

Report Title: Veterinary Diagnostic Laboratory Expenditures FY23

Per the requirements set forth in Minnesota Statue 3.197, the cost to prepare this report was \$300.

Description: Information about expenditures and activities from \$1,000,000 appropriated from the General Fund and a grant in the amount of \$250,000 to purchase equipment for the Veterinary Diagnostic Laboratory to test for chronic wasting disease, African swine fever, avian influenza, and other animal diseases.

Activities: Contracts were set up between the Minnesota Department of Agriculture and the University of Minnesota for the use of these funds. Two hundred and eight pieces of equipment were identified and purchased, with a total cost of \$1,234,808. These include three testing units for RT-QuIC for Chronic Wasting Disease testing.

Expenditures:
