Conclusion

Local Education Agencies (LEAs) throughout the state utilize Compensatory Revenue in different priority structures. Depending on other sources and uses of revenues, LEAs may focus specific program or materials being paid for by Compensatory or through other funds. In FY 2025, English Learner Revenue is reported using Finance Code 339, English Learner, for revenues and expenditures. However, LEAs have the option to continue to use Basic Skills funding for additional English Learner program costs.
