# Veteran Applicants to Graduate Degree Programs

The 2013 Legislature adopted the following language which can be found in 2013 Minn. Laws Chap. 99 Art. 2 Sec. 23 Subd. 2a (b):

Minnesota State Colleges and Universities must adopt a policy recognizing for applicants who are veterans, the applicant’s veteran status as a positive factor in determining whether to grant admission to a graduate or professional academic degree program. The Board of Trustees must report to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over higher education policy and finance annually by February 15 on the number of veterans who apply for a graduate or professional academic degree program and the number accepted.

The majority of veterans that apply for admission to graduate programs at the state universities are accepted. There were 179 completed veteran applications to graduate degree programs in fiscal year 2024 and 145 of these were accepted, as shown in Table 1 below. In addition, 11 of 11 veteran applicants to graduate certificate programs were accepted. Veterans also completed applications with the educational intent of completing graduate courses, but not a graduate degree or certificate. All 20 of these applicants were accepted.
