Re: Annual Report on Obsolete, Unnecessary, or Duplicative Rules

Because of statutory changes from the 2023 legislative session, the bureau has identified several obsolete rules under chapter 5510, its rule chapter on the Public Employment Labor Relations Act. The bureau plans to introduce legislation in the 2024 legislative session for legislative authorization to use expedited rulemaking authority to amend the obsolete rules and to repeal rules identified under last year's report.

The cost to prepare this report was about \$30.
