Your **33** State
Colleges and Universities

Extraordinary Education. Exceptional Value.

Nestled amidst the lakes, forests, and scenic landscapes of Minnesota are the 33 state colleges and universities of Minnesota State, your state college and university system.

More than 300,000 students choose your state colleges and universities each year, creating a brighter future to become the talent needed for Minnesota businesses and communities to grow and prosper. Minnesota State offers thousands of academic programs at the lowest tuition in the state. With our 54 campuses located in 47 Minnesota communities, you can choose to continue your educational journey close to home or across the state. We also offer a vibrant array of student life activities and experiential learning options. That's what extraordinary education at an exceptional value is all about.

Extraordinary Impact

Minnesota State is making a difference. From the students we serve, to our business partners, to those we employ, chances are good you or someone you know has benefited from the work of your state colleges and universities.

Minnesota State Graduates' Debt

Fiscal Year 2022

**Note the median for all graduates with certificates/diplomas/associate degrees is \$0 as over half did not borrow*

DEGREE	MINNESOTA STATE GRADUATES WITH NO DEBT	MEDIAN DEBT FOR ALL GRADUATES	MEDIAN DEBT FOR GRADUATES WHO BORROWED
Certificates/Diplomas	61.7%	\$0*	\$9,589
Associate Degrees	52.5%	\$0*	\$14,375
Baccalaureate Degrees	34.7%	\$12,500	\$23,000

World-class *Education*

Extraordinary Education

Your state colleges and universities offer more than 4,000 superior academic programs taught by seasoned faculty who know you by name. Take a few classes to retool your skills. Earn a certificate, diploma, or associate degree. Or, start working on or complete your bachelor's, master's, or doctorate. Minnesota State will help you build a plan that's right for you.

» Move Quickly

Your state colleges offer options that allow you to take classes or earn a certificate, diploma, or associate degree in two years or less.

» Graduation Options

Start and finish your bachelor's degree at one of your state universities, or complete two years at a state college and transfer to one of your state universities.

» Work-School-Life Balance

Explore flexible scheduling options, accelerated options, or online classes and programs that work with your schedule and fit into your life.

» Personalized Attention

Class sizes are small, campuses are friendly, and you are taught by faculty, not teaching assistants.

» Stay Local or Explore

Minnesota State has 54 campuses in 47 Minnesota communities. Choose the one that is right for you.

» Retool or Advance Your Career

Check out non-credit, short-term training options designed to help you get quick and specialized training through any Minnesota State continuing education or customized training program.

» Exceptional Value

Your 33 state colleges and universities offer the lowest tuition and fees in Minnesota and a first-class education employers respect.

» Find Your Path

Work one-on-one with staff at any of your colleges and universities to find the program and path that is right for you.

Lowest tuition in Minnesota

Your 33 state colleges and universities offer the lowest tuition and fees in Minnesota, giving you access to first-rate education options throughout the state and the ability to avoid or limit debt.

ESTIMATED FULL-TIME NET TUITION COSTS AFTER STATE AND PELL GRANTS

Academic Year 2023–24

*30 credits for a year, 15 credits per semester at spring semester rates. Estimates based on overall grant amounts per income group.

INCOME LEVELS FOR STATE GRANT RECIPIENTS*	AVERAGE 2023–24 STUDENT TUITION COST	
	STATE COLLEGES	STATE UNIVERSITIES
Less than \$20,000	\$160	\$769
\$20,000 to \$39,999	\$807	\$1,341
\$40,000 to \$59,999	\$1,367	\$2,273
\$60,000 to \$79,999	\$2,328	\$3,833
\$80,000 and above	\$3,009	\$5,290
Average for all state grant recipients	\$906	\$2,323
Non-state grant recipients	\$5,471	\$8,685

Exceptional Value

The 33 state colleges and universities that comprise Minnesota State offer the lowest tuition in all of Minnesota.

Not from Minnesota? Most colleges and universities that are part of Minnesota State offer in-state tuition rates to residents of other states. Check with the college or university you wish to attend for details. All veterans, service members, and their families receive in-state tuition.

2023 TO 2024 TUITION AND REQUIRED FEES BEFORE GRANTS AND SCHOLARSHIPS

■ Minnesota State ■ University of Minnesota; private colleges and universities

Extraordinary Experiences

STUDENT LIFE

Choosing a state college or university also means you have access to a vibrant social scene. Check out the variety of clubs, organizations, and events. Explore varsity athletics options on **PAGES 57** and **64**. Learn about study abroad and service learning opportunities available at the college or university you are interested in attending. Or, get involved with student government on your campus or at the state level as part of Students United (*representing public state university students*) and LeadMN (*representing public community and technical college students*). Learn more at MinnState.edu/admissions/studentlife.html.

Exceptional Talent

A BRIGHT FUTURE

Your state colleges and universities are a vital resource to Minnesota employers. Not only do we help prepare students to become talented and skilled individuals, but we also work hand-in-hand with business and industry to develop relevant programs and curriculum.

GAIN RELEVANT EXPERIENCE. Employers from across the state work with your colleges and universities to offer internships and job opportunities. These same professionals also serve as advisors who help shape curriculum, obtain equipment, and develop new programs and classes.

BE THE TALENT OF TOMORROW. Your state colleges and universities award more than 36,000 certificates, diplomas, and degrees each year, and 84 percent of those graduates begin working in their field of study within one year.

FIND SOLUTIONS TO CHANGING BUSINESS NEEDS. All 33 state colleges and universities offer non-credit learning options through a network of experienced instructors who work with employers to develop training and education programs that allow employees to thrive in the ever-changing global marketplace and keep skills competitive.

UPDATE YOUR SKILLS AND KNOWLEDGE WITH CONTINUING EDUCATION.

Advance your career by gaining new knowledge or skills, retraining, or attaining critical certification and licensures.

Transfer OPTIONS

Extraordinary Pathways

Starting at a Minnesota State college and considering transfer? Plan now to save time and money later. Check out a few of the transfer programs available through Minnesota State, or visit [MinnState.edu](https://www.mnstate.edu) for details.

WANT TO LEARN MORE?

Your colleges and universities are staffed with many people who can help you find a direction that is right for you. Talk to a transfer specialist, visit a college or university in person, or visit [MinnState.edu/transfer](https://www.mnstate.edu/transfer) to learn more.

WHAT WILL TRANSFER?

EXPLORE TRANSFER PATHWAYS: Minnesota State offers transfer pathways that allow you to complete a specific associate degree and transfer to any of the seven Minnesota State universities.* If you complete a Transfer Pathway degree at a Minnesota State college and are admitted to a state university, you will be guaranteed junior status and given assurance that all 60 college credits will count toward the related bachelor's degree.** See **PAGE 58** for program details and options.

GET TO KNOW THE BACHELOR'S DEGREE PARTNERSHIP PROGRAM: The seven state universities offer selected bachelor degree programs that can be completed at various community colleges, allowing you to earn your degree from a university without leaving the comfort of the college campus setting. See the complete inventory of degree programs and participating colleges and universities on **PAGE 60**.

FIND OUT ABOUT OUR TRANSFER AGREEMENT WITH THE TRIBAL COLLEGES IN MINNESOTA:

Minnesota State and the four tribal colleges of Minnesota have developed a partnership that paves the way for seamless transfer between the two-year tribal colleges and any of the Minnesota State universities. Learn more at MinnState.edu/transfer.

LEARN ABOUT THE MINNESOTA STATE TRANSFER GUARANTEE:

If you complete the Minnesota Transfer Curriculum and earn an associate of arts (AA) degree from any Minnesota State college with a minimum 2.0 GPA[‡], you are guaranteed admission to any of the seven state universities with junior year status.**

* Universities within the Minnesota State system include Bemidji State University; Metro State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

** A student must still meet any special admission requirements for the major and is not guaranteed admission into the major itself.

‡ Winona State University requires a minimum 2.4 GPA for AA degrees to be accepted.

AA – ASSOCIATE OF ARTS DEGREE

Designed to transfer into liberal arts four-year majors.

AS – ASSOCIATE OF SCIENCE

Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

AFA – ASSOCIATE OF FINE ARTS

Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

AAS – ASSOCIATE OF APPLIED SCIENCE

Two-year program for a specific occupation. Not designed for transfer.

(While not primarily designed for transfer, individual colleges and universities may accept these courses.)

DIPLOMAS AND CERTIFICATES

Industry-driven and defined programming designed for immediate entry into the workplace. Not designed to transfer.

Exceptional Opportunities

ACCELERATE *your degree*

CREDIT FOR PRIOR LEARNING (CPL):

Students who demonstrate college- or university-level learning gained through learning experiences outside the college classroom may be eligible to earn college credit. Examples include military, workplace, and community-based training; professional certifications; national exams such as CLEP, DSST, and AP; World Language Seals; and International Baccalaureate diplomas.

Visit [MinnState.edu/cpl](https://www.mnstate.edu/cpl) to learn more about CPL options at Minnesota State. Click on the link to the college or university you are considering for more information.

POSTSECONDARY ENROLLMENT

OPTIONS (PSEO)*: PSEO are college courses offered to high school students. The courses are taught by college or university faculty and allow students to earn both high school and college credit for successfully completing the course. Contact your local state college or university for eligibility requirements and information.

CONCURRENT ENROLLMENT*: Students can complete college courses at their high school while fulfilling high school course requirements at the same time. If you are interested in this option, speak to your high school guidance counselor.

TECHNICAL COURSE OPTIONS:** Students in 10th grade may take one technical college-level course taught on a college campus. You must be

enrolled in a public school and meet requirements for reading proficiency and other assessments related to the course in which you wish to enroll.

ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACCALAUREATE (IB) OPTIONS:

AP or IB courses are offered at many high schools and provide a rigorous curriculum that prepares students to take college-level courses. Students who pass an AP test or the IB exam with acceptable scores will be awarded college credit at any Minnesota State college or university.

* To be eligible for PSEO or concurrent enrollment with a Minnesota State college or university, high school juniors must be in the upper one-third of their class or earn a score at or above the 70th percentile on a test such as the ACT or SAT. Seniors must be in the upper one-half of their class or earn a score at or above the 50th percentile on a test such as the ACT or SAT. Students who do not meet these requirements may still be eligible if they can meet other college readiness standards determined by the college or university. Students in 9th or 10th grade may also be eligible to take PSEO or concurrent enrollment courses if they rank in the upper one-tenth of their class or attain a score at or above the 90th percentile on a nationally standardized, norm-referenced test, or if they have a favorable recommendation from designated high school officials. All high school students enrolling in PSEO or concurrent enrollment, regardless of grade level, must also meet all college course prerequisites.

** A student who first completed technical courses while in 10th grade and wishes to enroll in general education courses as an 11th or 12th grade student must take assessment tests and achieve the required scores prior to enrollment in additional PSEO courses. Learn more at [MinnState.edu/admissions/pseo](https://www.mnstate.edu/admissions/pseo).

Whether you are seeking help paying for college or could use help as you prepare for an exam, your 33 state colleges and universities offer a variety of resources to help you along the way. We are staffed with professionals who know and understand the process of enrolling and can help you reach your goals.

AID AND SUPPORT

Extraordinary Resources

Financial Resources

FINANCIAL AID: The Free Application for Federal Student Aid (FAFSA) is the first step in applying for assistance in financing your college education. Submit this information as soon as possible to determine your eligibility for aid. Visit studentaid.gov for more information.

SCHOLARSHIPS: Scholarships are a great financial resource to students. They typically do not have to be paid back and can help offset tuition and other costs associated with college.

TAX CREDITS: Some students may benefit from federal tax credit programs. Consult with a tax professional or visit the IRS website at irs.gov for more information.

Academic Resources

ON-CAMPUS ACADEMIC ASSISTANCE: Most colleges and universities offer services such as tutors, a writing center, a math center, counseling, and more to support you. Contact the college or university you are interested in attending to learn about the resources available.

TRIO SERVICES: The federal TRIO programs are outreach and student services programs designed to identify and provide help to students from disadvantaged backgrounds.

ACCESSIBILITY SERVICES: Your state colleges and universities offer accessible facilities and provide accommodations to students with documented disabilities.

SUPPORT FOR VETERANS AND SERVICE MEMBERS: Most of your colleges and universities offer services for veterans and service members, including help to identify resources to pay for college, and have received Yellow Ribbon or military-friendly designations. Learn more at MinnState.edu/military.

CAREER PLANNING: Check out career services at the college or university you're interested in, or use MinnState.edu/careers to explore careers, take an assessment, find programs and courses—including short-term and continuing education options—get tips for a successful job search, and more.

» **GET STARTED TODAY!** Contact the college or university you are interested in to meet with staff who can help you find the resources right for you.

NEXT STEPS

- 1 Speak to friendly staff at the college or university you are considering.
- 2 Get to know your state colleges and universities using this guidebook or by visiting [MinnState.edu](https://www.mnstate.edu).
- 3 Check out the hundreds of programs available on your campuses at [MinnState.edu/programs](https://www.mnstate.edu/programs) or use the program grid found in the “Endless Opportunities” section of this book, starting on [PAGE 51](#).
- 4 Visit campuses to find the college or university that is the right fit for you.

READY TO APPLY?

1. **CONTACT OR VISIT** the college or university you are considering to get specific admission requirements.
2. **SUBMIT YOUR APPLICATION.** The state universities typically accept applications in the fall, and the state colleges generally accept applications up until the start of the new semester. Visit [MinnState.edu/admissions/index.html](https://www.mnstate.edu/admissions/index.html).
3. **APPLY FOR FINANCIAL AID** by visiting studentaid.gov and access the Free Application for Federal Student Aid (FAFSA).
4. **LOOK FOR SCHOLARSHIPS** by contacting the college or university you plan to attend for information and resources to begin the scholarship application process.
5. **START PLANNING** to achieve your goals by looking at the academic calendar for the college or university you wish to attend and getting to know staff that can assist you throughout your time on campus.

26 STATE COLLEGES

Minnesota State is home to 26 community, technical, and comprehensive colleges. These colleges are a great place to earn a degree and immediately start your career, or you can complete an associate degree and transfer to earn a bachelor's degree.

INTERESTED?

- » **CHECK OUT THE OPTIONS.** The profile pages that follow provide you a glimpse of all 26 colleges.
- » **VISIT CAMPUS.** The best way to find the college that is right for you is to visit.
- » **UNDERSTAND WHAT YOU NEED TO ENROLL.** Each college has an open admissions policy, meaning you need only a high school diploma or a GED to enroll. If you do not have a high school diploma or GED, you may qualify to be admitted through an approved Ability to Benefit test and may apply to enroll in a career pathway program. Details for program-specific admissions requirements can be found on the website of the college you are considering.
- » **KEEP TRANSFER IN MIND.** If you are thinking about transfer, take note of the pathway options and programs designed to ease the process. Planning ahead may save you time, money, and stress later.
- » **LET OUR STAFF AND FACULTY HELP.** You are strongly encouraged to contact the admissions department and get to know the faculty and staff at the college you plan to attend.

Liberal arts and science transfer degrees, applied career and technical degrees, diplomas and certificates in nursing, paramedic, medical assistant, dental hygiene, automotive service technology, radiologic technology, law enforcement, cybersecurity, orthotic and prosthetic technology, solar and renewable energy, additive and digital manufacturing, engineering, computer science, HVACR, mental health and behavioral worker, translation and interpreting, interior design, kitchen and bath design, visual communications careers, and more

STUDENT ACTIVITIES

30+ student clubs, organizations, and activities available in areas such as fine and performing arts, recreation, and career development. Visit century.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Save thousands on your bachelor's degree—seven associate in arts degrees, three associate in fine arts degrees, 18 Minnesota State Transfer Pathways degrees, and hundreds of general education courses in the liberal arts and sciences disciplines provide a variety of transfer options to four-year universities
- » Gain immediate employment in high-demand career fields. 33 associate in applied science degrees, 24 diplomas, and 57 certificates

are offered in a wide variety of high-demand program areas, including applied design, business, health sciences, human services, science, technology, engineering and mathematics (STEM), and trade and industry

- » College is affordable at Century College. With low tuition rates, financial aid, and scholarship opportunities, students can earn a degree and avoid student debt
- » Maintain work-life balance through flexible course options, including multiple semester start dates, online, multi-modal, hybrid/blended, day, evening, part-time, and credit for prior learning
- » Learn in state-of-the-art classrooms and laboratories with cutting-edge technology to meet industry demands, including an Applied Technology Center and laboratories for Digital Fabrication (Fab Lab), solar and renewable energy, orthotics and prosthetics, and health sciences simulation
- » Receive personalized and innovative student support services, including advising, academic tutoring, career counseling, wellness, veteran, disability, and technology services, and an on-campus student resource center
- » Experience a vibrant campus community through a variety of student clubs and organizations, collegiate athletic teams, campus recreation, art, music, and theatre experiences, discipline-specific competitions, guest speakers, and LGBTQ, Veterans, and Multicultural Centers
- » Strong community and business partnerships enhance academic curriculum and provide experiential student learning opportunities such as internships, service learning, and career exploration
- » Enhance your job skills or retrain for a new career through a wide range of non-credit, short-term continuing education courses offered through the Century College Continuing Education and Customized Training department
- » A Leader College and member since 2011 in Achieving the Dream, a national, nonprofit network that champions evidence-based institutional improvements around student success and innovative strategies to bridge the equity gap

DEGREES OFFERED

Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

Find your passion and build your future at Inver Hills Community College. Where all students belong, our campus provides a supportive learning environment, focused on your success. Located less than 10 miles southeast of St. Paul, Inver Hills offers nearly 40 programs, including: network technology and security, environmental science, emergency medical services, computer science, climate change studies, culturally responsive professional peace officer, accounting, biology, social justice studies, psychology, nursing, law enforcement, individualized professional

studies, college credit while in high school (Concurrent Enrollment and PSEO), engineering fundamentals, paralegal, pre-social work, criminal justice, project management, and more.

STUDENT ACTIVITIES

25+ student clubs, organizations, and activities available in areas such as music, theater, culture, and student leadership. Visit inverhills.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Why Inver Hills? Inver Hills offers the perfect setting for students looking for a balance of personal attention and opportunities to get involved. With a variety of different academic programs and a low faculty-to-student ratio, Inver Hills students know their instructors and fellow students

- » Inver Hills prepares students for career success through challenging courses, access to internships and community-based learning, and career development support along the way
- » Committed to student success, Inver Hills provides a variety of services, including advising, counseling, financial aid, food and basic needs resources, tutoring, and more, with in-person and online support
- » From day one students are set up for success with programs, including New Student Orientation and First Year Experience courses and/or communities
- » Financial aid and scholarships help thousands of students per year reach their goals while reducing their student loan debt
- » Student life and student clubs offer opportunities to be involved and take leadership roles on campus

- » A broad range of adult learner services, including possible credit for lived work experience, part-time scheduling options, online tutoring, and more
- » Nestled into the hills of Inver Grove Heights right off Highway 52, our beautiful campus features multiple ponds, a community garden, and distinctive architecture. See campus for yourself by contacting the admissions department to schedule a personal or group visit
- » Inver Hills students are prepared to transfer to the four-year college of their choice. Students can go anywhere with easy credit transfer and advising from Inver Hills' well-connected team

DEGREES OFFERED

Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

LSC has over 90 program offerings, including allied health and nursing, auto service technology, aviation, cybersecurity, dental hygiene, EMT, fire technology and administration, integrated manufacturing, liberal arts and sciences, business administration, physical therapist assistant, truck driving, and much more.

SPECIAL OPTIONS

- » LSC collaborates with many four-year institutions, including Bemidji State University; Metro State University; St. Cloud State University; Minnesota State University,

Mankato; Southwest Minnesota State University; The College of St. Scholastica; the University of Minnesota-Duluth; and the University of Wisconsin-Superior, to provide seamless pathways for students to transition to four-year degree programs

- » LSC partners with area high schools for the Postsecondary Enrollment Options (PSEO), Honors Online (HOL), and the College in the Schools (CIS) programs
- » LSC serves as a regional Economic Opportunity Center through the U.S. Department of Education to help marginalized individuals plan for and attend college
- » Z-degree programs, with zero textbook costs. LSC's associate of arts (AA) and Minnesota Transfer Curriculum (MnTC) programs have no-cost textbooks available

STUDENT ACTIVITIES

Student clubs, organizations, and activities are available in areas such as arts, recreation, intercollegiate athletics, student leadership, and career development. Visit lsc.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Athletics programs include intercollegiate men's and women's soccer, co-ed cycling, and co-ed clay target
- » On-site specialized veterans services available through the Veterans Resource Center, Higher Education Veterans Program, and Minnesota Department of Veterans Affairs
- » LSC is the only two-year college in Minnesota designated as a National Center of Academic Excellence in Cyber Defense by the National Security Agency/Department of Homeland Security
- » LSC offers Transfer Pathway programs in biology, chemistry, communication, economics, English, exercise science, history, mathematics, psychology, and sociology. These programs are designed to help students complete an associate degree at LSC and earn a bachelor's degree at one of our Minnesota State universities

- » LSC's numerous community partnerships include connections with local, regional, and state agencies and nonprofits through workforce development grant-sharing and customized training and active advisory councils for technical and allied health programs

- » Hangar facilities for the Center for Advanced Aviation at the Duluth International Airport house both LSC's professional pilot and aviation maintenance technician programs
- » The Emergency Response Training Center provides world-class training for emergency response professionals
- » The college provides dental hygiene, massage therapy, and physical therapy services to students and uninsured residents of the region through faculty-supervised student clinics
- » Students can apply for scholarships held by the LSC Foundation each April and October

VISIT

Campus tours are offered daily or by appointment. Visit lsc.edu for additional details and events.

DEGREES OFFERED

Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

Eight schools within the college provide simplicity in choosing a major and guidance for which courses to take first to save time and money; programs within these schools include biology, psychology, theater, business, liberal arts, nursing, and more.

STUDENT ACTIVITIES

70+ student clubs, organizations, and activities available. Visit minneapolis.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Nationally accredited programs in high-demand fields
- » Courses are taught by industry experts, committed to student success
- » Students from around the world who represent a broad range of ages and backgrounds
- » One of the most diverse college campuses in the state
- » Small class sizes allow students to connect with faculty and classmates
- » State-of-the-art technical, science, and world language labs
- » Award-winning Student Support Center
- » Minneapolis College collaborates with many four-year institutions, including Metro State

University, Augsburg University, and the University of Minnesota, to provide seamless pathways for students to transition to four-year degree programs

- » Minneapolis College is the first college in Minnesota to offer exploratory majors for undecided students, allowing you to start making immediate progress on your educational journey while keeping your options open
- » The Academic Success Center offers a state-of-the-art learning environment to enhance student success
- » The Power of YOU program covers tuition and fees (after state and federal grants) for eligible public high school graduates; 2,400 students benefited from the program over the last 10 years
- » About half a million dollars was awarded to students last year in scholarships and emergency assistance through the Minneapolis College Foundation
- » Offering over \$500,000 in scholarships, including Last Dollar Scholarships that cover the remaining cost of tuition that financial aid does not cover
- » An anchor partner in the Cedar Riverside Opportunity Center and 800 W. Broadway, a collaboration between public sector and private nonprofit partners to provide access to educational, workforce, and career pathway services to the community
- » The Student Support Center received the Minnesota State Innovative Student Affairs Program Award for providing services for and responding to the needs of the college's diverse population
- » Instructors are frequently recognized by Minnesota State as Outstanding Educators, including seven faculty receiving the top award, Educator of the Year, in 2016–17, 2017–18, 2019–20, 2020–21, 2021–22, and 2022–23
- » Dual credit programs are an opportunity for high school students to earn college credit while working toward their high school diploma
- » Known for meeting students where they are on their academic journey and standing alongside them if they need assistance, including counseling, food, housing assistance, recovery services, parenting resources, and more

ACTIVITIES

DEGREES OFFERED

Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate

PROGRAM HIGHLIGHTS

Liberal arts, business, computer science, science and engineering, nursing, dental hygiene, teacher education, law enforcement, music, theater, art, psychology, vacuum technology, world languages; advanced degree programs in business, communications, computer science, dental hygiene, education, engineering, exercise science, nursing, theater

STUDENT ACTIVITIES

40+ student clubs, organizations, and activities available in areas such as arts, recreation, student leadership, and career development. Visit normandale.edu/campus-life or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Prepares students for full participation in diverse communities, creates pathways to other college programs, and builds community connections. Normandale is committed to quality, affordability, student access, and success
- » Normandale offers 70+ associate degree and certificate options; in-person, online, or hybrid formats
- » 14,000 students from diverse backgrounds attend classes at the college each year, making it Minnesota's largest community college
- » Normandale offers accredited music, theater, art, and business programs—rare among two-year colleges in Minnesota and nationwide

- » Normandale is a top transfer institution to Metro State University; Minnesota State University, Mankato; University of Minnesota; University of St. Thomas; and many others
- » Recently renovated College Services area features modern classrooms, state-of-the-art labs and small group spaces for student collaboration, and creates a centralized Student Services model that makes it easy for students to find services and support
- » Normandale's Sirtify Program, launched in 2021, provides full student support (covering all tuition, fees, books, and supplies, plus a contribution toward cost of living) for Black, African American, and African men going into elementary and secondary education pathways. Information can be found at normandale.edu/sirtify
- » SpedUp, launched in 2022, recruits and supports BIPOC students as they pursue the first years of a special education degree. Info can be found at normandale.edu/spedup-program
- » Normandale offers the only AAS degree in vacuum and thin film technology in the nation
- » Continuing Education offers courses for in-demand skills and collaborates with industry partners through grants from MN DEED
- » One of eight two-year colleges nationally to partner with Aon on a full-time apprenticeship program that combines education and work experience
- » Services are provided for second language and developmental education students and students with disabilities
- » Normandale Tutoring Center provides services to students through the Writing Center, embedded Peer Assistant Study Sessions tutors, walk-in peer tutoring, and tutoring for non-native English speakers
- » Normandale's community dental clinic accepts public assistance and offers dental services on a sliding fee scale
- » Normandale expanded its Campus Cupboard and provides fresh meals for students without the financial means to eat every day
- » Normandale is a Beyond the Yellow Ribbon military-friendly organization
- » Normandale has one of the few authentic Japanese Gardens in the state

ON-CAMPUS HOUSING

DEGREES OFFERED

Associate of Applied Science, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

Nursing (Practical Nursing, LPN Step-In Track, RN), dental assisting, community health worker, health sciences, medical coding, automotive service and performance, electrical construction, plumbing technology, heating, air and refrigeration technology, accounting, computer support, general business, human resources, administrative assistant, child development, and gerontology and aging studies

STUDENT ACTIVITIES

Numerous student clubs, organizations, and activities available. Visit ntcmn.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Academic programs, both on campus and online, closely match career opportunities
- » All nursing programs include lecture courses online with in-person, hands-on labs
- » State-of-the-art technology resources and labs offer students an in-depth, hands-on learning experience
- » Labs for programmable logic controls, automotive, nursing, and commercial refrigeration all received significant upgrades in 2020
- » Most NTC students spend four hours in hands-on labs for every one hour spent in lectures

- » Dental assisting (Commission on Dental Accreditation) and nursing (Accreditation Commission for Education in Nursing) programs are fully accredited
- » Programs are guided by industry partners through active and engaged program advisory committees
- » Students experience personal attention, small classes, supportive faculty, and well-equipped labs, as well as abundant parking and an on-campus café
- » Students are enabled to succeed in both the classroom and workplace through support from the Student Success Center, which offers tutoring, library assistance, academic coaching, career services, and academic advising
- » 90 percent of students who access NTC's tutoring services pass their classes, and 75 percent have received letter grades of A or B
- » Through a partnership with Bemidji State University, students can live in BSU student housing and enjoy the benefits of an on-campus college experience
- » Internships and hands-on experiences are woven into program requirements, ensuring that students graduate with the skills they need to succeed
- » A comfortable student lounge called "The Roost" provides a casual spot to relax, play a game, study, or just hang out and socialize
- » Opportunities for fun and engagement through activities such as free coffee Thursdays and free popcorn Tuesdays at the Student Success Center, and through student clubs and organizations such as Student Senate and program-specific clubs for students in automotive, child development, nursing, and more
- » The Student Center for Diversity, Equity, and Inclusion and American Indian Resource Center support students through events and programming meant to increase both the understanding of diversity and inclusion and appreciation for its benefits

VISIT

Campus visits are highly encouraged for students and their families. Visits may be scheduled by calling 218-333-6600 or by visiting ntcmn.edu.

CAMPUS HIGHLIGHTS

- » PTCC is conveniently located about an hour north of the Twin Cities, surrounded by lakes, rivers, and state forests
- » Online courses available for distance learning and convenience
- » Nationally accredited programs
- » NACEP-accredited concurrent enrollment program serving more than 1,500 high school students annually

- » Small campus and friendly learning environment, where faculty and staff know students by name
- » High-tech, state-of-the-art simulation labs support all nursing and health science programs
- » Technical programs prepare students for job placement and employment
- » According to NCLEX (Nursing Board Exams), PTCC nursing program test out scores rank as some of the highest among other two-year and four-year public and private colleges
- » The associate of arts degree and several associate of science degree programs provide students the opportunity to pursue a four-year degree and take advantage of lower tuition rates and smaller class sizes while immediately focusing on a chosen major
- » An on-site daycare facility allows for easy pick-up and drop-off for PTCC student parents
- » PTCC's unique gunsmithing program attracts students from across the nation
- » There are many scholarship opportunities available to students, including over \$275,000 in scholarships awarded annually from the PTCC Foundation
- » PTCC's Cyber Defense Team placed third at the National Collegiate Cyber Defense Competition
- » The trap team and annual fishing tournament are a few of the many vibrant student life opportunities for students

VISIT

The best way to learn about PTCC is to visit campus and get a personalized tour with a PTCC admission specialist. Check out pine.edu/visit to schedule your one-on-one PTCC Experience.

Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

RCTC offers nearly 70 programs in 10 academic pathways, including liberal arts and sciences, aviation pilot, nursing, health information technology, business, accounting, cardiovascular invasive specialist, cancer registry management, clinical neurophysiology technology, radiography, Magnetic Resonance Imaging (MRI), dental hygiene, environmental science, histology technician, intensive care paramedic, surgical technology, veterinary technology, mass communication, peace officer, and many more. Several programs hold national certifications and accreditations. Visit rctc.edu or MinnState.edu for a complete list.

STUDENT ACTIVITIES

The college features dozens of student clubs, organizations, and activities, including student government, special interest groups, honor societies, and service organizations. RCTC is home to eight varsity athletic teams, including football, baseball, wrestling, men's and women's basketball, volleyball, softball, and soccer. Find out more about RCTC's athletic teams and opportunities at rctcyellowjackets.com. The college also offers several performing and fine arts opportunities for students, including theatre productions, vocal and instrumental music programs, and an art gallery for student exhibitions. For a full list of student organizations, clubs, and events, visit rctc.edu/studentlife.

CAMPUS HIGHLIGHTS

- » Founded in 1915 on a motion by Dr. Charles Mayo (co-founder of the world-renowned Mayo Clinic) to the Rochester School Board, RCTC is Minnesota's oldest public two-year college and one of the nation's oldest original community colleges
- » 518-acre campus with 20 buildings, including the Rochester Regional Stadium which features an inflatable bubble used during winter months
- » Rochester is one of the nation's "Most Livable Cities," the third-largest city in Minnesota, and home to Mayo Clinic and IBM Rochester
- » RCTC offers more than 350 online classes and 62 credit-based programs with more than 90 credential options
- » Innovative academic partnership with Mayo Clinic—with six collaborative programs offered, including cardiovascular invasive specialist, clinical neurophysiology technology, histology technician, intensive care paramedic, radiography, and MRI
- » Multiple articulation and transfer agreements with four-year universities, so RCTC credits will seamlessly transfer

- » The college has partnerships with dozens of local organizations, including Rochester Public Schools/CTECH and P-TECH, Mayo Clinic, Olmsted Medical Center, Rochester Area Chamber of Commerce, plus many more
- » RCTC Foundation awards over 400 scholarships totaling more than \$460,000 to RCTC students
- » Access to support services, including student health clinic, mental health practitioners, Hive Supply food cupboard, student emergency fund, winter clothing closet, plus much more
- » Beyond the Yellow Ribbon distinction for offering student veterans resources and support services

STUDENT ACTIVITIES

DEGREES OFFERED

Associate of Applied Science, Associate of Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

South Central College (SCC) offers transfer options, Career-Ready programs, and Short-term Customized Workforce Education. Transfer options enable students to start their four-year bachelor's degree at SCC before transferring to a university. Some students opt to take specific Minnesota State Transfer Curriculum courses to satisfy some of their university general education requirements. Others choose to earn their full two-year associate degree at SCC, which enables graduates to transfer to a university as a junior. These associate programs include associate of arts and a variety of specialized Minnesota State Transfer Pathway

associate degrees. SCC also offers abundant Career-Ready programs that prepare students for rewarding occupations. Program areas include agriculture, arts and communications, building and design, business, education and human services, health sciences, manufacturing, and transportation. SCC's Customized Workforce Education division offers specialized, short-term career training programs to help organizations train their employees and help individuals grow in their current field or pursue a new occupation.

STUDENT ACTIVITIES

SCC provides students with growth opportunities inside and outside the classroom, offering a wide variety of student life activities to nurture the whole person. Student clubs and organizations include Campus Activities Board,

Collegiate DECA, Dental Assisting Club, Film Club, International Student Club, Leadership Learning Academy (LLC), Multicultural Club, Phi Theta Kappa, Postsecondary Agricultural Student Organization, PRIDE, SkillsUSA, Student Nurses Association, and Student Senate. Visit southcentral.edu/studentlife or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Founded in 1946, South Central College has provided higher education options to the region for more than 75 years
- » SCC supports students with services that drive success from tutoring and on-campus social workers to career development and counseling
- » SCC is accredited by the Higher Learning Commission, with seven programs having additional industry accreditations
- » A diverse student body enriches the educational experiences of all
- » Contributions from businesses have helped fund state-of-the-art agribusiness, health sciences, nursing assistant, and welding labs on SCC's North Mankato campus
- » Classes are available on two campuses—Faribault and North Mankato—online, or a combination of the two (hybrid)

- » 100+ Career-Ready awards and degrees prepare students to begin a rewarding career as soon as they graduate, with the option to continue their education while working
- » 20+ transfer options enable students to start a bachelor's degree at SCC before moving on to a four-year university
- » Approximately 12,000 individuals receive short-term, career-relevant training each year from SCC's Customized Workforce Education division
- » \$500,000+ in scholarships are provided to students each year through SCC's campus foundations
- » SCC has strong relationships with area businesses that provide students with internships and apprenticeships while in school and permanent employment after graduation
- » In 2022, SCC was designated a Leader College by Achieving the Dream (ATD), a network of 300+ colleges committed to helping students achieve their goals, advancing equity, and supporting student success at their institutions and throughout their communities

INTERCOLLEGIATE ATHLETICS

DEGREES OFFERED

Advanced Technical Certificate, Associate of Applied Science, Associate of Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

Liberal arts and sciences, PSEO, cardiovascular technology, culinary arts, cybersecurity, diesel mechanic, early childhood and special education, land surveying/civil engineering, energy technology specialist, medical coding, sonography, water environment technologies

SPECIAL OPTIONS

Transfer Degree Programs – Liberal arts and sciences AA, biology transfer pathway AS, business transfer pathway AS, psychology transfer pathway AA, elementary education foundations transfer pathway AS, mathematics

transfer pathway AA, Spanish transfer pathway AA, special education transfer pathway AS, environmental science AS. Transfer Pathways programs are designed to fully transfer to Minnesota State universities that offer the corresponding bachelor's degree. Environmental science transfers via articulation agreements.

Online Programs – SCTCC offers six programs completely online: liberal arts AA, business, computer programming, finance, health information technology/medical coding, and psychology.

New Manufacturing Lab Will Meet Job Demand – With a grant from the U.S. Department of Commerce's Economic Development Administration, a new manufacturing lab is set for completion in 2023, offering new skills training and to support cross-

training across manufacturing programs. The increase in graduates will help meet the needs of area manufacturers and train workers for high-demand jobs in energy and electronics and machine tool.

Sonography Grant – SCTCC received a \$1 million grant from the Leona M. and Harry B. Helmsley Charitable Trust to enhance and expand the current sonography program and develop new advanced training and continuing education offerings to be delivered online and on-site at locations in greater Minnesota.

STUDENT ACTIVITIES

More than 25 student clubs, organizations, and activities. The SCTCC Cyclones participate in five intercollegiate sports: volleyball, men's and women's basketball, baseball, and softball. The Cyclones are members of the Minnesota College Athletic Conference (MCAC) and the National Junior College Athletic Association (NJCAA). The Cyclones consistently rank in NJCAA polls and compete at the national level. Students in auto body, automotives, medium/heavy truck, HVACR, electrical, plumbing, welding, and culinary compete in SkillsUSA competitions and regularly place at the state level to move on to national competitions. Visit sctcc.edu/campus-life or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » With a 99 percent job placement rate, SCTCC grads get jobs
- » Student services include a Multicultural Center, Cyclones Cupboard food pantry, Wellness Resource Services, mental health professional, tutoring, and Career Services
- » Students know their instructors with small class sizes: average of 18 students per class
- » Cutting-edge simulation labs featuring equipment used in area industries
- » Highly involved advisory boards mean SCTCC is aligned for area industry needs
- » In 2022, more than \$290,000 in scholarships was awarded to 450 students
- » Child care facility on campus
- » Beyond the Yellow Ribbon Company designation for service member and military family support

7 STATE UNIVERSITIES

Seven state universities are part of Minnesota State. Each provides an excellent pathway to earning your bachelor's degree or beyond and can help you launch your career.

INTERESTED?

The seven state universities will generally accept you as a first-year student if you can answer YES to at least one of these questions:

- » Did you graduate in the top half of your high school class?
- » Did you receive a combined score of 1,000 or higher on the SAT standardized test, or a corresponding score on the redesigned SAT standardized test?
- » Did you score 21 or higher on the ACT standardized test?

Were you able to answer YES to one of the above questions and are you planning on attending a Minnesota State university?

- » **CHECK OUT THE OPTIONS.** The profile pages that follow provide you a glimpse of the seven state universities.
- » **KNOW THE ADMISSION REQUIREMENTS.** Some state universities may have slightly different admission requirements. Check with the admissions office at the university you are interested in for details. If you do not meet the minimum admission requirements, you may be considered for admission under special provisions.
- » **ASK QUESTIONS AND VISIT CAMPUS.** There's no better way to figure out which university is the right fit. Contact a member of the university's admissions office to set up a visit.

CAMPUS HIGHLIGHTS

- » **Successful** – 93 percent of WSU graduates are hired in their field or pursue further education
- » **Affordable** – WSU is one of America's 100 Best College Buys, and 97 percent of first-year students benefit from financial aid
- » **Sustainable** – with the largest campus solar panel system, WSU is the most energy efficient university in Minnesota State. The LESS project cuts WSU's annual carbon footprint by 25 percent
- » **Beautiful** – scenic bluffs and the Mississippi River are in WSU's backyard, meaning rock climbing, kayaking, and more are nearby
- » **Competitive** – WSU is home to 13 NCAA Division II and one Division III varsity teams

- » **Supportive** – the WSU community goes above and beyond to ensure student success. With small classes taught by expert faculty, students get direct support
- » **Healthy** – with a full-service fitness center, the largest university climbing wall in the Midwest, and on-campus mental health services, WSU is dedicated to holistic health
- » **Connected** – WSU students receive a fully equipped laptop with full-service tech support
- » **Hands-on** – students can intern with some of the region's most prestigious organizations and use what they've learned to help others in their community
- » **Trusted** – WSU is the oldest member of Minnesota State and has earned the #1 student success and graduation rates in the system
- » **Lively** – Winona's thriving arts and music scenes provide entertainment that fits students' budgets

COLLEGE ACADEMIC PROGRAM GRID [PAGES 52–56](#)

Check out the academic programs available at your state colleges that may lead to an associate degree, certificate, or diploma. These are great programs to launch a new career or get started on the path to a bachelor's degree.

BACHELOR'S DEGREE PARTNERSHIP PROGRAM [PAGE 60](#)

The seven state universities offer a selection of bachelor's degree programs that can be completed at various community college campuses, allowing you to earn your degree from a university without leaving the comfort of the college setting. This grid will help you see the programs available and locations where they are offered.

UNIVERSITY ACADEMIC PROGRAM GRID [PAGES 62–63](#)

Learn about the programs available at your state universities that may lead to a bachelor's degree and beyond, or help you launch your career.

ATHLETICS PROGRAM GRIDS [PAGES 57, 64](#)

Many of your state colleges and universities have an array of sports that provide you the opportunity to enjoy a student-athlete experience. These grids will help you quickly identify which colleges and universities offer your sport.

INTERCOLLEGIATE ATHLETICS – COLLEGES

Athletics programs at our colleges provide opportunities for many student-athletes to compete in their favorite sports and for all students to participate as fans and to show their school spirit! To learn more about the opportunities and affiliations at a particular institution, please visit its website.

different athletic teams are offered across 16 different sports at our participating colleges.

TRANSFER PATHWAYS

Minnesota State Transfer Pathways make it easy to complete a specific associate degree at a Minnesota State college and transfer to a Minnesota State university to earn a bachelor's degree without losing credits or taking extra courses.* Transfer Pathways can be a great way to save time and money as you work toward graduation.

*Students must meet special admission requirements for the major and are not guaranteed admission into the major itself. Call or visit the college or university you're interested in to learn more.

INTERCOLLEGIATE ATHLETICS – UNIVERSITIES

Student-athletes attending Minnesota State universities have remarkable opportunities to join elite, nationally competitive programs. The Northern Sun Intercollegiate Conference, one of the nation’s premier NCAA Division II leagues, counts six Minnesota State universities among its 16 members. And, three of our universities sponsor NCAA Division I ice hockey.
