**Subject: Annual Report on Obsolete, Unnecessary or Duplicative Rules as Required by  
Minnesota Statutes, Section 14.05, Subdivision 5**

Dear Governor Walz, Senators, Representatives, Executive Director Weber, and Revisor Inman:

Minnesota Statutes, section 14.05, subdivision 5, directs the Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and Interior Design (“Board”) to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

In its last report, the Board declared its intention to repeal 10 obsolete, unnecessary or duplicative rules. The rule modifications were adopted as part of rule package R-04764 and will be effective on December 4, 2023.

The Board has not identified any additional rules that have become obsolete, unnecessary or duplicative over the course of the last year.

We look forward to working with you during this legislative session and appreciate your dedication to service of the State of Minnesota. If you have any questions regarding this report, please contact me at 651-757-1517.

Sincerely,

Doreen Johnson  
Executive Director

cc: Melisa Rodriguez, PE, Board Chair
