PURPOSE

The Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and Interior Design (AELSLAGID) regulates the professions and enforces the statutes and rules in order to protect the health, safety and welfare of the public. The Board ensures that individuals meet the education, examination, and experience standards for licensure or certification, and maintain their records in good standing. The Board takes disciplinary action against those who violate the statutes, rules, and standards governing the practice of the professions.

The Board’s budget is funded through General Fund appropriations. The total FY22-23 biennial budget is \$1,737,000. The Board collects application and licensure fees which are deposited in the state’s General Fund.

STRATEGIES

To accomplish its mission, the Board uses the following strategies:

1. **Regulatory** – Collaboration with the professions’ national councils on consistent standards for examination, licensure, and enforcement. Evaluating applications to ensure that those entering professional practice have completed the required education, examination, and experience.
2. **Enforcement** – Investigating complaints and taking action against licensees and unlicensed individuals who violate the Board’s statutes and rules. Removing individuals from practice when necessary. Exchanging enforcement data across jurisdictions. Providing public access to license status, discipline history, and the complaint process. Ensuring that the Board’s statutes and rules are up-to-date and understandable.
3. **Outreach and Education** – Providing information to Minnesota citizens, legislators, building officials, fire marshals, other state agencies, schools, and national councils about the value of licensure and the requirements of competent practice.

The Board of AELSLAGID contributes to keeping people in Minnesota safe by:

- Setting education, examination, and experience standards for licensure and certification;
- Reviewing applicant credentials to ensure that those entering professional practice have completed the required education, examination, and experience; and
- Investigating complaints and taking enforcement action against those who violate the Board’s statutes and rules.

The Board contributes to creating a thriving economy in Minnesota that encourages business growth and employment opportunities by:

- Ensuring that statutes and rules reflect the minimum standards to protect the public; and
- Updating statutes and rules to remove unnecessary barriers to licensure and certification.

The Board contributes to providing efficient and accountable government services by:

- Responding quickly and professionally to applicants, licensees, certificate holders, and the public;
- Providing education and information to the public, students, licensees, and certificate holders; and
- Thoroughly and efficiently investigating complaints and taking enforcement action when appropriate.

The Board strives for equity in licensure and certification by:

- Ensuring that standards for Minnesota residents are not easier or harder to achieve than standards for those already licensed or certified in another state transferring to Minnesota;
- Consistently applying the statutes and rules to all applicants, licensees, and certificate holders; and
- Using plain language on application forms and in administrative rules.
