RE: 2024 Compliance Protocol Report in accordance with Minnesota Statute 116.07 Subd. 4n (f)

Dear Senators and Representatives,

In accordance with Minnesota Statute 116.07 Subd. 4n (f), the Minnesota Pollution Control Agency (MPCA) is required to submit an annual report on the use of compliance protocols over the preceding year.

Since July 1, 2024, the MPCA had one instance where the compliance protocol was applied in 2024. That particular case is part of an ongoing civil investigation and details are non-public at this time.

Sincerely,

Katrina Kessler
