NW Regional Development Commission

SEP 0 3 2002

LEGISLATIVE REFERENCE LIBRARY STATE OFFICE BUILDING ST. PAUL, MN 55155

Above: Leon Heath, Executive Director

What The NWRDC is All About . . .

Regional Development Commissions were created by the State Legislature through the Regional Development Act of 1969. The intent of the Act was to create an option for rural units of government to supplement existing public services and coordinate specific activities of mutual concern. Although created by the State, Regional Development Commissions were left in the hands of local representatives to insure that the final design would reflect area needs and preferences.

The Northwest Regional Development Commission was created on February 2, 1973 by the joint actions of local units of government. Programs were set up to reflect priority work items of the time; and relationships were established with the state and federal agencies that could provide assistance with local projects. Programs and work priorities have changed in response to economic

and social trends; but the central mission of supporting efforts by cities, counties, townships, businesses and individuals to improve living, working and natural resource conditions in Northwest Minnesota has remained the same.

The Commission has worked to establish a manner of operation which reflects and compliments the independent, progressive style of Northwest Minnesota. Technical assistance, specialized program delivery, public participation, direct funding, access to information and formalized planning services are the basic materials which we can contribute to the construction of your project.

Please look over our Annual Report and stop by or call if you have any questions, comments or suggestions.

Program Highlights

NW Regional Development Commission

Program HighlightsFiscal Year 2002

Kittson, Marshall, Norman, Pennington Polk, Red Lake, Roseau Multi-County Aging

AREA AGENCY ON AGING

Purpose: To build a proactive, comprehensive and coordinated system of advocacy and services that ensures the rights and benefits of all older people.

Program Funding Sources: Older Americans Act through the Minnesota Board on Aging - \$89,550; State Legislature - \$5,000; Local Contracts - \$12,490; RDC Tax Levy - \$33,488; Miscellaneous - \$8,722.

Regrant Funding Sources: Older Americans Act - \$334,639; U.S. Department of Agriculture Nutrition Program - \$177,780; State Nutrition Program - \$95.138.

Service Priorities: Regrant priorities are: nutrition, congregate and home delivered meals, legal service, transportation, chore/home repair, housekeeping, visiting and medical forms assistance. Support priorities are advocacy, education, support of county committees on aging and senior centers, inter-agency linkages, and information/referral.

Aging Highlights

Area Agency on Aging Roles Meeting •••
Participated in a two day retreat sponsored by the Minnesota Board on Aging to examine and identify future roles for Area Agencies on Aging.

Right: Danica Robson, Aging Program Director

Stakeholder Meeting · · ·

Facilitated a Stakeholder Meeting which provided Minnesota Board on Aging staff the opportunity to discuss future roles with local stakeholders.

Above: Grand Opening of "The Station", Hallock's Senior Center.

Area Plan · · ·

Completed the Aging amendments for the 2002 Area Plan and submitted to the Minnesota Board on Aging and coordinated Public Hearing.

IRIS Program Maintenance · · ·

Implemented the use of the IRIS statewide Information and Assistance database program for Senior LinkAge Line calls. Calls are entered and data is collected for statistical purposes and disseminated. Programs and services are updated regularly.

Right: Rose Reed, Aging Program Technician/ Senior LinkAge Specialist

I&A - Out of Region · · ·

Provided information and assistance to 315 callers from the Region Two area for the time period 1/1/02 to 6/30/ 02 on the Senior LinkAge line. The counties served included Beltrami, Clearwater, Hubbard, Lake of the Woods and Mahnomen.

Transportation Service Expansion • • •

Convened staff from Polk & Norman County as well as Tri-Valley to discuss the potential of Tri-Valley expanding current transit services through the addition of volunteer drivers. A grant was submitted to DHS and received funding.

Norman County Service Development Committee ••• Participated in meetings with the Norman County Service Development Committee. Discussed the need for coordinated transportation services, assisted living, and adult day care as additional community based options for Norman County seniors.

Regional Analysis of Long Term Care Services ••• Completed Regional Analysis of Long Term Care Services based on information from each County's Gaps Analysis.

Marshall County Elderly Services Collaborative ••• Participated on Marshall County Elderly Services Collaborative planning committee, and developed a program plan and grant application to submit to potential funders.

County Gaps Analysis Process • • •

Assisted Marshall, Pennington, and Polk counties with completing Gaps Analysis and Service Development Plans.

1-800-333-2433

Aging Continued

Purpose: The Health Insurance Counseling Program offers older adults, Medicare beneficiaries and their family members assistance in obtaining appropriate health care coverage and entitled Medicare/Medicaid or insurance benefits.

Funding Sources: Health Care Access - \$11,421; Minnesota Board on Aging - \$57,353; Department of Human Services - \$4,400; RDC Tax Levy - \$22,436; and Miscellaneous - \$3,424.

Service Priorities: Specially trained volunteer health insurance counselors are available to assist all seniors, free of charge, with information and assistance on a confidential one-to-one basis. The program also serves to educate the public about the health care reimbursement systems and increase awareness of the program to seniors and family members.

Health Insurance Counseling Highlights

Surf Days · · ·

Trained staff from Regional Libraries to conduct Senior Surf Day Sessions. Also worked with Marshall County Extension Agent to assist high school students in conducting sessions.

Information and Assistance · · ·

Provided information and assistance to 1,095 beneficiaries and caregivers about Medicare programs.

Non-Government Site Outreach · · ·

Conducted outreach sessions at non-governmental site to provide information about publicly funded senior health care programs.

County Partnership · · ·

Worked with counties in Regions I & II to forward applications for seniors that are eligible for State health care programs.

Above: Everyone is enjoying the Fall Conference on Aging.

Right: Cory Jones, Health Insurance Counseling Program Coord.

Home Visits ...

Conducted home visits to seniors and assisted them in completing applications for health care assistance.

Education · · ·

Reached out to isolated and uninformed seniors to educate and enroll them in State Health Care Assistance Programs.

Volunteers · · ·

A total of 15 Health Insurance Counseling volunteers have been recruited to provide one-on-one assistance.

Outreach · · ·

A total of 42 outreach contacts were made with organizations who serve people receiving Medicare.

Client Services · · ·

Provided services to 1,236 clients. Clients served are verified using IRIS database requirements.

Collaboration · · ·

Collaborated with agencies about health care options for seniors who are isolated or disabled. These agencies included: Respite, Senior Companion, Living at Home Block Nurse, RSVP, Legal Services and Ombudsman.

Marketing · · ·

Worked with the North Region Health Alliance to market the Health Care Access Program and identify potential participants.

Screening · · ·

Conducted pre-screenings analysis for potential applicants.

Application Assistance • • •

Scheduled appointments to assist clients with applications for health care assistance.

Client Liaison · · ·

Assisted clients, counties, and the state to implement and maintain health care plans for area residents.

NORTHWEST REGIONAL ARTS COUNCIL

Purpose: To promote, develop and encourage artistic growth and excellence of arts organizations and individual artists in northwestern Minnesota by awarding funds and conducting programs and services.

Program Funding Sources: MN State Arts Board - \$53,574 and Interest - \$905; McKnight Foundation - \$11,495; RDC Tax Levy - \$3,542; Miscellaneous - \$5,184.

Re-Grant Funding Sources: MN State Arts Board - \$78,577; McKnight Foundation - \$15,455.

Re-Grant Programs: State Funds: Production Assistance/Sponsorship; Artist in the Schools; Public Art Projects. McKnight Funds: Individual and Student Artist Grants; Small Capital; Training & Development.

Service Priorities: Direction setting, grants to organizations, grants to individual and student artists, information including newsletter, training/workshops.

Production Assistance/Sponsorship • • •

In fiscal year 2002, we re-granted \$41,005 to 15 different productions and 10 sponsorship projects throughout the region. Nine of the projects were specifically aimed at children. An estimated 17,990 adults attended and over 3,987 youth participated.

Artists in the Schools Grant Program ...

In the third year of this program \$14,870 was regranted to area schools. Twelve projects were awarded serving 4,430 students.

Public Arts • • •

Four \$5,500 awards were made this year. Three installations and openings occurred in Crookston, Thief River Falls, and Fosston.

Small Capital Grants • • •

\$7,470 was granted to arts organizations to purchase mainly light and sound equipment. Five organizations received awards.

2002 McKnight Artist Grants ...

Seven adult artists and ten student artists received awards this year. In the Individual Artist category \$5,015 was granted. In the Student Artist category \$4,860 was granted. Most awards were for technical training.

Left: Mara Wittman, Arts Council Director

Web Site Development-Arts • • •

Updated web pages for the arts to include on-line application forms as well as downloadable pdf forms. Also added more information on arts organizations and artists.

Advocacy Conference · · ·

Coordinated three one-day conferences on advocating for the arts in your school and community. The closest conference was on October 27, 2001 in Fergus Falls. An additional half day session will be held in Thief River Falls on September 5, 2002.

Newsletter · · ·

Northwest Arts continued to provide a list of our grants as well as opportunities for artists, schools and arts organizations. Every other month the newsletter is printed and distributed to 650 arts constituents.

McKnight Artist Awards • • •

This is a new program to recognize an outstanding artist and arts advocate with a \$500.00 award. The awards were presented to Larry Damico of East Grand Forks, and Elwyn Ruud of Karlstad at the Northwest Minnesota Art Exhibition in April 2002, in Red Lake Falls.

Northwest Minnesota Art Exhibition ...

Coordinated the weekend of the 2002 exhibit in Red Lake Falls including the jury process, registration, hanging, and artist reception.

Above: David Hammond, Kennedy, received the People's Choice Award at this year's exhibit.

Economic Development

Purpose: To assist in creation of new jobs by providing general planning guidance, technical assistance for specific industrial projects and services to local units of government.

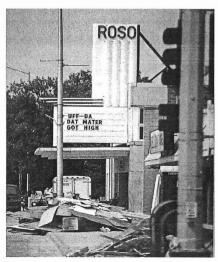

Program Funding Sources: United States Economic Development Administration (EDA) - \$50,708; RDC Tax Levy - \$19,821; Micellaneous Income - \$2,651.

Service Priorities: Regional Economic Analysis and Planning, Local Planning, Technical Assistance to Local Development Groups, Grant Writing, Business Counseling and Referral, Information on other Development Programs and Resources, Data and Statistics, and Tourism.

Economic Development Highlights

Flood Recovery · · ·

We provided Staff support to the County on establishing a flood recovery program including: damage assessments, administration of programs, and political action. Supplied direct assistance to families, farmers, businesses, and towns. We also provided staff support to the City of Roseau on establishing a flood recovery program including damage assessments, administration of programs, accessing federal funds, and grant writing. We provided staff support to the Minnesota Recovers Task Force, which consists of agency representatives from state and federal agencies. The Task Force was established to identify short and long term solutions to flooding in Roseau. The Roseau group has defined a \$20 Million dollar short term solution and a number of options for long term program ranging from \$50 to \$100 million. We also coordinated with the Minnesota Flood Disaster Response Team for damage assessments in other counties.

Above: The Roso Theatre will rebuild after the June 9 Roseau Flood.

Wireless Broadband Projects · · ·

Regional high-speed internet services involving Polk and Marshall Counties spread through the rural communities and farms of the Red River Valley. The service providers are Rural Access, Inc. now called Invisimax, Inc., and the Halstad Telephone Cooperative. The new high-speed, two-way internet connectivity works through ""fixed wireless"" technology. The connection offers speeds of up to 1,024kbs and the projects received grants totaling \$51,600 from the Minnesota Department of Trade and Economic Development. This project received a NADO 2002 Innovation Award.

Red River Basin Planning • • •

Organized a County information session with key organizations involved in Red River water management including, The International Coalition, the Red River Basin Board, and the Red River Watershed Management Board. Worked with Red River water management groups to develop a formal connection to Counties. Counties agreed to have at least an annual informational meeting, and to continue working with the Comprehensive Local Water Planning Joint Powers Board on county issues.

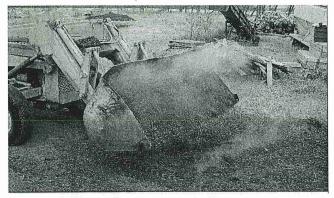

Grant Applications • • •

Several grant applications were prepared. A USDA Sustainable Agriculture grant was written to aid the compost project by adding fan separation equipment for better quality compost. Two grant proposals were submitted to USDA Rural Business Opportunity Grant. One was "Capture the Value", in which we propose to assist in the formation of value-added and energy related ag-business clusters. "Capture the Value" will also be submitted to the Northwest Minnesota Foundation for their consideration. Another application, conditionally approved by the NMF has been submitted to USDA also. It is for an "Ethnic Pasta Feasibility Study."

Vacant Building Survey • • •

As a matter of enhancing land use planning, smart growth implementation, and economic planning and targeting brownfields redevelopment; the Northwest Regional Development Commission is on track with a Vacant Building Survey project. The survey is compiling a list of all vacant, abandoned or underused buildings, from gas stations to churches, in the seven-county region. This survey received a National Association of Development Organization (NADO) 2002 Innovation

Economic Development Continued

Above: Steaming compost comes out of our first test batch.

Community Plans ...

Assisted with the completion of a comprehensive plan for the Cities of Fertile and Fisher, including the development of zoning ordinances. Assisted with the completion of a comprehensive plan for Sanders township, including the revisions to zoning ordinances.

Housing PROGRAM

Purpose: To increase the housing stock in the region.

Program Funding Sources: NW MN Foundation \$17,500; RDC Tax Levy - \$6,780; Miscellaneous \$327.

Service Priorities: Assisting communities, lenders, consumers, and agencies to access available programs that repair, rehab and build affordable homes.

Housing Highlights

We participated in the Region One Housing Development Alliance (ROHDA) which consists of the NWRDC, Tri-Valley Opportunity Council, Northwest Community Action Agency, and Inter-County Community Council. With support from the Northwest Minnesota Foundation, we gathered information from communities on possible Buy, Fix, Sell opportunities, new construction, rehab, emergency repair, and other affordable housing needs. This information went into two regional community rehabilitation applications to the Minnesota Housing Finance Agency. Coordination between the ROHDA group and the Institution Community Work Crew (ICWC) Housing Advisory Group aided in the construction of two new homes in Thief River Falls, two new homes in Middle River, and two in St. Hilaire scheduled for the summer of 2002. Also completed were four new homes in East Grand Forks, two in Warren, two in Twin Valley and two planned for the fall of 2002 in Halstad.

Compost Project • • •

We coordinated monthly meetings to move this project forward. We purchased and refabricated a Total Ration Mixer into a small rotary drum composter. Jerome Burkel, Burkel Grain, under contract from the NWRDC, experimentally produced 30 batches of compost. The best product was applied to two test plots, one at Representative Maxine Penas' organic farm in Badger, and one at the Klawitter Dairy's soybean field. Test plots will be continued under a grant from the Minnesota Department of Agriculture, and will include testing the use of compost as a biofilter in road ditches. The Compost Marketing Cooperative Plan has been completed for the future Coop and copies are available upon request.

2002 CEDS • • •

Completed the 2002 update of the Comprehensive Economic Development Strategy (CEDS) including obtaining County Boards Approvals. This plan concentrates on economic development efforts which can help offset trends which are creating population loss.

Above: Two ICWC homes were built in Middle River, despite heavy spring rains.

Discussion of a potential partnership between Homark Homes, Inc., Red Lake Falls, and the ICWC Housing Advisory Group revolved around building a \$60,000 modular home that would have ICWC-built basements and garages. Further discussion involved the potentials of the new Uniform Building Code, approved modular homes, that can now be built in any size and added on to later. In addition, a new project is developing that will involve ICWC and/or Sentence to Serve work crews to build modular ramps for Options, the Resource Center for Independent Living.

We completed twelve more community housing and economic development assessments. Most communities have affordable housing and community marketing issues. Strategic planning sessions were coordinated in two towns with the aid of USDA Rural Development. We served on the Northwest Minnesota Housing Coalition, that provides feedback to the Minnesota Housing Finance Agency. Last, we provided hours of direct assistance to people who want to own their own home.

10

Enterprise Fund

Purpose: To strengthen and diversify the economy by providing a source of low interest financing to businesses when credit is not otherwise available from other sources to ensure the successful completion of activities to be financed.

Program Funding Sources: Loan Interest and Loan Fees - \$66.351: RDC Tax Levy - \$160.

Loan Funding Sources: Loan Repayments and Loan Interest - \$853.602.

Service Priorities: Financing for-profit businesses which create or retain jobs, especially for the long term underemployed or unemployed.

Above: Linda Nelson, Loan Fund Manager

Standard Revolving Loan Fund

The following businesses received approval for financing through the Northwest Regional Enterprise Fund, Inc. in fiscal year 2002:

Heatmor, Inc., Warroad	\$ 150,000
Valley Motel, Hallock	\$ 30,000
Oslo Valley West Cafe, Oslo	\$ 30,000
East Grand Forks Development LLC	
(Howard Johnson Hotel)	\$ 150,000
Valley Hardware & Supply, Halstad	\$ 19,500
Advanced Tire & Auto Service,	
Crookston	\$ 39,800
Garden Cafe, Middle River	\$ 18,500
Horner Plumbing & Excavation, Warroad	\$ 20,335

TOTAL LOANS \$ 458,135

Above: Alvarado Elevator Barley Expansion.

To date, one hundred fifteen business loans have been approved for financing for a total amount of \$7,163,450. The program has assisted forty-six new businesses, forty-one businesses with expansions, and twenty-eight businesses with retention. Fifty-one of the loans are currently active, forty-nine are fully repaid, twelve loans have been written off, and closing is pending on three approved loans.

In addition to using the Enterprise Fund to support new and expanding businesses, the loan funds may be used for disaster relief. As a result of the flooding in June of 2002, loan funds will continue to be used to assist businesses with financing for working capital and other needs so they can survive the economic stresses brought on by weather-related and other disasters.

The Enterprise Fund's administrative budget for the year is \$66,511. The loan fees collected and one-half of the interest earned on the loans and on accounts are used for administrative costs. The other one-half of the interest payments, along with the principal repaid on loans, becomes available for relending.

Farm & Flood Recovery

FARM RECOVERY PROGRAM

Purpose: To continue the farm recovery efforts in northwest Minnesota through a coordinated range of services designed to assist the farm family in a holistic manner.

Program Funding Sources: Otto Bremer Foundation-\$26,269; Local Tax Levy - \$1,808; Other Miscellaneous - \$566.

Service Priorities: Grant program for financial, tax implication, and legal counseling concerning exit or restructuring strategies for the farm family and individual assistance.

Farm & Flood Recovery Highlights

The Farm Recovery Program, which started as a result of the 1997 flood, low farm prices, and on-going poor weather was completed in 2002. Although difficulties in the agricultural sector continued, the number of farmers seeking intervention level assistance had declined to the point where services existing prior to 1997 could provide adequate help.

Flood recovery work related to the 2002 Flood began immediately following the flood event and will continue for several years. A revival of the Farm Recovery Program will depend on a number of factors including farmer demand.

Casework • • •

Casework continued with both, farmers who are trying to restructure and those who need assistance transitioning to another occupation or supplemental sources of income. The program worked with approximately 70 farmers over the past year.

Outreach · · ·

Funding was provided to Rural Life Outreach to work with farm families on the entire range of difficulties. Outreach was done in the home by other farmers who had gone through similar difficulties. Other agencies involved with the Farm Wrap Network were also brought in to address specific problems or to continue casework. \$165,000 was provided over the project period.

Emergency Services • • •

Rural Life Outreach was provided a grant of \$97,500 to provide emergency assistance in the 15 county area. Assistance included items such as food, shelter, utility payments, transportation, and medical services.

Right: Cam Fanfulik, Farm Wrap Assistant

Accounting and Legal Services • • •

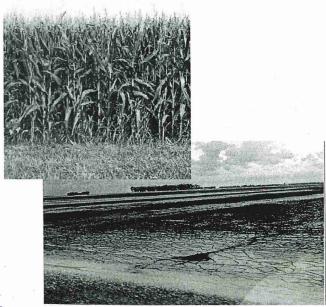

This program provided funding to farmers for legal/accounting fees related to financial work-outs. \$90,000 in direct grants was provided to farmers in a 15 county area of Northwest and West Central Minnesota, since the beginning of the program.

Mental Health Services · · ·

State funding was used to provide specialized services to farm families undergoing the extreme financial and emotional stress related to both, transitioning out of farming and continuing under difficult financial situations. \$152,000 in funding was provided to mental health providers, including Northwest Mental Health.

Mediation Services • • •

\$145,000 was provided to Minnesota Extension and the University of Minnesota Crookston to help farmers through an informal mediation process with creditors.

Local Issues

NORTHWEST REGIONAL DEVELOPMENT COMMISSION AND BOARD OF DIRECTORS

Purpose: Discuss and develop solutions to rural issues and problems which are held common in Northwest Minnesota.

Funding Source: Local Tax Levy - \$29,092; and interest - \$18,298; Misc. - \$1,487.

Service Priorities: Consensus building, planning, research, information, new program development, legislative advocacy.

Local Issues Highlights

Tourism Directory • • • •

Updated the 2002 version of the Northwest Minnesota Visitor and Recreation Guide. Published the guide to our visitnwminnesota.com web site. Printed 1500 copies of the 48 page guide for distribution.

Above: First Night Activity at the YMCA. (Photo by Ken McDonald)

Web Site Promotion of NW Minnesota · · ·

Actively promoted the Visit Northwest Minnesota website www.visitnwminnesota.com. Updated any changes to the seven county section of the website based on their requests.

MN Historic Northwest ...

Nine county historical groups worked together to complete joint projects. The NWRDC helps coordinate their meetings and format their newsletter and brochure. Helped plan mini conference on Arts and Cultural Tourism scheduled April 12, 2002 in Crookston.

Development of Kittson County Trails ...

Assisted Don Burton with Agri-Sports on the development of an ATV trail network. The trail system will link existing and future trails to the DNR proposal for Off Highway Vehicles in Northwestern Minnesota.

Developed a GIS Database for the Basin • • •

Attended the Red River Basin meetings to assist with the development of a GIS database. This database will be used by the watersheds to store information collected during routine sampling to compile statistical information for each site.

GIS Data Collection for the RLRC ...

Developed a GIS database of information along the Red Lake River Corridor to incorporate existing and future recreation interests into the river trail corridor.

Flood Recovery • • •

The Commission provided special funding for the startup of the recovery effort, including \$5,000 in matching funds for a grant from the Federal Economic Development Administration to support Wynne Consulting's effort, and \$7,000 to provide extra staff assistance with damage estimates. Matching funds will also be provided for programs through the Area Agency on Aging, designed to support seniors impacted by the flood.

Fosston Wastewater Treatment • • •

An extra effort was made to assist Fosston with wastewater treatment problems, which threatened the vegetable processing operation at Minnesota Dehydrated Vegetables. Staff worked with the City and MDV to secure a \$960,000 grant from the Federal Economic Development Administration for an anaerobic, methane producing pre-treatment facility. The methane gas will eventually be used for electrical generation by the City.

Above: Presentation of President Roosevelt at the Historical Conference.

Special Projects

A variety of sources provided funding for special projects which supplemented services in our regular programs. We wish to thank each of these organizations for the opportunity to do more for Northwest Minnesota over the past year. The following is a summary of each project:

LABOR MARKET SURVEY

Funding Sources: MN Legislature/MN Department of Trade and Economic Security, NW MN Foundation, local match.

A Labor Market Study was completed for a twelve county area in Northwest Minnesota including all seven counties in Region 1. The study contains information on the number of workers available, worker skills, underemployed workers, worker training needs, employer labor needs, and employment preferences of local students. The information will be used to recruit businesses to labor surplus areas and assist employers to find or train workers in labor shortage areas.

REGIONAL ASSESSMENT

Funding Source: Northwest Minnesota Foundation

Staff worked with the Northwest Minnesota Foundation, the Headwaters Regional Development Commission, and the Red River Trade Corridor to complete a comprehensive study of economic trends in the twelve county area covered by the Foundation. Results of the study will be used by the Foundation to complete a planning process for future direction setting, and by all the participants to refine economic development programs.

MHFA HOUSING FUNDS

Funding Sources: Minnesota Housing Finance Agency and local match.

We continued administration of a two and one half million dollar grant for housing construction, home repairs, and home purchases. Funds will be re-granted to Inter County Community Council, Multi-County HRA, Northwest Community Action Agency, and Tri-Valley Opportunity Council.

ENVIRONMENTAL LEARNING CENTER

Funding Sources: City of Fertile through a grant from the Northwest Minnesota Foundation and local match.

Completed a planning process and an Overall Strategic Plan for the Environmental Learning Center in Fertile. The Plan examined the history of the Center, current programing, existing facilities, potential markets, and possible partnerships with nearby nature based attractions. The Plan contains recommendations for upgrades, improving marketing efforts, and addressing the changing needs of educational and recreational

ANIMAL WASTE COMPOSTING

Funding Sources: Federal Economic Development Administration, NW MN Foundation, local match.

The Composting Project was moved close to completion during the year. The project was able to partner with Burkel Grain to build a composter, identify potential markets for compost, and gain local support for the application of high quality composting to manure management. The next step for the project will be the establishment of a for-profit company to produce and sell compost on a small scale basis. Future plans include expansion to larger scale operations connected with large dairy and hog production.

HOUSING COALITION

Funding Sources: NW Minnesota Foundation

The Northwest Minnesota Housing Coalition, made up of housing agencies from Region One and Two, is continuing its efforts to develop local and regional strategies to meet affordable housing needs across the NW region. Originally called the Organizational Investment Program (OIP), the group has worked together since 1995 to build knowledge across organizational lines, in order to create new ways to build affordable housing units. The NW MN Housing Coalition sets the regional Economic Vitality Housing Investment (EVHI) guidelines that state and federal agencies use to rank project proposals.

OTTO BREMER FARM WRAP

Funding: Otto Bremer Foundation and Local Match

Funding from the Otto Bremer Foundation was used to finish-up work with the farm recovery programs, including follow-up with farmers served by the Farm Wrap program. This effort was part of a five year effort which was set in motion by a previous grant funding from the Foundation. Over two thousand farm families received some type of help from the overall effort.

Transportation

Purpose: To insure safe efficient movement of people and commodities in the region. Provide an ongoing forum for important transportation issues in the region. Assist MN/DOT and provide input with it's planning efforts and programs.

Funding Sources: MN Department of Transportation - \$50,000; RDC Tax Levy - \$17,397; and Miscellaneous - \$1,932.

Service Priorities: Direction setting, comprehensive regional planning, legislative advocacy, MN/DOT project coordination.

Transportation Highlights

Reviewed Transit Grant Applications • • •

Reviewed the 2002 public transit participation program application process. Reported deficiencies to the transit committee and submitting agency for clarification.

ATP Funding Allocation ...

Assisted the Area Transportation Partnership in the planning processes for selecting projects to fund. Developed a database of ATP inter-regional projects that have received funding since the start of TEA-21 in 1997.

Tri-County Shipping Corridor ...

Attended the Transportation Alliance Washington D.C. Fly-In to discuss the Tri-County 10-Ton Shipping Corridor with Congressman Peterson. Discussed the needs for a north-south 10-ton corridor with Senator Dayton and Congressman Oberstar's staff.

Above: The Tri-County 10-Ton Coalition holds an informative meeting with Congressman Peterson and Senator Stumpf.

Right: Troy Schroeder, Transportation Planner

TAC Meeting with Regional Representatives ••• Hosted three Transportation Advisory Committee meetings with Senator Stumpf, Senator Moe, Representative Finseth, and Representative Skoe, to discuss transportation issues and state funding for various state programs.

Assisted with Development of an ITN •••

Assisted in the development of an Integrated Transportation Network, which coordinates local, district, state, and federal transportation systems that serve the area.

City Support for Planning ...

Assisted the City of Hallock with mapping projects. Incorporated the cities infrastructure of sewer, water lines and gas mains from Autocad into an Arcview project.

Scenic Byway Planning ...

Assisted the counties within the scenic byway on transportation development, planning, and promotion tactics for the Waters of The Dancing Sky Scenic Byway. Worked with the Office of Tourism on the designation of the byway through Kittson County to I-29.

Red River Bridge Study ...

Continued gathering structural and flood frequency information for the Red River bridges. This data helps to determine highway and bridge maintenance programing.

ATV Trail Development • • •

Used a Geographic Positioning System (GPS) to incorporate data gathered into a Geographic Information System (GIS). Maps generated with the GIS are being used to plan an inter-connecting trail system for Northwestern Minnesota.

Plan a Super 2 Design for USTH 59 · · ·

Studied the possibility of a Super 2 design on USTH 59 between Fergus Falls and Thief River Falls. Two Mn/DOT districts and three RDC's are currently studying the needs for this corridor.

Plans, Studies and Publications

Prepared by NWRDC

Plans

Area Plan on Aging - The Area Plan on Aging examines senior input and demographic data to establish priorities for the use of Title III Older Americans Act funds. Includes budget information, an Executive Summary and work activities.

FY 2002 Work Program - Details the goals and objectives of the Commission in each of the program and planning areas.

2001 Comprehensive Economic Development Strategy (CEDS) - This document examines economic, social, and physical information about the seven counties in Northwest Minnesota and makes recommedations on activites to enhance and improve the economy. The recommendations concentrate on job creation, agriculture, housing, and infrastructure activities which can help address population loss.

Regional Arts Plan - Goals, strategies and work activities for State Arts Funds and McKnight Arts Funds are included in these plans.

Revolving Loan Fund Plan - Describes the program elements and guidelines for the loan fund. Updated in 2000.

Studies

Red River Basin Natural Resource Planning - "A Strong Voice for Northwest Minnesota Counties" - A report prepared with funding from the Minnesota Legislature and MN Planning. The report outlines several strategies for counties to keep an active involvement in Basin wide natural resources issues. Strategies focus on information and education supplemented by strong advocacy on key county issues.

Red River Bridge Study - The Transportation Advisory Committee has formed a subcommittee to study the economic impacts and importance the Red River bridge crossings have on the region. Results of the study will be presented to MnDOT for future planning.

Agassiz Environmental Learning Center Development Plan - Details, goals and steps related to increasing users partnering with area groups and generating income, based on a series of interviews and meetings.

Publications

Commission Chronicle - NWRDC Newsletter - Printed on a quarterly basis and distributed to government units, service agencies and interested persons. Contains current items of interest to local communities and Commission activities.

Directory of Artists and Arts Organizations - The directory contains listings of regional artists, arts organizations, school district offices and public libraries.

Directory of Government Units of Service Agencies - The directory contains listings of service agencies and governmental offices from the township level through the legislative level.

FY 2001 Annual Report - Information on the funding and work activities of the Commission over the past year. Published and distributed to local officials and legislators.

Northwest Arts - Quarterly newsletter developed for the artists, arts organizations and schools in northwest Minnesota.

Senior News - Newsletter developed for the Senior Citizens and service providers of Region One.

Senior Service Directory - Resources for Region 1 seniors, consumers and professionals in the field of aging. It provides a brief description of programs, resources and agencies.

www.nwrdc.org - Published updates of program information changes to our agency website.

www.visitnwminnesota.com - Web site devoted to the services, resources and recreational opportunities of our seven counties. Includes a on-line version of the Northwest Minnesota Visitor & Recreation Guide.

Northwest Minnesota Visitor and Recreation Guide - A comprehensive listing of attractions and facilities which offer opportunities and services to local and outside visitors to area communities.

NW Minnesota Economic Profile - A current and historical profile of economic trends in the seven county area of NW Minnesota served by the NWRDC. Includes population, employment, business, and farm information.

County Profiles - Individual profiles of Kittson, Norman, Marshall, Pennington, Polk, Red Lake, and Roseau Counties. Information includes economic, recreational, governmental, and geographical topics.

Resources for Economic Development - Descriptions of agencies and both technical assistance and financial programs for economic development. Includes special sections on labor force and housing resources. Lists community revolving loan funds and economic development contacts.

Northwest Minnesota Labor Force Assessment – A Survey of Northwest Minnesota's Labor force, Employers and Students.

GEO - Global Environment Optimization – Producers of natural, Organic Fertilizers and Environment Improvement Products.

Regional Project Listings Fiscal Year 2002

Kittson, Marshall, Norman, Pennington Polk, Red Lake, Roseau Multi-County

Management and Support

Participate in MRDO Program Support Activities • • • Assisted in setting up statewide training and support activities which will benefit NWRDC program areas.

Local Issues

ICWC Crew Administration • • •

Administered the Northern Institutional Community Work Crew out of Thief River Falls in conjunction with Inter County Community Council. The crew consists of low risk offenders who will build six to eight low cost homes each year.

MRDO · · ·

Participated in activities of the Minnesota Association of Regional Development Organizations including development of statewide legislative approaches.

MRDO Conference and Retreat · · ·

Assisted in the organization of the Minnesota Regional Development Organizations Annual Conference and Retreat.

Housing Community Building

Homark Home Addition • • •

Promoted the concept of a half home on a foundation, and add the second half later.

Regional Multi-faceted MHFA Grants • • •

Gathered information from communities on possible Buy, Fix, Sell, construction, rehab, emergency repair, and other housing needs. This information will go into regional applications to the MN Housing Finance Agency every six months.

ROHDA Network • • •

Coordinated and facilitated regular meetings of the Region One Housing Development Alliance.

Farm Wrap/RHODA Rural Repair Grants • • •

Developed one application that can be used by all four housing agencies to help in emergencies, and to track for groups who possibly need Small Cities Block Grants for townships or counties.

ICWC · · ·

Worked with the ICWC Advisory Group and helped line up new projects for the crews.

Homark/ICWC Built Homes · · ·

Homark and ICWC are going to consider a \$60,000 modular home in which ICWC will build basements and garages for.

STS/ICWC Built Ramps • • •

Approached Options about administering a program that will provide modular wood ramps for people experiencing the effects of aging. STS and ICWC will be the labor. Shallow Steps are an option too.

Economic Development

Economic Developers Group • • •

Provided staff support and participated in the Northwest Economic Developers group to share information and complete area wide development projects.

NW MN Foundation Survey • • •

Assisted the Headwaters RDC with the NWMNF regional assessment of resources. Helped with high speed broadband, tourism, waste water treatment types, and industrial parks.

EDA Planning Grant Application and Reporting • • • Prepared and submitted the annual EDA Planning Grant Application and subsequent semi-annual and annual narrative reports.

Minnesota Recovers · · ·

Assisted the Minnesota Recovers Task Force to establish region wide systems for delivering assistance to local units of government related to the 2002 flood recovery. MN Recovers consists of agency representatives from state and federal agencies.

Data Requests • • •

Number of data requests from 07/01/01 to 06/30/02: 108.

Ag Tourism • • •

Attended the Rural Tourism meeting in Grafton, ND, and the Greenway restructuring meeting in Grand Forks.

Small Business Development Center • • •

Assisted in the start-up and operation of the new Region I and II Small Business Development Center, Bemidji.

Ethanol • • •

Assisted with the potential for a small ethanol plant in our region.

Business Development TA for Farmers • • •

Prepared applications to USDA for "Capture the Value," outreach technical assistance for developing businesses on the farm and value-added ventures. Applied to the NWMF also.

State Rural Development Policy • • •

Worked with local and other Legislators on the development of a plan to support changes to state programs that will improve access and use, encourage ag value added, and encourage work in rural poverty issues. Attended AFL/CIO/MFU coalition planning meeting.

Energy Task Force · · ·

Explored more options for energy production. Methane Digestion, wind, and other biomass are feasible here.

Compost Animal Mortalities • • •

Worked with Pembina Trail RC & D, and Extension to expand their once a year pick-up to regular pick-ups bringing to a central composting site.

Compost Closed Loop System Chart . . .

Designed a color chart showing how composting fits in with methane digestion, growers needs to break disease cycles, dead animal composting, encouraging ethanol production, and other initiatives. Worked with Heidi Dehn on the project.

Compost - MN Board of Animal Health • • •

Worked with Don Myren from the State Board of Animal Health to clear up misconceptions on sterilizing and disinfecting and type of vehicles required.

Compost Coordination • • •

Coordinated monthly meetings to move projects forward. Purchased and refabricated a Total Ration Mixer into a small rotary drum composter. Made many batches of compost. Applied to two test plots.

Direct Assistance • • •

Provided direct assistance to people who wanted to own their own home.

Housing Construction Loan Fund • • •

Worked with Northwest Community Action Agency, Inter County Community Council, Northwest Multi County HRA, and Tri-Valley Opportunity Council on a 1.8 million dollar application for construction and rehabilitation. Funded for 1.5 million.

Sewer/Water/Roads · · ·

Assisted local communities to finance infrastructure which is needed to maintain economic vitality, especially those which are directly linked to business development and housing development.

Transportation

Transportation Project Review • • •

Discussed county and state construction projects with members of the State Legislature and the Transportation Advisory Committee. The information provided helps in the development of regional transportation plans.

Input to Subcomittee • • •

Developed strategies for the implementation of new Mn/DOT subcommittee for the funding of safety projects. \$300,000 of ATP inter-regional funds will be designated for this pot of money.

Mn/DOT Commissioner Meeting • • •

Attended the November special session on the 10-ton North-South corridor. Updated Commissioner Tinklenberg with the needs for a shipping corridor in Northwestern Minnesota.

Develop Regional Transportation Plan • • •

Drafted the 2003-2006 regional transportation plan for approval by the Transportation Advisory Committee. The plan will be submitted to Mn/DOT for incorporation into district planning.

Visit County Boards • • •

Visited with each county board to discuss transportation issues occuring within each county and region wide. Informed the boards of transportation issues the TAC is studying and projects Mn/DOT will be pursuing within their jurisdiction.

Issues Analysis/GIS · · ·

Continued development of a Geographic Information System that can store and analyze transportation planning information.

OHV Trail Development . . .

Developed maps of potential Off Highway Vehicle (OHV) recreation areas. These OHV trail maps are used as deliberating tools for the designation of trails through the consolidated conservation lands within Roseau, Marshall, and Beltrami Counties.

Grygla-Gully 10-ton corridor • • •

The ATP inter-regional subcommittee has obligated \$1.3 million for the construction of the 10-ton corridor. The first construction phase for this corridor will take place in Pennington County on CSAH 27.

Enterprise Fund

UMC/Corel Presentation • • •

Developed Corel Presentation on NWRDC Economic Development programs. Gave presentation to UMC class on January 25, 2002.

SBDC / TAG · · ·

Worked with Bemidji SBDC and Region I and II Technical Assistance Group to coordinate and provide services to businesses.

Applicant Assistance • • •

Assisted businesses with financial packaging and business planning. Number of businesses assisted from 07/01/01 to 06/30/02: 143.

Pre-Information Assistance • • •

Assisted businesses with preliminary loan information. Number of Pre-Information Forms received from 07/01/01 to 06/30/02: 26.

Final Application Assistance • • •

Assisted businesses with final loan fund applications. Number of final applications received from 07/01/01 to 06/30/02: 10.

2002 Disaster Relief Loan Fund • • •

Assisted businesses with flood recovery efforts.

Loan Servicing/Monitoring • • •

Maintained approved loan portfolios and monitored approved loans. Worked on legal remedies for defaulted loans. Number of active loans as of 06/30/02: 53.

Arts Development

Directory · · ·

Regional Artist and Art Organizations Directory was updated throughout the year. Parts of the Directory are published on the web site. Our focus is to provide more information and work samples by area artists on our web site by next spring.

Public Art Development • • •

Encouraged applications from communities for the Public Art Program in order to award four grants in fiscal year 2002. We increased the number of sculptors listed in the registry in order to help communities find artists to work on their projects.

MCA Meetings • • •

Attended Minnesota Citizens for the Arts Meetings as a board member. Advocated on behalf of the arts for increases in legislative funds.

McKnight Arts

Training Workshops • • •

Professional development for area artists including training on mnartists online project to help artists display their art on the Internet.

Aging-Admin

Fall Conference on Aging • • •

Planned, prepared information and held the Conference on Aging on August 15, 2001. 350 seniors and service providers enjoyed the stress free day of education. Evaluation comments indicated great satisfaction with the event.

2001 Senior Legal Services Project · · ·

Granted Legal Services of NW Minnesota a IIIB grant to provide legal services and legal education to seniors in all seven counties of the region. Provided 696 hours of legal services and 9 educational sessions in 2001.

2001 Senior LinkAge Information & Assistance • • • Granted the NW Area Agency on Aging a IIIB grant to provide information and assistance to seniors and family members in all seven counties through the Senior LinkAge line. Provided information and assistance to 1,299 callers in 2001.

2001 Health Insurance Counseling Program • • •

Granted the NW Area Agency on Aging IIIB grant to recruit and train volunteers to provide assistance to seniors in all seven counties. This included help sorting through medical and hospitalization bills, filing Medicare appeals, and advocacy for the rights of seniors.

2001 Senior Nutrition Program · · ·

Extended contract with Lutheran Social Services to provide congregate and home delivered meals to seniors in Region One. Funds compiled of Federal, USDA Reimbursement, State, State Expansion, and Nutrition Support Services.

Lutheran Social Service · · ·

Granted 2001 III-D funds to Lutheran Social Services to conduct Health Promotion Fairs at nutrition sites for 2001.

LSS Health & Wellness Fairs • • •

Granted Lutheran Social Services IIID funds to provide health fairs and medication management session at senior centers and meal sites throughout Region 1.

Respite & Caregiver Program • • •

Granted Lutheran Social Services IIIE funds to develop and expand the Respite and Caregiver Support services to all seven counties in Region 1 for the time period 7/1/ 02 to 12/31/03.

Minority Outreach · · ·

Met with American Indians and minority organizations to develop plans for their involvement in future programming. MBA Administrative Meeting • • • Participated in MBA Administrative Meetings.

Aging-Senior Link

Answer Phone • • •

Answered general Senior LinkAge Calls and made referrals to other staff on calls needing follow-up.

Newsletter • • •

Over 900 newsletters, which promote and educate seniors on healthy benefits of aging, are distributed on a quarterly basis. There are Senior LinkAge Line and Health Insurance Counseling issues presented in each issue.

Resource Materials • • •

Developed and dissemenated new resource materials for seniors and service providers. In cooperation with Legal Services and the NW Ombudsman for Older Minnesotan's, we developed a Personal Data and Records booklet for distribution.

Information and Assistance · · ·

Information and assistance is provided to seniors and others who utilize the Senior LinkAge Line. Services and programs within the region are referred to help seniors with their needs.

Aging-PD&C

Caregiver Resource List . . .

Developed inventory of formal and informal caregiver services in the seven county area. Utilized this information in the development of the Caregiver RFP for Region 1 funds.

Caregiver Work Group • • •

Established a work group to examine Caregiver needs/ issues and create a regional model for Caregiver resources. Input will be used to help allocate new funding for caregiver support.

Aging-Outreach

Senior Surf Days • • •

Thirteen Senior Surf Day Events have been completed. The sessions promote the Medicare websites for beneficiaries to use as resources for health care information.

Volunteer Maintenance • • •

Volunteers are updated monthly on changes to the Medicare program, Health Insurance Counseling program and all other new resources for seniors.

Education and Outreach · · ·

Conducted 4 educational outreach sessions.

Phone and One-on-One Assistance • • •

Provided assistance to callers and on-site visitors about health care assistance programs.

Home Visits • • •

Conducted home visits to potential program eligible seniors to assist with applications for health care assistance.

Aging-Health Insurance

Evaluation • • •

85%+ of surveys returned indicated client satisfaction with services received.

Aging-Health Care Access

Client Tracking · · ·

Evaluated information about seniors served through the IRIS database program.

Application Review • • •

Distributed applications and reviewed completed applications prior to submittal to the counties or state.

County Coordination • • •

Worked with counties to provide assistance upon health plan approval.

Aging-Regional Gaps Analysis

Department of Human Services Legislative.Mtg. • • • Coordinated site location for the Department of Human Services Information Session to discuss Long-Term Care Reform Legislation. Scheduled Coffee Time presentation for DHS staff to provide information about changes.

Department of Human Services Training • • •

Participated in a DHS sponsored teleconference which provided information about Gaps Analysis, Regional Analysis, and Service Development Plan timelines. Training provided technical assistance to AAA's and SAIL programs for assisting counties.

Assistance to Counties Proposal • • •

Developed proposal for assisting counties with completing Gaps Analysis. Met with Social Service Directors to discuss proposal and interest in AAA assistance.

INDEPENDENT AUDITORS' REPORT

Board of Directors Northwest Regional Development Commission Warren, Minnesota 56762

We have audited the accompanying general purpose financial statements of Northwest Regional Development Commission as of June 30, 2001, and for the year then ended, as listed in the Table of Contents. These general purpose financial statements are the responsibility of Northwest Regional Development Commission, management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of Northwest Regional Development Commission, as of June 30, 2001, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated October 3, 2001 on our consideration of the Northwest Regional Development Commission's internal control over financial reporting and our test of compliance with certain provisions of laws, regulations, contracts and grants.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as whole. The individual fund statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of Northwest Regional Development Commission. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments and Non-Profit Organizations", and is also not a required part of the general purpose financial statements of Northwest Regional Development Commission. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.
