the employee's regular rate of pay and shall be included in all payroll calculations, but shall not apply during periods of paid leave. Employees working the regular day schedule who are required to work overtime or who are called back to work for special projects shall not be eligible for the shift differential.

Section 10. Injury on Duty.

A. Hazardous Occupation Injuries. The parties recognize that employees working with residents, parolees, probationers or inmates of certain State institutions or facilities face a high potential for injury due to the nature of their employment. Therefore, an employee of the Department of Corrections, Department of Human Services, Minnesota State Academies for the Deaf and Blind, or Department of Veterans Affairs institutions (including Corrections Agents of the Department of Corrections) who, in the ordinary course of employment while acting in a reasonable and prudent manner and in compliance with the established rules and procedures of the Appointing Authority, incurs a disabling injury stemming from the aggressive, and/or intentional and overt act or consequences of such act of a person in the custodial control of the institution or which is incurred while attempting to apprehend or take into custody such inmate or resident, shall receive compensation in an amount equal to the difference between the employee's regular rate of pay and benefits paid under Workers' Compensation, without deduction from the employee's accrued sick leave. Such compensation shall not exceed an amount equal to two hundred and forty (240) times the employee's regular hourly rate of pay per disabling injury.

B. Other Job-Related Injuries. An employee may elect to use accumulated vacation or sick leave or both during a period of absence due to compensable illness or injury. Any employee incurring an on-the-job injury shall be paid the employee's regular rate of pay for the remainder of the work shift. Such leave may be used on the following basis:

1. transfer of the Workers' Compensation benefits to the state to be credited to the employee's sick leave or vacation accrual in proportion to the amount of compensation received and accept sick leave or vacation time for the compensable sickness or injury; or
2. keep the Workers' Compensation benefits and supplement same from accumulated sick leave or vacation leave.

In no event may the total rate of compensation exceed the regular compensation of the employee.

Section 11. Health and Dental Premium Accounts. The Employer agrees to provide insurance eligible employees with the option to pay for the employee portion of health and dental premiums on a pre-tax basis as permitted by law or regulation.

Section 12. Medical and Dental Expense Account. The Employer agrees to allow insurance eligible employees to participate in a medical and dental expense reimbursement program to cover co-payments, deductibles and other medical and dental expenses for services not covered by health or dental insurance on a pre-tax basis as permitted by law or regulation up to a maximum of five thousand dollars (\$5,000.00) per calendar year.

Section 13. Dependent Care Expense Account. The Employer agrees to provide insurance eligible employees with the option to participate in a dependent care reimbursement program for work-related dependent care expenses on a pre-tax basis as permitted by law or regulation.

Section 14. Deferred Compensation Plan. The Employer agrees to provide employees with a State-paid contribution to the deferred compensation program under Minn. Stat. 352.96. The State-paid contribution shall be in an amount matching the employee's contribution on a dollar for dollar basis as permitted by Minn. Stat. 356.24 not to exceed one hundred dollars (\$100.00) per employee in each fiscal year of the Agreement.

ARTICLE 25
CALL-IN, CALL-BACK, ON-CALL

Section 1. Call-In. Any employee who is called in to work for early report by his/her supervisor outside his/her regularly scheduled shift shall be paid a minimum of two (2) hours at the appropriate overtime rate. A call-in occurs when the work assignment and the employee's regular shift overlap and the employee shall be paid the appropriate overtime rate until his/her regular shift begins. The minimum payment for call in shall be either the two (2) hour amount at the appropriate overtime rate or the actual hours worked during the call in at the overtime rate, whichever is greater.

Section 2. Call Back. An employee who is called back to work by his/her supervisor outside his/her regularly scheduled shift, shall be paid a minimum of two (2) hours at the appropriate overtime rate. A call back occurs when the employee is required, without prior notice, to report to the worksite after the end of the employee's last worked shift, but not immediately preceding his/her next scheduled work shift. An early report or extension of a shift shall not constitute a call back. Employees who are called back to work shall be reimbursed mileage for driving to and from their work station and their home if they use their own vehicle.

Section 3. On-Call. An employee shall be in on-call status if the employee's supervisor has instructed the employee in writing to remain available to work during an off duty period. Any change in on-call schedules shall be given to the employee in writing, with as much advanced notice as practicable. An employee who is instructed to be in on-call status is not required to remain at a fixed location but is required to leave word where he/she may be reached or the employee may be provided with an electronic paging device.

An employee who is instructed to remain in an on-call status shall be compensated for such time at the rate of fifteen (15) minutes straight time for each one (1) hour of on-call status. Such compensation shall be limited to four (4) hours of straight time pay per calendar day.

An employee shall not receive on-call pay for hours actually worked. No employee shall be assigned to on-call status for a period of less than eight (8) consecutive hours.

Upon the mutual agreement of the Appointing Authority and the employee, hours earned under this Article for Call-In, Call Back and/or On-Call may be placed in the employee's compensatory bank rather than being paid in cash.

ARTICLE 26 WORK UNIFORMS

Employees who are required to wear uniforms as a condition of employment shall be furnished such uniforms by the Appointing Authority. Proper maintenance of uniforms is an employee responsibility unless they are currently maintained by the Employer. Uniforms shall not be used for off-duty activity by the employee.

ARTICLE 27 HOURS OF WORK AND OVERTIME

Section 1. Normal Work Period. The normal work period shall consist of eighty (80) hours of work within a two week payroll period. All paid vacation time, paid holidays, paid sick leave, paid compensatory time off, and paid leaves of absence shall be considered "time worked" for purposes of this Article.

Employees may adjust or exchange hours with the approval of the immediate supervisor(s), provided such change does not result in the payment of overtime.

- A. Scheduling. The Appointing Authority shall provide no less than fourteen (14) calendar days notice to the Association and the affected employee(s) prior to making a permanent change in the days of work, hours of work, or the length of the work day of full-time employees. However, employees being returned to work as part of a workers' compensation placement are not entitled to this notice.
- B. Flex-time Plans. The Appointing Authority and the Association may mutually agree to a flex-time plan. Flex-time plans in existence prior to the effective date of this Agreement may be continued. If the Appointing Authority determines to discontinue flex-time plans, the Appointing Authority shall, upon request, discuss such change with the Association prior to implementation.

Section 2. Meal Periods. Employees shall normally be granted an unpaid lunch period of no less than thirty (30) minutes nor more than sixty (60) minutes near the midpoint of each day. However, the employee and his/her immediate supervisor may mutually agree to a lunch period at some other point during the day provided such lunch period shall not be taken at the beginning or end of the day. Employees who are required by their supervisor to remain in a duty status or who are assigned to perform work during meal periods shall be paid for such time at the employee's appropriate rate.

Section 3. Rest Periods. Employees shall normally be granted a fifteen (15) minute paid rest period during each four (4) hours of regularly scheduled work. The Employer retains the right to schedule employee rest periods to fulfill the operational needs of the various work units. Rest periods may not be accumulated nor taken at the beginning or end of the day, or to extend the lunch period. However, with the supervisor's approval rest periods may be used to extend the lunch period. Employees working beyond their normally scheduled work day shall receive a ten (10) minute rest period before they resume work whenever it is anticipated that such work shall require approximately two (2) hours.

Section 4. Part-Time Employment. Full-time employees desiring to work less than full-time may do so pursuant to a mutual agreement with the Appointing Authority, the Association and the employee.

Section 5. Overtime. Employees may receive overtime at the rate of straight-time when assigned to a special work assignment which is in addition to their normal job duties and upon having received advance approval from their Appointing Authority. Such overtime may be liquidated either in cash or compensatory time off at the option of the Appointing Authority who shall consider the desires of the employee. Overtime hours which are liquidated in cash shall be liquidated on the same or immediately following payroll abstract for the payroll period in which it was earned. Employees are eligible for overtime only after completing eighty (80) hours work in a pay period.

Employees may adjust or exchange hours with the approval of the immediate supervisor(s), provided such change does not result in the payment of overtime.

Section 6. Compensatory Bank. Each Appointing Authority may establish the maximum amount of hours that may be in the compensatory bank at a given time, provided the amount is not less than forty (40) hours nor more than eighty (80) hours. Those hours earned in excess of the compensatory bank maximum shall be liquidated in cash.

The compensatory bank shall be liquidated once annually on a date specified in advance by the Appointing Authority. Any cash payment of unused compensatory time shall be at the employee's current rate of pay.

An employee who is permanently laid off or who accepts a position with another Appointing Authority or a position not represented by the Association shall have unused compensatory time paid in cash at the employee's current rate of pay.

An employee who has accrued compensatory time off shall, upon termination of employment, be paid for the unused compensatory time at either the average regular rate of pay received by the employee during the last three (3) years of the employee's employment, or the final rate of pay received by the employee, whichever is greater.

Employees may use time in the compensatory time bank at a time mutually agreeable to the employee and the immediate supervisor. A reasonable effort shall be made to honor the employee's request, depending on the staffing needs of the employee's work unit. However, the Appointing Authority may schedule an employee to use time in the compensatory bank by written notice to the employee prior to the specified scheduled time off.

Each Appointing Authority shall notify the Association within thirty (30) calendar days of the effective date of this Agreement of the maximum amount of hours that may be in the compensatory bank.

Section 7. Duplication of Payment. Overtime hours worked shall not be paid more than once for the same hours worked under any provisions of this Agreement.

Section 8. Workload Concerns. Upon request of the Association, an Appointing Authority shall meet and confer within thirty (30) days of the request to discuss concerns that employees are unable to perform their job duties because of increased workloads.

Section 9. Overtime Compensation for Non-Exempt Employees. Notwithstanding Sections 1, 5 and 6 of this Article, overtime compensation for employees declared to be non-exempt by the Employer or the United States Department of Labor shall be governed by this section.

A. Normal Work Period. The normal work period shall be forty (40) hours of work during seven (7) consecutive days. The Appointing Authority may use other work periods permitted by the Fair Labor Standards Act and shall notify the employee

when those other work periods are in effect. Hours worked in excess of the maximum number of hours permitted in each applicable work period are overtime hours. All paid vacation time, paid holidays, paid sick leave, paid compensatory time off, and paid leaves of absence shall not be considered as "time worked" for purposes of this Section. However, non-exempt employees in classifications with the salary range maximum rates which are lower than the maximum rate of salary range 7-L shall have vacation, sick leave and holiday hours considered as "time worked" for purposes of this section.

Employees may adjust or exchange hours with the approval of the immediate supervisor(s), provided such change does not result in the payment of overtime.

1. Scheduling. The Appointing Authority shall provide no less than fourteen (14) calendar days notice to the Association and the affected employee(s) prior to making a permanent change in the days of work, hours of work, or the length of the work day of full-time employees.
2. Flex-time Plans. The Appointing Authority and the Association may mutually agree to a flex-time plan. Flex-time plans in existence prior to the effective date of this Agreement may be continued. If the Appointing Authority determines to discontinue flex-time plans, the Appointing Authority shall, upon request, discuss such change with the Association prior to implementation.
- B. Liquidation. All overtime hours shall be compensated at the rate of time and one half. Such overtime shall be liquidated in cash unless the employee and the Appointing Authority mutually agree to compensatory time off. Overtime hours which are liquidated in cash shall be liquidated on the same or immediately following payroll abstract for the payroll period in which it was earned.
- C. Compensatory Bank. The Appointing Authority may establish the maximum amount of hours that may be in the compensatory bank at a given time, provided the amount is not less than forty (40) hours nor more than eighty (80) hours. Those hours earned in excess of the compensatory bank maximum shall be liquidated in cash.

The compensatory bank shall be liquidated once annually on a date specified in advance by the Appointing Authority. Any cash payment of unused compensatory time shall be at the employee's current rate of pay.

An employee who is permanently laid off or who accepts a position with another Appointing Authority or a position not represented by the Association shall have unused compensatory time paid in cash at the employee's current rate of pay.

An employee who has accrued compensatory time off shall, upon termination of employment, be paid for the unused compensatory time at either the average regular rate of pay received by the employee during the last three (3) years of the employee's employment, or the final rate of pay received by the employee, whichever is greater.

Employees requesting compensatory time off with fourteen (14) or more calendar days notice to the Appointing Authority shall be permitted to use such time if it does not unduly disrupt the operations of the Appointing Authority, or require payment of additional salary costs. Requests for use of compensatory time off with less than fourteen (14) calendar days notice to the Appointing Authority or for weekend shifts may be granted at the discretion of the Appointing Authority. The Appointing Authority may schedule an employee to use time in the compensatory bank by written notice to the employee prior to the specified scheduled time off.

The Appointing Authority shall notify the Association within thirty (30) calendar days of the effective date of this Agreement of the maximum amount of hours that may be in the compensatory bank.

- D. Recommendations on FLSA Status. The Association may make recommendations to the Labor Relations and Compensation Bureau of the Employer as to the exempt or non-exempt status of bargaining unit classes under the Fair Labor Standards Act. Such recommendations must be supported by specific written documentation as required by the Employer.

Section 10. Balancing Hours for FLSA Exempt Employees. It is recognized that exempt professional employees are responsible for managing and accounting for their own hours of work and that they may work hours in excess of the normal work day and/or payroll period. In these instances and with supervisory approval, professional employees may balance hours of work in subsequent work days payroll periods, provided such time management system does not result in overtime payment or guarantee hour for hour time off for extra hours worked.

ARTICLE 28 WORK RULES

An Appointing Authority may establish and enforce reasonable work rules that are not in conflict with the provisions of this Agreement. Such rules shall be applied and enforced without discrimination. The Appointing Authority shall discuss the changes in new or amended work rules with the Association, explaining the need therefore, and shall allow the Association reasonable opportunity to express its views prior to placing them in effect. Work rules will be labeled as new or amended and shall be posted on appropriate bulletin boards at least ten (10) working days in advance of their effective date if practicable.

ARTICLE 29 VOLUNTARY REDUCTION IN HOURS

The Appointing Authority may allow an employee(s) to take an unpaid leave(s) of absence or reduce their hours, if the Appointing Authority determines that the following conditions are met:

1. existing or projected budget problem exists;
2. granting an unpaid leave of absence would help alleviate the projected budget problem and/or help mitigate layoffs as per Article 17 (Layoff and Recall), Section 2 (Labor-Management Cooperation);
3. staffing needs can continue to be met; and
4. other unpaid leaves of absence, other than personal leave, are not applicable to the situation.

Employees taking leaves of absence under this Article shall continue to accrue vacation and sick leave and be eligible for paid holidays and insurance benefits equivalent to what the employee would earn if he/she had not voluntarily reduced their hours or taken an unpaid leave. If a leave of absence is for one (1) full pay period or longer, any holiday pay shall be included in the first payroll period warrant after return from the leave of absence.

ARTICLE 30 BARGAINING UNIT-ELIGIBLE WORK TRAINEES

Section 1. Training Plans. Individuals appointed to work training programs (pre-service trainees) pursuant to Minn. Stat. 43A.21, shall have their terms and conditions of employment governed exclusively by the provisions of the approved training program submitted to the Department of Employee Relations by the affected operating department of state government. All existing work trainee programs shall be submitted to the Association within sixty (60) days of the effective date of the Agreement. Copies of new work trainee programs shall be submitted to the Association with as much advance notice as practicable. The Appointing Authority agrees to provide information on trainee opportunities to employees, upon request.

Section 2. Benefits and Pay. Notwithstanding Section 1 above, such individuals shall be governed by the provisions of Article 11, Holidays; Article 10, Vacation Leave; Article 12, Sick Leave; and Article 20, Insurance; of this Agreement. In addition, such individuals shall receive any general wage adjustment(s) provided for the class for which they are training.

**ARTICLE 31
AMERICANS WITH DISABILITIES ACT**

Section 1. Purpose. The Association and the Employer agree that they have a joint obligation to provide reasonable accommodation to individuals qualified under the Americans with Disabilities Act (ADA) and to place employees returning from workers' compensation injuries. Reasonable accommodation request(s) raising the question of waiving provisions of the Agreement shall be handled in accordance with Section 3 of this Article.

Section 2. Information. At the Association's request, the Appointing Authority shall provide a report of all accommodation requests whether approved or denied. The report shall include accommodations made and the cost of each accommodation. Both parties recognize their responsibility for confidentiality.

Section 3. Process. An employee seeking an accommodation shall be provided Association representation at the employee's request. The Association representative and requesting employee shall be allowed release time as provided in Article 9, Section 2 (C) 5.

While considering employee requests for accommodation, the Appointing Authority shall review other options, including, but not limited to equipment purchase or modification, accessibility improvement and scheduling modifications and/or restructuring of duties allowable under the Agreement before considering or requesting any waiver(s).

If the Appointing Authority believes that an Agreement waiver is necessary, it shall notify the Association Executive Director and they shall arrange for a Meet and Confer to be held within a reasonable period of time. The Appointing Authority shall inform the Association at this meeting, if not before, of the employee's restriction(s) (subject to each party's confidentiality obligations), the specified article(s) being proposed for a waiver and the manner in which the Appointing Authority proposes to modify the article(s). The Appointing Authority shall consider additional options for accommodations presented by the Association. No less than five (5) working days following the Meet and Confer, the Association shall present any additional options for accommodations. After the Appointing Authority has considered all options, including those suggested by the Association, the Appointing Authority shall notify the Association of its final proposal for accommodation, including any proposals that would require waiver(s) of any article(s) of the Agreement.

The Appointing Authority may waive any provision of the Agreement for the purpose of providing a temporary reasonable accommodation for up to fourteen (14) calendar days after providing notice to the Association of the need for the waiver. The Association Executive Director may extend the period on a case-by-case basis. Any waiver of provisions of the Agreement extending beyond fourteen (14) calendar days must be in writing and must be agreed to by both the Association and the Appointing Authority.

ARTICLE 32
LABOR-MANAGEMENT/MEET AND CONFER COMMITTEE

Section 1. Purpose. The Employer and the Association support a cooperative relationship between the parties in which the Employer and the Association move toward a relationship of greater trust and respect without interfering with the collective bargaining process. In order to promote and foster such a cooperative relationship, the parties agree to establish joint Statewide and Local Labor-Management Committee/Meet and Confer Committee meetings to deal with mutually identified issues through a problem-solving approach rather than in an adversarial climate.

Section 2. Committee. The Committee shall be composed of a mutually agreed upon number of representatives from the Employer and the Association. The Committee shall meet at least monthly or as mutually agreed.

The purpose of the Committee shall be to identify and address issues of mutual concern, including but not limited to: child care, safety (including state provided vehicles), sick leave and severance, employee assistance program, health insurance, employee initiated training, Appointing Authority initiated training, local concerns, sexual harassment, expenses (home offices and equipment, travel, etc.) and the Family and Medical Leave Act. However, committee meetings shall not be considered or used for negotiations, nor shall they be considered or used as a substitute for the grievance procedure.

The Committee shall have the right to establish subcommittees on specific issues including but not limited to a subcommittee on laboratory safeguards relating to the handling of materials containing infectious diseases. These subcommittees may include Employer and Association representatives not on the full committee, and may include members from other exclusive representatives. The full committee shall be responsible for coordinating the activities of the subcommittees which shall keep the full committee informed of its actions.

Employees shall be in pay status for the time required to participate in Local and Statewide Labor Management Committees and meet and confer meetings.

ARTICLE 33
SAVINGS CLAUSE

This Agreement is intended to be in conformity with all applicable and valid federal and state laws and rules and regulations promulgated thereunder having the force and effect of law. In the event that any provision of this Agreement is found to be inconsistent with such statutes, rules, or regulations, the provisions of the latter shall prevail. If any provision of this Agreement is found to be invalid or unenforceable by a court or other

competent authority having jurisdiction, then such revisions shall be considered void, but all other valid provisions shall remain in full force and effect.

ARTICLE 34 DURATION

The provisions of this Agreement cancel and take the place of all previous Agreements and shall become effective on December 21, 2001, subject to the acceptance of the eighty-second (82nd) session of the Legislature or the Joint Subcommittee on Employee Relations and shall remain in full force and effect through the 30th day of June, 2003.

It shall be automatically renewed from biennium to biennium thereafter unless either party shall notify the other in writing no later than October 1st of even numbered years that it desires to modify the Agreement.

This Agreement shall remain in full force and effect during the period of negotiations and until notice of termination of this Agreement is provided to the other party in the manner set forth in the following paragraph.

In the event that a Successor Agreement has not been agreed upon by an expiration date of this Agreement as provided for in paragraphs 1 or 2 above, either party may terminate this Agreement by the serving of written notice upon the other party not less than ten (10) calendar days prior to the desired termination date which shall not be before the expiration date provided above.

In witness thereof, the parties hereto have set their hands this 21st day of December 2001

These terms shall be part of the collective bargaining agreements between the parties and shall be implemented through the Master and Supplemental Agreements.

The employee who selects from job and training opportunities [items 1.1 - 1.7] shall choose from all available job and training opportunities. Once such a selection has been made, the employee is precluded from exercising another option from items 1.1 - 1.7 at a later time, unless the employee's position is subsequently eliminated as a result of restructuring. FLEXTIME SCHEDULE. Article 17, Section 9(A)2 shall be supplemented and/or modified as follows:

POLICY:

It is the policy of the Minnesota State Lottery to provide a flextime scheduling plan for its employees so long as the plan and individual schedules within the plan are consistent with the requirements of the Lottery and the provisions of applicable collective bargaining agreements or plans established pursuant to Minn. Stat. 43A.18, and do not adversely affect the Lottery's ability to achieve its goals and objectives. Flextime will benefit both the Lottery and the employees by providing opportunities for:

1. expanded hours of service to the public;
2. better utilization of office facilities or equipment;
3. uninterrupted work time;

4. greater productivity as a result of greater employee job satisfaction or accommodation of an individual's peak performance time during the day;
5. greater employee control over their work time and their personal and family life needs as well as those of the job; and
6. reduced costs to the state.

Under flextime scheduling, employees have the opportunity to request an adjustment to their work schedule so long as it does not result in payment of overtime and is consistent with the requirements of law, collective bargaining agreements/plans, and Lottery policy.

Management retains the authority for approving, modifying, denying or terminating individual schedules when, in management's judgment, they affect service to clients, or the operation of the Lottery, its divisions, offices, activities or work units.

DEFINITIONS:

BAND WIDTH is the specific period of each day within which flextime schedules will be allowed. The Lottery has established 6:00 a.m. as the earliest possible starting time and 7:00 p.m. as the latest possible ending time.

CORE TIME is the specific period of each day when all full-time employees are required to be at work. The core time for the Lottery is 10:00 a.m. to 2:30 p.m. for normal or flextime work schedules.

FLEXTIME, for purposes of the Lottery, means a plan of alternative work schedules available to employees upon request and supervisory approval. Flextime consists of recurring and predictable schedules, consecutive hours in each workday, and additionally, for full-time employees, the band width, the core time, and 40 hours of work each work week.

NORMAL OFFICE HOURS are the hours from 8:00 a.m. to 5:00 p.m. each work day when the Lottery's offices will be open and staffed to provide services to clients.

NORMAL WORK DAY consists of no more than 10 hours of work within a 24 hour period, exclusive of an unpaid meal period.

NORMAL WORK WEEK, for purposes of flextime scheduling, shall start at the middle of the workday of Friday and continue through the middle of the workday of the following Friday.

WORK UNIT consists of a group of employees all of whom are immediately supervised by the same supervisor.

SCHEDULES

The flextime scheduling plan is designed to accommodate schedules which consist of the following:

1. work schedules for full-time employees within the band width;
2. work schedules for full-time employees which include the core time;
3. work schedules for part-time employees which accommodate the needs of the work unit and the employee.
4. Unpaid meal, periods of 30 minutes, 45 minutes, or 60 minutes in length at approximately the midpoint of the work day.

Potential work schedules available under this flextime policy and plan include, but are not limited to the following (each must total 80 hours in a biweekly pay period):

- four days worked each week, ten hours worked each day;
- four days worked with nine hours and one day worked with four hours each week;
- four days worked with nine hours in one week; four days worked with nine hours and one day worked with four hours in the other week;
- combinations of five work days in each week that are between 6 and 9 hours in length.

IMPLEMENTATION

The Lottery's Flextime Policy and Plan is effective immediately. Upon implementation of the flextime plan, work schedules of all employees will be posted, if required by collective bargaining agreement, or maintained by the Personnel Office and/or the immediate supervisor.

Any employee who is currently working on an approved schedule may continue that schedule unless management of the Lottery changes that schedule in accord with the provisions of the applicable collective bargaining agreement or plan. Any employee who wishes to change his/her current schedule should initiate the following procedures.

PROCEDURE

1. The employee shall submit a written request for a specific schedule to his/her immediate supervisor at least 14 calendar days prior to the date the new schedule would go into effect, if approved.
2. The immediate supervisor shall review the request and determine to approve or deny the request taking into consideration at least the following factors:
 - A. Benefits to be gained as outlined in the above policy statement;
 - B. Adverse effects which might result from the requested schedule;
 - C. Requests for flextime schedules from other employees of the work unit;
 - D. Duties and responsibilities of the employee's position and whether they can be effectively and efficiently performed during the requested schedule;
 - E. Level of staffing and supervision necessary at various times of the work day and week to ensure that the work unit's activities are accomplished effectively and efficiently;
 - F. Level and quality of service provided to the work unit's customers;
 - G. Schedule of other employees within the activity area, office, division or Lottery with whom the requesting employee or the work unit must coordinate activities;
 - H. Additional costs or liabilities to the Lottery which would result from the requested schedule; and/or
 - I. Any other considerations as appropriate to the work unit.
3. If there are conflicting requests from employees and the needs of the work unit require that not all requests may be approved, the supervisor will approve (if all other factors indicate approval) the request submitted by the employee with the most state seniority. Should conflicts still exist, they will be resolved by lot. No request may be unreasonably denied.
4. The immediate supervisor will provide the employee with written notice and explanation of the decision within 7 calendar days of receipt of the request. A copy of the supervisor's decision must be provided to the Personnel Office.

WORK SCHEDULE CHANGES

Management initiated changes in an employee's permanent schedule will be made in accord with applicable collective bargaining agreements or plans, provided that an employee will be given written notice of the change at least 14 days in advance of the effective date.

Employee initiated requests for a permanent schedule change will be in accord with the procedure contained in this document provided that an employee's request to change his/her approved work schedule will not be approved if it would adversely affect the approved schedule of another employee.

Upon mutual agreement of the immediate supervisor and the employee, an employee's schedule may be altered for a duration of no more than 14 consecutive calendar days at a time without regard to the above provisions.

APPEALS

An employee may appeal the decision of an immediate supervisor to deny, modify or revoke a flextime schedule to the second level supervisor who shall respond in writing and, if not resolved, to the division head or designee who shall respond in writing. The decision of the division head or designee is final and may not be grieved under the grievance provisions of the applicable collective bargaining agreement or plan unless the action giving rise to the appeal is a violation of a specific provision of that collective bargaining agreement or plan.

The Appointing Authority agrees to provide a signed copy of any waiver of recall to both the Association and the employee.

Any waiver of recall by an employee is not to be considered a refusal to return to work and shall not be considered to be a break in continuous service. This Section does not, in any way, constitute a forfeiture of the Appointing Authority's right to recall laid off employees, whenever necessary, to carry out the functions and needs of the summer school programs. Notification of intent to return to work may be made in writing and hand delivered, provided that a written receipt of such notification is given.

If this preliminary investigation establishes that a reasonable basis for the employee's concern about continuing in the work situation exists, the Appointing Authority shall take intervening action to defuse the situation which may include temporarily reassigning either party until such time as the complaint is fully investigated, there is a finding, and corrective action, if required, is implemented.
- 2) Within the time limits set forth in the affirmative action complaint procedures, but not to exceed thirty (30) days, the Appointing Authority shall conduct a full investigation and prepare a report along with designated actions to be taken to remedy the complaint. "Valid Medical Reason" means, 1) a written prescription, or an oral prescription reduced to writing, which satisfies the requisites of Minnesota Statutes 152.11, and names the employee as the person for whose use it is intended; and, 2) the drug was prescribed, administered, and dispensed in the course of professional practice by or under the direction and supervision of a licensed doctor, as described in Minnesota Statutes 152.12; and, 3) the drug was used in accord with the terms of the prescription. Use of any over the counter medication in accord with the terms of the product's directions for use shall also constitute a valid medical reason.
3. PERSONS SUBJECT TO TESTING. All employees are subject to testing under applicable sections of this policy. However, no person will be tested for drugs or alcohol under this policy without the person's consent. The Appointing Authority will request or require an individual to undergo drug or alcohol testing only under the circumstances described in this policy.

4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

Probable Cause Testing. The Appointing Authority may request or require an employee to undergo drug and alcohol testing if the Appointing Authority has probable cause related to the performance of the job that the employee:

1. is under the influence of drugs or alcohol while the employee is working or while the employee is on the Appointing Authority's premises or operating the Appointing Authority's vehicle, machinery or equipment; or,
2. has violated the Appointing Authority's written work rules prohibiting the use, possession, sale or transfer of drugs or alcohol insofar as the work rules apply to on-duty conduct.

5. REFUSAL TO UNDERGO TESTING

- A. Right to Refuse: Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Appointing Authority, no such test shall be given.
- B. Consequences of Refusal: If any employee refuses to undergo drug or alcohol testing requested or required by the Appointing Authority, the employee may be subject to possible discipline or discharge.

Refusal to sign the Drug and Alcohol Screen Exam Consent Form shall be deemed a refusal to test and the employee may be subject to possible discipline or discharge.

Once the consent form has been signed, the employee must cooperate fully with the persons administering the test. Failure to do so may result in disciplinary action or discharge.

Any discipline given pursuant to this section may be grieved under Article 9.

- C. Refusal on Religious Grounds: No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo drug or alcohol testing of a urine sample.

6. PROCEDURE FOR TESTING

- A. Notification Form: Before requesting an employee to undergo drug or alcohol testing, the Appointing Authority shall provide the individual with a form on which to 1) acknowledge that the individual has seen a copy of the Appointing Authority's drug and alcohol testing policy, and 2) indicate any over-the-counter or prescription medications that the individual is currently taking or has recently (within the last month) taken, and any other information relevant to the reliability of, or explanation for, a positive test result, and 3) indicate consent to undergo the drug and alcohol testing. This shall be done on the Drug and Alcohol Screen Exam Consent Form. Upon request and whenever practicable, the employee is entitled to an Association Representative at the point the Appointing Authority requests or requires the employee to be tested.
- B. Test Sample: The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent of practicable, consistent with preventing tampering with the sample, and shall conform with applicable rules of the Commissioner of Health. All test samples shall be obtained by or under the direct supervision of a health care professional from a medical facility of the Appointing Authority's selection. However, such facility cannot be a state owned or operated medical facility.

- C. Identification of Samples: Each sample shall be sealed into a suitable container free of any contamination that could affect test results, be immediately labeled with the subject's social security number, be initiated by the subject, and be signed and dated by the person witnessing the sample.
 - D. Chain of Custody: The Appointing Authority shall maintain a written record of the chain of custody of the sample and ensure proper handling thereof, and comply with the rules adopted by the Commissioner of Health pertaining to chain of custody; until the rules are adopted by the Commissioner, the written record shall include a signature of each person accepting transfer of the sample, the date and time of the transfer, and a notation about the condition of the seal at the time of the transfer.
 - E. Laboratory: All drug or alcohol testing shall use the services of a testing laboratory licensed by the Commissioner of Health or qualifying under the transitional laboratory requirements set forth in Minnesota Statutes; however no test shall be conducted by a testing laboratory owned and operated by the state.
 - F. Methods of Analysis: The testing laboratory shall use methods of analysis and procedures to ensure reliable drug and alcohol test results including standards for initial screening tests and confirmatory tests. The method of analysis shall use immuno-chemical technology or chromatography for initial screening tests, and confirmation must be gas chromatography/mass spectrometry, except that where gas chromatography/mass spectrometry is not the scientifically accepted method of choice, the test must be confirmed by a method using some form of chromatography.
 - G. Retention and Storage: Retention and storage procedures shall comply with the rules adopted by the Commissioner of Health, and all samples that produced a positive test result shall be retained and properly stored for at least six months.
 - H. Test Report: The testing laboratory shall prepare a written report indicating the drugs, alcohol, or their metabolites tested for, the types of tests conducted, and whether the test produced negative or positive test results, and the testing laboratory shall disclose that report to the Appointing Authority within three working days after obtaining the final test result.
7. RIGHTS OF EMPLOYEES. Within three working days after receipt of the test result report from the testing laboratory, the Appointing Authority shall inform in writing an employee who has undergone drug or alcohol testing of:
- A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;
 - B. The right to request and receive from the Appointing Authority a copy of the test result report;
 - C. The right to request in writing within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory of the employee's choice. If the confirmatory retest does not confirm the original positive test result, no adverse personnel action based on the original confirmatory test may be taken against the employee;
 - D. The right to submit information to the Appointing Authority within three working days after notice of a positive test result to explain that result;

E. The right of an employee, for whom a positive test result on a confirmatory test was the first such result on a drug or alcohol test required by the Appointing Authority, not to be discharged unless the following conditions have been met:

- 1) The Appointing Authority has first given the employee an opportunity to participate in, at the employee's expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate as determined by the certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency; and
- 2) the employee has either refused to participate in the counseling or rehabilitation program, or has failed to successfully complete the program as evidenced by withdrawal from the program before its completion or by a positive test result on a confirmatory test after completion of the program.

A determination by the certified chemical use counselor or physician trained in the diagnosis and treatment of chemical dependency that no counseling or rehabilitation program is necessary fulfills the employee's above-specified obligation.

F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;

G. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Appointing Authority concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon or after hire;

H. The right to access to information in the subject's personnel file relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports on acquired information;

I. The right of an employee who has made a timely request for a confirmatory retest to suffer no adverse personnel action if the confirmatory retest does not confirm the result of the original confirmatory test, using the same drug or alcohol threshold detection levels as used in the original confirmatory test.

8. **ACTION AFTER TEST.** The Appointing Authority will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of a positive test result from an initial screening testing that has not been verified by a confirmatory test. Where there has been a positive test result in a confirmatory test and in any confirmatory retest, the Appointing Authority will do the following unless the employee has furnished a valid medical reason for the positive test result:

- A. The employee will be referred for an evaluation by a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the Appointing Authority has a chemical dependency or abuse problem, the employer will give the employee an opportunity to participate in, at the employee's expense, or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program, or fails to successfully complete the program, as evidenced by withdrawal from the program before its completion, or by a positive test

result on a confirmatory test after completion of the program, the employer may discharge the employee.

- B. Nothing in this policy limits the right of the Appointing Authority to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test.

9. DATA PRIVACY. The purpose of collecting a body component sample of blood, breath or urine is to test that sample for the presence of drugs or alcohol. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials, and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a valid medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The Appointing Authority may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third party individual, government agency, or private organization without the written consent of the person tested, unless permitted by law or court order. All data on the request for a test, the testing, the test results shall be kept separate from the regular personnel files, in locked file cabinets, accessible only by those supervisors, manager, or confidential employees directly involved in the case.

MEMORANDUM OF UNDERSTANDING BETWEEN THE STATE OF MINNESOTA AND THE MINNESOTA ASSOCIATION OF PROFESSIONAL EMPLOYEES

The State of Minnesota, Department of Employee Relations (hereinafter "the Employer") and the Minnesota Association of Professional Employees, MAPE (hereinafter "the Association") agree to modify the terms of the 2001-2003 Master Agreement between the parties as it applies to Information Technology Professionals.

1. The terms of this memorandum are limited to those employees in the following classifications:

- Information Technology Specialist 1 (class code 003583)
- Information Technology Specialist 2 (class code 003584)
- Information Technology Specialist 3 (class code 003585)
- Information Technology Specialist 4 (class code 003586)
- Information Technology Specialist 5 (class code 003587)
- Systems Architect (class code 003352)

2. The provisions of Article 24, Section 5B, of the Master Agreement that apply to Information Technology Specialists shall also apply to employees in the Systems Architect classification.
3. The salary ranges for the classifications listed in the section 1 of this memorandum shall be those shown in the attached salary grids.

The salary range assignments shall be as follows:

- Information Technology Specialist 1 - 6M
- Information Technology Specialist 2 - 9O
- Information Technology Specialist 3 - 14O
- Information Technology Specialist 4 - 17O
- Information Technology Specialist 5 - 19P
- Systems Architect - 21P

4. Employees in the affected classifications who have not reached the negotiated maximum rate for the classification, as shown on the salary grids, shall continue to be eligible to receive progression increases on their anniversary date, subject to the performance standards and grievability provisions of the Master Agreement.

At the discretion of the Appointing Authority, an employee may receive one or more than one step as a progression increase on or before the anniversary date. An employee receiving either a multiple step, unscheduled or early progression increase shall not be eligible under the terms of the Master Agreement for another progression increase until the second occurrence of the anniversary date following the receipt of the discretionary increase.

5. At the request of the Appointing Authority, the Employer may establish a higher maximum rate for positions within a classification. This "market rate" maximum shall not exceed the negotiated maximum rate by more than 10 percent. The Appointing Authority has the discretion to set the salary of an employee above the negotiated salary range maximum and up to the "market rate" maximum. An employee whose salary rate exceeds the negotiated salary range maximum shown on the attached salary grids shall not be eligible for progression increases, but may receive

general wage adjustments provided by the Master Agreement at the discretion of the Appointing Authority.

6. At the discretion of the Appointing Authority, a candidate accepting an initial appointment to a position in a classification covered by this memorandum may receive an incentive up to \$5,000.00. Current State employees are not eligible for the incentive. The amount of the incentive shall be determined by the Appointing Authority. The employee shall receive one-half of the incentive amount upon completion of 6 months of continuous satisfactory service in a classification covered by this memorandum. The employee shall receive the other half of the incentive amount upon completion of 18 months of continuous satisfactory service with the hiring agency in any of the classifications covered by this memorandum.
7. At the discretion of the Appointing Authority, any employee covered by the Master Agreement may receive a lump sum payment of \$500.00 for making the first referral of a candidate who accepts a predesignated vacancy and completes six months of continuous satisfactory service. The Appointing Authority may designate individual vacant positions or entire classifications. This provision only applies to the appointment of candidates who are not currently State employees. No more than one lump sum payment shall be paid for each designated vacancy. Prior to offering to make such lump sum payments for referrals, the Appointing Authority shall establish procedures for recording referrals and determining which employee made the first referral of a candidate.
8. The salary ranges and rate for the affected classifications shall be increased as provided in Article 24, Sections 2, 3 and 4 of the Master Agreement.
9. The Employer may develop statewide policies for implementation of the provisions of this memorandum and shall notify the Association of those policies.
10. The provisions of this Memorandum of Understanding are effective July 1, 2001.

APPENDIX M

DEFINITION OF SAME SEX DOMESTIC PARTNERSHIP FOR INSURANCE PURPOSES

A domestic partnership is defined as a relationship between an employee and another adult of the same sex, in which the parties, hereinafter called domestic partners:

1. Have entered into a committed interdependent relationship with each other;
2. Are jointly responsible for each other's basic common welfare;
3. Share a common residence and intend to do so indefinitely;
4. Are not related by blood or adoption such that would prohibit marriage in Minnesota; are neither married nor registered in another domestic partnership; and
5. Are legally competent and qualified to enter into a contract.

"Joint responsibility" means that each partner agrees to provide for the other partner's basic living expenses if the partner is unable to provide for himself or herself.

"Basic common welfare" includes food, shelter, and health care.

"Share a common residence" means that two (2) people share the same place to live. It is not necessary that the legal right to possess the common residence be in both of their names. Two (2) people may have a common residence even if one (1) or both persons has an additional place to live. Domestic partners do not cease to live together if one (1) partner leaves the common residence but intends to return, including, but not limited to, periods of time left for long-term or short-term medical care, education, sabbaticals, or employment.

Dear Mr. Monroe:

This letter is to reconfirm the agreement we reached during previous rounds of contract negotiations. The Employer agrees to facilitate the return of Association Presidents to their Appointing Authorities after completing their leaves to serve the Association.

Such facilitation shall include but not be limited to the following issues:

- 1) classification;
- 2) specific position and location; and
- 3) appropriate wage level.

Sincerely,

Paul A. Larson
Assistant State Negotiator
Department of Employee Relations

Jim Monroe, Executive Director
Minnesota Association of Professional Employees
411 Main Street
Saint Paul, MN 55102

Dear Jim:

During negotiations for the 1995 - 1997 and the 1997 - 1999 contracts between the State of Minnesota and the Minnesota Association of Professional Employees, the issue of rights of and protections for MAPE employees who perform representation duties and/or file grievances through the Association arose. Such activities include, but are not limited to, work on negotiation teams for the contract, filing or processing grievances, representing employees during investigations and general informational duties as an Association Representative.

The contractual provisions for these activities are listed in the contract in Article 4, Section 3; Article 7, Section 7; Article 8, Section 2; and Article 9, Section 2C. Leaves and release time granted under these provisions are to be considered as approved time away from work. Additionally, Minnesota Statute 179A.06 provides these rights of employees under law and Minnesota Statute 179A.13(1) establishes an unfair labor practice for "... interfering, restraining, or coercing employees in the exercise of the rights guaranteed in Sections 179A.01 through 179A.25."

In sum, the law and the contract provide considerable protection for employees who file grievances or represent bargaining unit members covered by the MAPE contract.

Employees exercising these rights, however, are required to notify and receive approval from their Appointing Authorities prior to taking the necessary and/or contractually provided time off.

I hope this letter serves to delineate protection provisions for your bargaining unit members under both law and contract.

Sincerely,

Paul A. Larson
Assistant State Negotiator
Department of Employee Relations

Dear Mr. Monroe:

As a means of resolving the 2001-2003 Agreement, the parties have agreed to the establishment of a Special Joint Labor/Management Committee for the purpose of resolving travel time. This Committee is established under the following conditions:

Creation: The Employer and the Association agree to establish a Special Joint Labor/Management Committee on travel time compensation for professional employees.

Membership: The Committee shall be comprised of an equal number of members from the Employer and the Association. Association members shall be eligible for paid Association Leave in accordance with the terms of Article 32, Section 2.

Meetings: Meetings shall be held at times and places mutually agreed to by the parties, with the first meeting occurring no later than 60 days following the ratification of the Agreement by the Legislative Coordinating Commission.

Purpose:

1. The Committee shall review the Employer's current practices relating to the compensation of travel time for Association members, including, but not limited to the following:

- Travel time to temporary work locations
- Travel time to overnight assignments
- Travel time to attend training sessions
- Travel time during the normal workday
- Travel time on scheduled days off

Page 2

2. After the review of current practices, the parties may continue the status quo or may negotiate a Memorandum of Understanding on matters upon which they mutually agree. Either party may request the assistance of a neutral facilitator.

Assistant State Negotiator

Jim Monroe, Executive Director
Minnesota Association of Professional Employees
411 Main Street
St. Paul, MN 55102

Dear Jim:

Consistent with the mission and needs of the State, the parties recognize the need to maintain a premiere professional workforce and that this is done by retaining highly skilled employees. The Appointing Authority and the Association shall work together to achieve this goal. It is recognized that employees may seek career development training opportunities both within State service and outside State service. Both parties recognize that the taking of college courses, professional workshops, and/or seminars will better prepare an employee to perform his/her current or projected responsibilities or to meet the potential future needs of the State.

The Employer recognizes the Association's commitment to, and support of professional development training. To the extent that the Association sponsors professional development training, the Appointing Authority agrees to review the training curriculum, and at its discretion, approve of the Association sponsored professional development training. If the Appointing Authority approves of the Association sponsored training, the time spent attending the training would be considered as paid leave.

Sincerely,

Paul Larson
Deputy State Negotiator

RE: Chaplains Covered by the MAPE Agreement

Dear Jim:

During the 2001-2003 round of bargaining, the Association brought forth several proposals regarding certain benefits for the Chaplain job classification. At that time, the State responded that the Chaplain classification is one that the legislature created and placed in the unclassified service.

Although the parties were unable to reach an agreement on the issues raised by the Association, the Employer indicated a willingness to continue to meet with the Association regarding these issues.

As such, the Employer agrees to meet and confer with the Association within sixty (60) days following the ratification of this Agreement to discuss certain rights and issues with respect to the Chaplain job classification.

Sincerely,

Paul A. Larson
Deputy State Negotiator
