APPROVED P/T CONTRACT & AMENDMENT DOLLAR TOTALS : FY 2023
Organized by Department

This summary contains the total number and total dollar amounts, by agency, of approved professional/technical service contracts and amendments.

NOTE: This data represents approved amounts and does not provide an accounting of actual dollars spent. For example, amounts reported for state health plans and pensions are often funded through administrative fees collected by the contractor, and not paid directly by the state. In addition, this report includes approved zero dollar contracts and amendments. Not all contracts and amendments are approved directly by the Department of Administration. The reporting contained herein contains only those contracts and amendments approved by the Department of Administration, or those reported to the Department of Administration that were signed under delegated authority.

APPROVED P/T CONTRACTS & AMENDMENTS: FY 2023
Organized by Agency

This report contains professional/technical contracts and amendments that were approved during FY 2023.

NOTE: This data represents approved amounts and does not provide an accounting of actual dollars spent. For example, amounts reported for state health plans and pensions are often funded through administrative fees collected by the contractor, and not paid directly by the state. In addition, this report includes approved zero dollar contracts and amendments. Not all contracts and amendments are approved directly by the Department of Administration. The reporting contained herein contains only those contracts and amendments approved by the Department of Administration, or those reported to the Department of Administration that were signed under delegated authority.

This information is submitted pursuant to Minnesota Statutes §16C.08, subd. 4 (a) and (b).
