Total Lawful Purpose Expenditures Star Rating

Each licensed organization is evaluated by the Gambling Control Board to determine a rating based on the percentage of its annual net receipts { $[NR] = [Gross Receipts] - [Prizes Paid]$ } spent on lawful purpose expenditures (LPE) { $[Star Rating] = [LPE]/[NR]$ }. Lawful purpose means a gambling account expenditure that qualifies under one or more of the 26 categories listed on the previous page. The higher the percentage of an organization's net receipts that is spent on lawful purposes, the higher the organization's star rating. An alphabetical listing of each organization's star rating begins on the next page.

% Spent on LPE	Rating	# of Organizations Receiving Rating
50% or more	★ ★ ★ ★ ★	238
40% or more	★ ★ ★ ★	431
30% or more	★ ★ ★	340
20% or more	★ ★	75
Less than 20%	★	29

Organizations with less than a three-star rating are placed on probationary status. Probationary organizations must increase their star rating to three or more stars (two or more stars for an organization that only conducts gambling at a location where the primary business is bingo) by the end of the following fiscal year to avoid possible sanctions.

Fundraising Efficiency Rating

The fundraising efficiency rating shows how much of each dollar spent by players went to support the organization's mission. The costs of conducting lawful gambling as a fundraising activity (allowable expenses, taxes, and licensing and regulatory fees) are deducted from the net receipts, and then this amount is divided by the net receipts { $[Fundraising Efficiency] = ([NR] - [AE] - [TaxesFees]) / [NR]$ }. The resulting percentage is converted into cents to show the fundraising efficiency of the organization's lawful gambling operation.

FY2021 STAR RATING REPORT

Minnesota Gambling Control Board

Each licensed organization is evaluated by the Gambling Control Board to determine a rating based on a comparison of the amount spent on lawful purpose expenditures (LPE) during the fiscal year to the net receipts (gross receipts less prizes paid) earned during that fiscal year.

Lawful purpose expenditures include charitable contributions, payments to local units of government, lawful gambling taxes, licensing and regulatory fees, and building expenses related to veteran and fraternal organizations (Minnesota Statute 349.12 Subd. 25).

Organizations are evaluated according to the following criteria.

<u>% Spent LPE</u>	<u>Rating</u>					
50% or more	5 stars	★	★	★	★	★
40% or more	4 stars	★	★	★	★	
30% or more	3 stars	★	★	★		
20% or more	2 stars	★	★			
Less than 20%	1 star	★				

Organizations with less than a three-star rating are placed on probationary status. Probationary organizations must increase their rating to three or more stars by the end of the following fiscal year to avoid possible sanctions.

Exception: An organization that only conducts lawful gambling at a location where the primary business is bingo must be rated at two or more stars to avoid probation and possible sanctions.

FY2021 FUNDRAISING EFFICIENCY RATING

Minnesota Gambling Control Board

The fundraising efficiency rating shows how much of each dollar spent by players went to support the organization's mission. The costs of conducting lawful gambling as a fundraising activity (allowable expenses, taxes, and licensing and regulatory fees) are deducted from the net receipts, and then this amount is divided by the net receipts. The resulting percentage is converted into cents to show the fundraising efficiency of the organization's lawful gambling operation.

Organizations are evaluated according to the following criteria.
