Mission statement

The biennial plan must include the regional arts council's mission statement which must describe the overall philosophy and aims of the organization concerning local and regional arts development.

(1,000 characters max)* East Central Regional Arts Council's mission is to support the arts and bring the life enhancing values they afford to Region 7E residents.

Region - Background, demographics, other context for the plan

(5,000 characters max)*

Provide any necessary context about your region (i.e., economic, demographic, geographic, cultural, etc.) or about your organization that has a meaningful impact on your planning or your programs and services.

ECRAC serves Region 7E. Region 7E includes the Minnesota Counties of Chisago, Isanti, Kanabec, Mille Lacs, and Pine. Cities include Braham, Cambridge, Hinckley, Isanti, Milaca, Mora, North Branch, Ogilvie, Onamia, Pine City, Princeton, Taylors Falls, Sandstone, Shafer, Wyoming, and others. Region 7E is geographically one of the smallest in the state with a square mileage of 750,536.6.

Region 7E was home to 171,703 people in 2021, comprising 3.0% of the state's total population. The region saw a 4.8% population increase since 2010, making it the seventh largest of the 13 economic development regions in total population, and the sixth fastest growing. In comparison, the state of Minnesota saw a 7.6% gain from 2010 to 2021.

Chisago County is the largest county in Region 7E and is the 18th largest county of 87 in the state, with just under 57,500 people in 2021. It added 3,582 people, a 6.6% increase, since 2010, the 20th fastest growth rate. Isanti County experienced the largest growth in the region with an increase of 4,090 people and now has nearly 42,000 people. The next largest county is Pine County with 29,302 people but has declined in population since 2010, while

Mille Lacs County has increased slightly and has 26,867 people, and Kanabec County is the smallest county in the region with 16,159 people, the 52nd largest county in the state.

Region 7E has an older population than the rest of the state, with 18.4% of residents aged 65 years and over, compared to 16.8% statewide. In addition, Region 7E had a much higher percentage of people in the 45 to 64 year old age group, but consequently had a lower percentage of people in the 25- to 44-year-old age group, typically the leading edge of "prime working years". A large portion of the area's population is a part of the Baby Boom generation, which is creating a significant shift in regional demographics over time. Between 2000 and 2020, the group 55 years or older added more than 27,000 residents.

Region 7E's population is less diverse than the state's but is becoming more diverse over time. In 2020, 90.5% of the region's residents reported white alone as their race, compared to 77.5% of residents statewide. At 1.9%, Region 7E had a higher percentage of American Indian or Alaska Natives than the state, but otherwise had much smaller percentages of people of all other race and origin groups, especially Black or African American, Asian, and Hispanic or Latino origin. With just under 8,000 people, the largest racial or ethnic group other than White is people of Two or More Races, which increased 246% from 2010 to 2020. Conversely, the region saw a 0.5% decline in the number of white residents. Every other group saw increases and three groups (Black or African American, Asian, and Hispanic or Latino origin) grew faster than 30% over two decades up to 3,750 residents.

Despite the more rapid recent growth, Region 7E is projected to experience a slight population decline in the next 20 years. According to the State Demographic Center, Region 7E is expected to lose 458 residents from 2023 to 2043, a 0.3% decrease. By comparison the state of Minnesota is projected to grow 9.4%.

Population growth is expected to happen in older age groups. Region 7E is projected to add 9,000 people aged 75 years and over, as well as about 2,500 people in the 45- to 54-year-old age group. However, Region 7E is projected to lose over 4,800 people under 45 years of age, and about 7,100 people in the 55 to 74 year old age group - as current Baby Boomers continue to age.

The median household incomes was \$71,170 lower in Region 7E than the state, where the median income in 2020 was \$73,382. Just over 35% of the households in the region had incomes below \$50,000 in 2020, similar to statewide. Similarly, only 30.8% of households in Region 7E earned over \$100,000 per year, compared to 35% percent of households statewide. Data source: *ECONOMIC DEVELOPMENT REGION 7E 2022 REGIONAL PROFILE*, Updated October 2022.

The poverty rate from 2015-2019 in the State of Minnesota was 9.7%. In Region 7E the three northern counties have some of the highest poverty levels: Kanabec, 10.0%; Mille Lacs, 12.4%; and Pine, 11%. The two southern counties in Region 7E are doing a bit better than the state as a whole in terms of poverty levels: Chisago, 6%; and Isanti, at 7.3%. The statewide indicator for children under the age of 18 living in poverty was 12.2%. However, Mille Lacs County has level of 17.1% of children under the age of 18 in poverty. In fact, Mille Lacs County's poverty rate (12.4%) is in the top twenty of all counties in Minnesota. Data source: *Minnesota Public Health and Environmental Data by County*. For Region 7E 38.7% of K-12 students receive free and reduced lunches with Chisago County being the lowest at 25% and Mille Lacs County the highest at 49.5%. Needs assessment

(10,000 characters max)*

The biennial plan must be based on a needs assessment carried out in a manner which ensured input from the arts community and the arts involved public. The components of the needs assessment shall be determined by the regional arts council and may consist of any combination of constituent meetings, focus groups, program evaluations, mail, e-mail, online, or telephone surveys, individual interviews, or other evaluative tools. The assessment shall be conducted to assess and prioritize constituent needs, to evaluate appropriate community and regional resources to meet those needs, and to determine the practicality of continuing existing programming activities, service and grants assistance programs, or the feasibility of developing new programs, services, or grants by the regional arts council. The needs assessment shall be updated at intervals determined and announced by the regional arts council, but no less frequently than once every four years. The results shall be included in the biennial plan.

In this section, describe:

1. When the needs assessment was completed.
2. The process used to generate input from the arts community and the arts involved public.
3. The methods and/or tools used to gather input.
4. The key findings identified through the needs assessment.

Planning enables ECRAC to listen to the needs of its constituency and to respond with programming designed to benefit all residents of 7E. The planning process used by the East Central Regional Arts Council included both informal and formal needs assessment and planning. To survey a broader group the ECRAC Needs Assessment survey was in-depth and included those in the arts community and other constituents were also asked to respond. The needs assessment was completed in December 2022.

Needs assessment input was received with the following methods: from constituents in the form of an online survey distributed and open to all and which was highlighted by all Region 7E media with purchased advertisements, and public service announcements; it was also distributed via the ECRAC newsletter and the ECRAC website, and advertisements on social media (both to those already following ECRAC and to others targeted by their city of residence); via grant information sessions in which input was solicited regarding needs from attendee interviews; and by reviewing outcome evaluations and written grantee evaluations;

Key Findings from the ECRAC Needs Assessment Survey

For existing ECRAC grants and services, all grants and services were either highly valued or extremely valued. Feedback was for ECRAC to continue providing the grants and services with adjustments to remove barriers. The needs assessment also addressed equitable distribution and the following are being incorporated: partnering even better with existing providers of services to underrepresented groups and community providers; ECRAC should have a focus on serving underrepresented groups/artists; and ECRAC should build more relationships with underrepresented groups and community groups. The ECRAC board of directors has made a commitment to overcoming bias and to building diversity and inclusion in both the grant-making and providing services priorities.

In addition, due to the lasting impact of the COVID-19 pandemic constituents are requesting a different kind of technical assistance support, workshops, and networking than in the past.

Please note that in the Forum of Regional Arts Councils of Minnesota (FRACM) Policy Manual, as publicly funded programs, "RACs' regranting of state funds must maintain high standards of fiscal responsibility and be conducted in an open manner without discrimination on the basis of national origin, race, color, creed, religion, disability, gender, status with regard to public assistance, gender preference, marital status or political affiliation." ECRAC has always been committed to this responsibility and equity. In the context of ECRAC programming and services under-represented people and groups are defined based on age, gender, disability, sexual orientation, culture and race. ECRAC has an IDEA (inclusivity, diversity, equity, and accessibility) Strategy in place.

Changes are being, and have been, made to how services are provided. ECRAC has and will continue to update policies, grants, workshops, networking, calendar, newsletter, and the online presence. This is to increase the number of people able to use ECRAC grants and services with as few barriers as possible. ECRAC remains committed to inclusivity, diversity, equity, and accessibility.

Description of the planning process

(5,000 characters max)*

The biennial plan must include a description of the biennial planning process used by the council including a list of the steps included in the development of the biennial plan and the participants involved in the biennial planning process.

Planning started in 2022 with both Policy Manual updates and the needs assessment process. The ECRAC Executive and Policy Manual Committees met and discussed the regional needs and how best to serve constituents. The Executive Committee includes the Board Chairperson, Vice Chairperson, the Treasurer, and the Secretary. The Policy Manual Committee includes the Chairperson, Vice-Chairperson and the Treasurer.

These committees discussed about the demographics of the region, they highlighted the responsibilities of being a Regional Arts Council to the Minnesota tax payers and to the residents of the region, and they discussed established and revised ECRAC policy and processes, they also reviewed the Needs Assessment Survey data. Recommendations were given to the full board.

Ultimately the result of all the discussions, and the approved document, were then brought to a public meeting was on March 14, 2023, and the Preliminary Biennial Plan approval was March 21, 2023. Additionally, after the Preliminary Biennial Plan review by the Minnesota State Arts Board suggestions made will be discussed and incorporated.

Grant making and monitoring process

(5,000 characters max)*

Provide a detailed description of the council's grant making process including the review process, the terms of the grant contract with grant recipients, the time needed and process followed in paying grant recipients, the responsibilities of grantees, and the grant monitoring process.

Principles for Grantmaking: Members of the East Central Regional Arts Council recognize that they play an important role in supporting the arts in their communities; that their role is sustained by the public trust; and that certain obligations follow from that trust. Members are committed to basing their work on principles that reflect those obligations.

Members, volunteers, and staff of the East Central Regional Arts Council:

- Deal respectfully with applicants, and grantees, as well as those simply seeking information about their programs.
- Are accessible and respond clearly, promptly, and as fairly as possible to requests for information and meetings.
- Make readily available basic information about their programs, funding priorities, and application requirements.
- Respect the confidentiality of applicants, grantees and donors and use discretion in communicating with others about specific organizations and individuals.
- Are thoughtful and purposeful in their grantmaking and periodically review and evaluate their mission, priorities, policies, and practices.
- Recognize the increasing cultural diversity of the communities they serve and proactively seek to reflect this diversity in grantmaking and in the membership of the Council and staff.
- Adhere to the highest standards of ethical behavior and maintain an appropriate conflict of interest policy for staff and board members.
- Are aware of and fulfill their fiduciary and legal responsibilities.

Grant making and monitoring process: ECRAC follows a several step process concerning grant review and evaluation. All applications must be received online by the deadline date and time. Staff then reviews the submitted grant applications for completeness and accuracy. Grant applications are then distributed via the online grant portal to the Arts Council board members for the grant review. If there is a grant review panel (occasionally) the full board receives the written grant review notes before their next meeting and is ultimately responsible for approving the grant.

Grant applicants or other interested persons may attend the grant review meeting but may not offer additional information. During the online review, the Council (or grant reviewers) rates each application on a scale. Applications are rated individually according to the criteria published in the East Central Regional Arts Council Grant Program Guidelines. Funding is then allocated based on a blind ranking of the proposals up for review during the grant review meeting.

Once grant funding is approved by the Board of Directors, a Notification of Grant Award(NGA)/Terms of Contract (copy attached) is sent to grantees with a Request for Payment (RFP) form. Grantees have 45 days to return. After the signed NGA and RFP are returned, and a once a year grantee final report training has taken place, ECRAC processes the payment for the project within 30 days of the NGA/RFP receipt. Grant files are kept which contain all pertinent information such as any correspondence, the grant application, data collection information, the NGA and RFP, information on any contacts with the grantee, etc. Grant file information is kept online in the ECRAC grant system portal.

The grantee is expected to complete the grant project as proposed and as approved. They are also expected to know and follow the terms of their contract and approved budget with ECRAC. If there are unexpected changes the grantee is asked to contact staff or go to the ECRAC website for instructions on how to make a grant revision. The ECRAC Board of Directors signs up to monitor grant funded events. At that time they complete a "grant funded event monitoring form" which is then included in the grant file.

A grant final report is due within 30-60 days of the completed project. At ECRAC the final report must include documentation of how the grant funds were used, and all other income and expenses relating to the project. This is usually in the form of a receipts or cancelled checks. The purpose is two-fold, to ensure that the grant funds were spent as proposed and to ensure the terms of the contract were followed. An example of this is ensuring that the 10% cash match for the project was reached, if there is one. ECRAC has instituted the State Arts Board Misuse of Funds Policy and implemented it in FY 2020.

Final report documentation also includes items such as photos, programs, and outcome evaluation summaries. ECRAC reserves the right to conduct audits of randomly selected projects. This can either be a fiscal or program audit. Grantees are required to keep documentation of projects for a three-year period. Reviews of the final reports are conducted by the Grant Program Officer under supervision of the Executive Director and are reported

to the ECRAC board both routinely as they are submitted and collectively as part of a current application's past grant history used to establish ability to accomplish the project.

MSAB Arts Advisory Committee

Regional Arts Councils (RACs) are required in law to create and submit their biennial plan in the Spring of odd numbered years to the Minnesota State Arts Board since they serve as our fiscal sponsor. Components of the plan are clearly outlined in Rules. MSAB provides a checklist and the budget template.

The Arts Advisory Committee is an official standing committee of MSAB that includes two RAC directors and one RAC appointed member and two MSAB board members and one MSAB appointed member at-large. The main task is to review and approve biennial plans during Spring of odd years.

The ECRAC Arts Newsletter (called *Essential Arts* or the *Arts Alert*) is used to provide information about upcoming grants, features on local artists, grant workshops, and regional items of interest. Currently, the newsletter is emailed once a month to over 2,000 people, and 30% open our emails. We are rethinking how to provide this information to you. Please indicate which of the options below would be most useful to you.

How else should we reach out with art opportunities?

Email and website is fine for my interests

Newspaper

Personal letters/info to participants

connect with small town city councils and schools about organizational grants

Keep sending your newsletter

Possibly a webinar or YouTube video that can also be viewed later as well

Local newspapers

local news media

local papers maybe that comes under social media

30% open rate for emails is actually pretty good. Stick with that.

Informal gatherings throughout the year at cities within the ECRAC area

Biannual events where artists can come and be matched up with the most applicable grants.

News letters

It might be interesting to have someone travel to the local high schools and help push the k-12 Grant. They could visit the art, music, woods and weldingrooms and explain the opportunities available.

Radio

I found out that pamphlets, flyers, cards, etc. at local libraries and coffee shops were awesome to find out more!

It is important to avoid tokenism. For inclusion to be meaningful, people from underrepresented communities need a seat at the table. There needs to be power sharing and a say in how resources are distributed.

Has this ever been a problem?

ECRAC should be sure the grant opportunities are publicized by newsletters, posters and social media targeting groups that are underrepresented, such as native american community centers.

ARTICLE II

OFFICES; CORPORATE SEAL

Section 2.01. Registered Office. The registered office of this corporation shall be as set forth in the Articles of Incorporation, or in the most recent amendment of the Articles of Incorporation, or in the most recent statement filed with the secretary of State of Minnesota changing the registered office.

Section 2.02. Corporate Seal. This corporation shall have no corporate seal.

ARTICLE III

BOARD OF DIRECTORS

Section 3.01 General Powers. ECRAC is not a membership organization. The property, business, and affairs of ECRAC shall be managed by or under the direction of the Board of Directors of ECRAC.

Section 3.02. Number, Qualifications, Term of Office, and Election. The Board shall consist of between seven and fifteen members. Directors must be natural persons and must be at least 18 years of age. In selecting board members, the board shall strive to ensure that each county is represented by the same number of board members as every other county. The directors shall be elected by the members of

the Board of Directors at a meeting of the Board at the annual meeting. Any person who resides in the East Central Region and whose background includes involvement as an artist, an art consumer, an art advocate, a volunteer director, teacher, arts organizer, or who is with a library, historical society, arts guild, or an ethnic art organization is eligible to serve on the Board.

Section 3.03. Terms of Office. The term of office for directors shall be two years with approximately one-half of the directors elected at each annual meeting. For the first board of directors, the terms of office shall be one year for one-half of the members (selected by lot), and two years for the other half. Terms of office shall begin and end with an annual meeting. Directors shall not serve more than three consecutive two-year terms and are eligible for board service again after one year off of the board.

Section 3.04. Resignation. A director may resign at any time by giving notice to the board chair or the executive director. The resignation of a director is effective without acceptance when the notice is given, unless a later effective time is specified in the notice.

Section 3.05. Removal of Directors. A director may be removed at any time, with or without cause, by a vote of at least 60% of all the remaining members of the board.

Section 3.06. Vacancies. Any vacancy in the Board caused by death, resignation, or removal shall be filled by the affirmative vote of a majority of the other directors, and the term of the director filling the vacancy shall expire at the scheduled end of the term of the former director. The term limit for the newly elected director shall be the duration of the former director's term plus two consecutive additional terms.

Section 3.07. Attendance and Participation in Meetings by Means of Remote Communication. Board members may participate in Board meetings through one or more means of remote communication. Participation in a meeting through a form of remote communication authorized by the Board constitutes personal presence at the meeting if all attending directors are able to hear each other.

Section 3.08. Meetings. Regular meetings of the Board shall be held at such times and places and in such manner as the Board may determine. Special meetings of the Board shall be called by the chair or by five other directors representing three different counties and shall be held at such times and places and in such manner as the Board may determine. One meeting a year shall be designated as the

Annual Meeting.

Section 3.09. Notice. Notice of meetings will be given in the spirit of the Minnesota Open Meeting Law. Notice of a meeting shall be delivered by electronic communication, unless a director does not have that capability, in which case the notice shall be mailed to that director, addressed to his or her residence or usual place of business at least seven days before the day on which the meeting is to be held. However, notice need not be given if the date, time and place of the meeting were announced at a previous Board meeting. The notice shall state the time, place and manner of the meeting, but need not state the purposes thereof. To the extent practicable, notices of meetings shall be posted on the ECRAC website if such a website is maintained. Notice will be deemed waived by any director who attends the meeting in person or participates in the meeting via remote communication, unless the director objects at the beginning of the meeting that the meeting is not lawfully called or convened and does not participate in the meeting.

Section 3.10. Quorum. Except as otherwise provided by statute or by these bylaws, a majority of the directors currently holding office shall be required to constitute a quorum for the transaction of business at any meeting. The act of a majority of the directors present at any duly held meeting at which a quorum is present shall be the act of the Board. In the absence of a quorum, a majority of the directors present may adjourn a meeting from time to time until a quorum is present. Notice of any adjourned meeting need not be given, other than by announcement at the meeting at which adjournment is taken. If a quorum is present when a duly called or held meeting is convened, the directors present may continue to transact business until adjournment, even though the withdrawal of directors originally present leaves less than the number otherwise required for a quorum; provided, however, that the affirmative vote of a majority of the required quorum is required to take any action other than adjournment.

Section 3.11. Proxy Voting. Proxy voting shall not be permitted.

Section 3.12. Action without Meeting. Any action that may be taken at a meeting of the Board may be taken without a meeting, when authorized in a written action signed or consented to in an electronic communication by the number of directors that would be required to take the same action at a meeting of the Board at which all directors were present. If the Articles of Incorporation provide for a different requirement regarding the number of votes required for a written action, the Articles of Incorporation shall be followed.

Section 3.13. Conflicts of Interest. Except as permitted by law, with respect to any contract or other transaction between ECRAC and any director or member (or an organization in which a director or member is a director, member, officer or legal representative or has a material financial interest): (a) the material facts as to such contract or transaction and as to the person's interest must be fully disclosed or known to the Board prior to approval of such contract or transaction; (b) such approval shall require the affirmative vote of a majority of the directors, not counting any vote that the interested director otherwise might have; and (c) an interested director shall not be counted in determining the presence of a quorum for that item of business. The Board shall develop a conflict of interest policy that further defines this issue, and each director shall each year execute, a conflict of interest statement.
