

April 8, 2025

Dear Governor Walz and Legislative Leaders:

Pursuant to Minnesota Statutes (M.S.) 43A.04 Subdivision 12, Minnesota Management and Budget is directed to submit the Executive Branch Total Compensation Report. This report includes all Executive Branch employees, including employees in Constitutional Offices. The report does not include employees in the State Retirement agencies or Judicial and Legislative branches. All Department of Public Safety special agents and all other protected individuals, as well as their salaries, are excluded from this report.

The Executive Branch Total Compensation report summarizes potential compensation costs for calendar year 2024. The report provides data on salary, insurance, FICA, retirement and other insurance benefits. The data are listed by department and employee name and reflect conditions as of January 8, 2025. It should be noted that the report totals provide a rough estimate of expected compensation costs for 2025 based on current conditions. Actual costs will vary with staff retirements, terminations, hiring, promotions, staff movements, or upcoming compensation changes.

Employees holding a position at more than one state agency are shown with their corresponding dollars under each agency's section. While an employee only receives the benefit once, for those eligible employees holding multiple positions, the complete cost of insurance benefits, deferred compensation, and health care savings plan contributions for the employee may be reflected in each position they hold in this report.

If you have questions or difficulty accessing the report, please contact Erik Anderson at Erik.Anderson@state.mn.us or 651-201-8030.

Sincerely,

A handwritten signature in black ink that reads 'Erin M. Campbell'.
