2024 LEGISLATIVE REPORT

MINNESOTA CLEMENCY REVIEW COMMISSION

Background

The Minnesota Clemency Review Commission is required to file a written report with the legislature by February 15 of each year, reporting: (1) the number of clemency applications received by the commission during the preceding calendar year; (2) the number of favorable and adverse recommendations made by the commission for each type of clemency; (3) the number of applications granted and denied by the Board of Pardons for each type of clemency; (4) the crimes for which the applications were granted by the board, the year of each conviction, and the individual's age at the time of the crime; and (5) summary data voluntarily reported by applicants, including but not limited to demographic information on race, ethnicity, gender, disability status, and age, of applicants recommended or not recommended for clemency by the commission. Minn. Stat. § 638.22.

The Board of Pardons (Board) is comprised of Minnesota's Governor, Chief Justice of the Supreme Court, and Attorney General. The Board appoints three members each to the Clemency Review Commission. On July 1, 2024, the nine-member Clemency Review Commission (Commission) began reviewing applications for clemency to make recommendations to the Board on whether to grant or deny requests for clemency.

Under Article V, Section 7 of the Minnesota Constitution and Minn. Stat. Chapter 638, the Board may grant the following types of relief to persons who have been convicted of crimes:

- **Pardon** – an act of forgiveness that exempts the convicted person from the punishment imposed by law. Relief granted to applicants who have served their sentences. When a pardon is granted, the court is directed to issue an order setting aside the conviction and sealing all records related to the pardoned conviction.
- **Commutation** – the substitution of a lesser or different type of punishment for that imposed in the original sentence.

Pardons may be granted to persons who committed Minnesota crimes, have fully served their sentences, and have waited the applicable waiting periods after discharge from their sentences before applying for relief. Commutations may be granted to persons who are currently serving active Minnesota sentences and have waited the applicable waiting period before applying for relief.

2024 Meetings

The Board met on May 29, May 30, and December 20, 2024. The Commission met on June 25, August 2, September 6, October 4, and November 1, 2024.
