Minnesota Statutes 84.026, Subdivision 1, states that the commissioner of natural resources “shall report revenues collected and expenditures made [via contractual agreement] under this subdivision to the chairs of the Committees on Ways and Means in the house of representatives and Finance in the senate by January 1 of each odd-numbered year.”

As requested by Minnesota Statutes 3.197: This report cost approximately \$576 to prepare, including staff time, review and routing.

Upon request, this material will be made available in an alternative format such as large print, Braille or audio recording. Printed on recycled paper.

Introduction

Minnesota Statutes 84.026, Subdivision 1, states that funds generated in a contractual agreement made pursuant to this section shall be deposited in the special revenue fund and are appropriated to the department for purposes of providing the services specified in the contract.

This report identifies the revenues collected and expenditures made under each appropriation. The report covers fiscal years 2021 – 2022 and includes a brief description of the purpose of each contract. The information is presented in table format on the following pages.

A few technical notes on the table and its contents:

1. The “Carry forward” column is included to provide the full context regarding activity in each appropriation.
2. The “Actual receipts” column does not include carry forward. The “Disbursements” column does not include transfers out.
3. Actual receipts and disbursements are reported in thousands of dollars.
