**Independent Auditor's Report
on the Financial Data Schedule**

Metropolitan Council of the Twin Cities Area
Saint Paul, Minnesota

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Metropolitan Council of the Twin Cities Area (Metropolitan Council), a component unit of the State of Minnesota, as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Metropolitan Council's basic financial statements. We have issued our report thereon dated June 19, 2024, which contained unmodified opinions on those financial statements.

Our audit was conducted for the purpose of forming opinions on the basic financial statements of the Metropolitan Council taken as a whole. We have not performed any procedures with respect to the audited financial statements subsequent to June 19, 2024. The accompanying Financial Data Schedule, as required by the U.S. Department of Housing and Urban Development (HUD) Real Estate Assessment Center (REAC), is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Metropolitan Council is responsible for the accuracy and completeness of the Financial Data Schedule, which was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.
