<b>Protein</b>	41,580	\$ 43,054	\$ 125,246	\$ 168,300	26%

### Key Notes:

- This grant is administered by Second Harvest Heartland on behalf of the six Feeding America food banks who serve MN. Each food bank is responsible for distributing the food to the counties they serve.
- The milk funds are allocated up front to food banks based on food insecurity rates in the counties they serve. Milk is procured by each food bank separately.
- Almost the entirety of the produce funds were spent by all six food banks in just the first quarter of the funds. Whereas these funds used to last nearly three quarters, all six food banks have seen an unprecedented demand for fresh produce through the hunger relief system.

## Key Notes:

- Approximately 126,997 gallons of milk were purchased to distribute to the community with the grant funds spent during Q1.
- In Q1 653 agencies were served across 86 Minnesota counties.
- Second Harvest Heartland started utilizing a new milk vendor this year with a lower price, after administering a competitive bidding process, allowing the organization to distribute more milk with the existing milk funds.
