

Agricultural Fund Statements -November 2023

Legislative Charge

This Semiannual Report is mandated by Minnesota Statute Section 17.03 Subd. 13 Semiannual reports, POWERS AND DUTIES OF COMMISSIONER, which states:

(a) The commissioner shall submit to the legislative committees having jurisdiction over appropriations from the agricultural fund in section 16A.531 reports on the amount of revenue raised in each fee account within the fund, the expenditures from each account, and the purposes for which the expenditures were made. The reports must be issued in February and November each year, to coincide with the forecasts of revenue and expenditures prepared under section 16A.103.

(b) The report delivered in February of each year must include the commissioner's recommendations, if any, for changes in statutes relating to the fee accounts of the agricultural fund.

Background

The attached report contains an overview of the Minnesota Department of Agriculture's (MDA's) 48 agricultural fund accounts as reported for the November 2023 forecast. Each tab of the spreadsheet provides actual revenue collected and expenses disbursed during fiscal years 2020-2023 as well as forecasted revenue and spending for fiscal years 2024-2027. Revenue estimates are based on authorized rates with expected volume. Expenditure estimates are based on current law appropriations. MDA works to maintain an agricultural fund balance reserve to ensure continuity of operations, meet future needs, and protect against financial instability.

Pursuant to Minn. Stat. § 3.197, the cost of preparing this report was approximately \$2,400.00.

In accordance with the Americans with Disabilities Act, this information is available in alternative forms of communication upon request by calling 651-201-6000. TTY users can call the Minnesota Relay Service at 711. The MDA is an equal opportunity employer and provider.
