Re: Report on Obsolete, Unnecessary or Duplicative Rules

Dear Governor, Legislators, Revisor, and Director:

Minnesota Statutes section 14.05, subdivision 5 (2026), directs the agency to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

The Court of Administrative Hearings (CAH) has not identified any additional rules as wholly obsolete, unnecessary, or duplicative beyond those identified in previous reports. CAH will repeal or update provisions previously identified as obsolete, unnecessary, or duplicative in future rulemaking or legislation, and continues to update references to the “Office of Administrative Hearings” to reflect our 2025 name change to “Court of Administrative Hearings.”

Minnesota Statutes section 3.197 requires that a report to the legislature contain the cost of preparing the report. The cost of preparing this report was approximately $0.

Sincerely,

Kristine Preston
Court Administrator
