Scope and Methodology

This report shows the expenditures by local governments and their associations for lobbyists and lobbying. The report is prepared in accordance with Minn. Stat. § 6.76, which states:

(a) On or before January 31 of each year, all political subdivisions shall report to the state auditor, on forms prescribed by the auditor, their estimated expenditures paid for the previous calendar year to a lobbyist as defined in section 10A.01, subdivision 21, except payments to associations of political subdivisions that are reported under paragraph (b), and to any staff person not registered as a lobbyist, over 25 percent of whose time is spent during the legislative session on legislative matters.

(b) Associations of political subdivisions subject to this section shall report annually, on or before January 31, to the state auditor and the association's members the proportionate amount of each member's dues spent for lobbying purposes.

(c) For purposes of this section, "political subdivision" has the meaning given in section 6.465, but also includes a metropolitan or regional agency or a public corporation audited by the legislative auditor.

The Office of the State Auditor has collected and published data on the lobbying services costs of local governments since 1989. This report summarizes expenditures on local government lobbying services during the calendar year 2025 and is intended to inform the public and policymakers of the amount spent by their local government on lobbying services.¹

The reporting forms used to collect information on the expenditures by local governments and their associations for lobbyists and lobbying are presented as appendices in this report starting on page 369. The list of local government associations was developed by reviewing all associations that were registered with the Campaign Finance and Public Disclosure Board. While the Office of the State Auditor attempted to identify all associations of local governments and provide them forms to fulfill their reporting requirement, it is the responsibility of the associations to comply with the reporting requirement. The expenditures on lobbying services are the amounts self-reported by local governments and local government associations.

¹This report only details local government lobbying expenditures used to influence legislative, administrative, or official actions by Minnesota officials. This report does not detail local government lobbying expenditures at the federal level.

Executive Summary

- Local governments spent a total of \$14.2 million on lobbying activities in 2025. This represents an increase of \$837,885, or 6 percent, over the amount spent on lobbying services in 2024. Of the \$14.2 million spent on lobbying in 2025, \$8.7 million was attributable to local governments using their own staff or hired contract lobbyists, while \$5.4 million was attributable to the lobbying activities of associations of local governments (page 3).
- In 2025, 165 local governments (14 more than in 2024) reported that they directly employed staff, hired contract lobbyists, or had other lobbying-related expenses. These local governments spent a total of \$8.7 million on staff and contract lobbyists.² This was \$404,387, or 5 percent, more than in 2024 (page 3).
- Twenty-one of the 163 local governments that directly employed lobbying staff and/or hired contract lobbyists reported over \$100,000 in lobbying services expenditures, for a total of \$4.9 million.³ These 21 local governments accounted for 56 percent of the total amount paid to contract and staff lobbyists in 2025 (page 6).
- Local governments paid dues of \$15.2 million in 2025 to local government associations that also represented their interests before legislative, administrative, or other governmental bodies.⁴ These associations spent \$5.4 million on lobbyists and lobbying in 2025, an increase of 8.7 percent over 2024 (pages 3, 9).
- Among the 25 local government associations that lobbied the Legislature on behalf of their local government members, 12 associations reported expenditures on lobbying/lobbyists in excess of \$100,000 in 2025. These 12 associations accounted for \$4.8 million, or 88 percent, of the total lobbying expenditures of associations in 2025 (page 11).

²These expenditures do not include dues and membership fees paid to local government associations.

³Laketown Township and the North Saint Louis Soil and Water Conservation District did not directly employ staff or hire a contract lobbyist but reported lobbying-related expenses and are not included in the 163 local governments.

⁴The local government associations identified in this report do not include various professional associations that lobby on behalf of specific professional occupations within local governments. For example, Education Minnesota is registered with the Campaign Finance and Public Disclosure Board. However, because the association does not directly represent school districts or school district management personnel, its lobbying expenditures are not included in this report.

Overview

The operation and funding of local governments can be greatly affected by decisions made by the State Legislature. Therefore, it is understandable that those affected by these decisions would want to have representation during the legislative process. This report documents the level of expenditures made by local governments and their associations to perform this function.

According to reports filed with the Office of the State Auditor, local governments spent a total of \$14.2 million on lobbying activities in 2025. This represents an increase of \$837,885, or 6 percent, over the amount spent on lobbying services in 2024. The increase in lobbying services expenditures occurred in part because there were 27 more legislative session days in 2025 than 2024 (126 days in 2025 versus 99 in 2024).

In 2025, 165 local governments (14 more than in 2024) reported that they directly employed staff, hired contract lobbyists, or had other lobbying-related expenses. These local governments spent a total of \$8.7 million on staff and contract lobbyists.⁵ This was \$404,387, or 5 percent, more than in 2024. Staff and contract lobbyists are paid to provide information to policymakers to influence legislative, administrative, or official actions regarding local governments in Minnesota.

In addition to the \$8.7 million paid to staff and contract lobbyists, local governments paid dues of \$15.2 million in 2025 to local government associations that also represented their interests before legislative, administrative, or other governmental bodies.⁶ These associations spent \$5.4 million on lobbyists and lobbying in 2025, an increase of 8.7 percent over 2024. Of the \$5.4 million spent on lobbyists and lobbying by these associations, \$4.6 million was funded exclusively through dues. This represents an increase of 14 percent over the amount in association dues that was spent on lobbying activities in 2024.

⁵These expenditures do not include dues and membership fees paid to local government associations.

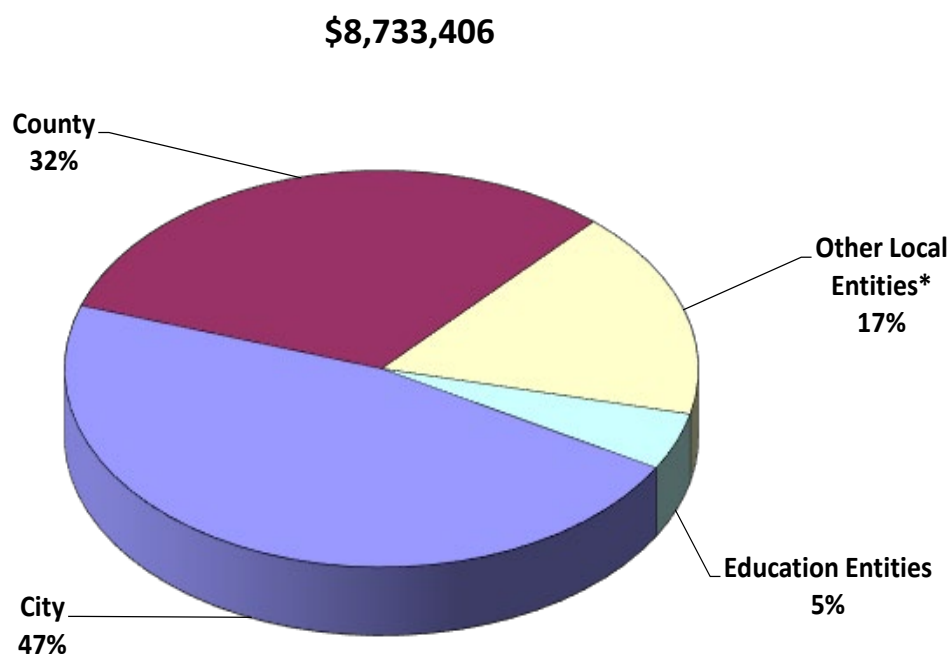

⁶The local government associations identified in this report do not include various professional associations that lobby on behalf of specific professional occupations within local governments. For example, Education Minnesota is registered with the Campaign Finance and Public Disclosure Board. However, because the association does not directly represent school districts or school district management personnel, its lobbying expenditures are not included in this report.

Lobbying Services Expenditures by Local Governments

Staff and Contract Lobbyists

In 2025, 165 local governments, including cities, counties, school districts, and special districts, directly employed staff and/or contracted with professional lobbyists to represent their interests before the Legislature.⁷ Table 4 on pages 15-35 shows the payments made to these employees and hired professional staff as well as other costs attributable to lobbying efforts. Figure 1 below shows the 2025 percentage of total expenditures on staff and contract lobbyists by type of entity.

Figure 1: Percentage of Total Lobbying Services Expenditures by Local Government Entities on Staff and/or Contract Lobbyists in 2025**

*Includes metropolitan agencies, towns, and other special service districts.

**Due to rounding, the sum of the percentages is 101 percent

Of the 165 reporting entities that employed lobbying staff, hired contract lobbyists, or had other lobbying-related expenses in 2025:

- Ninety-two cities (out of 855) reported a combined total of \$4,089,252 in lobbying services expenditures. This compares to 83 cities and \$3,895,500 in 2024.
- Twenty-six counties (out of 87) reported a combined total of \$2,753,462 in lobbying services expenditures. This compares to 23 counties and \$2,736,399 in 2024.
- Nine education entities (out of 364) reported a combined total of \$406,518 in lobbying services expenditures. This compares to eight education entities and \$409,693 in 2024.⁸

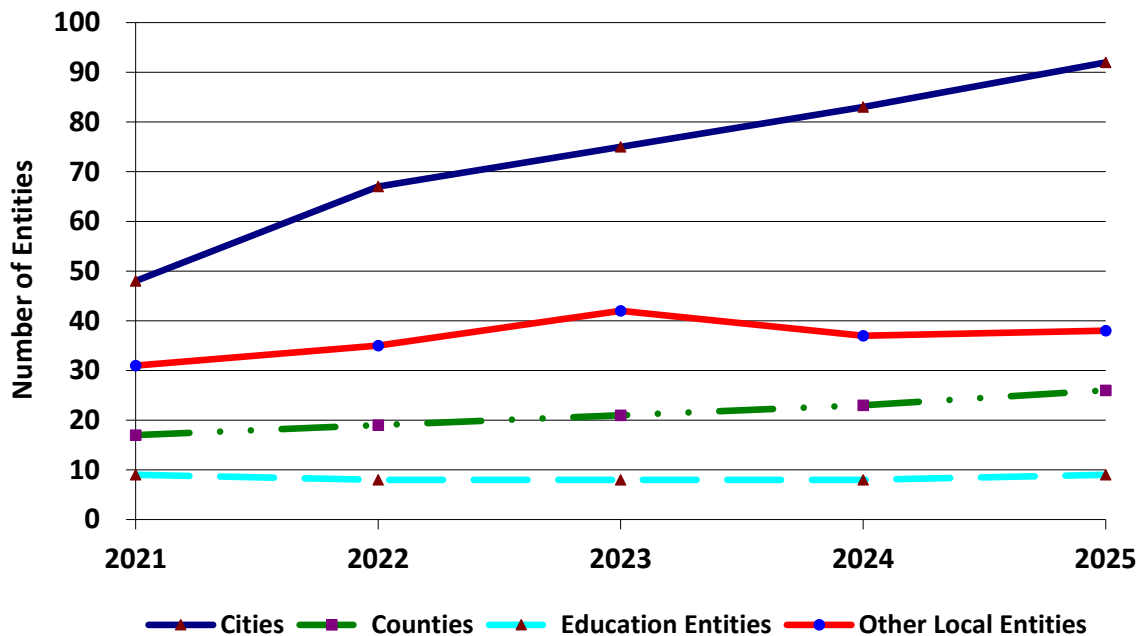

⁷Laketown Township and the North Saint Louis Soil and Water Conservation District did not directly employ staff or hire a contract lobbyist but reported lobbying-related expenses and are included in the 165 local governments.

⁸Does not include charter schools which maintain they are exempt from the reporting requirement.

- Thirty-eight metropolitan agencies, towns, and other special districts reported a combined total of \$1,484,173 in lobbying services expenditures. This compares to 37 entities and \$1,287,427 in 2024. The breakdown of entities reporting 2025 lobbying expenses shows two towns (out of 1,777), four metropolitan agencies (four of five), and 34 other special districts (out of 625).

Over the last five years, the total number of local governments employing staff and/or contract lobbyists has ranged from 105 in 2021 to 165 in 2025. Figure 2 below shows the five-year trend in the use of staff and/or contract lobbyists by type of entity.

**Figure 2: Number of Entities with Staff or Contract Lobbyists
by Type of Entity - 2021 to 2025**

Reliance on Contract Lobbyists

Local governments more frequently use contract lobbyists than utilize their own staff to provide lobbying services. Contract lobbyists accounted for \$6.5 million, or 74 percent, of the total amount spent by governments using contract or staff lobbyists. Local governments spent \$2.2 million on staff lobbyists to represent their interests before the Legislature and other governmental bodies. In addition, local governments reported an additional \$58,661 in other costs related to lobbying services in 2025.

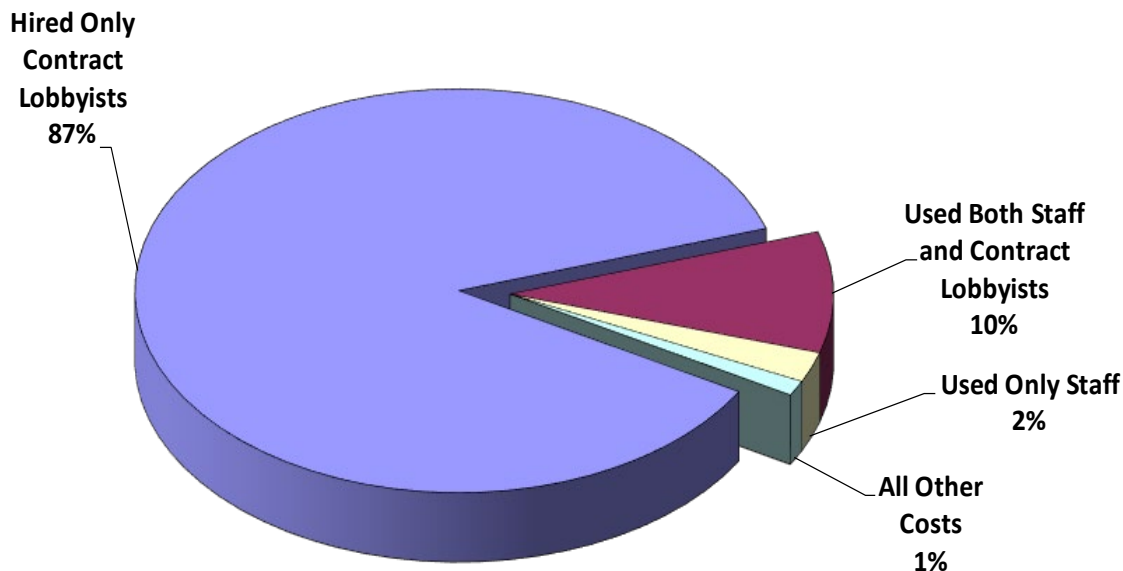

During 2025:

- Four local governments relied entirely on their staff to represent them at the Legislature, the same as 2024.
- One hundred forty-three local governments relied entirely on contract lobbyists to represent their interests, ten more than in 2024.
- Sixteen local governments hired contract lobbyists and used their own staff for lobbying, four more than in 2024.

- Two entities (the same as 2024) neither hired contract lobbyists nor used their own staff for lobbying but had other lobbying expenses.

Figure 3 below shows the distribution of entities using staff and/or contract lobbyists by type of lobbyist.

Figure 3: Type of Lobbyists Used by Local Governments

Highest Expenditures on Staff and Contract Lobbyists

Twenty-one of the 163 local governments that directly employed lobbying staff and/or hired contract lobbyists reported over \$100,000 in lobbying services expenditures, for a total of \$4.9 million.⁹ These 21 local governments accounted for 56 percent of the total amount paid to contract and staff lobbyists in 2025. Table 1 on the following page lists the 21 governments reporting more than \$100,000 in lobbying services expenditures.

⁹Laketown Township and the North Saint Louis Soil and Water Conservation District did not directly employ staff or hire a contract lobbyist but reported lobbying-related expenses and are not included in the 163 local governments.

Table 1: Local Governments Spending More Than \$100,000 on Lobbying Services in 2025

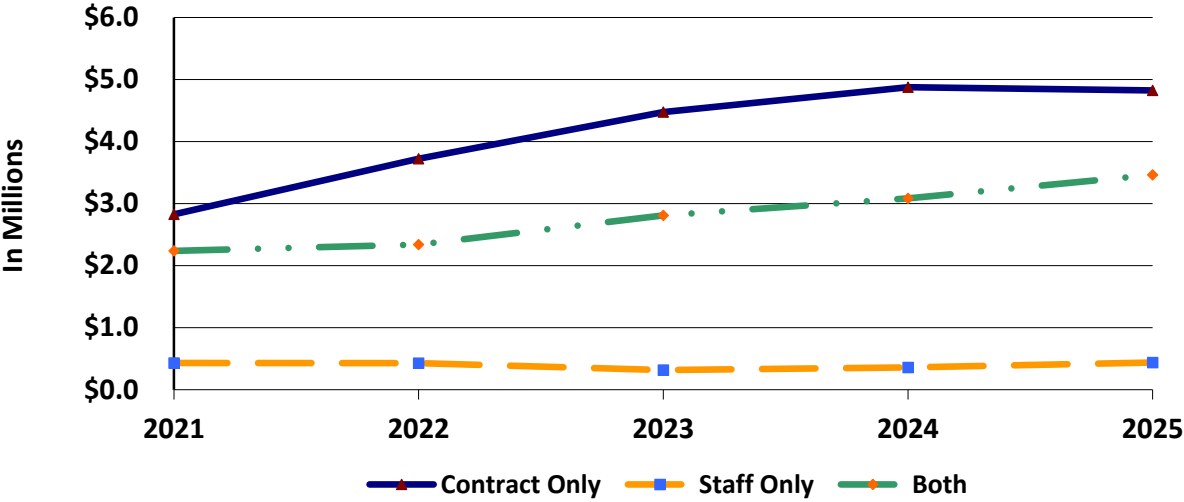

Entity	Amount
City of Saint Paul	\$613,311
Hennepin County	\$602,498
City of Minneapolis	\$510,700
Ramsey County	\$317,346

Olmsted County	\$110,145
Scott County	\$104,424
I.S.D. #1S - Minneapolis	\$101,320

Trends in Expenditures for Staff and Contract Lobbyists

The number of entities that reported expenditures on staff and contract lobbyists increased from 149 in 2024 to 163 in 2025. There were 17 entities that reported lobbying expenditures in 2024 that reported no lobbying expenditures in the 2025 reporting period. There were 31 entities reporting lobbying expenditures in 2025 that reported no lobbying expenditures in 2024.

Figure 4 on the following page shows the long-term trend of expenditures on staff and contract lobbyists for the years 2021 to 2025. Over this period, total expenditures on staff and contract lobbyists grew 59 percent. The amount spent by those using only contract lobbyists grew 71 percent, the amount spent on those using only staff increased by two percent, and the amount spent by those using both contract and staff lobbyists increased 55 percent.

Figure 4: Expenditures on Staff and Contract Lobbyists by Type of Lobbying - 2021 to 2025

Lobbying Services Expenditures by Associations

While 165 local governments opted to hire lobbyists, use staff to lobby or had other lobbying expenses, it is more common for them to rely on various local government associations to represent their interests at the Legislature.¹⁰ These local government associations receive much of their funding from membership dues and other public funds. Some associations representing local governments not only lobby on behalf of their members but also act as service associations. Groups such as the League of Minnesota Cities and the Association of Minnesota Counties provide a wide range of services to their members. For these associations, lobbying services account for a smaller share of their overall expenditures as compared to associations whose primary purpose is lobbying.

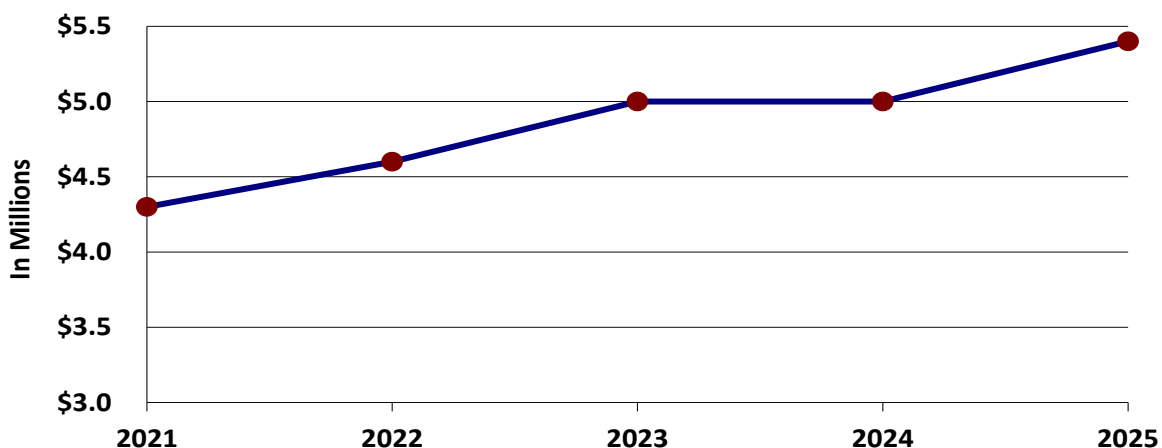

Other types of associations are formed for the explicit purpose of lobbying the Legislature on a specific issue or range of issues for which the members share a common interest. Most of these associations hire a lobbyist or a lobbying firm to influence legislative, administrative, or other official actions at the state, regional, or metropolitan level of government. The dues paid by members of these associations generally represent a percentage of the total amount paid to a contract lobbyist.

Trends in Lobbying Services Expenditures Made by Associations

In addition to the \$8.7 million paid to staff and contract lobbyists, local governments paid dues of \$15.2 million in 2025 to local government associations that also represented their interests before legislative, administrative, or other governmental bodies. A total of 25 associations representing local governments reported expenditures on lobbying services totaling \$5.4 million. Of this amount, \$4.6 million, or 85 percent, was funded through the dues of the association members. Total expenditures for lobbying/lobbyists by associations in 2025 increased \$433,498 or 8.7 percent over the level expended in 2024. Over the five-year period of 2021 to 2025, total expenditures on lobbying services by associations increased \$1.1 million, or 25 percent.

Figure 5 below shows total expenditures on lobbying services by associations from 2021 to 2025.

Figure 5: Total Expenditures on Lobbying Services by Associations - 2021 to 2025

¹⁰Laketown Township and the North Saint Louis Soil and Water Conservation District did not directly employ staff or hire a contract lobbyist but reported lobbying-related expenses and are included in the 165 local governments.

Association Lobbying by Type of Entity

The associations reporting lobbying expenditures included:

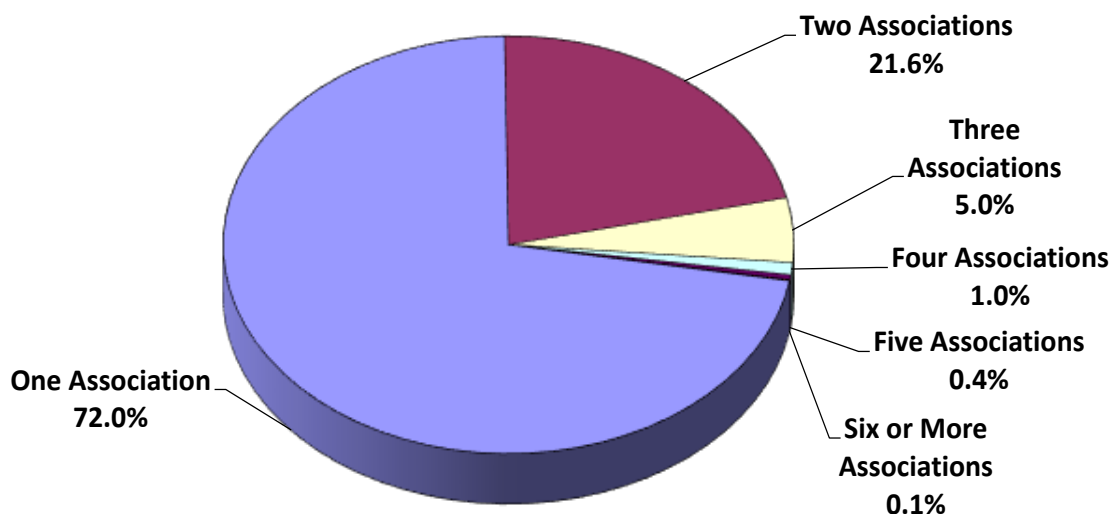

- six associations that represented the interests of cities;
- four associations that represented the interests of counties;
- four associations that represented the interests of school districts;¹¹
- one association that represented the interests of townships;
- four associations that represented the interests of special districts; and
- six associations that represented more than one type of local government.

Multiple Association Memberships

While it is common for local governments to belong to at least one association, some local units belong to several. Of the 3,251 local units of government that belonged to at least one association, there were 208 local units of government that paid dues to three or more associations, nine more than the previous year.

Figure 6 below shows the percentage of local governments that belong to one or more associations.

Figure 6: Percentage* of Local Governments Belonging to One or More Association - 2025**

*Percentages are based on those local governments that were reported as members of associations.

**Due to rounding, the sum of the percentages is 100.1 percent.

¹¹Does not include the Minnesota Association of Charter Schools which maintains it is exempt from the reporting requirements.

Associations With the Highest Expenditures on Lobbying Services

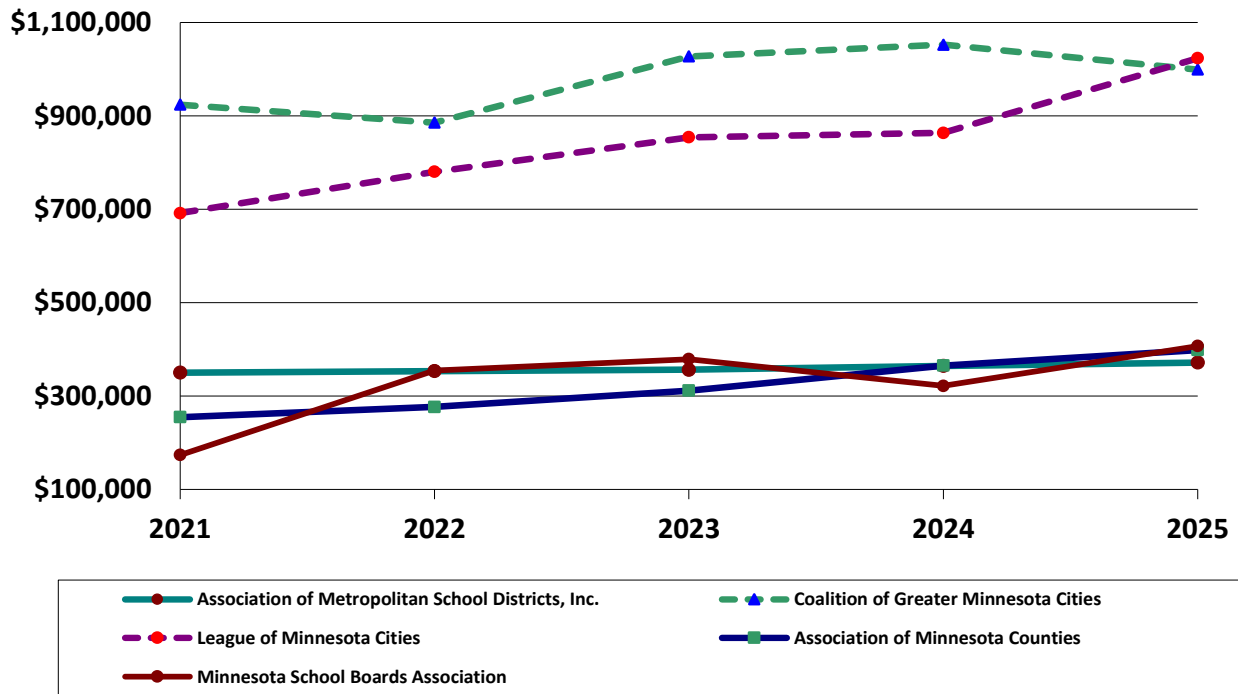

Among the 25 local government associations that lobbied the Legislature on behalf of their local government members, 12 associations reported expenditures on lobbying/lobbyists in excess of \$100,000 in 2025 (see Table 2 below). These 12 associations accounted for \$4.8 million, or 88 percent, of the total lobbying expenditures of associations in 2025.

Table 2: Associations With Lobbying Expenditures Exceeding \$100,000

Association	Amount
League of Minnesota Cities	\$1,023,409
Coalition of Greater Minnesota Cities	\$999,110
Minnesota School Boards Association	\$406,961

Figure 7: Trends in Total Expenditures on Lobbying Services by Top Five Highest Spending Associations - 2021 to 2025

Compensation Paid to Firms or Staff for Lobbying Services

In 2025, Minnesota local governments or associations of local governments paid 33 firms or lobbyists \$100,000 or more to provide lobbying services.¹² These 33 firms or lobbyists accounted for \$8.1 million, or 57 percent, of total lobbying expenditures. The 33 firms or lobbyists receiving \$100,000 or more in payments from local governments or associations of local governments are listed in Table 3 on the following page.

¹²The amounts listed are those exclusively attributed to lobbying services. Some of these firms also received money for services they provided to associations or local governments that they determined were not attributable to lobbying. Only the part of an employee's salary and benefits attributed to lobbying was included in this analysis.

Instructions

Lobbying Expenditure Reporting Form for Local Governments

Type of Entity

Select type of entity from drop down list.

Name of Entity

Select name of entity from drop down list.

Primary Contact

1) Include the name, phone number, fax (if applicable), and email address of the senior elected or appointed official for the entity.

2) Provide the address for the entity.

Person Completing the Form

Provide the name of the person completing the form and work contact information including phone number, fax, and email as the information provided is public and available upon request.

Contract Lobbyists

If you paid for services of a lobbyist as defined in Minnesota Statutes § 10A.01, subdivision 21, identify the firm or individual retained for these services by your local government, and indicate the total amount paid to that firm or individual for the purpose of attempting to influence legislative or administrative action, including the amount paid for expenses.

“Not Used” - Contract lobbyist names are pre-populated from last years reporting. If you did not use the lobbyist/firm for this reporting period, please check the box(es).

NOTE: Expenditures for contract lobbyists do NOT include dues paid to local government associations. These associations report membership and lobbying expenditures directly to the Office of the State Auditor. Examples of these associations include the League of Minnesota Cities and the Minnesota School Boards Association.

Employees

- 1) **Names** - Identify all employees of the local government who are registered lobbyists as defined in Minnesota Statutes § 10A.01, subdivision 21. Also include any employees that spend at least 25 percent of their time during the legislative session on legislative matters but who are not registered as lobbyists.
- 2) **Salary and benefits** (A & B) - For each employee listed, provide the annual salary, cost of benefits (health, dental, employer-paid life insurance and retirement benefits - including employer-paid FICA) and expense reimbursements.
- 3) **Time spent** (C) - Estimate the percent of the employee's time that was spent lobbying the state legislature and/or state administrative agencies for the calendar year. When estimating the percent of time spent on lobbying, include time related to lobbying. For example, include time spent preparing for the legislative session, addressing legislative-related issues with local officials, legislators, state agency staff, other local government representatives, citizens, and other interested organizations. Include time spent monitoring legislative hearings. Include the time spent working with state agencies on the development and implementation of administrative rules for programs and policies that affect local governments.
- 4) **Expenses** (D) - Estimate employee expense reimbursements that are related to lobbying. Expenses related to lobbying include reimbursements to the employee for items such as travel, food, and the cost of materials.
- 5) **Total Costs of Employee Lobbying Efforts** (E) - Add the salary and benefits for the employee (A+B), multiply that amount by the percentage of time spent on lobbying (C), then add the expenses related to lobbying (D). The total amount, in dollars is reported in (E).

All Other Expenditures Related to Lobbying

List expenditures associated with the calendar year lobbying effort exclusive of the salary and benefits of employees who lobby. Examples of items to include are: the actual costs of publication and distribution of lobbying materials; other printing; media (including the cost of production); postage; travel; fees, including allowances; entertainment; telephone; and other expenses. (Minnesota Statutes § 10A.04, subdivision 4.) All expenditures for advertising, mailing, research, analysis, compilation and dissemination of information, and public relations campaigns related to legislative action, administrative action, or the official action of metropolitan governmental units in this State should be included. Costs of production of material that directly support lobbying, and general administrative and overhead expenditures should also be included. (Minnesota Rule 4511.0600, subp. 5).

The prorated amount of salary and benefits of those employees who assist in research, administration, communication, and support for lobbying should also be included.

2025 Lobbying Cost Reporting Form for Associations of Local Governments

Please round to the nearest dollar amount where applicable

Please enter all local government association members and their respective dues:

[illegible]

Instructions

Lobbying Expenditure Reporting Form for Local Government Associations

General Information

- 1) The name of your association should be pre-populated.
- 2) Choose from the dropdown menu the choice that best describes your Association's organizational structure.
- 3) Provide the full name of the chief executive officer of the Association and public/work contact information.
- 4) Provide the name of the person completing the form and their public/work contact information at the Association.
- 5) Provide the address of the Association.

NOTE: Information provided is public and available upon request.

Lobbying Expenditures

When entering numbers, where applicable, please round the amounts to the nearest dollar.

- 1) Enter the percentage of members' dues spent on lobbying. The percentage entered will carry forward to page 2 of the form.
- 2) **"Total dues paid by all Association members"** will automatically be calculated. The total will be the sum of the individual membership dues listed on page 2 of the reporting form.
- 3) **"Total amount of Association dues spent on lobbying"** will automatically be calculated. The total will be the percentage of dues used for lobbying purposes times the total of dues paid.
- 4.) Enter **"Revenues other than dues used for lobbying"** which is the amount of revenue provided by sources other than dues that is used for lobbying purposes.
- 5.) Enter the **"Total amount the Association spent on lobbying"** which should equal the sum of the total for Contract Lobbyists, Employees, and All Other expenditures.

Contract Lobbyists

If you paid for a lobbyist as defined in Minnesota Statutes § 10A.01, subdivision 21, identify the firm or individual retained for these services by your local government, and indicate the total amount paid to that firm or individual for the purpose of attempting to influence legislative or administrative action.

The form is pre-populated with the previous year's entries. If you have retained a new lobbyist, you can overwrite the pre-populated box by using the dropdown menu and selecting a different lobbyist, or add a new lobbyist if it does not exist in the dropdown menu. If you have fewer lobbyists this year, simply use the delete key to clear the cells with the names of the lobbyists no longer with the association.

1) **“Amount Billed for Lobbying for the Calendar Year”** should include:

a) The actual “cost of publication and distribution of each publication used in lobbying; other printing; media (including the cost of production); postage; travel; fees, including allowances; entertainment; telephone and telegraph; and other expenses.”

(Minnesota Statutes § 10A.04, subdivision 4).

b) “[A]ll expenditures for advertising, mailing, research, analysis, compilation and dissemination of information, and public relations campaigns related to legislative action, administrative action, or the official action of metropolitan governmental units in this state.” Also, “all salaries and administrative expenses attributable to activities of the principal relating to efforts to influence legislative action, administrative action, or the official action of metropolitan governmental units.” (Minnesota Statutes § 10A.04, subdivision 6)

c) Costs of production of material that directly support lobbying, and general administrative and overhead are included as costs. (Minnesota Rule 4511.0600, subp. 5).

Employee Lobbyists

1) **Total amount of employee compensation used for lobbying:** To calculate the total amount of employee compensation allocated for lobbying purposes, please use the following method:

For each employee involved in lobbying, estimate the percentage of their time allocated to this activity and multiply it times the total annual compensation of the employee (health, dental, employer-paid life insurance and retirement benefits – including employer-paid FICA).

For example if the total compensation of the employee is \$100,000, and 25 percent of their time is spent on lobbying, \$25,000 would be the amount spent on lobbying for that employee. Perform this calculation for all employees involved in the lobbying effort, and then add the amounts together for the total.

2) **All Other Costs Associated with Lobbying:** Include all costs associated with lobbying not accounted for in the other categories, including costs associated with other employees of the association such as the prorated amount of salary and benefits of those employees who assist in research, administration, communication, and support for lobbying. Do not include the salary and benefits of those previously listed as employee or contract lobbyists.

Association Member Page

The form is pre-populated with known members of the association. Additional members can be added at the bottom of the list.

Include the amount, in dollars, of total dues paid by the individual member. If an entity is no longer a member, leave the “dues paid” box blank and that entity will not appear next year.

The proportion of dues used for lobbying purposes is pre-populated based on the amount listed on the first page of the form.

The information for this report is collected in accordance with Minnesota Statutes § 6.76. The form is due by January 31.
