RE: Interagency Agreement and Transfer Report

Dear Legislators,

This letter addresses the reporting requirement set forth by the Legislature in Minnesota Statutes § 15.0395 as outlined in the language below:

15.0395 INTERAGENCY AGREEMENTS AND INTRA-AGENCY TRANSFERS.

(a) By October 15, 2018, and annually thereafter, the head of each agency must provide reports to the chairs and ranking minority members of the legislative committees with jurisdiction over the department or agency's budget on:

(1) each interagency agreement or service-level agreement, including any renewal or extension of an existing interagency or service-level agreement with another agency if the cumulative value of those agreements between two agencies is more than \$100,000 in the previous fiscal year; and

(2) transfers of appropriations between accounts within or between agencies, if the cumulative value of the transfers is more than \$100,000 in the previous fiscal year.

The report must include the statutory citation authorizing the agreement, transfer or dollar amount, purpose, the effective date of the agreement, and the duration of the agreement. Interagency agreements and service-level agreements that authorize enterprise central services and transfers specifically required by statute or session law are not required to be reported under this section.

(b) As used in this section, "agency" includes the departments of the state listed in section [15.01](#), a multimember state agency in the executive branch described in section [15.012](#), paragraph (a), the Department of Information Technology Services, and the Office of Higher Education.

Attached, please find the report that provides the required interagency agreement and transfer information for the Public Utilities Commission for fiscal year 2025.

As stated by 3.197, this report cost less than \$500 to prepare, including staff time.

If you have any questions, please do not hesitate to contact me or Hannah Millang, Chief Financial Officer.

Sincerely,

Sasha Bergman
Executive Secretary and Chief of Staff

Public Utilities Commission
