Organized by Vendor

This report contains professional/technical contracts and amendments that were approved during FY 2024.

NOTE: This data represents approved amounts and does not provide an accounting of actual dollars spent. In addition, this report includes approved zero dollar contracts and amendments. Not all contracts and amendments are approved directly by the Department of Administration. The reporting contained herein contains only those contracts and amendments approved by the Department of Administration, or those reported to the Department of Administration that were signed under delegated authority.
