DIVERSION SOLUTIONS, LLC

SCALE CRIMINAL DIVERSION PROGRAMMING

Helping individuals put their life together one piece at a time!

Diversion Solutions uses evidence-based practices to provide innovative programming for individuals that have become involved in the Criminal Justice System. In our SCALE Criminal Charge Diversion Program we work with first time offenders to avoid criminal charges and/or a criminal record when appropriate.

The goals of this Diversion Program are to provide an alternative to criminal prosecution as an incentive to change behavior and thus reduce recidivism. We use a person-centered approach that gives individuals tools to reduce future criminal behavior. We focus on reducing recidivism, personal accountability and building safer communities. We help individuals get on track and put their lives and communities back together one piece at a time.

We manage individuals under: pre-charge, post-charge, conviction requirement, under court jurisdiction, stay of adjudication and continuance for dismissal. In our SCALE program with Crow Wing County we provide unsupervised monitored probation, educational classes and collection of restitution (when applicable), UA's and care coordination for assessments such as Chemical Use Assessments.

Diversion Solutions believes in promoting personal accountability, while at the same providing individuals with a guiding, helping, supportive hand in getting their requirements met. This multi-faceted approach not only helps individuals get back on track, it also alleviates the demand for the Attorney's to have to monitor unsupervised probation requirements. Diversion programming can truly change the trajectory of an individual's life for the better!

Gender	Age (DOO)	Offense	Failed	Completed	Pending
