Subject: Annual Submission of Rulemaking Docket and Official Rulemaking Record, as Required by Minnesota Statutes, Section 14.116(a)

Dear Legislators:

In 2012 the Legislature amended Minnesota Statutes, section 14.116 to include the following requirement:

“(a) By January 15 each year, each agency must submit its rulemaking docket maintained under section 14.366, and the official rulemaking record required under section 14.365 for any rule adopted during the preceding calendar year, to the chairs and ranking minority members of the legislative policy and budget committees with jurisdiction over the subject matter of the proposed rule.”

Accordingly, the Minnesota Department of Education (MDE) is submitting its [active rulemaking docket](#). At this time, a Dual Notice for the K-12 Academic Standards in Health have been published in the State Register. The comment period ends on February 9, 2026. Presuming that a minimum of twenty-five requests for a hearing is received, a hearing before Court of Administrative Hearings Judge Ann O'Reilly has been tentatively scheduled for March 16 and 17, 2026.

On February 28, 2025, MDE adopted the K-12 Academic Standards in Mathematics. Those standards will be fully implemented by the 2027-28 school year. A copy of the official record is attached for your review.

Please note that you also have access to the key documents for any agency rulemaking at the Revisor's website on their [“Minnesota Rule Status” webpage](#) at <https://www.revisor.mn.gov/rules/status/>. You can search the state rulemaking documents by Revisor ID number, keyword, agency, dates, rule, or statutory authority. You can open documents related to an adopted rule, or the documents already made public for a rule that is still being adopted.

If you have any questions about these submissions, please feel free to contact me at catherine.rogers@state.mn.us.
