Introduction

Minnesota's probation system is a combination of state and county agencies spread throughout the state's 87 counties. In 30 counties, the Minnesota Department of Corrections (DOC) provides all probation services. In 21 counties, probation services are provided by a combination of county probation offices (CPO) and the DOC. In these counties, the DOC provides supervision for adult felons and the county provides supervision for juveniles and adult non-felony cases. The remaining 36 counties participate in the Minnesota Community Corrections Act (CCA) where county staff provides all probation services.

The primary purpose of the Minnesota Probation Survey is to collect probation data from all counties annually for use by the DOC, the Minnesota Legislature, other state agencies, county probation offices, and other entities for management, policy-making, and federal reporting purposes. Please note: This survey does **not** count all individuals that state or county probation agencies provide service to; the survey specifically is designed to count only those individuals under "probation" supervision.

Methodology

Survey Design

The probation survey design allows the DOC to collect data requested by the U.S. Department of Justice, Bureau of Justice Statistics regarding Minnesota probationers. Two important tenets included in the survey design are the definition of "probationer" and capturing an individual probationer only once.

The definition of "probationer" refers to both adults and juveniles: "All probationers, regardless of conviction status, who have been placed under the supervision of a probation agency as part of a court order at any time including those ordered to pay restitution, complete community service, or monitoring."

Capturing an individual probationer only once refers to counting an individual with multiple charges in the one category representing their most serious offense level.

Survey Administration

As part of Minnesota's criminal justice information integration efforts, the Statewide Supervision System (S³) was designed to provide criminal justice professionals with electronic information through a secure website. This information includes data on juveniles and adults who are or have been on probation, detention, imprisoned, or jailed.

The DOC pulled and compiled probation data directly from S³ for all 87 counties and made county reports available for review and approval by each county prior to publication in this report.

Appendix A. 2023 Probation Survey Process

The Probation Survey Process:

The probation survey is an annual report completed to provide supervision information to legislators, policymakers, the Minnesota Department of Corrections, Minnesota counties, and other government agencies.

In December of the report year a proposed timeline is created for data collection, review of year-end summary reports and addressing data issues. This proposed timeline is emailed to:

Community Corrections directors, to collect all CCA county probation information.

Department of Corrections Field Services Directors, to collect data on all probationers supervised by DOC felony agents and DOC contract agents, and

Chief probation officers in non-CCA counties, to collect data on all probationers supervised by non-CCA county agents.

Figure 7. Proposed timeline for the 2023 Probation Survey:

February 12, 2024	Snapshot taken of probation data from S ³
February 12-16, 2024	Agency reports are e-mailed to agency staff person
February 19-23, 2024	Agency staff review report
February 26-March 1, 2024	Agency staff report back to DOC approving report or indicating concerns
March 4-8, 2024	Data issues addressed and agencies give final approval
April, 2024	2023 Probation Survey Report finalized and published on DOC website

Who should be counted as a “probationer”?

All probationers, regardless of conviction status, who were under the supervision of your agency as part of a court order at any time between December 31, 2022, and December 31, 2023.

Probationers for whom there is a court order for supervision and/or services such as restitution, community service, or monitoring.

Persons placed on probation under Minnesota Statutes 152.18 (“deferred adjudication” for certain drug offenses) and 609.135 (stay of imposition or execution) if you are providing probation supervision or services.

Persons who are sent to your county from another county or state for supervision.

Who is excluded as a “probationer”?

Persons on investigative status only, such as PSIs, pre-pleas, bail evaluations, etc.

Persons on “bench probation,” “court probation,” or “summary probation,” who have not been placed under the supervision of a probation agency.

Pre-trial diversion and pre-trial supervision cases.

Juveniles receiving services under a CHIPS petition.

Persons released from state correctional facilities, who are on supervised release, parole, intensive community supervision, etc.

Each **probationer** is reported only once, not the number of offenses or open files. If an individual is on probation for offenses of differing severity, they are reported in the category of highest severity. If a probationer is under both juvenile and adult supervision, the individual is reported only once as an adult or juvenile according to the more serious offense.
