

STATE OF MINNESOTA
Office of the Minnesota Secretary of State
Steve Simon

February 3, 2025

The Honorable Senator Jim Carlson
The Honorable Senator Mark Koran

The Honorable Representative Mike Freiberg
The Honorable Representative Duane Quam

Dear Senators and Representatives:

In 2024, the legislature established a reimbursement account and procedures for counties and cities that administer in-person absentee voting on postsecondary institution campuses.

Minnesota Statutes 203B.0815 outlines that the reimbursement amounts must not exceed:

- (1) \$5,000 for one polling location the first year it applies for a reimbursement under this section;
- (2) \$3,000 for each additional polling location the first year it applies for a reimbursement under this section; and
- (3) \$3,000 for each polling location in subsequent years.

After passage, the Office made counties aware of this reimbursement and the legislation relating to temporary in-person absentee voting locations on postsecondary institution campuses added in 203B.081, subdivision 4, subpoint (c). After the 2024 general election, the Office invited counties and cities who operated qualifying locations to apply for reimbursement. The Office received two applications and distributed a total of \$7,117.82.

Attached, please find the reimbursement report.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Nicole Freeman".
