**Subject:** Mower County pretrial diversion report

You don't often get email from kristenn@co.mower.mn.us. [Learn why this is important](#)

I'm sorry that I'm late in filing this, but Mower County has informal diversion programs for both adults and juveniles. In 2025, we had 2 juveniles who qualified and completed diversion. We have one adult who is in the process. We have had at least 2 who have entered diversion programs handled externally.
