# I. Executive summary

This report provides a list of all grants with money appropriated in the preceding fiscal year and appropriated for the current biennium and the following biennium.

## II. Legislation

Laws of Minnesota 2025, 1<sup>st</sup> special session, chapter 3, article 19, section 16:

### **DIRECTION TO THE COMMISSIONERS OF HEALTH; HUMAN SERVICES; AND CHILDREN, YOUTH, AND FAMILIES; REPORTS ON GRANT FUNDING.**

(a) Beginning January 15, 2026, and each odd-numbered year thereafter, the commissioners of health; human services; and children, youth, and families must each submit a report that contains an accurate list of all grants with money appropriated in the preceding fiscal year and appropriated for the current biennium and the following biennium that are administered by each commissioner and must include for each grant:

(1) the name of the grant;

(2) a description of the grant, including the eligibility criteria of grantees and the purpose of the grant;

(3) the amount appropriated in each fiscal year that supports the total appropriation for each grant budget activity for the November forecast in each even-numbered year; and

(4) the accurate and complete statutory or Minnesota Laws citation for the authority for the grant.

(b) The commissioner of health must submit the report in paragraph (a) to the chairs and ranking minority members of the legislative committees with jurisdiction over health, and to the director of the House Research Department, the chief fiscal analyst of the House Fiscal Analysis Department, and the director and principal fiscal analyst of Senate Counsel, Research and Fiscal Analysis.

(c) The commissioner of human services must submit the report in paragraph (a) to the chairs and ranking minority members of the legislative committees with jurisdiction over human services, and to the director of the House Research Department, the chief fiscal analyst of the House Fiscal Analysis Department, and the director and principal fiscal analyst of Senate Counsel, Research and Fiscal Analysis.

(d) The commissioner of children, youth, and families must submit the report in paragraph (a) to the chairs and ranking minority members of the legislative committees with jurisdiction over children, youth, and families, and to the director of the House Research Department, the chief fiscal analyst of the House Fiscal Analysis Department, and the director and principal fiscal analyst of Senate Counsel, Research and Fiscal Analysis.

(e) The reports provided under this section expire on June 30, 2036.

					disabilities who need assistive technology to live independently								
1000	53	Aging & Adult Services Grants	251 009 12 016	Sr Nutrition Program Grants	Minnesota Board on Aging base funding, formula grants to seven designated Area Agencies on Aging. Under 256.9752, subd. 3: (a) Funds allocated to an area agency on aging for nutrition support services may be used for the following: (1) transportation of home-delivered meals and purchased food and medications to the residence of a senior citizen; (2) expansion of home-delivered meals into unserved and underserved areas; (3) transportation to supermarkets or delivery of groceries from supermarkets to homes; (4) vouchers for food purchases at selected restaurants in isolated rural areas; (5) the Supplemental Nutrition Assistance Program (SNAP) outreach; (6) transportation of seniors to congregate dining sites; (7) nutrition screening assessments and counseling as needed by individuals with special dietary needs, performed by a licensed dietitian or nutritionist; (8) other appropriate services which support senior nutrition programs, including new service delivery models; and (9) innovative models of providing healthy and nutritious meals to seniors, including through partnerships with schools, restaurants, and other community partners. (b) An area agency on aging may transfer unused funding for nutrition support services to fund congregate dining services and home-delivered meals. (c) State funds under this subdivision are subject to federal requirements in accordance with the Minnesota Board on Aging's intrastate funding formula.	\$	2,695,000	\$	2,695,000	\$	2,695,000	\$	2,695,000

1000	53	Aging & Adult Services Grants	251 009 12 016	Caregiver Support Grants	Minnesota Department of Human Services base funding, Competitive request for proposal via Live Well at Home. 256.9754 Live Well At Home Grants, Subd. 3c. Caregiver support and respite care projects. (a) The commissioner shall establish projects to expand the availability of caregiver support and respite care services for family and other caregivers. The commissioner shall use a request for proposals to select nonprofit entities to administer the projects. Projects must: (1) establish a local coordinated network of volunteer and paid respite workers; (2) coordinate assignment of respite care services to caregivers of older adults; (3) assure the health and safety of the older adults; (4) identify at-risk caregivers; (5) provide information, education, and training for caregivers in the designated community; and (6) demonstrate the need in the proposed service area, particularly where nursing facility closures have occurred or are occurring or areas with service needs identified by section 144A.351. Preference must be given for projects that reach underserved populations. (b) Projects must clearly describe: (1) how they will achieve their purpose; (2) the process for recruiting, training, and retraining volunteers; and (3) a plan to promote the project in the designated community, including outreach to older adults needing the services. (c) Money for all projects under this subdivision may be used to: (1) hire a coordinator to develop a coordinated network of volunteer and paid respite care services and assign workers to clients; (2) recruit and train volunteer providers; (3) provide information, training, and education to caregivers; (4) advertise the availability of the caregiver support and respite care project; and (5) purchase equipment to maintain a system of assigning workers to clients. (d) Volunteer and caregiver training must include resources on how to support an individual with dementia. (e) Project money may not be used to supplant existing funding sources.	\$ 479,000	\$ 479,000	\$ 479,000	\$ 479,000
1000	53	Aging & Adult Services Grants	251 009 12 016	Information & Assistance Grts	A formula grant is pass through formulary dollars used to provide the Minnesota Aging Pathways service through the area agencies on aging; provide information and assistance to older adults and caregivers in Minnesota connecting them	\$ 3,449,000	\$ 3,449,000	\$ 3,449,000	\$ 3,449,000

					to important resources such as food, housing, transportation, health insurance, etc.					
1000	53	Aging & Adult Services Grants	251 009 12 016	EDP Aging Grants	MN Department of Human Services base funding, competitive RFP. 256B.0917 Eldercare Development Partnership Subd. 1c. 					was put into a grant account. The account funds the PT contract for MAARC.								
1000	53	Aging & Adult Services Grants	251 009 12 016	Self-directed Caregiver Grt	Minnesota Board on Aging base funding , competitive grant, request for proposal. 256.976, subd. 12. Self-direct caregiver grants. The Minnesota Board on Aging shall, in consultation with area agencies on aging and other community caregiver stakeholders, administer self-directed caregiver grants to support at-risk family caregivers of older adults or others eligible under the Older Americans Act of 1965, United States Code, title 42, chapter 35, sections 3001 to 3058ff, to sustain family caregivers in the caregivers' roles so older adults can remain at home longer.	\$	477,000	\$	477,000	\$	477,000	\$	477,000
1000	53	Aging & Adult Services Grants	251 009 12 016	CustomizedLiving Service Grant	The CLQI grant aims to improve the wellbeing of Customized Living (CL) participants through supporting provider-initiated projects designed to strengthen service quality and residents' quality of life. Only providers who serve a high proportion of brain injury waiver (BI), community access for disability inclusion waiver (CADI), and elderly waiver (EW) participants are eligible to receive funding. Some recent vendor projects include connecting memory care residents to the outdoors through building a secured outdoor patio space, increasing resident safety through installing a safety call light system and other emergency care equipment, and kitchen equipment upgrades to enhance residents' meals and dining experiences. The specific efforts cited resulted in measureable improvements to resident satisfaction scores and staff response times after resident incident or injury.  In accordance with M.S. 256.479, to be eligible for the CL QI grant, at least 75% of clients served by the agency must be waiver participants. For providers of customized living services under the BI or CADI waivers, waiver participants must reside at multiple locations each with at least six residents. This program is funded through \$1,000,000 annual base funding.	\$	1,000,000	\$	1,000,000	\$	1,000,000	\$	1,000,000
1000	53	Aging & Adult Services Grants	251 009 12 016	Adult Protect Serv Allocation	This is not a traditional grant and not from the 2025 Session. This is formula funding allocated directly to counties and Tribal Nations for administration of their adult protection programs. The base is from appropriations in 2013, 2019 and 2023. The funding has performance measures for counties and Tribal Nations as monitoring requirements under 256M.42.	\$	6,521,000	\$	-				
2001	54	Deaf & Hard Of Hearing Grants	MS 471.59	Rural Real Time - Grant	Grants for qualified TV stations in Minnesota to add real-time captions to their local news programs and make them accessible to viewers who are deaf, deafblind, and hard of hearing (MN. 2001	53	Aging & Adult Services Grants	23 068 03 019	Food Delivery Support	Minnesota Board on Aging base funding, formula grant to seven Area Agencies on Aging. 256.9752. Subd. 1a. Food delivery support. (a) A food delivery support account is established in the special revenue fund. The account consists of funds under section 174.49, subdivision 2, and as provided by law and any other money donated, allotted, transferred, or otherwise provided to the account. (b) Money in the account is annually appropriated to the commissioner of human services for grants to nonprofit organizations to provide transportation of home-delivered meals, groceries, purchased food, or a combination, to Minnesotans who are experiencing food insecurity and have difficulty obtaining or preparing meals due to limited mobility, disability, age, or resources to prepare their own meals. A nonprofit organization must have a demonstrated history of providing and distributing food customized for the population that they serve. (c) Grant funds under this subdivision must supplement, but not supplant, any state or federal funding used to provide prepared meals to Minnesotans experiencing food insecurity.	\$ 388,497	\$ -	\$ -	\$ -	-
