Executive Branch Total Compensation Report

The Executive Branch Total Compensation Report includes all Executive Branch employees and lists their classification, annual salary, FICA, retirement, and other insurance benefits. The data is listed by department and employee identification number. Employees with multiple jobs* are shown with their corresponding dollars under each agency's section. If an employee holds multiple jobs, and is insurance eligible, the complete cost of insurance benefits for the employee may be listed for each position they hold in this report; however, the employee is only receiving the benefit once.

*The employee column on the report consists of a unique employee number and a "-" and a unique job record number. Employees with multiple jobs will have a common employee number and unique job record numbers.
