1st Floor 658 Cedar Street  
Saint Paul, MN 55155

Dear Director Lenczewski and Chair Frentz:

The 2024 Omnibus Pension Bill expanded the authority of Minnesota's public pension plans to correct plan errors. This legislation also established a reporting requirement under Minnesota Statute §356.636, subd. 3, that corrections made under the section be reported to the Executive Director and Chair of the Legislative Commission on Pensions and Retirement annually.

The Teachers Retirement Association (TRA) did not correct any errors under MN Statutes §356.636 in 2025. Please let me know if you have any questions or need any additional information.

Sincerely,

A handwritten signature in black ink that reads 'Tim Maurer'.

Tim Maurer  
Executive Director
