

**CRIMINAL FORFEITURES
IN THE STATE OF MINNESOTA**

DECEMBER 31, 2000

The Office of the State Auditor is an office created by the state constitution. It serves as a watchdog for Minnesota taxpayers by helping to ensure financial integrity, accountability, and cost-effectiveness in local governments throughout the state.

Through financial, compliance, and special audits, the Office of the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The Office performs approximately 250 financial and compliance audits per year. The State Auditor has oversight responsibilities for over 4,300 local units of government throughout the state. The office maintains seven divisions:

- ! Audit Practice - conducts financial and legal compliance audits for local governments;
- ! Pension Oversight - monitors investment, financial, and actuarial reporting for over 700 public pension funds;
- ! Special Investigations - investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;
- ! Tax Increment Financing (TIF) - promotes compliance and accountability in local governments' use of TIF through financial and compliance audits;
- ! Government Information - collects and analyzes financial information for cities, towns, counties, and special districts;
- ! Legal - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; and
- ! Constitutional - provides senior management for the Office and supports the State Auditor's administrative and official operations.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employee's Retirement Association Board, Minnesota Housing Finance Agency, Board of Government Innovation and Cooperation, and Rural Finance Administration Board.

2000 Criminal Forfeitures

Overview

Minnesota criminal statutes direct law enforcement agencies to report two different types of forfeitures to the Office of the State Auditor: criminal forfeitures and firearm forfeitures.¹ This report provides information on the amount of money, weapons, and property forfeited in 2000.

Criminal Forfeitures 2000 Summary

In 2000, 42 Minnesota law enforcement agencies reported a total of 1,303 criminal forfeitures to the Office of the State Auditor.² There were 121 more criminal forfeitures reported in 2000 than in 1999. The amount of cash forfeited and the gross sales of forfeited property totaled \$1,448,462; administrative expenses and lien holders obligations totaled \$35,150; and net proceeds totaled \$1,413,312. Gross sales of forfeited property decreased 5.4 percent, and net proceeds decreased 5.0 percent from 1999 to 2000.

Net proceeds from criminal forfeitures totaled \$1,413,312 in 2000, down 5.2 percent from 1999.

Net proceeds involving cash or forfeited property that was sold ranged from negative \$323 to \$52,770.³ Net proceeds per forfeiture averaged \$1,085 in 2000; down from \$1,259 in 1999. An analysis of the net proceeds of the 1,303 criminal forfeiture incidents in which the agency received cash or sold the forfeited property showed the following:

- ! Less than \$100 totaled 207 or 15.9 percent;
- ! \$100 to \$499 totaled 532 or 40.8 percent;
- ! \$500 to \$999 totaled 255 or 19.6 percent;
- ! \$1,000 to \$4,999 totaled 253 or 19.4 percent; and,
- ! \$5,000 or more totaled 56 or 4.3 percent.

¹ Criminal and firearm forfeitures are authorized by Minnesota Statutes §§ 609.531-609.5317.

² This figure represents forfeitures of cash, or those in which the property was sold. Forfeitures which involved firearms are discussed later in this report.

³ Net proceeds may be negative if the payment of administrative costs and satisfaction of valid liens against the property exceed the value of the cash or property forfeited.

Figure 1: 2000 Criminal Forfeitures by Net Proceeds

Types of Crimes and Forfeited Property

Criminal activity involving a controlled substance accounted for 1,262 of the 1,303 forfeitures reported in 2000. The remaining 41 forfeitures involve murder, theft, assault and other crimes. Cash was the predominant form of property seized (86.6 percent), followed by cars, boats, and motorcycles (13.2 percent), and other items (0.2 percent).

State Proceeds From Criminal Forfeitures

Pursuant to Minnesota Statutes, section 609.5315, subd. 5, cash or proceeds from the sale of forfeited property, after administrative expenses and payment of liens, are distributed in the following manner: 70 percent to the appropriate law enforcement agency; 20 percent to the county attorney or other prosecuting agency that handled the forfeiture; and 10 percent to the state treasurer.

Based on the distribution formula and the net proceeds reported by law enforcement agencies in 2000, \$141,331 was forwarded to the State of Minnesota.

Criminal Forfeiture Activity By Law Enforcement Agency

The 42 law enforcement agencies reporting criminal forfeiture incidents in 2000 included county sheriff's departments, city police departments, various drug task forces, and the Minnesota State Patrol. The agencies reporting incidents represent thirteen fewer agencies from those reporting in 1999.

Criminal forfeitures are an infrequent occurrence for most law enforcement agencies. In fact, 31 of the 42 law enforcement agencies reporting, reported fewer than 10 forfeitures during the reporting period. The Minneapolis Police Department reported the largest number of forfeitures with 403, followed by the St. Paul Police Department with 328, and the Minnesota State Patrol with 133.

The Minneapolis Police Department reported the greatest number of criminal forfeitures in 2000 with 403 incidents.

The Minneapolis Police Department reported a decrease in the number of forfeitures of 9.4 percent between 1999 and 2000. In addition, the average net proceeds per forfeiture for the Minneapolis Police Department increased from \$1,193 to \$1,354. In 1999, the Minneapolis average was \$824.

Forfeited Property Destroyed, Retained, or Forwarded to Another Agency

In addition to selling forfeited property, law enforcement agencies have the authority to destroy property that is harmful to the public, to retain property for official use by the agency, or forward property to a federal agency (usually the Drug Enforcement Administration). The value of property used for law enforcement is not included in the net proceeds of criminal forfeitures or the funds transmitted to the State Treasurer until the property is sold.

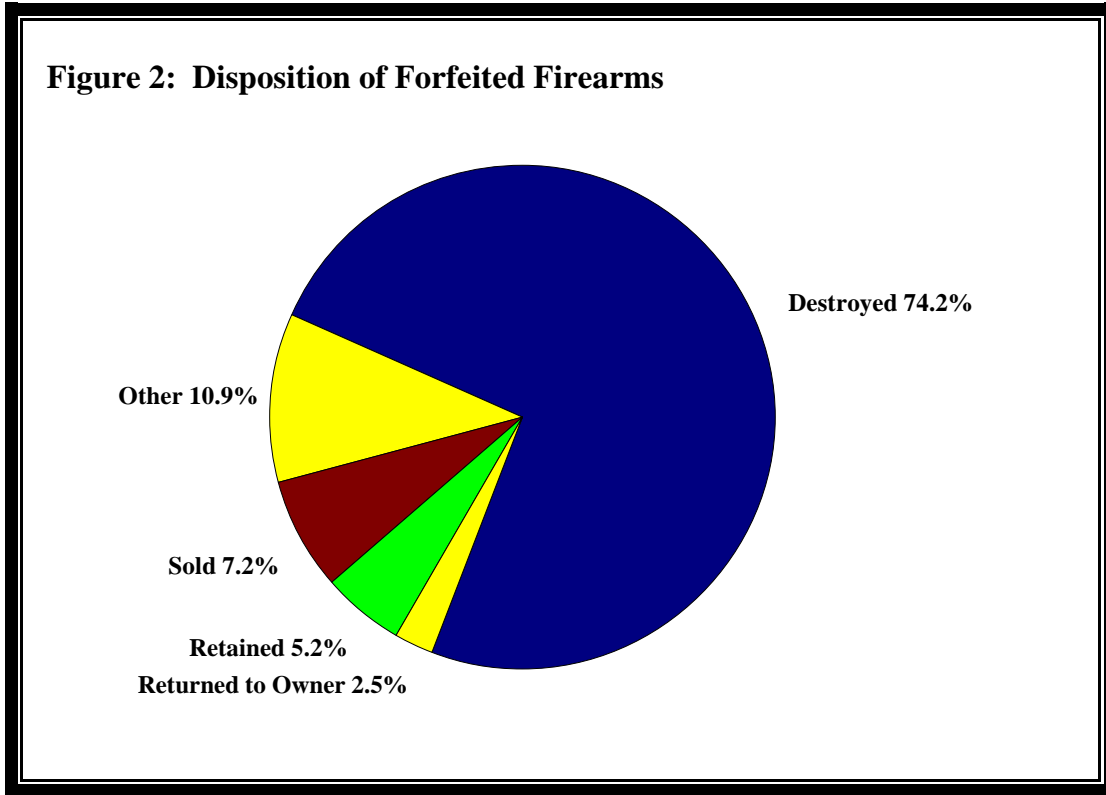

In 2000, an estimated \$79,303 in forfeited property was destroyed, retained, or forwarded to a federal agency. This represents a decrease of 31.7 percent from the amount reported in 1999.

Property or Proceeds Shared With Another Agency

Law enforcement agencies frequently work together, especially on drug-related offenses. Law enforcement agencies working on a case often share the cash proceeds from drug-related criminal forfeitures. In 2000, six agencies shared with other agencies property or proceeds seized in thirteen criminal forfeiture incidents. Two of the reporting agencies were interagency drug task forces.

Firearm Forfeitures 2000 Summary

In 2000, 24 law enforcement agencies reported a total of 1,090 firearm forfeitures to the Office of the State Auditor. Law enforcement agencies may destroy, retain, return seized weapons, or sell seized firearms to federally licensed firearms dealers.

Types of Weapons Forfeited

The weapons most commonly forfeited in 2000 were predominantly (listed in descending order by number of forfeitures) 12 gauge shotguns, .25 caliber handguns, .22 caliber rifles, .38 caliber handguns, 9 millimeter handguns, and .22 caliber handguns. Of the 1,090 weapons forfeited in 2000, 60.6 percent were handguns, 10.1 percent were shotguns, 13.3 percent were rifles, and 16 percent were other types or unknown.

Reason for Firearm Seizures

Crimes such as assault, theft, homicide and possession of a controlled substance were associated with 40 percent of all firearm forfeitures. Illegal firearm possession (22.8 percent) and abandoned or found (7 percent) were the next two most common reasons for firearm seizures.

Firearm forfeitures by the Minneapolis Police Department (408), and the Roseville Police Department (231), accounted for 58.6 percent of the reported firearm forfeitures in 2000.

Scope and Methodology

This report details criminal and firearm forfeitures completed in 2000 pursuant to Minnesota Statutes §§ 609.531 to 609.5317; 84.912; 86b.337; and, 169.1217. The report provides information on the amount of money, weapons, and property seized by Minnesota law enforcement agencies.¹

The above statutes direct law enforcement agencies to provide, on a monthly basis, a written record of each forfeiture incident to the State Auditor. The law enforcement agencies reporting include the Minnesota Bureau of Criminal Apprehension, Minnesota State Patrol, county sheriff departments, city police departments and drug task forces.

Information is reported on the value of cash, gross sales of forfeited property, administrative expenses, lien holders' obligations, net proceeds, and disposition of property. Net proceeds are defined as proceeds from the sale of forfeited property after payment of administrative costs and satisfaction of valid liens against the property. Law enforcement agencies report forfeitures completed during the reporting period.² The actual seizure of property, which usually happens at the time of arrest, could have occurred before January 1, 2000, the beginning of the 2000 reporting period.

¹ Law enforcement authorities may also use federal statutes as a means of compelling the forfeiture of cash and property. In fact, many forfeitures of large amounts of cash and valuable property are based on federal statutes and, therefore, are not identified in this report.

² Property seized under Minnesota Statutes §§ 609.531 to 609.5317 is subject to the orders and decrees of the court having jurisdiction over the forfeiture proceedings. Property seized in connection with a controlled substance offense is subject to administrative forfeiture procedures. The owner(s) of the seized property must be given written notice of the seizure, the intent to forfeit the property, and the right to obtain judicial review of the forfeiture. The court may order the return of seized property or find that the property is subject to forfeiture. If the forfeiture of property is related to controlled substances, the court may not issue an order of forfeiture while the alleged owner of the property is in custody and the related criminal proceedings are pending against the alleged owner. Forfeitures are not complete until all related judicial and administrative proceedings have been completed.

BACKGROUND

State laws governing property that is subject to criminal forfeiture proceedings, and the actual disposition of the forfeited property, have changed considerably since their inception in 1971.

- ! In 1971, the Legislature authorized a law enforcement agency making an arrest involving a controlled substance to seize property associated with the use or transportation of the controlled substance. Upon conviction of the offense, the individual forfeited the seized property to the local law enforcement agency. Legislation authorized the local law enforcement agency to use forfeited property for law enforcement purposes, or sell the property and use the proceeds of the sale for authorized agency activities, and destroy forfeited contraband.
- ! In 1973, the Legislature authorized the seizure and subsequent forfeiture of money that was deemed to be related to the commission of an offense involving a controlled substance. The 1973 law prescribed a more detailed process for criminal forfeitures. It also directed that half of all proceeds from the sale of forfeited property, and half of all of the forfeited cash, be forwarded to the state drug abuse authority. The state drug abuse authority was directed to use its share of the proceeds for the care and treatment of individuals with drug-related disorders. The remaining half of the proceeds from the sale of forfeited property would continue to be used by the local law enforcement agency.
- ! In 1984, the Legislature expanded the items that are subject to criminal forfeiture to include all money, precious metals, gems, negotiable instruments, securities, and property or things of value. The 1984 law further stipulated that "all moneys, precious metals, and gems found in proximity to controlled substances or in proximity to any equipment or records pertaining to a controlled substance, are subject to forfeiture." It also revised the formula for distributing forfeited cash and the net proceeds from the sale of forfeited property. Under the 1984 revision, the state retained one-third of the cash and net proceeds for the care and treatment of individuals with drug-related disorders. The remaining two-thirds of the net proceeds were to be shared equally between the law enforcement agency making the initial arrest and the prosecuting agency.
- ! In 1988, the Legislature significantly expanded the list of criminal offenses that included the potential for forfeiture of cash and personal property. In addition to forfeitures related to offenses involving a controlled substance, the Legislature authorized forfeitures of cash and property related to the commission of a variety of other criminal offenses, including: murder, aggravated assault, criminal sexual conduct, criminal vehicular homicide, robbery, kidnaping, prostitution, bribery, fraud, and theft. The 1988 law also amended the formula used to distribute forfeited cash and the proceeds from the sale of forfeited property. The new formula directed that 70 percent of the cash and net proceeds be used by the law enforcement agency initiating the forfeiture action, 20 percent of the cash and net proceeds be distributed to the prosecuting agency, and the remaining ten percent of the cash and net proceeds be forwarded to the state for deposit in the state's general fund.

- ! In 1992, legislative interest in the nature and extent of criminal forfeitures increased throughout the state. This increased interest resulted in a legislatively-imposed requirement that law enforcement agencies report all criminal forfeitures to the Office of the State Auditor. Monthly reports to the auditor "shall include the amount forfeited, date, and a brief description of the circumstances involved."
- ! In 1993, the Legislature passed legislation that forbids law enforcement agencies from selling forfeited firearms. The provision requires that all forfeited weapons, ammunition, and firearm accessories be destroyed unless they are retained for law enforcement purposes.
- ! In 1994, the Legislature amended the forfeiture statutes to require law enforcement agencies to report to the Office of the State Auditor "the number of firearms forfeited, and the make, model, and serial number of each firearm forfeited."
- ! In 1995, the Legislature expanded DUI-related forfeiture statutes to include offenses involving snowmobiles, all-terrain vehicles, boats, and automobiles. A vehicle used in an incident that results in a third impaired driving conviction in five years or a fourth conviction within fifteen years is subject to forfeiture. The legislation also required law enforcement agencies to report these forfeitures to the Office of the State Auditor on an annual basis.
- ! Due to the 1997 legislative repeal of Minnesota Statutes, sections 84.912, subd. 10, and 86B.337, subd. 10, law enforcement agencies are no longer required to report information on DWI-related forfeitures to the Office of the State Auditor. In addition, the Office of the State Auditor is no longer required to report on DWI-related forfeitures in Minnesota.
