RE: General Service Fund Rates for FY 2026

In accordance with Minnesota Statutes 16B.48, Subdivision 4, the Department of Administration (Admin) is submitting the general service fund rates for Fiscal Year 2026. Attached are the six-year rate summaries for each of our general services funds.

Fund revenue is generated from charges by Admin for services provided to customers including other agencies. The rates charged cover the cost of providing the services and products.

Admin's business units develop plan and rate packages annually, which are then reviewed and approved by Admin's executive team and by Minnesota Management and Budget. The review ensures that the business units are responding to agencies' needs, providing rates sensitive to agencies' budgets, and maintaining fiscal stability.

Should you or your staff have any questions regarding the rates or the underlying business plan details, please contact Deputy Commissioner Stacie Christensen at Stacie.christensen@state.mn.us or 651-201-2500.
