This report is submitted per M.S.121A.041 passed during the 2024 Minnesota legislative session. The information required is taken from the statute followed by the school district's response in parentheses.

2. Confirmation that the board has approved a new mascot, nickname, logo, letterhead, or team name.

Both Menahga and Sebeka school boards have passed a board resolution to comply with M.S. 121A.041 by confirming that UNC Warriors name and logo will not be affiliated or utilized in any way with American Indian Tribal Culture. Out of respect for our local tribes and the Tribal Nations Education Committee (TNEC) and to comply with M.S.121A.041, UNC Warriors will only be affiliated with cultures outside of American Indian, similar to several other schools in the state of Minnesota utilizing the Warrior name such as Brainerd, Caladoneia, and Butterfield-Oden. The depiction and portrayal of the UNC Warriors mascot shall be symbolized with a shield containing a Trojan Sword connected to the legendary story in Greek Mythology, and a Loggers Axe in connection with the Nordic Vikings symbolizing power and rank.

3. A summary of the district's progress on removing the American Indian mascot, nickname, logo, letterhead, or team name from uniforms, equipment, signs, elements of facilities, and other district items.

4. A summary of resources necessary to comply with the prohibition and the district's plan to raise and allocate any necessary funds.

The district will pass a resolution and communicate with our community members that UNC Warriors pair sports program, name, and logo will not be allowed to have any affiliation or connection to American Indian Tribal Culture and that we are to respect the nature and intent of M.S. 121.A.041.

We will allocate any designated funds provided by the legislature in an appropriate, efficient and responsible manner to support the United North Central Warriors paired sports program.
