FY 77 The Board of Chiropractic Examiners exists under Chap 143.01-148.10 to serve the public by qualifying licensed practitioners, thru State and National Bd. examinations by written, oral and practical demonstration to prove their competency. To regulate qualified chiropractors in the State of Minnesota, minimum standards of proficiency are met by attending Board-approved continuing educational seminars annually before issuance of license renewal.

To inform the Attorney General's office of all complaints and refer those not in the Board's jurisdiction of ethics or peer-review for further evaluation to the proper agency.

To request from and provide other Chiropractic State Boards with information concerning Board policy, procedures and status of licensee. To inform chiropractic colleges of examination requirements and dates.

To inform State and Federal agencies of all new licensees.

Approximately 70 examinations are given annually.
