VI. MnSCU'S REPORT/COMPLAINT OF DISCRIMINATION/HARASSMENT INVESTIGATION AND RESOLUTION PROCEDURE

Part 1. Purpose and applicability.

Affirmative Action Plan 2014-2016

Subpart A. Purpose. This procedure is designed to further implement Minnesota State Colleges and Universities policies relating to nondiscrimination by providing a process through which individuals alleging violation of Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education may pursue a complaint. This includes allegations of retaliation, or discrimination or harassment based on sex, race, age, disability, color, creed, national origin, religion, sexual orientation, gender identity, gender expression, marital status, or status with regard to public assistance. In addition, discrimination in employment based on membership or activity in a local human rights commission as defined by law is prohibited.

Subpart B. Applicability. This procedure shall apply to all individuals affiliated with Minnesota State Colleges and Universities, including its students, employees, and applicants for employment, and is intended to protect the rights and privacy of both the complainant and respondent and other involved individuals, as well as to prevent retaliation/reprisal. Individuals who violate this procedure shall be subject to disciplinary or other corrective action.

A single act of discrimination or harassment may be based on more than one protected class status. For example, discrimination based on anti-Semitism may relate to religion, national origin, or both; discrimination against a pregnant woman might be based on sex, marital status, or both; discrimination against a transgender or transsexual individual might be based on sex or sexual orientation.

Not every act that may be offensive to an individual or group constitutes discrimination or harassment. Harassment includes action beyond the mere expression of views, words, symbols or thoughts that another individual finds offensive. To constitute a violation of Board Policy 1B.1, conduct must be considered sufficiently serious to deny or limit a student's or employee's ability to participate in or benefit from the services, activities, or privileges provided by Minnesota State Colleges and Universities.

Subpart C. Scope. This procedure is not applicable to allegations of sexual violence; allegations of sexual violence are handled pursuant to Board Policy 1B.3 Sexual Violence and System Procedure 1B.3.1. In addition, harassment and discrimination complaints not arising from alleged violations of Board Policy 1B.1, are to be addressed under other appropriate policies and established practices.

Part 2. Definitions. The definitions in Board Policy 1B.1 also apply to this procedure.

Subpart A. Designated officer. Designated officer means an individual designated by the president or chancellor to be primarily responsible for conducting an initial inquiry, determining whether to proceed with an investigation under this procedure, and investigating or coordinating the investigation of reports and complaints of discrimination/harassment in accordance with this procedure.

Prior to serving as the designated officer, the individual must complete investigator training provided by the system office.

Affirmative Action Plan 2014-2016

Subpart B. Decisionmaker. Decisionmaker means a high level administrator designated by the president or chancellor to review investigative reports, to make findings whether Board Policy 1B.1 has been violated based upon the investigation, and to determine the appropriate action for the institution to take based upon the findings.

Prior to serving as a decisionmaker for complaints under this procedure, administrators must complete decisionmaker training provided by the system office.

Subpart C. Retaliation. Retaliation is as defined in Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education policy

Part 3. Consensual relationships. Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education prohibits consensual relationships between an employee and a student or another employee over whom he or she exercises direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence, whether or not both parties appear to have consented to the relationship, except as noted.

Examples of prohibited consensual relationships include, but are not limited to:

- An employee and a student if the employee is in a position to evaluate or otherwise significantly influence the student's education, employment, housing, participation in athletics, or any other college or university activity (employee includes, for example, graduate assistants, administrators, coaches, advisors, program directors, counselors and residence life staff);
- A faculty member and a student who is enrolled in the faculty member's course, who is an advisee of the faculty member, or whose academic work is supervised or evaluated by the faculty member; and
- A supervisor and an employee under the person's supervision.

A faculty member or other employee is prohibited from undertaking a romantic or sexual relationship or permitting one to develop with a student or supervisee who is enrolled in the person's class or is subject to that person's supervision or evaluation.

If a consensual, romantic or sexual relationship exists between an employee and another individual and subsequent events create a supervisor/supervisee, faculty/student or similar relationship between them, the person with evaluative or supervisory authority is required to report the relationship to his or her supervisor so that evaluative functions can be reassigned if possible.

Affirmative Action Plan 2014-2016

This procedure does not cover consensual relationships between individuals that do not require one to exercise direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence over the other.

This prohibition does not limit the right of an employee to make a recommendation on personnel matters concerning a person with whom they have a consensual relationship where the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or compensation plan.

Part 4. Reporting incidents of discrimination/harassment.

Subpart A. Reporting an incident. Any individual who believes she or he has been or is being subjected to conduct prohibited by Board Policy 1B.1 is encouraged to report the incident to the designated officer. The report/complaint should be brought as soon as possible after an incident occurs.

Any student, faculty member or employee who knows of, receives information about or receives a complaint of discrimination/harassment is strongly encouraged to report the information or complaint to the designated officer of the system office, college, or university.

Subpart B. Duty to report. Administrators and supervisors shall refer allegations of conduct that they reasonably believe may constitute discrimination or harassment under Board Policy 1B.1 to the designated officer, or in consultation with the designated officer may inquire into and resolve such matters.

Subpart C. Reports against a president. A report/complaint against a president of a college or university shall be filed with the system office. However, complaints against a president shall be processed by the college or university if the president's role in the alleged incident was limited to a decision on a recommendation made by another administrator, such as tenure, promotion or non-renewal, and the president had no other substantial involvement in the matter.

Subpart D. Reports against system office employees or Board of Trustees. For reports/complaints that involve allegations against system office employees, the responsibilities identified in this procedure as those of the president are the responsibilities of the chancellor. Reports/complaints that involve allegations against the chancellor or a member of the Board of Trustees shall be referred to the chair or vice chair of the Board for processing. Such reports/complaints may be assigned to appropriate system personnel or outside investigatory assistance may be designated.

Subpart E. False statements prohibited. Any individual who is determined to have provided false information in filing a discrimination report/complaint or during the investigation of such a report/complaint may be subject to disciplinary or corrective action.

Affirmative Action Plan 2014-2016

Subpart F. Withdrawn complaints. If a complainant no longer desires to pursue a complaint, the system office, colleges, and universities reserve the right to investigate and take appropriate action.

Part 5. Right to representation. In accordance with federal law and applicable collective bargaining agreement and personnel plan language, represented employees may have the right to request and receive union representation during an investigatory meeting.

Nothing in this procedure is intended to expand, diminish or alter in any manner whatsoever any right or remedy available under a collective bargaining agreement, personnel plan or law. Any disciplinary action imposed as a result of an investigation conducted under this procedure will be processed in accordance with the applicable collective bargaining agreement or personnel plan.

Part 6. Investigation and Resolution. The system office, college or university has an affirmative duty to take timely and appropriate action to stop behavior prohibited by Board Policy 1B.1, conduct investigations and take appropriate action to prevent recurring misconduct.

Subpart A. Personal resolution. This procedure neither prevents nor requires the use of informal resolution by an individual who believes he or she has been subject to conduct in violation of Board Policy 1B.1. In such a situation, the individual should clearly explain to the alleged offender as soon as possible after the incident that the behavior is objectionable and must stop. If the behavior does not stop or if the individual believes retaliation may result from the discussion, the individual should report to the designated officer. Under no circumstance shall an individual be required to use personal resolution to address prohibited behaviors.

Subpart B. Information privacy. Confidentiality of information obtained during an investigation cannot be guaranteed; such information, however, will be handled in accordance with applicable federal and state data privacy laws.

Subpart C. Processing the complaint. The designated officer must be contacted in order to initiate a report/complaint under this procedure. The scope of the process used in each complaint/report shall be determined by the designated officer based on the complexity of the allegations, the number and relationship of individuals involved, and other pertinent factors.

- Jurisdiction. The designated officer shall determine whether the report/complaint is one which should be processed through another system office, college or university procedure available to the complainant; if appropriate, the designated officer shall direct the complainant to that procedure as soon as possible.
- Conflicts. The designated officer should identify to the president or chancellor/designee any real or perceived conflict of interest in proceeding as the designated officer for a specific complaint. If the president or chancellor/designee determines that a conflict exists, another designated officer shall be assigned.

Affirmative Action Plan 2014-2016

- Information provided to complainant. At the time the report/complaint is made, the designated officer shall:
 - Inform the complainant of the provisions of the Board Policy 1B.1 and this procedure;
 - Provide a copy of or Web address for Board Policy 1B.1 and this procedure to the complainant;
 - Determine whether other individuals are permitted to accompany the complainant during investigatory interviews and the extent of their involvement; and
 - Inform the complainant of the provisions of Board Policy 1B.1 prohibiting retaliation.
- Complaint documentation. The designated officer shall insure that the complaint is documented in writing. The designated officer may request, but not require the complainant to document the complaint in writing using the complaint form of the system office, college or university.
- Information provided to the respondent. At the time initial contact is made with the
 respondent, the designated officer shall inform the respondent in writing of the
 existence and general nature of the complaint and the provisions of the
 nondiscrimination policy. At the initial meeting with the respondent, the designated
 officer shall:
 - Provide a copy of or Web address for Board Policy 1B.1 and this procedure to the respondent;
 - Provide sufficient information to the respondent consistent with federal and state data privacy laws to allow the respondent to respond to the substance of the complaint;
 - Explain to the respondent that in addition to being interviewed by the designated officer, the respondent may provide a written response to the allegations;
 - Determine whether other individuals are permitted to accompany the respondent during investigative interviews and the extent of their involvement; and

Affirmative Action Plan 2014-2016

- Interim actions.
 - Employee reassignment or administrative leave. Under appropriate circumstances, the president or chancellor may, in consultation with system legal counsel and labor relations, reassign or place an employee on administrative leave at any point in time during the report/complaint process. In determining whether to place an employee on administrative leave or reassignment, consideration shall be given to the nature of the alleged behavior, the relationships between the parties, the context in which the alleged incidents occurred and other relevant factors. Any action taken must be consistent with the applicable collective bargaining agreement or personnel plan.
 - Student summary suspension or other action. Under appropriate circumstances, the president or designee may, in consultation with system legal counsel, summarily suspend a student at any point in time during the report/complaint process. A summary suspension may be imposed only in accordance with Board Policy 3.6 and associated system procedures. After the student has been summarily suspended, the report/complaint process should be completed within the shortest reasonable time period, not to exceed nine (9) class days. During the summary suspension, the student may not enter the campus or participate in any college or university activities without obtaining prior permission from the president or designee. Other temporary measures may be taken in lieu of summary suspension where the president or designee determines such measures are appropriate.

Affirmative Action Plan 2014-2016

- No basis to proceed. At any point during the processing of the complaint, the designated
 officer may determine that there is no basis to proceed under Board Policy 1B.1. The
 designated officer shall refer the complaint as appropriate. The designated officer shall
 notify the complainant and respondent of the outcome as appropriate, in accordance
 with applicable data privacy laws.
- Timely Completion. Colleges, universities and the system office must provide resources sufficient to complete the investigative process and issue a written response within 60 days after a complaint is made, unless reasonable cause for delay exists. The designated officer shall notify the complainant and respondent if the written response is not expected to be issued within the 60 day period. The college, university or system office must meet any applicable shorter time periods, including those provided in the applicable collective bargaining agreement.

Subpart D. Resolution. After processing the complaint the designated officer may consider one or more of the following methods to resolve the complaint as appropriate:

- Conduct or coordinate education/training;
- Facilitate voluntary meetings between the parties;
- Recommend separation of the parties, after consultation with appropriate system office, college or university personnel;
- Other possible outcomes may include recommending changes in workplace assignments, enrollment in a different course or program, or other appropriate action;
- The system office, college or university may use alternative dispute resolution or mediation services as a method of resolving discrimination or harassment complaints.
 Alternative dispute resolution and mediation options require the voluntary participation of all parties to the complaint;
- Upon completion of the inquiry, the designated officer may dismiss or refer the complaint to others as appropriate.

Subpart E. Decision process. If the above methods have not resolved the complaint within a reasonable period of time to the satisfaction of the designated officer, or the designated officer feels additional steps should be taken, the procedures in this subpart shall be followed.

- **Designated officer.** The designated officer shall:
 - Prepare an investigation report and forward it to the decisionmaker for review and decision;

Affirmative Action Plan 2014-2016

- o Take additional investigative measures as requested by the decisionmaker; and
- Be responsible for coordinating responses to requests for information contained in an investigation report in accordance with the Minnesota Government Data Practices Act and other applicable law including, but not limited to the Family Educational Rights and Privacy Act (FERPA). In determining the appropriate response, the designated officer shall consult with the campus data practice compliance official and/or the Office of General Counsel.
- **Decision maker.** After receiving the investigation report prepared by the designated officer, the decisionmaker shall:
 - Determine whether additional steps should be taken prior to making the decision. Additional steps may include:
 - A request that the designated officer conduct further investigative measures;
 - A meeting with the complainant, respondent or other involved individuals. If a meeting involving a represented employee is convened, the complainant or respondent may choose to be accompanied by the bargaining unit representative, in accordance with the applicable collective bargaining agreement and federal and state law; and
 - A request for additional information which may include a written response from the complainant or respondent relating to the allegations of the complaint.
 - Take other measures deemed necessary to determine whether a violation of Board Policy 1B.1 has been established;
 - When making the decision, take into account the totality of the circumstances, including the nature and extent of the behaviors, the relationship(s) between the parties, the context in which the alleged incident(s) occurred, and other relevant factors;
 - Determine the nature, scope and timing of disciplinary or corrective action and the process for implementation if a violation of the nondiscrimination policy occurs. This may include consultation with human resources or supervisory personnel to determine appropriate discipline;
 - As appropriate, consistent with applicable state and federal data privacy laws,
 report in writing to the complainant, respondent and the designated officer her

Affirmative Action Plan 2014-2016

or his findings, and the basis for those findings, as to whether Board policy 1B.1 has been violated; and

 Conduct that is determined not to have violated Board policy 1B.1 shall be referred to another procedure for further action, if appropriate.

Part 7. System office, college, or university action. The system office, college, or university shall take the appropriate corrective action based on results of the investigation, and the designated officer shall make appropriate inquiries to ascertain the effectiveness of any corrective or disciplinary action. Complainants are encouraged to report any subsequent conduct that violates Board Policy 1B1.1, as well as allegations of retaliation.

Written notice to parties relating to discipline, resolutions, and/or final dispositions resulting from the report/complaint process is deemed to be official correspondence from the system office, college or university. In accordance with state law, the system office, college or university is responsible for filing the complaint disposition concerning complaints against employees with the Commissioner of Employee Relations within 30 days of final disposition.

Part 8. Appeal.

Subpart A. Filing an appeal. The complainant or the respondent may appeal the decision of the decisionmaker. An appeal must be filed in writing with the president or designee within ten (10) business days after notification of the decision. The appeal must state specific reasons why the complainant or respondent believes the decision was improper. In a complaint against a president or other official who reports directly to the chancellor, an appeal may be considered by the chancellor whether or not the chancellor served as the decisionmaker.

Subpart B. Effect of review. For employees represented by a collective bargaining agreement, an appeal under this procedure is separate and distinct from, and is not in any way related to, any contractual protections or procedures. During the pendency of the appeal disciplinary or corrective action taken as a result of the decision shall be enforced. In addition, in cases involving sanctions of suspension for ten (10) days or longer, students shall be informed of their right to a contested case hearing under Minnesota Statutes §14.

Subpart C. Appeal process. The president or designee shall review the record and determine whether to affirm or modify the decision. The president or designee may receive additional information if the president or designee believes such information would aid in the consideration of the appeal. The decision on appeal shall be made within a reasonable time and the complainant, respondent and designated officer shall be notified in writing of the decision, consistent with applicable state and federal data privacy laws. The decision on appeal exhausts the complainant's and respondent's administrative remedies under this procedure except as provided herein.

Affirmative Action Plan 2014-2016

Part 9. Education and training. The system office, colleges and universities shall provide education and training programs to promote awareness and prevent discrimination/harassment, such as educational seminars, peer-to-peer counseling, operation of hotlines, self-defense courses, and informational resources. Education and training programs should include education about Board Policy 1B.1 and this procedure. All colleges and universities and the system office shall promote awareness of Board Policy 1B.1 and this procedure, and shall publicly identify the designated officer.

Part 10. Distribution of board policy 1B.1 and this procedure. Information regarding Board Policy 1B.1 and this procedure shall, at a minimum, be distributed to students at the time of registration and to employees at the beginning of employment. Distribution may be accomplished by posting on an internet website, provided all students and employees are directly notified of how to access the policy and procedure by an exact address, and that they may request a paper copy. Copies of the policy and procedure shall be conspicuously posted at appropriate locations at the system office and on college and university campuses at all times and shall include the designated officers' names, locations and telephone numbers.

Designated officers also must be identified by name, location and phone number in informational publications such as student catalogs, student and employee handbooks, bulletin boards, campus websites and other appropriate public announcements.

Part 11. Maintenance of report/complaint procedure documentation. During and upon the completion of the complaint process, the complaint file shall be maintained in a secure location in the office of the designated officer for the system office, college or university in accordance with the applicable records retention schedule. Access to the data shall be in accordance with the respective collective bargaining agreement or personnel plan, the Minnesota Government Data Practices Act, the Family Educational Rights and Privacy Act or other applicable law.

VII. MNSCU'S REASONABLE ACCOMMODATIONS IN EMPLOYMENT POLICY

Part 1. Purpose. This procedure sets forth the process to be used for responding to requests for reasonable accommodations in employment based on an applicant's or employee's disability. The scope of this procedure is limited to reasonable accommodations, and is not intended to fully describe other provisions of the Americans with Disabilities Act or the Minnesota Human Rights Act.

Part 2. Reasonable Accommodations in Employment. It is the policy of MnSCU to encourage the employment and promotion of any qualified individual including qualified individuals with disabilities. The system office, college or university will not discriminate in providing reasonable accommodations to qualified individuals with a disability in regard to job application procedures, hiring, advancement, discharge, employee compensation, job training or other terms, conditions, and privileges of employment.

Affirmative Action Plan 2014-2016

Part 3. Definitions. For purposes of this procedure, the following terms have the meaning given them:

Subpart A. Employer. The employer is the system office, college or university.

Subpart B. Essential Functions. Essential functions are the fundamental job duties of the position in question. The term does not include the marginal functions of the position.

- A job function may be considered essential for any of several reasons, including but not limited to the following:
 - The function may be essential because the reason the position exists is to perform that function;
 - The function may be essential because of the limited number of employees available among whom the performance of that job function can be distributed; and/or
 - The function may be highly specialized so that the incumbent in the position is hired for his or her expertise or ability to perform the particular function.
- Evidence of whether a particular function is essential includes, but is not limited to:
 - The employer's judgment as to which functions are essential;
 - Written job descriptions;
 - The amount of time spent on the job performing the function;
 - The consequences of not requiring the incumbent to perform the function;
 - The terms of a collective bargaining agreement;
 - The work experience of past incumbents in the job; and/or
 - The current work experience of incumbents in similar jobs.

Subpart C. Individual with a Disability. An individual with a disability for the purposes of determining reasonable accommodations is any applicant, current employee, including student employees, or employees seeking promotion, who has a physical or mental impairment which substantially or materially limits one or more of such individual's major life activities. Generally, a disabling physical or mental condition which is expected to be temporary and from which the individual is expected to recover is not a disability under this procedure.

Affirmative Action Plan 2014-2016

Subpart D. Qualified Individual with a Disability. A qualified individual with a disability is an individual with a disability who meets the requisite skill, education, experience and other job-related requirements of the job and who, with or without reasonable accommodation, can perform the essential functions of the job.

Subpart E. Reasonable Accommodations. A reasonable accommodation is a modification or adjustment to a job or employment practice or the work environment that enables a qualified individual with a disability to perform the essential functions of the job as identified at the time of the reasonable accommodation request and to access equal employment opportunities. Reasonable accommodations may also include those things which make a facility and its operations readily accessible to and usable by individuals with disabilities. Under the law, the employer has a responsibility to make reasonable accommodations for individuals with a disability only if the disability is known and it is not an undue hardship under Part 6, Subpart C.

Part 4. Identification of Assigned Staff Member. The system office, and each college and university shall assign and identify a staff member responsible for administering requests for reasonable accommodations.

Part 5. Right to Representation. In accordance with applicable collective bargaining agreement language, employees may have the right to request and receive union representation during the reasonable accommodations process.

Part 6. Providing Reasonable Accommodations.

Subpart A. Job Relatedness. Reasonable accommodations will be provided only for job-related needs of individuals with a disability. The primary factor in evaluating an accommodation's job relatedness is whether the accommodation specifically assists the individual to perform the essential functions of the job as identified at the time of the reasonable accommodation request. If the requested accommodation is primarily for the benefit of the individual with a disability to assist that individual in daily personal activities, the employer is not required to provide the accommodation. The appropriate reasonable accommodation is best determined through a flexible, interactive process that involves both the employer and the qualified individual with a disability; it may include the appropriate union representative as provided by the applicable collective bargaining agreement.

Subpart B. Essential Functions. The system office, college or university may deny employment or advancement in employment based on the inability of an individual with a disability to perform the essential functions of the job and may decline to make accommodations to the physical or mental needs of an employee or job applicant with a disability if:

• The accommodation would impose an undue hardship on the system office, college or university as provided under Subpart C.;

Affirmative Action Plan 2014-2016

- The individual with a disability, with or without reasonable accommodations, is not qualified to perform the essential functions of that particular job; or
- Having the individual in the job would create a direct threat because of a significant risk
 to the health and safety of the individual or others and the risk cannot be eliminated by
 reasonable accommodation.

Subpart C. Undue Hardship. In determining whether providing a reasonable accommodation would impose an undue hardship on the employer, the factors to be considered include:

- The nature and net cost of the accommodation needed;
- The overall financial resources of the employer involved in the provision of the reasonable accommodation, the number of persons employed, and the effect on expenses and resources;
- The overall financial resources of the employer, the overall size of the business of the employer with respect to the number of its employees, and the number, type and location of its facilities;
- The type of operation or operations of the employer, including the composition, structure and functions of the workforce, and the geographic separateness and administrative or fiscal relationship of the employer in question to the covered entity; and
- The impact of the accommodation upon the operation of the employer, including the impact on the ability of other employees to perform their duties and the impact on the employer's ability to conduct business.

Subpart D. Documentation. Documentation of a disability is required as part of the reasonable accommodation process unless the nature and extent of the disability is already known to the employer, or as a practical matter, the requested accommodation is minimal and the employer makes modifications for its convenience, regardless of whether the employee or applicant meets the requirements for a reasonable accommodation under this procedure.

Subpart E. Choice of Accommodations. The employer is not required to provide the specific accommodation requested by the individual and may choose an effective accommodation which is less expensive or easier to provide. Accommodations provided to the individual are the financial responsibility of the employer.

Subpart F. Request Process. The system office, colleges and universities are responsible for establishing a process for individuals with disabilities to make requests for reasonable accommodations in compliance with the Americans with Disabilities Act or the Minnesota Human Rights Act. Such process should include the following:

Affirmative Action Plan 2014-2016

- MnSCU policy statement and definitions;
- Assignment and identification of a staff member responsible for administering requests for reasonable accommodations;
- Provide a process for appealing a reasonable accommodations decision.

Part 7. Application. Nothing in this procedure is intended to expand, diminish or alter the provisions of the Americans with Disabilities Act or the Minnesota Human Rights Act.

VIII. EVACUATION PROCEDURES FOR INDIVIDUALS WITH DISABILITIES

A copy of the college's weather and emergency evacuation plans can be found at: http://www.mnwest.edu/index.php/policies/44.

Knowledge and preparation by both individuals needing assistance and those who don't is key to reducing the impact of emergencies. When developing a plan, safety needs should be determined on a case-by-case basis because it varies with each individual and building.

Everyone has a responsibility to develop their own personal emergency evacuation plans, this includes individuals with disabilities or individuals who will need assistance during evacuation. The Americans with Disabilities Act Coordinator or designee in each college will work to develop a plan and consult the appropriate building and safety personnel.

Directors, managers, and supervisors should review the emergency evacuation procedures with staff, including informing all staff that if additional assistance may be needed, and individuals with disabilities should contact the college contact below to request the type of assistance they may need.

Campus/Center	Primary Person Responsible	Support	Support	Support
Canby	Rebecca Weber	Linda Pesch	Vanessa Ruether	Dave Mercer

Affirmative Action Plan 2014-2016

Evacuation Options:

Individuals with disabilities have four basic, possibly five, evacuation options.

- Horizontal evacuation: Using building exits to the outside ground level or going into unaffected wings of multi-building complexes;
- Stairway evacuation: Using steps to reach ground level exits from building;
- Shelter in place: Unless danger is imminent, remain in a room with an exterior window, a telephone, and a solid or fire resistant door. If the individual requiring special evacuation assistance remains in place, they should dial 911 immediately and report their location to emergency services, who will in turn relay that information to on-site responders. The shelter in place approach may be more appropriate for sprinkler protected buildings where an area of refuge is not nearby or available. It may be more appropriate for an individual who is alone when the alarm sounds;
- Area of rescue assistance: Identified areas that can be used as a means of egress for individuals with disabilities. These areas, located on floors above or below the building's exits, can be used by individuals with disabilities until rescue can be facilitated by emergency responders; and/or
- For agencies equipped with an evacuation chair: Evacuation chairs or a light-weight solution to descending stairways can be used and generally require single user operation. If a college is equipped with an evacuation chair, best practice indicates that all employees are trained and have practiced evacuating using an evacuation chair.

Evacuation Procedures for Individuals with Mobility Disabilities, Hearing Disabilities, and Visual Disabilities:

Individuals with disabilities should follow the following procedures:

- Mobility disabilities (individuals who use wheelchairs or other personal mobility devices
 ("PMDs"): Individuals using wheelchairs should be accompanied to an area of rescue
 assistance by an employee or shelter in place when the alarm sounds. The safety and
 security staff will respond to each of the areas of rescue assistance every time a building
 evacuation is initiated to identify the individuals in these areas and notify to emergency
 responders how many individuals need assistance to safely evacuate.
- Mobility disabilities (individuals who do not use wheelchairs): Individuals with mobility
 disabilities, who are able to walk independently, may be able to negotiate stairs in an
 emergency with minor assistance. If danger is imminent, the individual should wait until
 the heavy traffic has cleared before attempting the stairs. If there is no immediate
 danger (detectable smoke, fire, or unusual odor), the individual with a disability may

Affirmative Action Plan 2014-2016

choose to wait at the area of rescue assistance until emergency responders arrive to assist them.

- Hearing disabilities: The college buildings are equipped with fire alarm horns/strobes that sound the alarm and flash strobe lights. The strobe lights are for individuals with who are deaf and/or hard of hearing. Individuals with hearing disabilities may not notice or hear emergency alarms and will need to be alerted of emergency situations.
- Visual disabilities: The college buildings are equipped with fire alarm horn/strobes that sound the alarm and flash strobe lights. The horn will alert individuals who are blind or have visual disabilities of the need to evacuate. Most individuals with visual disabilities will be familiar with their immediate surroundings and frequently traveled routes. Since the emergency evacuation route is likely different form the common traveled route, individuals with visual disabilities may need assistance in evacuating. The assistant should offer assistance, and if accepted, guide the individual with a visual disability through the evacuation route.

Severe Weather Evacuation Options:

Individuals with disabilities or who are in need of assistance during an evacuation have three evacuation options based on their location in their building:

- Horizontal evacuation: If located on the ground or basement floor, severe weather shelter areas are located throughout each floor;
- Elevator evacuation: If there are no safe areas above the ground floor, the elevator may be used to evacuate to the ground or basement levels; and/or
- Shelter in Place: Seeking shelter in a designated severe weather shelter and remaining there until the all clear is used.

IX. GOALS AND TIMETABLES

Through the utilization analysis, the college has determined which job categories are underutilized for women, minorities, individuals with disabilities, and veterans within the college and has set the following hiring goals for the next two years (Reference Table 2).

Table 2. Underutilization Analysis and Hiring Goals for 2014-2016

	UNDERUTILIZATION – # OF INDIVIDUALS			HIRING GOALS FOR 2014-2016				
Job Categories		Racial/	Individuals			Racial/	Individuals	
Job Categories	Women	Ethnic	With	Veterans	Women	Ethnic	With	Veterans
		Minorities	Disabilities			Minorities	Disabilities	
Officials/Administrators		3						
Professionals		3	3	3				
Faculty		19	3	3		1		
Office/Clerical		1	3	3				
Technicians						?		
Skilled Craft								
Service Maintenance	7	3			1			

Availability:

The college determined the recruitment area to be county specific for all classified position as well as unclassified professionals and nationwide availability for faculty and administrators. In conducting its underutilization analysis, the college used the one factor analysis. The college determined it was best to use this type of analysis because our internal availability statistics are not very diverse and would dilute the availability.

Underutilization Analysis worksheets are attached in the appendix. Numbers less than 10 are indicated with "<10" in accordance with Minnesota Management and Budget's guidance on data privacy.

Women:

The college's utilization of women in job categories is higher than the availability in all groups except the Service Maintenance/Skilled Craft category. The college had previously identified a goal of hiring one woman in this job category for the 2012-2014 plan years but was unable to attain the goal due to the fact that no vacancies occurred. Since the majority of the college's opportunities to hire are as a result of retirements we do believe we could have one opportunity to hire a female in this job class over the next two years and set the hiring goal at one.

Minorities:

At the college, the population of minorities has improved in the following job categories: Office/Clerical and has not improved in the following job categories: Officials/Administrators, Professionals, Faculty, Technicians, Skilled Craft/Service Maintenance. The college had identified a goal of one Faculty and one Professional in plan year 2012-2014. Although the college was able to hire one minority faculty they were not able to retain them due to poor job performance. An opportunity to hire in the Professional group did not occur. The college anticipates 3-5 faculty hiring opportunities over the next two years and sets a goal of hiring one minority faculty member. We do not anticipate foreseen opportunities to hire in the professional unit and therefore will not have a goal identified.

Individuals with Disabilities:

At the college, the utilization of individuals with disabilities has improved in the following job categories: Professionals, Faculty, Office/Clerical and Service Maintenance/Skilled Craft Officials/Managers and Technicians. In plan year 2012-2014 we had identified goals to hire one individual in each of the following job categories: Faculty, Professionals, and Secretarial/Clerical. We did see our number improve in all three categories. In part this was due to individuals currently employed self identifying themselves as disabled and in part it was due to lower availability numbers. The college remains currently underutilized in several job categories for persons with disabilities but in review of our future hiring opportunities sees limited opportunities to increase our utilization.

Veterans:

Affirmative Action Plan 2014-2016

Effective March of 2013, the Office of the Federal Contract Compliance Program ("OFCCP") included veterans in affirmative action. Going forward, this college will track the hiring and underutilization of veterans in accordance with the OFCCP regulations.

X. AFFIRMATIVE ACTION PROGRAM OBJECTIVES

In pursuing the college's commitment to affirmative action, the college will take the following actions during 2014-2016:

Objective #1: Provide a variety of services to support the diverse needs of protected and under-represented groups.

Action Steps:

- Provide support services to applicants and college employees on issues of reasonable accommodation to maintain compliance with the Americans with Disabilities Act.
- Offer cultural based workshops annually at Staff Development Day and Faculty Duty Day.
- Maintain and enhance the faculty mentoring program to increase faculty retention and satisfaction.

Evaluation:

Use of services and participation in training by staff and faculty.

Objective #2: Establish and foster a community diversity collaborative

Action Steps:

- In collaboration with local organizations develop strategies to improve the diversity of applicant pools and hiring of under-represented groups.
- Create a communication with identified constituents to attract and recruit underrepresented individuals to applicant pools.

Evaluation:

Continued development of a community diversity advisory group which will lead to increased diversity in applicant pools.

Objective #3: Promote and create a campus environment free of harassment and discrimination.

Action Steps:

• Through a formal orientation process, inform new staff/faculty of policies and regulations pertaining to discrimination and harassment and ADA compliance.

Affirmative Action Plan 2014-2016

- Orient new employees to college policies with regard to discrimination and/or harassment.
- Inform staff and students on procedures for filing and investigating complaints of harassment/discrimination through orientations, handbooks and e-learning.
- Ensure that employee and student handbooks and the MWCTC website provide easy access to our complaint process and procedures.
- Ensure that the established complaint procedure allows for timely and thorough investigation of all complaints of harassment/discrimination.
- Follow the established complaint procedure when investigating complaints of harassment/discrimination.

Evaluation:

Training evaluations to evaluate program effectiveness and to ensure participation is documented.

Objective #4: Improve campus-wide diversity and multicultural awareness, appreciation and engagement.

Action Steps:

- Collaborate with internal employees, community, and system office to offer programs to the college employees and students that focus on diversity and multiculturalism, poverty, racism and justice issues.
- Offer trainings/speakers that focus on multicultural awareness, appreciation and involvement.
- Obtain the services of speakers knowledgeable in affirmative action and/or cultural diversity to make presentations during development days at the College.

Evaluation:

Increased participation at cultural activities. An increase in diversity awareness and support.

XI. METHODS OF AUDITING, EVALUATING AND REPORTING PROGRAM SUCCESS

A. Pre-Employment Review Procedure/Monitoring the Hiring Process

The college will evaluate its selection process to determine if its requirements unnecessarily screen out a disproportionate number of women, minorities, individuals with disabilities, or veterans. The college will use the monitoring the hiring process form for every hire to track the number of women, minorities, individuals with disabilities, and veterans in each stage of the selection process. Directors, managers, and supervisors will work closely with human resources and the Affirmative Action Officer in

Affirmative Action Plan 2014-2016

reviewing the requirements for the position, posting the position, and interviewing and selection to ensure that equal opportunity and affirmative action is carried out. Directors, managers, and supervisors will be asked to document their hiring decisions and equal opportunity professionals will review for bias.

Any time the college cannot justify a hire, the college takes a missed opportunity. The college will report the number of affirmative and nonaffirmative hires as well as missed opportunities to Minnesota Management and Budget on a quarterly basis.

When candidates are offered interviews, employees scheduling interviews will describe the interview format to the candidate and provide an invitation to request a reasonable accommodation for individuals with disabilities to allow the candidate equal opportunity to participate in the interview process. For example, describe if interview questions are offered ahead of time or what technology may be used during the interview process. This allows for an individual with a disability to determine if they may need a reasonable accommodation in advance of the interview.

All personnel involved in the selection process will be trained and accountable for the college's commitment to equal opportunity and the affirmative action program and its implementation.

B. Pre-Review Procedure for Layoff Decisions

The Affirmative Action Officer shall be responsible for reviewing all pending layoffs to determine their effect on the college's affirmative action goals and timetables.

If it is determined that there is an adverse impact on protected groups, the college will document the reasons why the layoff is occurring, such as positions targeted for layoff, applicable personnel policies or collective bargaining agreement provisions, or other relevant reasons. The college will determine if other alternatives are available to minimize the impact on protected groups.

C. Other Methods of Program Evaluation

Our college submits the following compliance reports to Minnesota Management and Budget as part of our efforts to evaluate our affirmative action program:

- Quarterly Monitoring the Hiring Process Reports;
- Biannual Affirmative Action Plan;
- Annual Americans with Disabilities Act Report;
- Annual Internal Complaint Report; and

Affirmative Action Plan 2014-2016

• Disposition of Internal Complaint (within 30 days of final disposition).

Our college also evaluates our Affirmative Action Plan in the following ways:

- Monitors progress toward stated goals by job category;
- Analyzes employment activity (hires, promotions, and terminations) by job category to determine if there is adverse impact;
- Analyzes compensation program to determine if there are patterns of discrimination;
- Reviews the accessibility of online systems, websites, and ensures that reasonable accommodations can be easily requested; and
- Discusses progress with college leadership on a periodic basis and makes recommendations for improvement.

XII. RECRUITMENT PLAN

The objective of this recruitment plan is to ensure our college recruitment programs are publicly marketed, attract, and obtain qualified applicants, enhance the image of state employment, and to assist in meeting our college affirmative action goals to achieve a diverse workforce.

Recruitment costs incurred during the 2012-2014 plan year total \$27,523.46.

Below are various recruitment methods or strategies utilized by the college during the past year.

A. Advertising Sources

- Discipline related journals, newsletters, newspapers, etc (example powerlineman.com)
- MnSCU Job Opportunites website
- Minnesota Diversity.com (Minnesota Diversity shares job openings with their JobCast partners which include: Diversity Organizations, Minorities, People with Disabilities, Professional/Technical groups, Workforce Agencies, Universities and Colleges, Veterans, and Women.
- Minnesota West website
- Local Newspapers (Canby, Granite Falls, Worthington, Jackson, Pipestone, Brookings, Marshall, Willmar, Spencer, IA)

Affirmative Action Plan 2014-2016

- Sioux Falls Argus Leader
- Mankato Free Press
- Higheredjobs.com
- Midwest Higher Education Recruitment Consortium
- Minnesota Career Opportunities

B. Job and Community Fairs

The College does not recruit candidates through job fairs and does not anticipate using job fairs as a recruitment method in the future.

C. Recruitment for Individuals with Disabilities

Minnesota West Community and Technical College recognizes that recruitment for persons with disabilities continues to be a high priority in increasing diversity in the college's workforce. The college will look for opportunites to participate in workshops/trainings to increase awareness, and will look for opportunities to broaden sources of advertising to better target this population for vacancies.

D. Relationship Building and Outreach

The College values relationship building and outreach with community partners. College leadership met with area community leaders from the Worthington area to discuss opportunities to reach a more diverse population and incorporate them into both our applicant pools and our College. We will continue to foster and develop the relationship in order to enhance and promote the College as a viable place for employment and education.

E. Internships

Internship opportunities are directly related to a specific academic program of the college. When possible, student interns will be provided an opportunity to earn academic credit and/or work experience while performing a valuable service to the department and college. The supervisor seeking a student intern will establish a mentoring relationship with the student and will work with the Human Resources Office to formalize and implement specific internship arrangements.

F. Supported Employment (M.S. 43A.191, Subd. 2(d))

This college supports the employment of individuals with disabilities and will review vacant positions to determine if job tasks can be performed by a supported employment workers. We will work with community organizations that provide employment services to individuals with disabilities to recruit for these positions.

XIII. RETENTION PLAN

Affirmative Action Plan 2014-2016

Our college is committed to not just the recruitment of women, minorities, individuals with disabilities, and veterans, but also to the retention of these protected groups.

A. Individual Responsible for College's Retention Program/Activities

The college strives to maintain an environment that promotes retention of a diverse workforce. Administrators and supervisors are responsible for the retention of their employees. Retention is monitored by the Chief Human Resources Officer.

B. Separation and Retention Analysis by Protected Groups

Separation data for Minnesota West Community and Technical College, for the period of July 2012 through June of 2014 was collected and analyzed.

During the last biennium, thirty-one employees left employment at the college. Twenty-four or 77% of the employees left voluntarily through resignation or retirement. Seven employees or 23% were layoffs or faculty non-renewals.

Analysis of this data appears to show that separation patterns of non-protected and protected group employees are not significantly different and that the primary reason for separations are retirement or employees moving on to other employment opportunities.

Minnesota West will continue to recruit and retain its employees with special emphasis on underutilized group members. Through experience, the college knows the best way to retain employees it to strive to maintain positive working environment through ongoing communication and by providing employees with a mechanism to resolve disputes that may arise in the work place. The last biennium has proven to be difficult to attract and retain qualified individuals due to the loss of funding at MnSCU institutions. In the case of twelve of the separations during this biennium the positions were not replaced leaving less opportunity to diversify the workforce.

C. Methods of Retention of Protected Groups

Commitment to Early Conflict Intervention:

Employers who quickly respond to employee disputes are less likely to lose valuable employees. The College strongly believes in early detection and intervention of employee conflicts. While some disputes, particularly those which fall under the purview of Equal Opportunity Employment and state and federal laws require full investigation, other employee disputes are best resolved informally. The Chief Human Resources Officer (trained in alternate dispute resolution) and affected supervisor will usually be involved in all mediation efforts.

Employee Recognition:

Affirmative Action Plan 2014-2016

The College is committed to the idea that employees who are recognized for their efforts are less likely to leave the organization. Through programs such as Luoma Leadership Academy, achievement awards and other events the College hopes to have an ongoing system that will recognize individuals who have performed admirably or become leaders in their field.

Staff Development/Training:

Staff development dollars have been budgeted for all employee groups. These funds can be used within established guidelines to fund educational studies, professional development activities, memberships, etc. Additional funds have been designated for college-wide development days/activities.

Faculty Mentoring Program:

A faculty mentoring program that matches a seasoned faculty member with new hires has been established. We continue to monitor the effectiveness and makes changes as necessary and appropriate.

For Disabilities and Veterans, the Availability % comes from the Office of Federal Contractor Compliance
Program ("OFCCP")

^{*}The Veteran's category was not measured in the plan year 2012-2014 so we are unable to effectively evaluate success in recruitment until the plan 2016-2018

^{*}The Skilled Craft unit was previously combined and weighted with the Service Maintenance group so

^{*}The county data was used for the Professionals/Technicians/Office Clerical and Service Maintenance/Skilled Craft Groups. In plan year 2012-201 Statewide data was used for these groups.

Affirmative Action Plan 2014-2016

Since we recruit locally for these groups of employees it seemed logical to begin relying on the countywide data. The change from Statewide data countywide data

makes it somewhat difficult to assess improvement from plan year 2012-2014 to 2014-2016
