Re: Biennial Budget Detail Information, Contract Reporting

Pursuant to M.S. 16A.11, Subdivision 3b., the following information is presented on contracts, see attachments.

It should be noted a couple of agencies in the Criminal Justice area have not reported on the number of professional or technical contracts for the current or on the upcoming biennium. Other agencies indicated the required information for the most part is not readily available and at best may be a guess when entered on the report. Many professional and technical services may be purchased and paid for without a formal contract being written.
