GRAND TOTAL 1956856

This summary is a machine compilation for the period November 15, 1964 through approximately November 14, 1965, a twelve-month period. This may not be in agreement with department auditing figures due to "cutoff" dates, suspense files, and certain miscellaneous categories.

The foregoing count does not include two-wheel trailers (class A and B) registered biennially--1964 was the first year of that biennium. A total of 159,582 vehicles were registered that year. In addition, about 20,482 such trailers were registered between January 1 and October 31, 1965.

This report does not include tax-exempt registrations totaling 23,613 for the 3-year period of 1963-1965.

Explanation of Class Designations
