

STATE OF MINNESOTA  
Office of the Minnesota Secretary of State  
Steve Simon

January 15, 2026

The Honorable Senator Jim Carlson  
The Honorable Senator Mark Koran

The Honorable Representative Mike Freiberg  
The Honorable Representative Duane Quam

Dear Senators and Representatives:

In 2024, the legislature established a reimbursement account and procedures for counties and cities that administer in-person absentee voting on postsecondary institution campuses.

Minnesota Statutes 203B.0815 outlines that the reimbursement amounts must not exceed:

- (1) \$5,000 for one polling location the first year it applies for a reimbursement under this section;
- (2) \$3,000 for each additional polling location the first year it applies for a reimbursement under this section; and
- (3) \$3,000 for each polling location in subsequent years.

After passage, and again ahead of the 2025 November general election, the Office made counties and cities aware of this reimbursement relating to temporary in-person absentee voting locations on postsecondary institution campuses established in 203B.081, subdivision 4, subpoint (c). In 2025, the Office received one reimbursement request and reimbursed a total of \$3,000.00.

Attached, please find the reimbursement report.

Sincerely,

A handwritten signature in black ink that reads "Nicole Freeman". The signature is fluid and cursive.

NICOLE FREEMAN  
Government Relations Director
