Subject: 2026 Session Submission – Additional Federal Funds for 20-Day Review

This memo is to advise you and your colleagues of additional anticipated federal funds needing review under Minnesota Statutes 3.3005, subdivision 2 and 2a. The Governor's all-funds budget as submitted for the current biennium should be increased by \$116,575,000.

These federal fund requests will be approved for spending in 20 days unless a Legislative Advisory Commission (LAC) member requests further review for a specific request in writing by April 6. Below is a link to the 20-day federal funds review submission, which includes a summary table of the requests and a federal fund review request form for each grant.
