PURPOSE

The Professional Educator Licensing and Standards Board's (PELSB) primary mission is to assure that Minnesota students are served by licensed teachers who are equipped to deliver effective instruction and meet the instructional needs of all learners. PELSB is an independent board, with members appointed by the Governor and confirmed by the Senate. The agency provides leadership in teacher education, establishes and maintains licensure standards and renewal requirements, approves teacher preparation providers and licensure programs, and establishes and enforces the Code of Ethics for Minnesota teachers.

Historical Spending

Source: Consolidated Fund Statement

The majority of the board's funding is spent to retain 23 FTE positions to conduct the oversight of teacher preparation, teacher assessments, teacher conduct investigation and action, and to issue and renew educator licenses and permissions, including a licensure via portfolio process. PELSB receives an annual appropriation from the legislature, and a special appropriation for licensure via portfolio expenses. All licensing fees for teachers other than those pursuing licensure by portfolio are paid to the general fund. Operating expenses include reimbursement of mileage and per diem for Board members as well as support for staff administrative and travel fees.

STRATEGIES

PELSB has provided leadership in teacher education by establishing and maintaining licensure rules, policies and standards for the profession, as well as oversight for the approval of institutions and their licensure programs to prepare Minnesota teachers. The Board conducts investigations into teacher conduct, enforcing the established Code of Ethics for Minnesota teachers.

RESULTS

PELSB inherited multiple tasks by the combination of the Board of Teaching and Educator Licensing. PELSB became a new independent board on January 1, 2018. This new board will need to review all rules under the Board of Teaching and continue to work with the legislature to align rule with statute. A summary of work accomplished in the previous fiscal year includes:
