Re: Annual Submission of Rulemaking Docket and Official Rulemaking Record

Minnesota Statutes, section 3.197 states required reports sent to the legislature must contain the cost of preparing the report at the beginning of the document. The cost to prepare this report was approximately \$60.

Dear Legislators:

Minnesota Statutes, section 14.116 states:

“(a) By January 15 each year, each agency must submit its rulemaking docket maintained under section 14.366, and the official rulemaking record required under section 14.365 for any rule adopted during the preceding calendar year, to the chairs and ranking minority members of the legislative policy and budget committees with jurisdiction over the subject matter of the proposed rule.”

Accordingly, the Minnesota Board of Peace Officer Standards and Training (POST Board) is submitting to you its current rulemaking docket. The docket can also be found on the POST Board’s website at <https://mn.gov/post/boardscommittees/rules/currentrulemakingactivity/>.

The rulemaking project under Revisor Number 4850 was completed within the last calendar year and the rules became effective on December 17, 2024. Per the requirements listed in Minnesota Statutes, section 14.365, an Official Rulemaking Record was kept. The rulemaking record is not attached to this report due to its size. Please note that you have access to key documents regarding this rulemaking process via the Revisor’s website on the “Minnesota Rule Status” webpage at <https://www.revisor.mn.gov/rules/status/>. You can search for required rulemaking documents using the Revisor ID number, keywords, agency name, the date, rule number, or by statutory authority. Important documents can also be found on the POST Board’s website at <https://mn.gov/post/> under “Current Rulemaking Activity.” Requests for a paper copy of the rulemaking record can be submitted to the agency contact person below.

Sincerely,
