Dear Committee Chairs and Members:

Minnesota Statute 297G.03.6 requires the Minnesota Department of Revenue to provide an annual report on the Small Winery Credit that includes:

- Total credit amount claimed during the fiscal year
- Number of Minnesota and out-of-state wineries claiming the credit

Small wineries that produce 75,000 gallons or less of wine and cider in a calendar year qualify for this credit. They claim the credit against excise tax due on their wine and cider sales in the following fiscal year (July 1-June 30).

The following table shows Small Winery Credit amounts for fiscal year 2024.

Reporting Period	Minnesota Wineries that Claimed Credit	Out-of-state Wineries that Claimed Credit	Total Tax Expenditure For the Credit
July 1, 2023 – June 30, 2024	88	0	\$124,054

Please contact my office if you have any questions or we can provide more information about this report.

Sincerely,

A handwritten signature in blue ink that reads 'Paul Marquart'.
