Subject: Annual Report on Pregnant Female Restraint Reporting as Required by Minnesota Statutes, Section 241.88, Subdivision 3

Dear Legislators:

Minnesota Statutes, section 241.88, subdivision 3, requires that by February 15 of each year the Department of Corrections must submit a report to the legislature on the use of restraints by state and local correctional facilities on women who are pregnant, in labor, or who have given birth in the preceding three days. The use of handcuffs on the front of the body of a pregnant woman is not considered a reportable use of restraints.

If you have any questions regarding this report, please contact Emily Lefholz, Legislative Director at 651-341-2385.

Sincerely,

Paul Schnell
Commissioner
