Subject: Annual Submission of Rulemaking Docket and Official Rulemaking Record

Minnesota Statutes, section 3.197 states required reports sent to the legislature must contain the cost of preparing the report at the beginning of the document. The approximate cost to prepare this report was \$60.

Dear Legislators,

Minnesota Statutes, section 14.116 states:

“(a) By January 15, each year, each agency must submit its rulemaking docket maintained under section 14.366, and the official rulemaking record required under section 14.365 for any rule adopted during the preceding calendar year, to the chairs and ranking minority members of the legislative policy and budget committees with jurisdiction of their subject matter of the proposed rule.”

Accordingly, the Minnesota Board of Peace Officer Standards and Training (POST Board) is submitting to you its current rulemaking docket. The POST Board did not complete any rulemaking projects within the last calendar year; therefore, a rulemaking record is not attached to this report. The board's rulemaking docket is updated on a regular basis. A copy of the docket can be found on the POST Board's website at

<https://mn.gov/post/boardscommittees/rules/currentrulemakingactivity/>.
