RE: Annual Report on Obsolete, Unnecessary, or Duplicative Rules as Required by *Minnesota Statutes*, section 14.05, subdivision 5

Minnesota Statutes, section 3.197 states required reports sent to the legislature must contain the cost of preparing the report at the beginning of the document. The cost to prepare this report was approximately \$60.

Dear Governor Walz, Director Yurich, Legislators, and Mr. Inman,

Minnesota Statutes, section 14.05, subdivision 5, directs state agencies to report by December 1st of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. If identified, the report must also include an explanation of why the rule or its parts are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

The Minnesota Board of Peace Officer Standards and Training is not aware of any rules within chapter 6700 that are obsolete, unnecessary, or duplicative. On October 26, 2023, the Board signed a rulemaking resolution to initiate a rulemaking project on chapter 6700 (R4750). If, during our rulemaking project, the Board identifies any obsolete, unnecessary, or duplicative rules that were not found during our review for this report, those rules will be removed or amended as part of our rulemaking project. If you have any questions about this report, please contact me via phone (651-201-7782) or email at alicia.popowski@state.mn.us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alicia Popowski'.
