Dear Representatives and Senators:

In accordance with Laws of Minnesota 2024, chapter 113, subdivision 6, I am submitting the required reporting pertaining to Tax-Forfeited Lands Settlement. The report includes information as reported by counties and includes information on parcels, sale status, sale price if applicable, and a brief description of good faith efforts made to list and sell properties.

400 Centennial Building • 658 Cedar Street • St. Paul, Minnesota 55155

Voice: (651) 201-8000 • Fax: (651) 296-8685 • TTY: 1-800-627-3529

An Equal Opportunity Employer

The law required counties to report to Minnesota Management and Budget (MMB) by December 31, 2024. MMB worked with the Association of Minnesota Counties and Minnesota Inter-County Association to make counties aware of this reporting requirement. We continue to work with non-reporting counties to obtain their reports.

As directed by law, the claims administrator agreed to in the settlement is coordinating claim submissions and issuance of settlement payments. MMB was directed to make a one-time payment to the claims administrator under the terms of the settlement.

At this time, information has not been remitted by the following counties:

Carlton	Freeborn	Isanti	Norman	Traverse	Wadena	Yellow Medicine
Clay	Hubbard	Nobles	Steele	Wabasha	Winona	

Awaiting additional information and/or clarification from the following counties:

Dodge	Kanabec	Kittson	McLeod	Murray	Swift	Clearwater
-------	---------	---------	--------	--------	-------	------------

If you have questions, please contact Ronika Rampadarat, Chief Financial Officer, at ronika.rampadarat@state.mn.us or 651-201-8115.

The cost of preparing this report was approximately \$1,670.

Sincerely,

Erin Campbell
