

BIENNIAL REPORT OF EXAMINING AND LICENSING BOARDS

(MS 1978 SECTION 214.07)

790230

BOARD: <sup>(1)</sup> ~~MINNESOTA STATE BOARD OF~~ MEDICAL EXAMINERS,

LOCATION: Suite 352, 717 Delaware Street Southeast  
Minneapolis, Minnesota 55414

STATUTORY AUTHORITY: MN. ST. Ch. 146; Ch. 147; Ch. 148; Ch. 319

REPORT PERIOD: <sup>(2)</sup> July 1, 1976 To: June 30, 1978  
<sup>(2A)</sup> Annual Report

SUBMITTED BY: Arthur W. Poore, Executive Secretary 10-1-1978  
Name Title Date

<sup>(3)</sup> October 1, 1978

<sup>(4)</sup> 51 p.

Copies of this report shall be delivered to: (1) the Legislature in accordance with Section 3.195 (1 copy to the Secretary of the Senate, 1 copy to the Chief Clerk of the House of Representatives and 10 copies to the Legislative Reference Library); (2) the Governor; and (3) Commissioner of Administration. Each health-related board shall also deliver a copy of their report to the Board of Health.

State govt - depts, + agencies  
Health and health care

Clause a: GENERAL STATEMENT OF BOARD ACTIVITIES

This description should cover both FY 77 and FY 78 and include any changes (additions/deletions) in activities between those years.

The Minnesota State Board of Medical Examiners has been given the following responsibilities:

1. Licensure to Practice Medicine and Surgery

<u>Basis</u>	<u>LICENSES ISSUED</u>	
	<u>76-77</u>	<u>77-78</u>
A. National Board Part I and II	0	0
B. Flex Written Examination	65	61
C. Flex Examination Other States	44	42
D. Reciprocity	102	95
E. Endorsement of National Board of Medical Examiners	433	511
F. Endorsement of National Board of Osteopathic Examiners	4	5
G. Endorsement of Medical Council of Canada	0	19
<u>TOTAL</u>	648	733

A. National Board Part I and II

From 1887 until 1968 the Board prepared and graded its own essay type examination. In 1968 Statutory authority was granted to contract for a written examination and the Board adopted the National Board II (Day II, Clinical Science subjects), as its official examination. Since the medical schools gave the same examination in April as the Board gave in June, the Board requested and was given legislative authority to accept the scores from the school or the National Board office in lieu of the candidate taking the same examination in June. After adoption of the Flex examination, only those who passed National Board Part II prior to January 1, 1973, qualify on this basis. The record shows that no candidates applied on this basis in 1976-1978.

B. Flex Written Examination

The Flex Examination, a three day examination, was adopted by the Board in December of 1971 and is the examination used by all states within the United States except Florida. It is also used by Puerto Rico, the District of Columbia and the Province of Saskatchewan. (Many Minnesota Licentiates have been licensed in Florida on the basis of their Minnesota license).

The Flex Weighted Average of 75.0 is the passing score used by 45 states, including Minnesota. The examination is given in June and December. However, as the June results are not available until August first, the statistics for the year 1976-1978 will include the results of the June 1976 examination and the June 1977 examination statistics will be included in the 1977-1978 report. The June 1978 examination will be included with the 1978-1979 statistics. The Flex examination is unique in that a Minnesota candidate living in Washington can take the examination there as a courtesy candidate and vice versa.

Clause a: GENERAL STATEMENT OF BOARD ACTIVITIES

This description should cover both FY 77 and FY 78 and include any changes (additions/deletions) in activities between those years.

Continued - page -2-

C. Flex Examination Other States

The Board has authorized the office to accept applications on the basis of Flex examinations taken in other states in lieu of taking our written examination or applying on the basis of reciprocity. Most of these applicants are Foreign Medical Graduates. Schedule A is a listing of states where these candidates took the Flex.

D. Reciprocity

Minnesota has reciprocity with all other states. See Schedule B for a listing of states from which candidates have been granted licensure by reciprocity.

E. Endorsement of National Board of Medical Examiners

One normally becomes a Diplomate of the National Board of Medical Examiners by taking Day I, (Basic Science subjects), as a second year medical student, Day II, (Clinical Science Subjects), as a fourth year medical student and Day III, (Clinical Competence), as a first year resident. This is the basis on which most United States Graduates and many Canadian Graduates are licensed in Minnesota.

F. Endorsement of National Board of Osteopathic Examiners

Since the Board of Osteopathy was merged with the Board of Medical Examiners in 1963, the only license the Doctor of Osteopathy can obtain in Minnesota is the license to practice medicine and surgery. The same license as issued to the Doctor of Medicine. They may apply on the basis of Reciprocity, Examination, or the National Board of Osteopathic Examiners. Seventy-seven have been licensed since 1963, eight in 1976-1977 and nine in 1977-1978.

G. Endorsement Medical Council of Canada

Minnesota Session Laws 1977 Chapter 7, authorized the Board to grant licenses to licentiates of the Medical Council of Canada. Nineteen (19) licenses were granted on this basis in 1977-1978.

Medical Schools Schedule D

The Board feels that the listing of Medical Schools provided the most informative information in regard to the origin of Minnesota physicians.

2. Endorsement Certification to Other States See Schedule E

During the two-year period, July 1, 1976-June 30, 1978, 309 Minnesota Licentiates used their Minnesota license to obtain Licensure by Reciprocity in other states. Texas and California are the largest recipients of Minnesota Licentiates. In addition to the above endorsements, thousands of certifications are made to the Drug Enforcement.

Clause a: GENERAL STATEMENT OF BOARD ACTIVITIES

This description should cover both FY 77 and FY 78 and include any changes (additions/deletions) in activities between those years.

Continued - page -3-

Administration, Hospitals, Drug Companies, and so forth.

### 3. Temporary Graduate Training Permits

During 1974-1976, 15 Temporary Graduate Training Permits were issued. Sixteen (16) are now in force.

### 4. Professional Corporations

During the two-year period, July 1, 1976-June 30, 1978, 121 new corporations were formed, bringing to 743 the number formed since the original law was passed in 1951. (There are 640 active at Present).

### 5. Student Loan Program

The 1969 and 1971 Sessions of the Legislature appropriated a \$150,00 Rural Scholarship Loan Fund to the Board. The entire amount was loaned to 43 candidates. Five (5) are practicing in Communities of 3,000 or less. Fourteen (14) loans have been paid back, and partial payments have been made on many others.

<u>REPAYMENTS:</u>	<u>INTEREST 8%</u>	<u>PRINCIPAL</u>	<u>BALANCE</u>

	2 Found to have Medical Directors
	163 No Statutory Violation or Prescribed Forms not Submitted.
	27 Not Reviewed as of June 30, 1978.

In addition to the other duties of the Board, the Board has a number of other responsibilities which are not mentioned in the Board's Annual Report. (See also the Board's Annual Report for 1964.)

Because of the numerous responsibilities of the Board in carrying out its duties, a number of Committees have been appointed.

The Midwifery Committee, has been studying the standards required to qualify for licensure.

The Discipline Committee, has been created to review all complaints received by the Board. There are three (3) members on this Committee, a Lay member of the Board, a Professional member of the Board and the Secretary-Treasurer of the Board who will act as a Chairman of the Committee. This Committee serves on a six (6) month rotating basis.

The Continuing Medical Education Committee, was created first to develop Rules requiring Continuing Medical Education, and is now responsible for approving programs. This additional work-load will be handled by an LAC approved position which the Board is in the process of filling.

The Physician Assistant Committee, has been created because this activity, in the Practice of Medicine, the Board feels strongly its responsibility that Laws and Rules regarding this must guarantee that our Citizens will not be given less than optimum medical care.
